Star Wars Lost Tribe of the Sith: Exploring the Dark Legacy Hidden in the Outer Rim

star wars lost tribe of the sith is a fascinating and often overlooked chapter in the expansive Star Wars universe. For fans eager to dive deeper into Sith lore beyond the movies and mainstream media, the Lost Tribe of the Sith offers a rich tapestry of storytelling that blends ancient Sith history with thrilling narratives of survival, power struggles, and dark Force mysticism. This article will guide you through the origins, significance, and intriguing details of the Lost Tribe, helping you appreciate this unique corner of Star Wars lore.

What Is the Star Wars Lost Tribe of the Sith?

The Lost Tribe of the Sith is a series of novellas written by author John Jackson Miller, originally published on the official Star Wars website. These stories reveal a secretive group of Sith Lords who crash-land on a remote and uncharted planet called Kesh, far from the known galaxy. Isolated from the rest of the Sith Order, this tribe evolves independently, creating its own culture, traditions, and interpretations of the dark side of the Force.

Unlike the Sith we see in the films—who are often tied to galactic politics and the Jedi Order—the Lost Tribe exists in a sort of dark isolation, struggling with survival and internal conflict far from the grand stage of the Republic or Empire. This narrative bridges the gap between ancient Sith history and the more modern Sith we know, providing fans with a fresh perspective on Sith evolution and ideology.

The Origins and History of the Lost Tribe

The Lost Tribe of the Sith traces its roots back to the time of the Old Republic, thousands of years before the events of the Skywalker saga. The tribe's story begins when a Sith warship, fleeing defeat, crashes on Kesh—a distant world unknown to the galaxy at large. Cut off from Sith politics and the Sith Empire, the survivors form a new society.

Life on Kesh: Survival and Sith Culture

Kesh is a dangerous planet, filled with hostile wildlife, rival tribes, and a harsh environment. The Sith survivors must adapt quickly, using their dark Force abilities not only to dominate the planet's inhabitants but also to maintain their own order. Over centuries, the Lost Tribe develops its own traditions, distinct from the Sith Code taught elsewhere.

What makes the Lost Tribe compelling is their blending of Sith philosophy with the practical necessities of survival. They emphasize self-reliance, strength through unity, and ruthless leadership. Their dark rituals and Force usage evolve uniquely, influenced by the planet's mysterious Force energies and the challenges they face.

Key Figures in the Lost Tribe

The novellas introduce several important characters who shape the tribe's destiny:

- **Karness Muur**: An ancient Sith Lord whose spirit and teachings haunt the Lost Tribe, influencing their dark magic and Sith practices.
- **Raith Sienar**: A cunning leader who balances ambition and pragmatism, guiding the tribe through internal conflicts.
- **Gav Daragon**: A character whose journey reflects the tribe's struggles between tradition and change.

These figures add depth to the tribe's story, showcasing personal ambitions, betrayals, and the brutal politics that define Sith societies.

How the Lost Tribe of the Sith Expands Star Wars Lore

The Lost Tribe stories enrich the Star Wars mythos by exploring themes rarely touched upon in the films or mainstream media. They delve into the nature of Sith identity, the corrupting influence of the dark side, and the consequences of isolation from galactic events.

Sith Philosophy and the Dark Side Explored

Unlike the traditional Sith portrayed as power-hungry villains, the Lost Tribe offers a nuanced look at Sith philosophy. Their isolation forces them to reinterpret Sith teachings, sometimes clashing with canonical Sith beliefs. This divergence provides fans with fresh insights into how Sith ideology can adapt to different environments and challenges.

The Role of Kesh and Its Mystical Qualities

Kesh itself is almost a character in the narrative. The planet's Force-rich environment affects the tribe's Force abilities and magic, leading to unique Sith powers not seen elsewhere. The interplay between environment and Force use adds a layer of mysticism that deepens the Star Wars universe's spiritual dimension.

Recommended Reading and Media for Fans

If you're interested in exploring the Lost Tribe of the Sith, the best place to start is John Jackson Miller's series of novellas, which are typically compiled into collections or available as eBooks. These stories range from "The Lost Tribe of the Sith: The Collected Stories" to individual segments like "Sithborn" and "Pandemonium."

Beyond the novellas, various Star Wars encyclopedias and reference books provide background

information on Sith history and lore that complements the Lost Tribe narrative. Online fan communities and forums also offer discussions and analyses that can enhance your understanding.

Tips for New Readers

- Approach the novellas as a dark, character-driven saga rather than a traditional Star Wars adventure.
- Pay attention to the evolving Sith traditions; they differ significantly from the Sith Lords of the movies.
- Explore supplementary materials for context on Sith history, which will deepen your appreciation of the tribe's unique path.

The Impact of the Lost Tribe on Star Wars Fandom

Although the Lost Tribe of the Sith may not be as widely known as the mainstream Star Wars films or shows, it holds a special place among hardcore fans and lore enthusiasts. It represents the richness of the Star Wars expanded universe, showcasing how storytelling can explore complex themes and characters beyond the central saga.

The tribe's story also inspires fan art, role-playing campaigns, and fan fiction, allowing the Star Wars community to engage creatively with Sith mythology. By understanding the Lost Tribe, fans gain a broader perspective on the dark side's many facets and the diverse stories Star Wars has to offer.

The Lost Tribe of the Sith is a testament to the depth and creativity embedded in the Star Wars universe, proving that even in the shadows of the galaxy, compelling stories of power, survival, and destiny await discovery.

Frequently Asked Questions

What is the Lost Tribe of the Sith in Star Wars lore?

The Lost Tribe of the Sith is a group of Sith descendants who were stranded on the planet Kesh, isolated from the rest of the galaxy, developing their own Sith culture separate from the Sith Order known in the main Star Wars timeline.

Where does the Lost Tribe of the Sith story take place?

The story primarily takes place on the remote planet Kesh, located in the Unknown Regions of the Star Wars galaxy.

How did the Sith end up stranded on Kesh in the Lost Tribe of

the Sith series?

The Sith were stranded on Kesh after their ship crashed due to a hyperspace accident, leaving them isolated for thousands of years.

Who is the main protagonist in the Lost Tribe of the Sith series?

The main protagonist is Karness Muur, a powerful Sith Lord who plays a central role in the tribe's history and survival.

Is the Lost Tribe of the Sith considered part of the official Star Wars canon?

No, the Lost Tribe of the Sith series is part of the Star Wars Legends continuity, meaning it is not officially canon but remains popular among fans.

What themes are explored in the Lost Tribe of the Sith series?

The series explores themes such as survival, power struggles, the nature of the Sith, isolation, and the evolution of Sith culture over time.

Who wrote the Lost Tribe of the Sith series?

The Lost Tribe of the Sith series was written by John Jackson Miller.

How many parts are there in the Lost Tribe of the Sith series?

The series consists of six parts, originally released as eBooks.

Does the Lost Tribe of the Sith series connect to other Star Wars stories?

While largely standalone, the series ties into the broader Star Wars Legends universe by exploring the deeper history of the Sith and the Unknown Regions.

Star Wars Lost Tribe of the Sith: An In-Depth Exploration of the Hidden Sith Civilization

star wars lost tribe of the sith stands as a compelling and intricate chapter within the expansive Star Wars universe, shedding light on one of the franchise's most enigmatic groups. This narrative arc, primarily explored through a series of novels and short stories, delves into the origins, culture, and evolution of a secretive Sith faction isolated from the broader galactic conflict. By investigating the Lost Tribe of the Sith, fans and scholars alike gain a richer understanding of Sith lore beyond the familiar tales of Darth Vader and Emperor Palpatine. This article examines the core elements of the

Lost Tribe, their significance within Star Wars canon, and how this storyline enriches the mythos surrounding the Sith.

Origins and Context of the Lost Tribe of the Sith

The Lost Tribe of the Sith traces its roots back to an ancient group of Sith Lords who became stranded on a remote and uncharted planet named Kesh. Unlike the Sith Order commonly depicted in Star Wars media, which is often intertwined with the Galactic Republic and later the Empire, this tribe's isolation from the wider galaxy leads to a unique sociopolitical evolution. The narrative begins with the tale of a starship crash landing on Kesh, effectively severing the tribe's connection to the Sith homeworld and the broader galactic events.

This storyline was initially introduced through a series of eBook novellas authored by John Jackson Miller, a writer known for his deep engagement with Star Wars lore. The Lost Tribe of the Sith series offers a blend of political intrigue, dark Force mysticism, and survivalist themes that differentiate it from mainstream Star Wars stories. It explores how Sith philosophy adapts when traditional structures collapse and how power struggles manifest in an isolated environment.

The Significance of Kesh in Sith History

Kesh itself is portrayed as a diverse and perilous world, home to indigenous species and complex ecosystems. The interactions between the Lost Tribe and the native Keshiri people create a layered cultural dynamic that challenges the tribe's Sith-centric worldview. Over generations, the tribe must navigate external threats and internal dissent, which provides a fertile ground for examining Sith principles such as the Rule of Two and the pursuit of power through fear and manipulation.

In Star Wars canon, Kesh's introduction expands the universe by presenting a Sith society untouched by Jedi influence for centuries. This isolation allows for a different manifestation of Sith ideology, one that is less constrained by the political machinations of the Republic or Empire, and more focused on survival and domination at a microcosmic level.

Analyzing the Themes and Narrative Structure

The Lost Tribe of the Sith series employs a distinctive narrative approach that combines episodic storytelling with overarching themes of legacy, identity, and the corrupting nature of power. Unlike typical Star Wars stories centered around heroism and redemption, the Lost Tribe narratives often delve into darker, more morally ambiguous territories. The protagonists are frequently portrayed as ruthless and pragmatic, highlighting the Sith's embrace of passion and ambition as driving forces.

Power Dynamics and Leadership

One of the central themes explored is the nature of leadership within the Sith hierarchy. The Lost Tribe's isolation forces its members to continuously challenge and overthrow leaders, illustrating the

cyclical and often violent transfer of power intrinsic to Sith culture. This aspect provides an insightful commentary on authoritarianism and the fragility of regimes founded on fear and dominance.

Moreover, the series contrasts the Lost Tribe's leadership style with the more codified Sith Order seen elsewhere in the galaxy. Without the guiding edicts like the Rule of Two, the tribe's political landscape is marked by constant upheaval, which both weakens and strengthens them in different ways. This dynamic makes the Lost Tribe a fascinating case study in Sith governance.

The Role of Force and Sith Mysticism

Force sensitivity and the application of Sith teachings form the backbone of the Lost Tribe's identity. The series explores various Force techniques, dark rituals, and Sith sorcery unique to this isolated group. These elements enrich the understanding of Sith mysticism by showcasing practices outside the canonical Sith Lords' repertoire. The tribe's Force users often display a primal and raw connection to the dark side, emphasizing the corruptive and seductive aspects of power.

This portrayal adds depth to the Star Wars mythos by illustrating how Sith philosophy can evolve independently, influenced by environment and necessity rather than strict dogma. It also raises questions about the universality of Sith beliefs and whether their core tenets are adaptable or immutable.

Impact on Star Wars Canon and Expanded Universe

The Lost Tribe of the Sith occupies an intriguing niche within the Star Wars Expanded Universe (now known as Legends). While not part of the new official canon established after Disney's acquisition of Lucasfilm, the series remains beloved by fans for its rich storytelling and world-building. It offers an alternative perspective on Sith culture that complements and complicates the traditional narratives.

Comparisons with Other Sith Narratives

When compared to other Sith-focused stories such as the Darth Bane trilogy or the Sith origins explored in the prequel films, the Lost Tribe series distinguishes itself through its focus on isolation and survival. While Darth Bane's story details the establishment of the Rule of Two to prevent Sith infighting, the Lost Tribe shows what happens when such rules are absent. This contrast provides valuable insight into the consequences of Sith ideology applied in different contexts.

Additionally, the Lost Tribe's narrative is less concerned with galactic-scale conflicts and more with the microcosm of tribal politics and cultural domination. This shift in scope allows for a more intimate exploration of Sith psychology and societal development.

Influence on Fan Theories and Creative Works

The depth and uniqueness of the Lost Tribe's lore have inspired numerous fan theories, artwork, and role-playing scenarios. Its portrayal of a Sith civilization evolving independently has captivated fans interested in Sith history beyond the mainstream saga. Many have speculated on potential connections between the Lost Tribe and other mysterious Sith entities, such as the Sith Eternal cult seen in more recent films.

Furthermore, the Lost Tribe's stories serve as fertile ground for exploring themes of exile, adaptation, and the persistence of ideology in isolation. These themes resonate beyond Star Wars, touching on universal questions of power and identity.

Strengths and Challenges of the Lost Tribe of the Sith Series

The series boasts several strengths that make it a standout within Star Wars literature. Its commitment to deep character development, complex political intrigue, and atmospheric world-building provides a rich reading experience. The narrative's darker tone and mature themes offer a refreshing alternative to the more straightforward good-versus-evil conflicts typical of Star Wars.

However, the Lost Tribe of the Sith also faces challenges. Its placement within the Legends continuity means it does not influence the current official canon, potentially limiting its exposure to newer fans. Additionally, the episodic format of the novellas can sometimes disrupt narrative flow for readers seeking a more cohesive novel-length experience.

- **Pros:** Unique Sith perspective, rich world-building, mature themes, complex characters
- **Cons:** Non-canonical status limits reach, episodic structure may affect pacing, darker tone might not appeal to all fans

Despite these challenges, the Lost Tribe of the Sith remains an essential read for those interested in the broader Sith mythology and the less-explored corners of Star Wars lore.

Where to Access Lost Tribe of the Sith Content

The series is primarily available through digital platforms as eBooks, which makes it accessible to a global audience. Collections compiling the novellas and related short stories provide an efficient way to experience the full saga. Additionally, some of the content has been referenced in Star Wars role-playing games and fan-made media, further extending its influence.

Conclusion: The Enduring Legacy of the Lost Tribe of the Sith

The Star Wars Lost Tribe of the Sith offers a captivating exploration of Sith culture through the lens of isolation and survival. By diverging from the traditional Sith narratives tied to the galaxy's central events, it uncovers new dimensions of Sith ideology and history. This series enriches the Star Wars universe by adding complexity to one of its most iconic villainous factions. Whether approached as a standalone story or as part of the broader Expanded Universe, the Lost Tribe of the Sith stands as a testament to the franchise's capacity for nuanced storytelling and world-building.

star wars lost tribe of the sith: Star Wars Lost Tribe of the Sith: The Collected Stories

John Jackson Miller, 2012-08-02 This collection of nine Lost Tribe of the Sith stories is for fans of the New York Times bestselling Fate of the Jedi series, as it features the origin story of the tribe of Sith that play such a crucial role in those novels. The bestselling Fate of the Jedi novels introduce the Star Wars universe to a long-forgotten tribe of Sith. This collection of stories tells the origin of that tribe. Written by John Jackson Miller, this paperback will include all eight of the Lost Tribe of the Sith stories, as well as Pandemonium, the never-before-seen final chapter that will only be available in this collection.

star wars lost tribe of the sith: Lost Tribe of the Sith: Star Wars Legends: The Collected Stories John Jackson Miller, 2012-07-24 At last in one volume the eight original installments of the epic Lost Tribe of the Sith eBook series . . . along with the explosive, never-before-published finale, Pandemonium—more than one hundred pages of new material! Five thousand years ago. After a Jedi ambush, the Sith mining ship Omen lies wrecked on a remote, unknown planet. Its commander, Yaru Korsin, battles the bloodshed of a mutinous faction led by his own brother. Marooned and facing death, the Sith crew have no choice but to venture into their desolate surroundings. They face any number of brutal challenges—vicious predators, lethal plagues, tribal people who worship vengeful gods—and like true Sith warriors, counter them with the dark side of the Force. The struggles are just beginning for the proud, uncompromising Sith, driven as they are to rule at all costs. They will vanquish the primitive natives, and they will find their way back to their true destiny as rulers of the galaxy. But as their legacy grows over thousands of years, the Sith ultimately find themselves tested by the most dangerous threat of all: the enemy within.

star wars lost tribe of the sith: Star Wars Sonderband 75: Der vergessene Stamm der Sith - Teufelsspirale John Jackson Miller, 2014-03-15 Auf dem vom Rest der Galaxis abgeschnittenen Planeten Kesh lebt der Stamm der Sith. Ein machthungriger Sith-Rebell aus den Slums fordert die Mächtigen heraus, doch er ist nicht der Einzige, der das Gefüge ins Wanken bringt... Eine mitreißende Sith-Story mit Helden, Antihelden und durchtriebenen Schurken! Jubiläumsband 75! Basierend auf dem Erfolgsroman The Lost Tribe of the Sith - The collected Stories. Auch als Variant-Cover zur Star Wars Celebration Europe in Essen erhältlich!

star wars lost tribe of the sith: The Essential Reader's Companion: Star Wars Pablo Hidalgo, 2012-10-02 THE DEFINITIVE WORD ON STAR WARS FICTION The legendary motion picture Star Wars has spawned two big-screen sequels and three prequels—and decades of bestselling fiction. From the original movie tie-in novel through the monumental Fate of the Jedi series, legions of devoted readers have helped expand science fiction's most celebrated film saga into a page-turning print sensation. Now, for the first time, a comprehensive overview of these sweeping Star Wars adventures is presented in one beautifully illustrated volume. Star Wars: The Essential Reader's Companion spans the entire galaxy of published Star Wars fiction—movie novelizations, original stand alone and series novels, short stories, eBook novellas, young adult titles, and comics—and features:

- a concise synopsis of each story, including key characters and planets
- exclusive behind-the-scenes facts and anecdotes about authors, plot and character development, continuity notes, and significance in the Star Wars Expanded Universe
- details on which novels are linked to Star Wars comic books from Dark Horse and Marvel
- a chronological listing of titles, spanning the 25,000-year history of the Star Wars universe and placing each story in its proper context
- more than one hundred original paintings throughout by some of fans' favorite artists

Whether skimming through fateful eras from the Old Republic to the New Jedi Order; delving deep into the ancient history of the Lost Tribe of the Sith or the tumultuous Clone Wars; crossing paths—and lightsabers—with Dark Lords such as Plagueis or Bane, Sidious or Vader; helming the Millennium Falcon with Han Solo; or mastering the Force with Luke Skywalker, this one-of-a-kind, one-stop reference is a must for fans looking to maximize their knowledge of the sprawling Star Wars Expanded Universe.

star wars lost tribe of the sith: Star Wars John Jackson Miller, 2011 When the Sith ship Omen crash-landed on Kesh two thousand years ago, the crew encountered native barbarism and superstition. Now a violent millennium has reduced the Lost Tribe of the Sith to a similar state. While Sith teachings are remembered, honored, and violently practiced, knowledge of the Lost Tribe's true origins has all but vanished. With a dark age imperiling the Sith, the future rests in the hands of the unlikeliest of people: Caretaker Hiltz, the official keeper of lore. Mild-mannered by Sith standards, the aged Hiltz hopes to use the wisdom of the ancients to reunite his people. But the truth he uncovers becomes anything but the Tribe's salvation. Rather, he may have set loose forces leading to its destruction -- and his own. BONUS: This edition contains an excerpt from Star Wars: Fate of the Jedi: Ascension.

star wars lost tribe of the sith: Star Wars: Scourge Jeff Grubb, 2012-05-03 When news of the death of his former apprentice reaches Jedi Master Mander Zuma, he is immediately suspicious. Toro Irana was on the trail of something big when he died--something involving a mysterious new drug. As the Jedi Master investigates further, he finds himself deeply involved in the political machinations of the Hutts, dealing with the sister of the deceased's desire for revenge, and the growing realization that there's more to being a Jedi than training and studying. A fun and exciting paperback original by Jeff Grubb.

star wars lost tribe of the sith: Star Wars Legends Epic Collection John Jackson Miller, 2021-05-26 Collects Star Wars: The Old Republic (2010) #1-6, Star Wars: The Old Republic - The Lost Suns (2011) #1-5, Star Wars: Lost Tribe of the Sith - Spiral (2012) #1-5; material from Star Wars Tales (1999) #17, Star Wars Visionaries (2005). The Sith Empire has returned to the galaxy! Determined to crush the Republic that sent them into exile, the Sith launch an attack on the galaxy's Outer Rim — with their sights set on the Core Worlds, the heart of galactic unity. The Sith's Dark Council claims to want peace — but both sides have unleashed spies that could turn the tide of war! And on a frozen world, a lost tribe of Sith cut off from the galaxy is about to have its fate!

star wars lost tribe of the sith: Star Wars John Jackson Miller, 2012

star wars lost tribe of the sith: Star Wars: Riptide Paul S. Kemp, 2012-09-30 In the process of vanquishing a shipload of Sith from the distant past, Jedi Knight Jaden Korr uncovered the frozen results of a horrific cloning experiment: insane Jedi-Sith clones. Only some of those clones thawed...and now they're loose in a galaxy that has enough to deal with under the tightening grip of

the evil Darth Caedus. Jaden Korr will have to hunt them down, and if he can't save them, he will have to destroy them!

star wars lost tribe of the sith: *Star Wars: Red Harvest* Joe Schreiber, 2012-03-01 The era of the Old Republic is a dark and dangerous time, as Jedi Knights valiantly battle the Sith Lords and their ruthless armies. But the Sith have disturbing plans – and none more so than the fulfilment of Darth Scabrous's fanatical dream, which is about to become nightmarish reality. Unlike those other Jedi sidelined to the Agricultural Corps – young Jedi whose abilities have not proved up to snuff – Hestizo Trace possesses one extraordinary Force talent: a gift with plants. Suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous. For the rare black orchid that she has nurtured and bonded with is the final ingredient in an ancient Sith formula that promises to grant Darth Scabrous his greatest desire. But at the heart of the formula is a never-before-seen virus that's worse than fatal – it doesn't just kill, it transforms. Now the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living – and commanded by a Sith Master with an insatiable lust for power and the ultimate prize: immortality... no matter the cost. ----- Praise for Joe Schreiber's *Star Wars: Death Troopers* 'This is the Star Wars of every horror fan's dreams – gory, funny, and brimming with a blood-spattered cast of swashbucklers and space-zombies.' – Seth Grahame-Smith, author of *Pride and Prejudice and Zombies*

star wars lost tribe of the sith: *Star Wars: Crucible* Troy Denning, 2013-08-15 The stunning follow-up to *Fate of the Jedi*! Han Solo, Luke Skywalker, and Princess Leia have spent a lifetime fighting wars, bringing the Jedi back from extinction, raising families, and saving the galaxy more times than they can count. They've earned the right to rest on their laurels and let the younger generation shoulder the burden--but fate has another adventure in store for our heroes, a quest only they can tackle and hope to survive...

star wars lost tribe of the sith: *Star Wars: Scoundrels* Timothy Zahn, 2013-08-01 To make his biggest score, Han's ready to take even bigger risks. But even he can't do this job solo. Han Solo should be basking in his moment of glory. After all, the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance. But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. There's a bounty on Han's head – and if he can't cough up the credits, he'll surely pay with his hide. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange for Han's less-than-legal help with a riskier-than-usual caper. The payoff will be more than enough for Han to settle up with Jabba – and ensure he never has to haggle with the Hutts again. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. It sounds like a job for miracle workers... or madmen. So Han assembles a gallery of rogues who are a little of both – including his indispensable sidekick Chewbacca and the cunning Lando Calrissian. If anyone can dodge, deceive, and defeat heavily armed thugs, killer droids, and Imperial agents alike – and pull off the heist of the century – it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price?

star wars lost tribe of the sith: *Star Wars* John Jackson Miller, 2012

star wars lost tribe of the sith: *Lockdown: Star Wars Legends (Maul)* Joe Schreiber, 2014-01-28 NEW YORK TIMES BESTSELLER Set before the events of *Star Wars: Episode I The Phantom Menace*, this new novel is a thrilling follow-up to *Star Wars: Darth Plagueis*. It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry

duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for *Lockdown* "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that *Death Troopers* and *Red Harvest* took us."—Jedi News "Fans of the dark side should rejoice. *Lockdown* delivers a can't-put-this-down tale of scum and villainy."—Club Jade "[*Lockdown* is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis."—Roqoo Depot "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from *Star Wars* in a way that doesn't betray either genre. It's really quite masterful."—Big Shiny Robot "*Lockdown* is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read."—Coffee with Kenobi "The novel makes *The Clone Wars* better. It also illuminates *The Phantom Menace*. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way."—Knights' Archive "By the fiftieth page, I was hooked. . . . *Lockdown* is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more *Star Wars* books from Schreiber."—Seattle Geekly

star wars lost tribe of the sith: *Star Wars: Empire and Rebellion: Honor Among Thieves* James S. A. Corey, 2014-03-27 Nebula and Hugo Award nominees Daniel Abraham and Ty Franck--writing as James S. A. Corey--make their *Star Wars* debut in this old school, action-packed, Space Opera epic. This brand-new, classic adventure stars the irrepressible Han Solo and his new friends, Luke Skywalker and Princess Leia Organa, just after the destruction of the Death Star in *Star Wars: Episode VI A New Hope*! When a rebel spy needs extraction from under the nose of the Empire, who better to send than master smuggler, Han Solo? But rescuing a friendly spy is just the start of a wild adventure as the intel the spy uncovers leads Han and Leia to an ancient and deadly secret that threatens to be the Empire's ultimate--and likely successful--weapon against the Rebel Alliance. Add in the chance to lose Luke Skywalker to this horrific threat, and Han and Chewbacca may have finally met a trap even they can't escape...

star wars lost tribe of the sith: *Star Wars: Kenobi* John Jackson Miller, 2013-11-21 THE NEW YORK TIMES BESTSELLER The Republic has fallen. Sith Lords rule the galaxy. Jedi Master Obi-Wan Kenobi has lost everything . . . everything but hope. Tatooine - a harsh desert world where farmers toil in the heat of two suns while trying to protect themselves and their loved ones from the marauding Tusken Raiders. A backwater planet on the edge of civilized space. And an unlikely place to find a Jedi Master in hiding, or an orphaned infant boy on whose tiny shoulders rests the future of a galaxy. Known to locals only as 'Ben', the bearded and robed offworlder is an enigmatic stranger who keeps to himself, shares nothing of his past, and goes to great pains to remain an outsider. But as tensions escalate between the farmers and a tribe of Sand People led by a ruthless war chief, Ben finds himself drawn into the fight, endangering the very mission that brought him to Tatooine. Ben - Jedi Master Obi-Wan Kenobi, hero of the Clone Wars, traitor to the Empire, and protector of the galaxy's last hope - can no more turn his back on evil than he can reject his Jedi training. And when blood is unjustly spilled, innocent lives threatened, and a ruthless opponent unmasked, Ben has no choice but to call on the wisdom of the Jedi - and the formidable power of the Force - in his never-ending fight for justice.

star wars lost tribe of the sith: *Star Wars: Shadow Games* Maya Kaathryn Bohnhoff, Michael Reaves, 2012-03-31 Stranded on Tatooine with a broken-down hyperdrive, Dash Rendar and crew--his Nautolan copilot, Eaden Vrill, and a droid named Leebo--have to find a way to raise credits. It comes in the lovely form of Javul Charn, a multi-talented human holostar being stalked by an

over-zealous fan. She needs bodyguards to protect her during her tour along the Corellian Run; Dash needs credits. It's a perfect match...until things begin to go wrong--seriously and dangerously wrong. By the time Dash realizes that the threat to Javul is not what it seems, he's in up to his neck in a conspiracy that goes much deeper than anything he would have signed up for. Even with the help of his hated rival--Han Solo--will Dash be able to protect this spoiled entertainer, all the while being reminded that he couldn't protect his own family?

star wars lost tribe of the sith: Star Wars: The Last Jedi (Legends) Maya Kaathryn Bohnhoff, Michael Reaves, 2013-03-07 Ever since Emperor Palpatine's Order 66--which called for the execution of all Jedi--Jax Pavan is the last Knight around to fight the dark side of the Force. Together with his droid I-5, Jax has eluded Vader time and again, all the while wreaking havoc against the Empire through the underground resistance on Coruscant. But now the Rebel's leader on the city-planet has been captured, and it's up to the Last Jedi to ride again...possibly for one final adventure.

star wars lost tribe of the sith: Star Wars: Maul: Lockdown Joe Schreiber, 2014-01-30 From the mind of Joe Schreiber, New York Times bestselling author of Star Wars: Death Troopers, comes the delirious follow-up to last year's Darth Plagueis. In a tale of retribution and survival set before the events of The Phantom Menace, Darth Plagueis and Darth Sidious dispatch Sith apprentice Darth Maul on a secret mission to infiltrate a criminal empire operating from inside Cog Hive Seven--a hidden prison teeming with the galaxy's most savage criminals. There, he must contend against the scummiest and most villainous in gladiatorial death matches while carrying out his masters' clandestine commands. Failure is not an option; success will ignite the revenge of the Sith against the Jedi Order.

star wars lost tribe of the sith: Star Wars: X-Wing: Mercy Kill Aaron Allston, 2012-08-16 The X-Wing/Wraith Squadron books are one of the most popular series in the history of Star Wars novels. Now, the intrepid spy/pilots of Wraith Squadron are back in an all-new Star Wars adventure set in the time just after the events of the New York Times bestselling Fate of the Jedi series! Wraith Squadron was Wedge Antilles's boldest creation: a covert-action unit of X-Wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. Now, years after their thrilling adventures during and after the Rebellion that destroyed the Empire, they're back to deal with a brand-new mission!
