Anne Sexton Her Kind Analysis: Exploring the Depths of a Conflicted Voice

anne sexton her kind analysis opens up a fascinating window into one of the most provocative and emotionally charged poems of the 20th century. Anne Sexton, known for her raw and confessional style, uses "Her Kind" to explore themes of alienation, female identity, and societal judgment. This poem, often studied in literature classes and admired by poetry enthusiasts, reveals much about Sexton's inner struggles and the broader cultural environment of her time. Let's delve deeper into the poem and uncover its layered meanings, symbolism, and the unique voice Sexton brings to the confessional poetry canon.

Understanding Anne Sexton and the Context of "Her Kind"

Before diving into the poem itself, it's helpful to grasp who Anne Sexton was and what shaped her poetic voice. Sexton emerged as a leading figure in confessional poetry during the 1960s, a movement characterized by personal, often dark and taboo subjects such as mental illness, death, and sexuality. Her poetry was revolutionary for its candidness and emotional intensity.

"Her Kind" was published in 1960 in Sexton's debut collection, *To Bedlam and Part Way Back*, and it immediately established her willingness to confront the complexities of womanhood and societal expectations head-on. The poem's haunting imagery and dramatic tone invite readers to see through the eyes of a woman who feels alienated and demonized, challenging the traditional roles ascribed to women.

Anne Sexton Her Kind Analysis: Themes and Symbolism

Exploring Alienation and Otherness

At its core, "Her Kind" captures the sense of being an outsider. The poem's speaker identifies herself as a witch—an archetype symbolizing defiance and marginalization. This witch is not the stereotypical evil figure but rather a representation of women who fall outside societal norms. Sexton's use of the witch metaphor allows her to express feelings of isolation and persecution that many women experience when they deviate from expected behavior.

The repeated phrase "I have been her kind" emphasizes a shared experience among women who feel misunderstood or rejected. It creates a link between the speaker and a lineage of women who have been labeled as "other" by society, whether due to their mental health, independence, or nonconformity.

Gender Roles and Feminine Identity

Anne Sexton's poem critiques the rigid gender roles imposed on women, especially in the conservative 1950s and 60s America. The speaker's identity as a witch symbolizes rebellion against the domestic ideal—wife, mother, and caretaker—that women were expected to embody.

In lines where the speaker describes living "in a box on the hill," Sexton alludes to the isolation that society enforces upon women who do not fit the mold. The poem captures the tension between societal expectations and personal freedom, highlighting the cost of nonconformity.

Madness and Mental Health

Another significant layer in "Her Kind" relates to mental health. Anne Sexton herself struggled with depression and underwent psychiatric treatment, and these experiences inform the poem's dark tone. The witch figure can be read as a metaphor for madness or emotional turmoil, with the speaker's nightly wanderings symbolizing the restless mind.

The poem subtly challenges the stigma around mental illness by giving voice to those who are marginalized because of it. Sexton's candid portrayal of psychological distress was groundbreaking and paved the way for more open discussions about mental health in literature.

Structural and Stylistic Elements in "Her Kind"

The Use of Repetition and Rhythm

One of the most striking features of "Her Kind" is its use of repetition. The phrase "I have been her kind" appears multiple times, lending a chant-like quality that reinforces the communal identity among women who feel alienated. This repetition also creates a rhythmic cadence that mirrors the poem's haunting and incantatory mood.

Sexton's deliberate choice of simple, almost conversational language contrasts with the dark subject matter, making the poem accessible yet deeply unsettling. This style is characteristic of confessional poetry, where the

rawness of emotion is prioritized over elaborate diction.

Imagery and Symbolism

The poem is rich with vivid imagery that conjures a gothic atmosphere. The witch, the box on the hill, and nighttime wanderings are all symbolic devices that Sexton employs to evoke feelings of isolation, fear, and defiance.

For example, the "box on the hill" can be interpreted as a metaphor for the societal confinement of women, both literally and figuratively. The nighttime setting evokes mystery and danger but also freedom from daytime judgment, suggesting a duality in the speaker's experience.

Why "Her Kind" Remains Relevant Today

Anne Sexton's "Her Kind" continues to resonate because of its universal themes of identity, alienation, and resistance. In an era where conversations about gender roles, mental health, and societal expectations are more open and nuanced, this poem offers a poignant reflection on struggles that many still face.

The poem's portrayal of women who refuse to conform to prescribed roles speaks to contemporary feminist movements that challenge stereotypes. Moreover, Sexton's fearless engagement with mental illness invites empathy and understanding, helping to destigmatize these experiences.

Insights for Readers and Writers

For those studying "Her Kind," it's useful to consider how Anne Sexton blends personal experience with broader social commentary. The poem teaches us the power of metaphor to express complex emotions and the importance of giving voice to marginalized perspectives.

Writers can draw inspiration from Sexton's boldness and stylistic choices—particularly how she balances simple language with profound meaning, and how repetition can be used to create emotional resonance.

Further Exploration: Related Works and Critical Interpretations

To deepen your understanding of Anne Sexton's work and the themes in "Her Kind," exploring her other poems such as "The Ballad of the Lonely

Masturbator" or "Wanting to Die" can provide additional context about her exploration of female identity and mental health. Additionally, literary criticism on confessional poetry helps situate Sexton within a larger movement that includes poets like Sylvia Plath and Robert Lowell.

Engaging with scholarly analyses or attending poetry readings can also enhance appreciation for the emotional intensity and cultural significance of Sexton's poetry.

Anne Sexton's "Her Kind" stands as a powerful testament to the complexities of womanhood and the pain of alienation. Through vivid imagery, haunting repetition, and raw emotional honesty, Sexton crafts a voice that both challenges and embraces the shadows of identity. For readers and poetry lovers alike, diving into this poem offers a profound experience that lingers long after the final line is read.

Frequently Asked Questions

What is the central theme of Anne Sexton's poem 'Her Kind'?

'Her Kind' explores themes of identity, alienation, and the societal perception of women who deviate from traditional roles. It portrays the speaker as an outsider, comparing herself to witches and other marginalized figures.

How does Anne Sexton use imagery in 'Her Kind' to convey the speaker's feelings?

Sexton uses dark and haunting imagery such as a witch, a ghost, and a woman in a coffin to evoke feelings of isolation, otherness, and defiance, highlighting the speaker's complex relationship with her identity.

What literary devices are prominent in 'Her Kind' by Anne Sexton?

The poem prominently features repetition, metaphor, and symbolism. The repeated phrase 'I have been her kind' emphasizes the speaker's identification with outcast figures, while metaphors of witches and ghosts symbolize societal rejection.

How does 'Her Kind' reflect Anne Sexton's personal

experiences?

'Her Kind' reflects Sexton's struggles with mental illness, societal expectations, and her sense of alienation. The poem channels her feelings of being misunderstood and marginalized, drawing from her own life as a woman and a poet.

What is the significance of the witch figure in 'Her Kind'?

The witch symbolizes female power, rebellion, and marginalization. By aligning herself with the witch, Sexton embraces the role of the misunderstood and persecuted woman, challenging traditional norms.

How does the structure of 'Her Kind' contribute to its meaning?

'Her Kind' is composed of three stanzas with a refrain, which creates a rhythmic and haunting effect. This structure reinforces the cyclical nature of societal rejection and the persistence of the speaker's identity.

In what ways does 'Her Kind' challenge societal norms about women?

The poem challenges norms by presenting a woman who identifies with outcasts and rejects conventional roles like homemaker or caregiver. It highlights the complexity of female identity beyond societal expectations.

Why is 'Her Kind' considered a feminist poem?

'Her Kind' is considered feminist because it gives voice to women's experiences of alienation and defiance against patriarchal constraints. It celebrates female autonomy and critiques societal efforts to control and marginalize women.

Anne Sexton Her Kind Analysis: A Deep Dive into Themes and Symbolism

anne sexton her kind analysis opens a window into the complex psyche and poetic mastery of one of the most compelling voices in 20th-century confessional poetry. This poem, "Her Kind," encapsulates Sexton's exploration of identity, alienation, and societal judgment through vivid imagery and evocative symbolism. Analyzing this work reveals not only the intricacies of Sexton's poetic style but also the cultural and psychological underpinnings that shape her narrative.

Contextual Background of Anne Sexton and "Her Kind"

Before delving into the poem itself, it is crucial to understand Anne Sexton's place in literary history. Known for her confessional style, Sexton often courageously addressed taboo subjects such as mental illness, suicide, and female sexuality. "Her Kind," published in 1960 as part of her first book **To Bedlam and Part Way Back**, is emblematic of her fearless approach to poetry.

The poem reflects Sexton's personal struggles and her identification with the witch archetype—a figure historically marginalized and persecuted. This association is pivotal in the analysis of the poem, as it highlights themes of otherness and societal rejection.

Anne Sexton Her Kind Analysis: Themes and Symbolism

The Archetype of the Witch

Central to "Her Kind" is the motif of the witch, a symbol that Sexton uses to embody female outsiders who defy conventional norms. The poem opens with the lines:

*I have gone out, a possessed witch,
haunting the black air, braver at night;*

Here, the witch is not merely a mythical figure but an extension of Sexton's own identity. The "possessed witch" represents a woman who exists on the fringes, embracing her darkness and complexity. This embrace challenges the reader to reconsider societal labels and the fear of the unknown.

Alienation and Societal Judgment

The theme of alienation is pervasive throughout the poem. Sexton portrays the witch as an entity misunderstood and condemned by society, mirroring the poet's own experiences with mental illness and social exclusion. The line:

*When I put on my dark red lipstick,
and my black gown, and my three-cornered hat,*

evokes a ritualistic transformation, symbolizing how the speaker dons her otherness. The "dark red lipstick" and "black gown" serve as markers of

identity that separate her from the mainstream, signaling defiance and self-acceptance.

The Duality of Power and Vulnerability

While the witch is often associated with power, Sexton's portrayal is nuanced. The poem oscillates between strength and vulnerability, suggesting that being "her kind" entails both empowerment and suffering. The closing stanza:

I have been her kind.

is both an affirmation and a lament, acknowledging the price of difference. This duality resonates with readers who grapple with their own marginalization or internal conflicts.

Stylistic Features of "Her Kind"

Sexton's use of structure, diction, and imagery in "Her Kind" contributes significantly to the poem's impact. The poem comprises three stanzas of six lines each, employing a consistent rhyme scheme (ABCB BB), which lends a hypnotic rhythm echoing the incantatory nature of witchcraft.

Imagery and Language

The poem's vivid imagery combines the supernatural with the mundane. Phrases like "haunting the black air" and "haunted house" evoke a gothic atmosphere, while references to "the night" and "the rack" blend historical and psychological torment. Sexton's language is accessible yet layered, drawing readers into her world without alienating them.

Confessional Tone and Personal Voice

"Her Kind" exemplifies the confessional poetry genre through its first-person narrative and candid exploration of identity. Sexton's voice is intimate and direct, inviting readers into her internal struggles and triumphs. This tone fosters empathy and challenges stigmas around mental health and female autonomy.

Comparative Perspectives: Anne Sexton and Contemporary Poets

In analyzing "Her Kind," it is instructive to compare Sexton's approach with that of her contemporaries such as Sylvia Plath and Robert Lowell, who also pioneered confessional poetry. While Plath's work frequently delves into themes of death and rebirth using metaphysical imagery, Sexton's "Her Kind" is more grounded in social archetypes and the lived experience of alienation.

Unlike Lowell's often historical and political focus, Sexton's poem is intensely personal yet universal in its portrayal of outsider status. This distinction underscores Sexton's unique contribution to the genre and the enduring relevance of her themes.

Pros and Cons of the Poem's Accessibility

- **Pros:** The straightforward language and relatable themes make "Her Kind" accessible to a broad audience, facilitating engagement with complex issues.
- **Cons:** Some readers may find the poem's symbolism dense or require contextual knowledge of witchcraft and confessional poetry to fully appreciate its depth.

Legacy and Influence of "Her Kind"

"Her Kind" remains a seminal work in feminist literary studies and confessional poetry. Its exploration of female identity, mental health, and societal ostracism continues to resonate in contemporary discourse. Sexton's boldness in addressing stigmatized subjects has paved the way for subsequent generations of poets and writers.

Moreover, the poem's vivid use of the witch archetype has influenced modern feminist reinterpretations of historical narratives, reclaiming marginalized figures as symbols of resilience and empowerment.

As cultural conversations evolve, the analytical lens applied in Anne Sexton's "Her Kind" analysis uncovers new dimensions of the poem, reaffirming its status as a timeless piece that challenges and inspires.

In sum, "Her Kind" is not only a reflection of Anne Sexton's personal battles but also a broader commentary on the complexities of womanhood and societal expectations. Through meticulous examination of its themes, stylistic

elements, and cultural context, one gains a richer understanding of Sexton's poetic genius and the enduring power of her work.

anne sexton her kind analysis: Ted Hughes, Sylvia Plath, and Writing Between Them Jennifer D. Ryan-Bryant, 2022-02-07 Ted Hughes, Sylvia Plath, and *Writing Between Them: Turning the Table* examines early draft manuscripts and published poems by Ted Hughes and Sylvia Plath in order to uncover the compositional approaches that they held in common. Both poets not only honed the minutiae of individual poems but also reworked the shape of overall sequences in order to cultivate unique theories of an *ars poetica*. The book incorporates drafts of their work from Indiana University's Lilly Library, Emory University's Manuscripts, Archives, and Rare Books Library, Smith College's Mortimer Rare Book Room, and the British Library. After assessing the writing and revision strategies that the poets' early drafts reveal, the book investigates the material that they borrowed from one another and then reimagined through two major sequences: Plath's *Ariel* and Hughes's *Crow*. The book enhances its analysis of the poets' shared techniques by discussing several pairs of poems from *Ariel* and Hughes's *Birthday Letters* that respond to one another. Its final chapter also includes an evaluation of some of Hughes's unpublished journal entries and unpublished letters that comment on his last collection's public reception. In the conclusion, the author chronicles Hughes's and Plath's own remarks on their writing process as further evidence of their *ars poetica*.

anne sexton her kind analysis: The Strength of Poetry James Fenton, 2003 A major account of modern poetry, from one of its leading figures. James Fenton examines issues of creativity and the 'earning' of success, of judgement, tutorage, rivalry, and ambition. He considers the juvenilia of Wilfred Owen, the 'scarred' lines of Philip Larkin, the inheritance of imperialism, and issues of 'constituency' in Seamus Heaney. The book contains insights into the work of Marianne Moore,

Elizabeth Bishop, Sylvia Plath, D. H. Lawrence, and W. H. Auden.

anne sexton her kind analysis: A Thickness of Particulars Jonathan F. S. Post, 2015-11-26
A Thickness of Particulars: The Poetry of Anthony Hecht is the first book-length study of one of the great formal poets of the later twentieth century (1923-2004). Making use of Hecht's correspondence, which the author edited, it situates Hecht's writings in the context of pre- and post-World-War II verse, including poetry written by W. H. Auden, Elizabeth Bishop, Robert Lowell, James Merrill, and Richard Wilbur. In nine chapters, the book ranges over Hecht's full career, with special emphasis placed on the effects of the war on his memory; Hecht participated in the final push by the Allied troops in Europe and was involved in the liberation of the Flossenburg Concentration Camp. The study explores the important place Venice and Italy occupied in his imagination as well as the significance of the visual and dramatic arts and music more generally. Chapters are devoted to analyzing celebrated individual poems, such as *The Book of Yolek* and *The Venetian Vespers*; the making of particular volumes, as in the case of the Pulitzer-Prize-winning *The Hard Hours*; the poet's mid-career turn toward writing dramatic monologues and longer narrative poems (*Green*, *An Epistle*, *The Grapes*, and *See Naples and Die*) and ekphrases; the inspiring use he made of Shakespeare, especially in *A Love for Four Voices*, his delightful riff on *A Midsummer Night's Dream*; and his collaboration with the artist Leonard Baskin in the *Presumptions of Death* series from *Flight Among the Tombs*. The book seeks to unfold the itinerary of a highly civilized mind brooding, with wit, over the dark landscape of the later twentieth century in poems of unrivalled beauty.

anne sexton her kind analysis: The Metaphor of the Monster Keith Moser, Karina Zelaya, 2020-10-15
The Metaphor of the Monster offers fresh perspectives and a variety of disciplinary approaches to the ever-broadening field of monster studies. The eclectic group of contributors to this volume represents areas of study not generally considered under the purview of monster studies, including world literature, classical studies, philosophy, ecocriticism, animal ethics, and gender studies. Combining historical overviews with contemporary and global outlooks, this volume recontextualizes the monstrous entities that have always haunted the human imagination in the age of the Anthropocene. It also invites reflection on new forms of monstrosity in an era epitomized by an unprecedented deluge of (mis)information. Uniting researchers from varied academic backgrounds in a common effort to challenge the monstrous labels that have historically been imposed upon the Other, this book endeavors above all to bring the monster out of the shadows and into the light of moral consideration.

anne sexton her kind analysis: An Accident of Hope Dawn M. Skorczewski, 2012-04-27
In 1956, Anne Sexton was admitted into a mental hospital for post-partum depression, where she met Dr. Martin Orne, a young psychiatrist who treated her for the next eight years. In that time Sexton would blossom into a world-famous poet, best known for her confessional poems dealing with personal subjects not often represented in poetry at that time: mental illness, depression, suicide, sex, abortion, women's bodies, and the ordinary lives of mothers and housewives. Orne audiotaped the last three years of her therapy to facilitate her ability to remember their sessions. The final six months of these tapes are the focus of this book. In *An Accident of Hope*, Dawn Skorczewski links the content of the therapy with poetry excerpts, offering a rare perspective on the artist's experience and creative process. We can see Sexton attempting to make sense of her life and therapy and to sustain her confidence as a major poet, while struggling with the impending loss of Orne, who was moving elsewhere. Skorczewski's study provides an intimate, in-depth view of the therapy of a psychologically tortured yet immensely creative woman, during a period of emerging feminism and cultural change. Tracing the mutual development of the poet and the therapist during their years together, the author explores the tension between the classical therapeutic setting as practiced in the early 1960s and contemporary relational and developmental concepts in psychoanalysis, just then beginning to emerge. *An Accident of Hope* also raises broader questions about the nature of healing in psychotherapy. The poet and therapist we encounter in these sessions present complex and conflicted images of the therapeutic and creative process. Orne, equal parts honesty and

hesitancy, works to bolster Sexton's self-image and maintain that she is more than the sum of her poetry. Sexton, working against a tendency to hide from her most painful feelings, valiantly pushes to tell the truth in therapy, while her poems invite the readers to see another side of the story. Just as Orne kept the audiotapes so that one day they might help others who suffer, *An Accident of Hope* tells the story of a therapy but moves beyond it. By offering a glimpse into the past, the present is open for reappraisal, both of Sexton herself and the legacy of psychoanalytic treatment.

anne sexton her kind analysis: *This Business of Words* Amanda Golden, 2018-11-02 One of America's most influential women writers, Anne Sexton has long been overshadowed by fellow confessional poets Sylvia Plath and Robert Lowell and is seldom featured in literary criticism. This volume reassesses Sexton and her poetry for the first time in two decades and offers directions for future Sexton scholarship. Mapping Sexton's influence on twenty-first-century cultural contexts, these essays emphasize her continuing vitality. anne sexton her kind analysis: *Anne Sexton* Anne Sexton, 2004 A collection of letters written by poet Anne Sexton in which she describes her life, thoughts and feelings, with previously unpublished poems and family pictures and memorabilia.

anne sexton her kind analysis: *Mapping the World of Anglo-American Studies at the Turn of the Century* Marija Knežević, 2015-10-05 This volume revisits the most important issues that Anglo-American studies are facing at the beginning of the twenty-first century, with regards to both research and teaching. Given the English language's status as a lingua franca, the culture that produced it, and that has been changing it, the literature written in English, and relevant linguistic and literary discourse have come to largely dominate critical theory globally. Therefore, the subjects of Anglo-American studies, and their traditional and modern concepts, must be approached from a multidisciplinary perspective, and must also be problematized in, and determined by, other spheres of the world, especially at the universities at which they are studied. This book, consequently, approaches both mainstream cultural, literary, linguistic and academic achievements and, often by way of comparison, those smaller, more distant, and marginalized fields, traditionally subordinate studies, as well as instances of cultural hybridization. Given its concern with a broad field of culture, literature, linguistics, and methodology of teaching English as a foreign language, this book consists of two main parts comprising the closest research and teaching fields; one attending to culture and literature, and the other approaching linguistics and methodology.

anne sexton her kind analysis: *Psychoanalysis and Woman* Shelley Saguaro, 2000-03 This book makes available psychoanalytic writing on the topics of female sexuality and woman. From Freud's contemporaries to French feminists to postmodernism and post-feminism, a spectrum of

female theorists affords comparison and cross reference.

anne sexton her kind analysis: *CliffsNotes on American Poets of the 20th Century* Mary Ellen Snodgrass, 2015-12-08 This literary companion carries you into the lives and poetic lines of 41 of America's most admired poets from the last century. From popular favorites such as Robert Frost and Carl Sandburg to the more esoteric T. S. Eliot and Ezra Pound, this handbook also introduces you to living poets, such as Rita Dove, who are still inscribing their places in literary history. The book opens with an approach to analyzing poetry, and each author-specific chapter includes sections devoted to Chief Works, Discussion and Research Topics, and a Selected Bibliography. Complete list of authors covered in this comprehensive guide: Edgar Lee Masters, Edward Arlington Robinson, Robert Frost, Amy Lowell, Carl Sandburg, Wallace Stevens, William Carlos Williams, Ezra Pound, Hilda Doolittle (H. D.), Robinson Jeffers, Marianne Moore, T. S. Eliot, John Crowe Ransom, Edna St. Vincent Millay, Jean Toomer, Louise Bogan, Hart Crane, Allen Tate, Sterling Brown, Langston Hughes, Countée Cullen, Elizabeth Bishop, John Berryman, Randall Jarrell, Gwendolyn Brooks, Robert Lowell, Richard Wilbur, James Dickey, Denise Levertov, A.R. Ammons, Allen Ginsberg, W. S. Merwin, James Wright, Anne Sexton, Adrienne Rich, Sylvia Plath, Amiri Baraka, Wendy Rose, Joy Harjo, Rita Dove, Cathy Song

anne sexton her kind analysis: *Nightmare Factories* Troy Rondinone, 2019-09-24 How the insane asylum came to exert such a powerful hold on the American imagination. Madhouse, funny farm, psychiatric hospital, loony bin, nuthouse, mental institution: no matter what you call it, the asylum has a powerful hold on the American imagination. Stark and foreboding, they symbolize mistreatment, fear, and imprisonment, standing as castles of despair and tyranny across the countryside. In the asylum of American fiction and film, treatments are torture, attendants are thugs, and psychiatrists are despots. In *Nightmare Factories*, Troy Rondinone offers the first history of mental hospitals in American popular culture. Beginning with Edgar Allan Poe's 1845 short story *The System of Dr. Tarr and Prof. Fether*, Rondinone surveys how American novelists, poets, memoirists, reporters, and filmmakers have portrayed the asylum and how those representations reflect larger social trends in the United States. Asylums, he argues, darkly reflect cultural anxieties and the shortcomings of democracy, as well as the ongoing mistreatment of people suffering from mental illness. *Nightmare Factories* traces the story of the asylum as the masses have witnessed it. Rondinone shows how works ranging from *Moby-Dick* and *Dracula* to *One Flew Over the Cuckoo's Nest*, *Halloween*, and *American Horror Story* have all conversed with the asylum. Drawing from fictional and real accounts, movies, personal interviews, and tours of mental hospitals both active and defunct, Rondinone uncovers a story at once familiar and bizarre, where reality meets fantasy in the foggy landscape of celluloid and pulp.

anne sexton her kind analysis: *The SAGE Handbook of Performance Studies* D. Soyini Madison, Judith Hamera, 2006 Publisher description

anne sexton her kind analysis: *Experiencing Music Video* Carol Vernallis, 2004-06-16 Music videos have ranged from simple tableaux of a band playing its instruments to multimillion dollar, high-concept extravaganzas. Born of a sudden expansion in new broadcast channels, music videos continue to exert an enormous influence on popular music. They help to create an artist's identity, to affect a song's mood, to determine chart success: the music video has changed our idea of the popular song. Here at last is a study that treats music video as a distinct multimedia artistic genre, different from film, television, and indeed from the songs they illuminate—and sell. Carol Vernallis describes how verbal, musical, and visual codes combine in music video to create defining representations of race, class, gender, sexuality, and performance. The book explores the complex interactions of narrative, settings, props, costumes, lyrics, and much more. Three chapters contain close analyses of important videos: Madonna's *Cherish*, Prince's *Gett Off*, and Peter Dinklage's *Mercy St.*

anne sexton her kind analysis: *American Poets and Poetry* Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope, broad chronological coverage, and mix of biographical, critical, historical, political, and cultural entries make this the most useful

and exciting poetry reference of its kind for students today. American poetry springs up out of all walks of life; its poems are maternal as well as paternal...stuff'd with the stuff that is coarse and stuff'd with the stuff that is fine, as Walt Whitman wrote, adding Of every hue and caste am I, of every rank and religion. Written for high school and undergraduate students, this two-volume encyclopedia covers U.S. poetry from the Colonial era to the present, offering full treatments of hundreds of key poets of the American canon. What sets this reference apart is that it also discusses events, movements, schools, and poetic approaches, placing poets in their social, historical, political, cultural, and critical contexts and showing how their works mirror the eras in which they were written. Readers will learn about surrealism, ekphrastic poetry, pastoral elegy, the Black Mountain poets, and language poetry. There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry. Particular attention is paid to women poets and poets from various ethnic groups. Poets such as Amiri Baraka, Nathaniel Mackey, Natasha Trethewey, and Tracy Smith are featured. The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant-garde and experimental movements and provides sidebars that illuminate key points.
