****The Case of Dr Jekyll and Mr Hyde: Exploring the Duality of Human Nature****

case of dr jekyll and mr hyde is one of the most intriguing and enduring stories in classic literature. Written by Robert Louis Stevenson and first published in 1886, this novella dives deep into the complexities of human nature, morality, and identity. The story of Dr Henry Jekyll and his sinister alter ego, Mr Edward Hyde, has fascinated readers for over a century, inspiring countless adaptations, discussions, and psychological interpretations. But what makes this tale so compelling, and why does it continue to resonate today? Let's explore the case of Dr Jekyll and Mr Hyde in detail.

The Origins of the Case of Dr Jekyll and Mr Hyde

The case of Dr Jekyll and Mr Hyde originates from Victorian England, a time steeped in social propriety and strict moral codes. Robert Louis Stevenson penned this tale as a reflection on the duality inherent in human beings—the struggle between good and evil within a single person. The novella follows Dr Jekyll, a respected scientist, who creates a potion to separate his darker impulses from his virtuous self. However, this experiment unleashes Mr Hyde, a ruthless and immoral figure who embodies everything society condemns.

This juxtaposition between Jekyll and Hyde has made the story iconic, symbolizing the battle between societal expectations and hidden desires.

Understanding the Characters: Dr Jekyll and Mr Hyde

Dr Henry Jekyll: The Scientist and Gentleman

Dr Jekyll is portrayed as a well-respected doctor and scientist with a reputation for kindness and generosity. He represents the socially acceptable face of humanity, the part that adheres to laws, ethics, and societal norms. However, Jekyll is also deeply curious about the darker aspects of human nature, which leads him to create a potion that can transform him into Mr Hyde.

Jekyll's character highlights the Victorian ideal of the "gentleman" but also underlines the repressed desires lurking beneath the surface of polite society.

Mr Edward Hyde: The Embodiment of Evil

Mr Hyde is the sinister alter ego of Dr Jekyll, unleashed by the transformative potion. He is described as smaller, younger, and physically deformed in a way that reflects his moral corruption. Hyde commits heinous acts without remorse, embodying the darker impulses that society tries to

suppress.

What makes Hyde particularly chilling is his lack of conscience and empathy, representing the primal and violent side of human nature.

The Themes Behind the Case of Dr Jekyll and Mr Hyde

The novella is rich with themes that extend beyond its gothic horror setting, touching on psychology, morality, and societal critique.

The Duality of Human Nature

At its core, the case of Dr Jekyll and Mr Hyde is a study of duality. Stevenson explores the idea that every person harbors both good and evil impulses. The story suggests that these forces coexist, often in conflict, and that attempting to separate them can have dangerous consequences. This theme resonates deeply with readers because it reflects the complexities of real-life human behavior.

The Struggle Between Society and the Individual

Victorian society was rigid and judgmental, forcing individuals to conform to strict moral codes. Dr Jekyll's transformation into Hyde is a metaphor for the repression and eventual eruption of forbidden desires. The story critiques the idea that people can or should completely suppress their darker sides to fit societal expectations.

Scientific Hubris and Ethical Boundaries

Stevenson's tale also touches on the dangers of unchecked scientific experimentation. Dr Jekyll's potion represents mankind's attempt to control nature and human psychology, but his failure underscores the limits of such control. The case of Dr Jekyll and Mr Hyde cautions against playing god and meddling with the fundamental aspects of identity.

Psychological Interpretations of the Case of Dr Jekyll and Mr Hyde

The novella has been widely analyzed through psychological lenses, particularly in the context of Freudian theory and modern psychology.

Freud's Id, Ego, and Superego

Many scholars interpret Dr Jekyll as representing the ego and superego—the rational and moral parts of the mind—while Mr Hyde symbolizes the id, the primal, instinctual drive. This interpretation aligns with the idea that the id's desires are often repressed but can emerge in destructive ways if not balanced by reason and morality.

Split Personality and Dissociative Identity Disorder

From a clinical perspective, the case of Dr Jekyll and Mr Hyde can be seen as an early fictional depiction of dissociative identity disorder (previously called multiple personality disorder). The story dramatizes the fragmentation of identity and the struggle to integrate conflicting aspects of the self.

The Shadow Self

In Jungian psychology, Hyde could be viewed as the “shadow” — the unconscious, rejected parts of the personality. The story serves as a cautionary tale about the dangers of ignoring or denying these shadow aspects instead of acknowledging and integrating them.

The Cultural Impact and Legacy of the Case of Dr Jekyll and Mr Hyde

The case of Dr Jekyll and Mr Hyde has left an indelible mark on literature, film, and popular culture. Its themes continue to inspire new works and adaptations, underscoring its timeless relevance.

Adaptations Across Media

From stage plays and radio dramas to blockbuster films and television series, the tale has been retold in countless forms. Each adaptation brings new interpretations but keeps the core conflict intact—the battle within a single person between good and evil.

Influence on Language and Popular Thought

The names “Jekyll and Hyde” have entered everyday language to describe someone with a dual or contradictory nature. This cultural shorthand reflects how deeply the story has penetrated collective consciousness.

Modern Relevance

In an era grappling with identity, mental health, and ethical questions about science and technology, the case of Dr Jekyll and Mr Hyde remains profoundly relevant. It prompts us to reflect on the masks we wear, the parts of ourselves we hide, and the consequences of denying the complexities within us.

Lessons from the Case of Dr Jekyll and Mr Hyde: What We Can Learn

The story offers valuable insights that extend beyond its gothic narrative. Here are some reflections inspired by the case of Dr Jekyll and Mr Hyde:

- **Accepting Our Whole Selves:** Rather than suppressing undesirable traits, acknowledging the full spectrum of human nature can lead to healthier self-understanding.
- **Ethics in Science and Innovation:** The novella reminds us to consider the moral implications of scientific progress and the risks of playing with human identity.
- **The Danger of Repression:** Psychological repression can have damaging effects, sometimes manifesting in unexpected and harmful ways.
- **Balance is Key:** Striving for balance between our impulses and societal expectations is a challenge but necessary for personal integrity.

The case of Dr Jekyll and Mr Hyde invites us to peer into the shadows within ourselves and society, offering a timeless exploration of what it means to be human. Its enduring appeal comes not just from its thrilling narrative but from its profound psychological and philosophical questions—questions that continue to challenge and inspire readers today.

Frequently Asked Questions

What is the central theme of 'The Strange Case of Dr Jekyll and Mr Hyde'?

The central theme is the duality of human nature, exploring the conflict between good and evil within a single person.

Who is the author of 'The Strange Case of Dr Jekyll and Mr

Hyde'?

The novella was written by Robert Louis Stevenson.

What triggers Dr Jekyll's transformation into Mr Hyde?

Dr Jekyll transforms into Mr Hyde by consuming a special potion he developed, which allows his darker personality to manifest physically.

How does Mr Hyde's character differ from Dr Jekyll's?

Mr Hyde embodies Dr Jekyll's evil impulses, being violent, cruel, and immoral, while Dr Jekyll is respectable and kind.

What is the significance of the setting in 'The Strange Case of Dr Jekyll and Mr Hyde'?

The setting in Victorian London reflects the strict social codes and repression of the time, highlighting the contrast between public respectability and hidden desires.

How does the novella address the concept of identity?

The novella explores identity by showing how one person can have multiple facets, and questions the stability of a unified self.

What role does Mr Utterson play in the story?

Mr Utterson is Dr Jekyll's lawyer and friend, who investigates the mystery of Mr Hyde and ultimately uncovers the truth about Dr Jekyll's dual identity.

Why has 'The Strange Case of Dr Jekyll and Mr Hyde' remained relevant in modern times?

Its exploration of human nature, morality, and the struggle between good and evil continues to resonate, making it a timeless study of psychological conflict.

Case of Dr Jekyll and Mr Hyde: A Timeless Exploration of Duality and Morality

case of dr jekyll and mr hyde stands as one of the most enduring narratives in literature, delving into the complexities of human nature and the duality that resides within. Robert Louis Stevenson's novella, first published in 1886, continues to captivate readers and scholars alike, offering a dark exploration of identity, morality, and the consequences of unchecked desires. This article undertakes an investigative review of the case of Dr Jekyll and Mr Hyde, analyzing its thematic depth, character dynamics, and cultural impact, while incorporating relevant literary and psychological perspectives.

Unpacking the Core Narrative

At its essence, the case of Dr Jekyll and Mr Hyde chronicles the experiences of Dr Henry Jekyll, a respected scientist who creates a potion to separate his good and evil selves. The transformation results in the emergence of Edward Hyde, an uninhibited and malevolent alter ego. This dual existence raises profound questions about the nature of identity and the human capacity for both virtue and vice.

The novella's structure—part mystery, part psychological thriller—invites readers to piece together clues alongside Mr. Utterson, Jekyll's lawyer and confidant. Utterson's investigation mirrors the audience's own attempt to understand the enigmatic figure of Hyde and the secret behind Jekyll's sudden reclusiveness. This narrative device enhances the suspense and deepens the intrigue surrounding the case of Dr Jekyll and Mr Hyde.

Thematic Exploration of Duality

Central to the case of Dr Jekyll and Mr Hyde is the theme of duality. Stevenson presents human nature as inherently conflicted, encapsulating the eternal struggle between moral righteousness and primal instincts. Dr Jekyll represents the socially acceptable self, bound by Victorian-era ethics, whereas Mr Hyde embodies the suppressed darker impulses that society deems unacceptable.

The Psychological Dimension

Modern interpretations often frame the case of Dr Jekyll and Mr Hyde through the lens of psychology, particularly concepts related to dissociative identity disorder (DID) and the Jungian shadow archetype. Hyde can be seen as the manifestation of Jekyll's repressed desires and immoral tendencies, brought to life through scientific experimentation. This portrayal raises critical questions about the limits of human control over the subconscious mind.

Morality and Ethics in Scientific Experimentation

The case also serves as a cautionary tale on the ethical boundaries of scientific inquiry. Dr Jekyll's ambition to separate good from evil within himself exemplifies the risks of tampering with nature. Scholars frequently debate the moral implications of his experiments, noting that the pursuit of knowledge without consideration for consequences can lead to disastrous outcomes. This aspect resonates with ongoing discussions in bioethics and the responsibilities of scientists today.

Character Dynamics and Symbolism

The transformation from Dr Jekyll to Mr Hyde is not just physical but symbolic of a fractured self. The stark contrast between the two personalities underscores the novella's exploration of appearance versus reality.

Dr Henry Jekyll: The Facade of Respectability

Jekyll is portrayed as a man of high social standing, intellectual prowess, and moral integrity. His internal conflict and eventual downfall reveal the fragile nature of social facades, highlighting how beneath the surface, individuals may harbor darker impulses.

Edward Hyde: The Embodiment of Repression

Hyde's characterization is intentionally grotesque and morally repugnant. His actions—ranging from petty crimes to violent acts—serve as a stark counterpoint to Jekyll's civility. Hyde's lack of remorse and unrestrained behavior illustrate the dangers of unfettered id-driven impulses.

Supporting Characters and Their Roles

- **Mr. Gabriel John Utterson:** As the lawyer and friend, Utterson provides a grounded perspective, representing societal norms and rational inquiry.
- **Dr. Hastie Lanyon:** His horror upon witnessing Jekyll's transformation symbolizes the scientific community's shock at ethical transgressions.
- **Poole:** Jekyll's loyal butler, whose observations contribute to the unraveling mystery.

These characters collectively enrich the narrative, framing the case of Dr Jekyll and Mr Hyde within a social context that reflects Victorian anxieties about identity and morality.

Cultural Impact and Adaptations

The case of Dr Jekyll and Mr Hyde has transcended its literary origins to influence various cultural domains, including film, theater, and psychology. Its themes remain relevant, prompting continuous reinterpretations and adaptations.

Film and Theatre Interpretations

Numerous adaptations have explored the story's psychological and moral complexities, often emphasizing the horror elements to appeal to wider audiences. Notable versions include the 1931 film starring Fredric March and the 1941 remake featuring Spencer Tracy. These adaptations highlight the enduring fascination with the duality of human nature and the dramatic potential of Jekyll's transformation.

Influence on Psychological Discourse

The novella's depiction of split personalities has influenced psychological terminology, with "Jekyll

and Hyde” becoming shorthand for describing individuals with contrasting behaviors or personalities. This influence underscores the case’s significance beyond literature, impacting how society conceptualizes mental health and personality disorders.

Comparative Analysis with Similar Works

The case of Dr Jekyll and Mr Hyde shares thematic resonance with other literary works that explore duality and identity.

- **Frankenstein** by Mary Shelley: Both narratives caution against the hubris of scientific experimentation and its unintended consequences.
- **The Picture of Dorian Gray** by Oscar Wilde: Explores the duality of outward appearance versus inner corruption.
- **Crime and Punishment** by Fyodor Dostoevsky: Examines moral conflict and the psychological turmoil of guilt.

Such comparisons reveal a broader Victorian preoccupation with the boundaries of self and the ethical dilemmas posed by modernity.

Enduring Relevance in Contemporary Contexts

In today’s world, the case of Dr Jekyll and Mr Hyde continues to offer valuable insights into the complexities of identity, mental health, and ethical responsibility. Its exploration of the consequences of suppressing undesirable aspects of the self resonates with contemporary discussions about authenticity and psychological well-being.

Moreover, the story’s cautionary stance on scientific overreach remains pertinent amid rapid advancements in genetics, artificial intelligence, and bioengineering. It prompts ongoing reflection on how society navigates the balance between innovation and moral accountability.

The case of Dr Jekyll and Mr Hyde, therefore, remains a powerful narrative that challenges readers to consider the multifaceted nature of humanity, the shadows lurking within, and the perpetual tension between societal expectations and individual desires.

case of dr jekyll and mr hyde: *Strange Case of Dr. Jekyll and Mr. Hyde* Robert Louis Stevenson, 1886

case of dr jekyll and mr hyde: *Strange Case of Dr. Jekyll and Mr. Hyde* Robert Louis Stevenson, 2016-05-29 Know Anyone Like This in Your Life? Politicians? *Strange Case of Dr Jekyll and Mr Hyde* is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as *The Strange Case of Dr. Jekyll and Mr. Hyde*, *Dr. Jekyll and Mr. Hyde*, or simply *Jekyll & Hyde*. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often called split personality, referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr. Jekyll, one apparently good and the other evil. About the Author: Robert Louis Balfour Stevenson (13 November 1850 - 3 December 1894) was a Scottish novelist, poet, essayist, and travel writer.

case of dr jekyll and mr hyde: *The Strange Case of Dr. Jekyll and Mr. Hyde* Robert Louis Stevenson, 1991

case of dr jekyll and mr hyde: *Strange Case of Dr Jekyll and Mr Hyde and Other Tales* Robert Louis Stevenson, 2006-05-11 'Instantly the spirit of hell awoke in me and raged...I was suddenly struck through the heart by a cold thrill of terror.' Stevenson's short novel, published in 1886, became an instant classic. It was a Gothic horror that originated in a feverish nightmare, whose hallucinatory setting in the murky back streets of London gripped a nation mesmerized by crime and violence. The respectable doctor's mysterious relationship with his disreputable associate is finally revealed in one of the most original and thrilling endings in English literature. In addition to *Jekyll and Hyde*, this edition also includes a number of short stories and essays written by Stevenson in the 1880s, minor masterpieces of fiction and comment: 'The Body Snatcher', 'Markheim', and 'Olalla' feature grave-robbing, a sinister double, and degeneracy, while 'A Chapter on Dreams' and 'A Gossip on Romance' discuss artistic creation and the 'romance' form. Appendixes provide extracts from contemporary writings on personality disorder, which set Stevenson's tale in its full historical context.

case of dr jekyll and mr hyde: *The Strange Case of Dr. Jekyll and Mr. Hyde, and Other Stories* Robert Louis Stevenson, 1979 Dr. Jekyll invented a drug that would change him into the ominous Mr. Hyde. His evil nature, however, became the stronger part of him and to his horror, he no longer needed the formula to transform his appearance.

case of dr jekyll and mr hyde: *The Strange Case of Dr. Jekyll and Mr. Hyde* Robert Stevenson, 2023-05-11 *The Strange Case of Dr. Jekyll and Mr. Hyde* is a novella written by Robert Louis Stevenson and published in 1886. It is a gripping tale of the duality of human nature, exploring the themes of good and evil, morality, and identity. The story is set in Victorian London and follows the life of Dr. Henry Jekyll, a respected and wealthy physician, who becomes obsessed with the idea of separating the good and evil within himself. The story begins with Mr. Utterson, a lawyer, who is perplexed by the strange behavior of his friend Dr. Jekyll. He notices that Dr. Jekyll has become reclusive and has been seen in the company of an unsavory character named Mr. Hyde. Mr. Utterson becomes increasingly concerned when he learns that Dr. Jekyll has left his entire fortune to Mr. Hyde in his will. As the story unfolds, it becomes clear that Mr. Hyde is not just an unsavory character but is in fact the evil alter ego of Dr. Jekyll. Dr. Jekyll had created a potion that allowed him to transform into Mr. Hyde, giving him the freedom to indulge in his darkest desires without fear of judgment or consequence. However, as time goes on, the transformations become more frequent and unpredictable, leading to tragic consequences for those around him. The novella is a masterful exploration of the human psyche and the struggle between good and evil within each person. It highlights the dangers of repressing one's desires and urges, as well as the consequences of indulging in them without restraint. The character of Mr. Hyde represents the dark side of human

nature, and Dr. Jekyll's struggle to control him represents the constant battle between good and evil within us all. The Strange Case of Dr. Jekyll and Mr. Hyde is a timeless classic that continues to captivate readers with its suspenseful plot, complex characters, and thought-provoking themes. It serves as a cautionary tale about the dangers of unchecked ambition and the importance of understanding and accepting our own inner demons.

case of dr jekyll and mr hyde: The Strange Case of Dr. Jekyll and Mr. Hyde Kathleen Olmstead, Robert Louis Stevenson, 2006 An abridged version of the tale of a kind and well-respected doctor who can turn himself into a murderous madman by taking a secret drug he has created.

case of dr jekyll and mr hyde: The Strange Case of Dr Jekyll and Mr Hyde and Weir of Hermiston Robert Louis Stevenson, 1998 This edition of The Strange Case of Dr Jekyll and Mr Hyde / Weir of Hermiston includes Stevenson's essay The Importance of Dreams. Both these stories deal in different ways with a topic which fascinated Stevenson: the duality of human nature.

case of dr jekyll and mr hyde: The Strange Case of Dr. Jekyll & Mr. Hyde Robert Louis Stevenson, 2020-10-29 Gabriel Utterson firsts hears about Mr. Hyde while on an evening walk with a friend. A sinister-looking man, Mr. Hyde is said to have violently trampled a young girl on the street for no reason. Not prone to gossip, Utterson leaves the matter be. But when he discovers that his good friend and client, Dr. Jekyll, paid off the girl's parents on Mr. Hyde's behalf, his inner alarm bells go off. What, exactly, is the connection between two such opposite people? Initially sold as a cheap and superficial read, Robert Louis Stevenson's novella, The Strange Case of Dr Jekyll & Mr Hyde (1886), didn't receive its rightful praise until a review in The Times made the sales skyrocket. Soon, a popular stage production in London was forced to shut down because the audience found the play so believable, they suspected the actors and creator of being linked to the murders by the notorious, unidentified serial killer, Jack the Ripper. Robert Louis Stevenson (1850-1894) was a Scottish writer of novels, poems, essays, and travel books. Due to poor health, he spent much of his time abroad, where he became part of important literary circles. Though his writing has often been considered entertainment, author Henry James aligned Stevenson's works to his own. His most famous novels are Treasure Island (1883) and the Strange Case of Dr Jekyll and Mr Hyde (1886).

The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called split personality, referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase Jekyll and Hyde coming to mean a person who is vastly different in moral character from one situation to the next. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and

disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone. A year passes uneventfully. One night, a servant girl witnesses Hyde beat a man to death with a heavy cane. The victim was MP Sir Danvers Carew, who was also Utterson's client. The police, who suspect Hyde, contact Utterson. He leads the officers to Hyde's apartment, feeling a sense of foreboding amid the eerie weather (the morning is dark and wreathed in fog). When they arrive at the apartment, the murderer has vanished, but they find half of the cane (described as being made of a strong wood but broken due to the beating) left behind a door. It is revealed to have been given to Jekyll by Utterson. Shortly thereafter, Utterson again visits Jekyll, who now claims to have ended all relations with Hyde. Jekyll shows Utterson a note, allegedly written to Jekyll by Hyde, apologizing for the trouble that he has caused him and saying goodbye. That night, however, Utterson's clerk points out that Hyde's handwriting bears a remarkable similarity to Jekyll's own. For a few months, Jekyll reverts to his former friendly and sociable manner, as if a weight has been lifted from his shoulders. Later, Jekyll suddenly starts refusing visitors, and Dr. Hastie Lanyon, a mutual acquaintance of Jekyll and Utterson, dies suddenly of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter, with instructions that he should only open it after Jekyll's death or his disappearance.

case of dr jekyll and mr hyde: *Strange Case of Dr. Jekyll and Mr. Hyde (Annotated)* Robert Louis Stevenson, 2020-10-26 *Strange Case of Dr Jekyll and Mr Hyde* is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as *The Strange Case of Jekyll Hyde*, *Dr Jekyll and Mr Hyde*, or simply *Jekyll & Hyde*. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase *Jekyll and Hyde* entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil. In this harrowing tale of good and evil, the mild-mannered Dr. Jekyll develops a potion that unleashes his secret, inner persona - the loathsome, twisted Mr. Hyde.

case of dr jekyll and mr hyde: The Strange Case of Dr. Jekyll and Mr. Hyde R. L

Stevenson, 2022-03-20 The Strange Case of Dr. Jekyll and Mr. Hyde By Robert Louis Stevenson Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Jekyll Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll & Hyde. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase Jekyll and Hyde entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil. Stevenson had long been intrigued by the idea of how human personalities can affect how to incorporate the interplay of good and evil into a story. While still a teenager, he developed a script for a play about Deacon Brodie, which he later reworked with the help of W. E. Henley and which was produced for the first time in 1882. In early 1884, he wrote the short story Markheim, which he revised in 1884 for publication in a Christmas annual. According to his essay, A Chapter on Dreams (Scribner's, Jan. 1888), he racked his brains for an idea for a story and had a dream, and upon waking had the intuition for two or three scenes that would appear in the story Strange Case of Dr Jekyll and Mr. Hyde. Biographer Graham Balfour quoted Stevenson's wife Fanny Stevenson: In the small hours of one morning, [...] I was awakened by cries of horror from Louis. Thinking he had a nightmare, I awakened him. He said angrily: Why did you wake me? I was dreaming a fine bogey tale. I had awakened him at the first transformation scene Lloyd Osbourne, Stevenson's stepson, wrote: I don't believe that there was ever such a literary feat before as the writing of Dr Jekyll. I remember the first reading as though it were yesterday. Louis came downstairs in a fever read nearly half the book aloud and then, while we were still gasping, he was away again, and busy writing. I doubt if the first draft took so long as three days. Inspiration may also have come from the writer's friendship with Edinburgh-based French teacher Eugene Chantrelle, who was convicted and executed for the murder of his wife in May 1878. Chantrelle, who had appeared to lead a normal life in the city, poisoned his wife with opium.

case of dr jekyll and mr hyde: The Strange Case of Dr. Jekyll and Mr. Hyde Robert Louis Stevenson, 2018-12-06 Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by the Scottish author Robert Louis Stevenson first published in 1886. The work is also known as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase Jekyll and Hyde coming to mean a person who is vastly different in moral character from one situation to the next. This book is one of the most gripping and fascinating books I have ever read. It is such a riveting thriller, that it is impossible to stop reading it even though it is a bit spooky. The story begins with the Will of Dr. Henry Jekyll where we learn that if he disappears or dies his fortune will be left to Mr. Edward Hyde. Through the lawyer Mr. Utterson we come to know Jekyll and Hyde. Mr. Utterson says Hyde is a cruel and vicious man who knocks over a child on purpose and steps on her without a care. But this is only the beginning of his evil behaviour, later on he kills an MP without reason. Hyde is seen going into Dr. Jekyll's home several times on different nights. How are the two men connected? Dr. Jekyll is a kind and responsible man but he is worried. It seems Dr. Jekyll is protecting Mr. Hyde - but why? As we follow Mr. Utterson and through the clever use of letters written by Jekyll and Hyde, we discover the terrible secret that connects them! This is a very well written book, with descriptive and powerful language. The characters and their feelings are described beautifully, for example, Mr. Utterson spent his words as rarely as gold and Hyde, who stares at people with a sneering coolness - like the devil himself making people feel uncomfortable just by looking at him. There are two main ideas in

the story. Firstly, the battle of good versus evil. We see this in the story of Dr. Jekyll and Mr. Hyde and how he struggles to keep balance between both sides of himself. Secondly, it is about taking science too far and if we can control scientific research.

case of dr jekyll and mr hyde: Strange Case of Dr. Jekyll and Mr. Hyde Robert Louis Stevenson, 2021-04-12 Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. case of dr jekyll and mr hyde: Strange Case of Dr Jekyll and Mr Hyde Robert Louis Stevenson, 2017-07-27 Strange Case of Dr Jekyll and Mr Hyde is a novella written by the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde. The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil personality each being quite distinct from each other; in mainstream culture the very phrase Jekyll and Hyde has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense. Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances.
