The River Flows in You Piano: A Journey Through Yiruma's Timeless Composition

the river flows in you piano melody is one that has captured the hearts of countless piano enthusiasts around the world. Composed by South Korean pianist and composer Yiruma, this piece has become synonymous with gentle emotion, serene beauty, and accessible piano playing. Whether you're a beginner eager to learn your first expressive tune or an advanced player wanting to add a soulful piece to your repertoire, "The River Flows in You" offers a universal appeal that transcends skill levels and musical backgrounds.

In this article, we will dive deep into the essence of "The River Flows in You" piano piece, explore its musical structure, discuss tips for learning it effectively, and understand why it continues to be a beloved favorite among pianists and listeners alike.

The Origins and Popularity of The River Flows in You Piano Piece

Yiruma, whose real name is Lee Ru-ma, composed "The River Flows in You" in the early 2000s. The track was featured on his album **First Love**, which helped catapult him to international fame. The composition's gentle, flowing melody quickly resonated with a wide audience, making it one of the most recognized contemporary piano pieces today.

Interestingly, the piece gained additional popularity when it was rumored to be considered as a potential love theme for the **Twilight** movie series, though it ultimately wasn't featured. Despite this, the song's association with romance and emotional depth only grew stronger. Its simplicity, combined with a hauntingly beautiful melody, makes it accessible and touching for listeners.

Why It Stands Out Among Modern Piano Pieces

What makes "The River Flows in You" piano composition stand out is its seamless blend of classical sensibilities with a modern minimalist approach. The piece is built around repetitive yet evolving patterns that mimic the natural flow of a river, invoking a sense of calm and introspection. Unlike complex classical concertos, it focuses on melody and emotional expression rather than technical fireworks, which broadens its appeal.

Moreover, the song's structure lends itself well to personal interpretation. Pianists can introduce dynamics, tempo variations, and emotional nuances that make each performance unique, contributing to its enduring charm.

Understanding the Musical Structure of The River

Flows in You Piano

To truly appreciate and master "The River Flows in You" piano piece, it helps to understand its musical elements and how they work together to create such a moving experience.

Melody and Harmony

The melody is the heart of this piece, characterized by its smooth, lyrical lines that glide over a steady harmonic backdrop. Typically played in the key of F major or sometimes transposed to easier keys for beginners, the melody flows effortlessly in the right hand, while the left hand provides a consistent arpeggiated accompaniment that mimics the gentle movement of a river.

The harmonic progression is relatively simple, but it cleverly uses chord inversions and subtle shifts to maintain interest and emotional tension. This balance between simplicity and sophistication makes it ideal for players looking to develop a sensitive touch and phrasing.

Rhythm and Tempo

The tempo of "The River Flows in You" is moderate and flowing, not rushed, which helps convey the peaceful and reflective mood of the piece. The rhythm is steady, but the phrasing allows for rubato—slight stretching and compressing of time—that adds expressiveness. This flexibility encourages pianists to connect emotionally with the music, making it more than just notes on a page.

Tips for Learning The River Flows in You on Piano

Whether you're self-taught or working with a teacher, learning "The River Flows in You" piano piece can be a rewarding experience. Here are some practical tips to help you master it:

Start Slow and Focus on Hand Coordination

One common challenge is coordinating the flowing left-hand arpeggios with the right-hand melody. Begin by practicing each hand separately at a slow tempo, ensuring accuracy and smoothness. Once comfortable, combine the hands gradually, focusing on maintaining the fluidity of the piece.

Pay Attention to Dynamics and Expression

"The River Flows in You" is all about emotion. Use dynamic contrast—playing some parts softer and others louder—to bring out the melody's shape. Experiment with pedal use to enhance the flowing sound but avoid over-pedaling, which can muddy the clarity.

Use Sheet Music and Tutorials Wisely

There are many sheet music arrangements available, ranging from beginner-friendly simplified versions to more advanced transcriptions. Choose one that matches your skill level to avoid frustration. Additionally, video tutorials can be very helpful, especially those that break down tricky sections and offer fingering suggestions.

Practice Regularly and Be Patient

Like any piano piece, consistent practice is key. Set aside focused practice sessions, and don't rush the learning process. Over time, your muscle memory and musical expression will naturally improve.

The Emotional Impact and Cultural Significance of The River Flows in You Piano

Beyond just technical aspects, "The River Flows in You" resonates deeply on an emotional level. Many pianists play it as a way to express feelings of love, hope, or reflection. Its soothing melody makes it a popular choice for weddings, romantic moments, and even meditation or relaxation playlists.

In addition, the piece has influenced a new generation of pianists and composers who admire Yiruma's minimalist yet expressive style. It has also contributed to the wider accessibility of piano music, inviting people who might not be classical music fans to experience the instrument's beauty.

The Role of the Piece in Modern Piano Repertoire

While some may question whether "The River Flows in You" fits within traditional classical music standards, its popularity has cemented its place in contemporary piano repertoire. It serves as an excellent introduction to expressive piano playing and has inspired countless covers, arrangements, and performances worldwide.

For many learners, it's a gateway piece that motivates them to explore more complex classical and contemporary works, fostering a lifelong appreciation for piano music.

Exploring Different Arrangements and Covers of The River Flows in You

One of the fascinating aspects of "The River Flows in You" is how it has been adapted into various arrangements beyond solo piano. From orchestral versions to guitar covers and vocal interpretations, this melody continues to flow through diverse musical landscapes.

If you're interested in expanding your skills, trying out different arrangements or even creating your own arrangement can deepen your understanding of the piece's harmonic and melodic possibilities.

- **Solo Piano Arrangements:** Simplified versions for beginners or more intricate versions for advanced players.
- **Duets and Ensembles:** Arrangements for piano four hands or with other instruments add layers to the original melody.
- **Instrumental Covers:** Guitar, violin, and cello covers highlight the melody's adaptability.
- **Vocal Adaptations:** Some artists have added lyrics, transforming the instrumental into a song.

Engaging with these variations can enrich your musical experience and inspire creativity.

Final Thoughts on Embracing The River Flows in You Piano

Playing "The River Flows in You" on the piano is more than just learning a piece; it's about connecting with a flowing emotional current that Yiruma so beautifully encapsulated. Its simplicity invites players of all levels to interpret and express their own feelings, making every rendition personal and unique.

Whether you are learning it for personal enjoyment, performance, or as a stepping stone to more complex piano works, this composition offers a gentle and inspiring musical journey. The river indeed flows in you, through your fingertips and into the hearts of those who listen.

Frequently Asked Questions

Who composed 'River Flows in You' for piano?

'River Flows in You' was composed by South Korean pianist and composer Yiruma.

What genre does 'River Flows in You' belong to?

It is a contemporary classical piano piece, often categorized under new-age or instrumental music.

Is 'River Flows in You' difficult to play for beginners?

The piece is moderately challenging; it requires some intermediate piano skills, particularly in hand coordination and expressive dynamics.

What is the meaning or inspiration behind 'River Flows in You'?

Yiruma has described the piece as a love song, evoking the feeling of a river flowing gently, symbolizing smooth and continuous emotions.

Has 'River Flows in You' been featured in any movies or media?

While not officially part of the 'Twilight' soundtrack, the piece gained popularity among fans who associated it with the movie, boosting its global recognition.

Where can I find the sheet music for 'River Flows in You'?

Sheet music for 'River Flows in You' is available for purchase on music sheet websites like Musicnotes, as well as in print collections of Yiruma's works.

The River Flows in You Piano: An In-Depth Exploration of Yiruma's Timeless Composition

the river flows in you piano piece has established itself as one of the most beloved and frequently performed contemporary piano compositions worldwide. Composed by South Korean pianist and composer Yiruma, this evocative melody captures the imagination of listeners with its flowing, lyrical lines and emotive harmonies. Over the years, it has gained immense popularity not only among piano enthusiasts but also among a wider audience, often featured in weddings, films, and personal performances. This article offers a professional and analytical review of "The River Flows in You" piano composition, examining its musical structure, emotional impact, and enduring appeal in today's piano repertoire.

Background and Origins of "The River Flows in You"

Yiruma, born Lee Ru-ma in 1978, is internationally recognized for his minimalist approach to contemporary classical music. Released in 2001 as part of his album "First Love," "The River Flows in You" quickly became a signature piece that propelled Yiruma into global recognition. Its subtle simplicity and soothing character distinguish it from more complex classical compositions, making it accessible to a broad range of pianists, from beginners to advanced players.

The composition's name suggests imagery of water and natural flow, which is reflected in the music's gentle, continuous movement. Unlike traditional classical pieces that often emphasize technical virtuosity, "The River Flows in You" prioritizes emotional expression and melodic clarity, contributing to its widespread appeal.

Musical Structure and Composition Analysis

At its core, “The River Flows in You” piano piece follows a straightforward structure that enhances its meditative and fluid qualities. The composition is set in the key of F major, which lends a warm and serene tonality to the music. The tempo is moderate, allowing performers to emphasize emotional expression over speed.

Melodic Development

The melody is characterized by a repetitive yet evolving motif that mimics the gentle rippling of a river. This simplicity is a deliberate compositional choice, inviting listeners to immerse themselves in the piece’s soothing atmosphere. The right hand carries the lyrical melody, often moving in stepwise motion with occasional leaps, while the left hand provides a steady harmonic foundation with arpeggiated chords.

Harmonic Progressions

Yiruma’s use of harmonic progressions in “The River Flows in You” is subtle but effective. The chord sequences often feature diatonic harmonies with occasional use of suspensions and passing tones that add depth without overpowering the melody. This balance between harmony and melody is critical in maintaining the piece’s tranquil mood.

Performance Considerations and Technical Aspects

For pianists interested in learning “The River Flows in You,” the piece offers a unique balance between accessibility and expressive potential. While it does not demand advanced technical skills such as rapid scales or complex fingerings, it requires a sensitive touch and control over dynamics to convey its emotional nuances effectively.

Technical Challenges

- **Control of Dynamics:** The piece relies heavily on subtle dynamic shifts, from soft, delicate passages to fuller, resonant moments. Pianists must develop control to avoid a monotonous performance.
- **Pedaling:** Proper use of the sustain pedal is essential to achieve the flowing quality of the music. Over-pedaling can blur the harmonies, while under-pedaling may produce a dry sound.
- **Expressive Phrasing:** The repetitive melodic lines require variation in phrasing to keep the listener engaged, which can be challenging for less experienced players.

Comparisons with Other Contemporary Piano Pieces

In comparison to other contemporary piano works, such as Ludovico Einaudi's "Nuvole Bianche" or Max Richter's minimalistic compositions, "The River Flows in You" stands out for its straightforward melodic appeal and romantic undertones. While Einaudi's pieces often explore more complex textures and rhythmic layers, Yiruma's composition remains focused on melody and emotional resonance.

Popularity and Cultural Impact

The cultural footprint of "The River Flows in You" piano piece extends far beyond classical music circles. Its gentle melody has become synonymous with romantic and introspective moods, frequently performed at weddings, memorials, and personal celebrations. The piece's accessibility has made it a favorite choice for piano teachers introducing students to contemporary repertoire.

Media and Social Influence

The piece gained additional exposure through social media platforms, where countless amateur and professional pianists share their interpretations. Streaming platforms and YouTube channels have contributed to its viral status, attracting millions of views and shares. Despite occasional misconceptions about its origin—some erroneously linking it to the "Twilight" movie soundtrack—Yiruma's composition continues to thrive independently.

Sheet Music and Learning Resources

The demand for "The River Flows in You" sheet music remains high, with numerous arrangements available catering to different skill levels. From simplified beginner versions to advanced transcriptions, the variety ensures that pianists at any stage can engage with the piece. Online tutorials and masterclasses also help learners grasp the nuances of performance, emphasizing emotional interpretation alongside technical execution.

Pros and Cons of "The River Flows in You" as a Piano Piece

Like any widely popular composition, "The River Flows in You" has both strengths and limitations that influence its reception and suitability for different pianists.

Pros

- **Emotional Accessibility:** The piece's expressive melody resonates with a broad audience, making it emotionally impactful.
- **Technical Approachability:** Its moderate difficulty level welcomes pianists from intermediate levels, encouraging practice and performance.
- **Versatility:** Suitable for various occasions, from concerts to personal enjoyment.

Cons

- **Repetitiveness:** Some critics argue the repetitive motifs may lead to monotony if not interpreted with sufficient variation.
- **Lack of Complexity:** Advanced pianists seeking technical challenges might find the piece less stimulating.
- **Overexposure:** Due to its popularity, performances risk sounding cliché without fresh interpretative approaches.

Interpreting “The River Flows in You”: Tips for Performers

To truly capture the essence of “The River Flows in You,” pianists should focus on the expressive qualities that make the piece memorable. Paying attention to timing flexibility, dynamic shading, and pedaling nuances can transform a straightforward rendition into a deeply moving experience. Experimenting with rubato—subtle tempo fluctuations—allows performers to personalize the flow, much like the natural movement of a river.

Moreover, understanding the piece's context and the emotive imagery behind its title can inform a more heartfelt delivery. Imagining the gentle current and reflective waters can inspire phrasing choices that convey tranquility and introspection.

The enduring popularity of “The River Flows in You” piano composition underscores its success as a modern classical piece. Its balance of melodic simplicity and emotional depth invites both players and audiences into a shared musical journey. Whether performed in intimate settings or formal recitals, the piece continues to flow gracefully through the hearts of many.

the river flows in you piano: *The River Flows On* Anna Hartt, 2018-05-11 As Sarah prays on Christmas Eve, she asks God to help her do everything possible to make the world a better place, all while understanding that the best way to start is with herself. After lifting her head to see the Christ child in the manger scene, Sarah finds comfort in knowing her heart and soul are protected by the peace that only Christ offers. Blessed with the talent of music, Sarah loves leading a congregation in singing and playing the pipe organ. As life throws challenges Sarah's way, she listens to her inner voice and trusts that God will carry her, even when her path is strewn with obstacles. While walking through each day knowing God is with her in everything she does, Sarah reflects on her past, relies on hymns and scripture to guide her actions, and embraces every gift from God. Through it all, she demonstrates that while the journey with Christ is not always perfect, it is possible to find eternal salvation and peace on earth through steadfast faith. In this inspirational story, a Christian woman offers a glimpse into her walk with Christ as she relies on love, grace, forgiveness, and music to make a difference in the world.

the river flows in you piano: River Flows in You by Yiruma Joseph Caligiuri, 2020-04-12 River Flows in You by Yiruma was released in 2005. This beautiful composition is now available in Piano Tab; a color-coded, easy interpretation of piano music that requires little training. The piano tab displays right and left-hand fingering numbers with red and blue note letters. This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. Someone with very little music reading ability could figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn River Flows in You by Yiruma, this Book is for you. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.

the river flows in you piano: Die Brautflüsterin Sanna Lindström, 2021-02-05 Sanna Lindström ist 2014 erfolglos auf der Suche nach einem Brautkleid und designt sich kurzerhand selbst ihr Traummodell. Nachdem sie ein Bild davon auf Facebook teilt, ist das Feedback überwältigend. So entscheidet sich die Schwedin, die eigentlich Medizin studiert hat, ins Brautmoden-Business einzusteigen und ist heute eines der bekanntesten Gesichter der VOX-Serie »Zwischen Tüll und Tränen«. the river flows in you piano: 3 Musikstücke zur Beerdigung - Geschichten über das Leben. *Life is a Story - story.one* Holger Kumst, 2024-02-28 Bitte die Lieder parallel zum Lesen hören, damit man sich vom Wesen der Person, die sich die Musikstücke zur Beerdigung gewünscht hat, einen Eindruck erhält. Viel Spaß bei dem Zusammenspiel aus Lesen und Musik hören und bei dem daraus entstehenden Kopfkino. Eine ganz neue Lesererfahrung! Ein paar Worte noch an Denis Scheck, den ich sehr verehere: Ich würde mich natürlich freuen, wenn Sie mein Buch nicht all zu sehr verreißen. Aber wenn Sie der Meinung sind, dass das Not tut (wie der Meister von Werner sagen würde) kann ich nur sagen: dann mal los. :-)

the river flows in you piano: Piano Lesson Billy Georgette, 2014-03-25 Being sent for piano lessons was probably the single worst thing that could have happened in my young life. But thanks to an exceptional lady and piano teacher named Florence Powers, I wound up unexpectedly becoming a professional piano player. Here are some curious things about the piano that I picked up along the way... Playing the piano has got to be one of life's greatest treasures. In my estimation,

there are few other activities that can even begin to compare with the ability to play this amazing instrument. As you can probably guess, I have the highest regard for those individuals who have mastered the art of playing the piano. Some performers have taken the art to a very high level, often out of the reach of most players. But my aim here is to present a simple accessible approach on learning how to listen to, or how to approach playing the piano for one's own pleasure... first and foremost. This self-centered idea doesn't necessarily imply being selfish, but it probably does require a slight adjustment to one's priorities. However, if you can get around this inconvenience, the possibilities are sitting right there in front of you... and all you have to do is reach out and take. My aim here is to demystify the piano for both listeners or those who wish to learn how to get started in learning how play this amazing instrument. In any event, I feel that pleasure can be derived by having a wider understanding as just what the piano actually is. And while a book such as this one may be helpful to those who wish to learn to play the piano, there is no substitute for a live teacher. However, it's extremely important to find a teacher that can fulfill one's personal musical taste and ambition. There is much involved if a student wishes to become a proficient music reader, thus having a good teacher is essential to success in this area. Take your time in finding the right one... and good luck! However, before looking at the piano, it's also important to establish what kind of music one is interested in, whether for listening or performing. For purposes of this book, I have arbitrarily broken it down into four major forms: Classical, Standards, Popular and Jazz. Classical leads the list as the music that has been around longer, much longer than the other two forms of music. It represents the foundation of all of today's music. Much of it is seriously challenging to play, and requires years of dedicated practice. At the concert level, Olympic style discipline prevails, as the techniques of performance far surpasses the scope of this book. Be that as it may, classical music has an abundance of priceless melodies that can be played in a simplified manner while still retaining their pure magic for listeners. (and pianists) Music operates on principles that were founded in the past 600 years, they carry with them an enormous amount of human cultural genius, including the invention of equal temperament.

the river flows in you piano: Relive Margarita Evangelista, 2018-06-21 This is about a family that had to pass a period of turmoil in their lives and find the way to survive in the middle of a stormy time. Suffering an unexpected accident that takes a trail to Kevin, her husband and a father of a five-year-old, Gabrielle finds herself once again in a whirlpool of events and emotions in her life, coming together for the outcome, hand in hand with family and friends, reunited once again with faith.

the river flows in you piano: Chicken Soup for the Soul: The Joy of Less Amy Newmark, Brooke Burke-Charvet, 2016-04-19 In the Age of Disposables—fashion, phones, glasses, and even friends!—some people are finding joy by rediscovering the simple life. They're cleaning house, both literally and figuratively, and finding themselves better for it. By getting rid of excess "stuff" and trimming down their over-filled schedules, they feel happier and more fulfilled than ever before. It's really true that little can go a long way. With *Chicken Soup for the Soul: The Joy of Less*, spring cleaning takes on a whole new meaning. You'll read stories about people who found happiness in an unlikely way: by saying no. No to buying more stuff, no to taking on additional time-filling commitments, and no to trying to please everyone all of the time.

the river flows in you piano: When the River Flows Out of Its Bed Gaelle Cathy, 2011-11 One too many misdemeanors get nineteen-year-old Eliza Carlisle back from the United Kingdom to finish high school in wealthy Lorient, NJ. The bad news soon turns into a new challenge for the troubled young woman when she meets Julia, a fragile young girl purposely cut off from everyone. Determined to uncover the town-sized secrets surrounding Julia, their relationship grows into a special friendship. Unexpected feelings and dangers get in the way.

the river flows in you piano: Intuition C. J. Omololu, 2013-06-18 As Cole begins to accept her new life as Akhet, every new vision from her past lives helps explain more about who she is in this life. Her love for Griffon grows as quickly as her Akhet abilities, while Cole learns to recognize other Akhet around her, including Drew, a young millionaire who reveals a startling connection—he was

Cole's true love in Elizabethan England. But Drew's intense desire to restore their past relationship alienates Griffon. Now Cole is caught between the person she was in the 15th century and the person she is now, as she searches for her own special role in the Akhet's worldwide plan. With more epic romance and adventure, Intuition brings readers further into this fascinating world where reincarnation changes all the rules for life and love.

the river flows in you piano: Never A Complete Stranger Manikya Vignesh, 2021-07-11 Ayush, an introvert who is on the verge of losing a girl he loves but doesn't approve of it, was arrested for killing someone which he doesn't even remember because of his drunken state. The boy then describes his story to his cellmate and to a constable, to recollect his past so that he can have a clue of whom he had killed. Ayush never felt alone because of his caring mother, supportive grandfather, loving aunt, prickly yet possibly the best twin brother and trusted friends. When he learned the truth about his father abandoning them and a promise he had made to someone, made him all kinds of miserable. Will he find his father? Will he have the strength to accept him? Will he believe in the paradigm of love again? And finally, will he be out of the jail, the police station and from his own mind? Never a Complete Stranger is a story of love, a family and people we meet in our life. We always try to judge a person in a moment, but when you push your boundaries to let to know them, you realize that the person looks familiar, or he/she is very much like you.

the river flows in you piano: Nebel des Vergessens Lana Morgenstern, 2020-02-21 Anysa findet auf Bentra die Heimat, nach der sie auf Landory bisher vergeblich gesucht hatte. Ein weiteres Puzzelstück ihrer Vergangenheit kommt an seinen richtigen Platz und die Elbin erfährt mehr über ihre Familie. Doch die schöne und erholsame Zeit auf Bentra ist nur von kurzer Dauer. the river flows in you piano: Bellena Nicole Kwiatkowski, 2025-02-01 Alles begann, als ich sechzehn war. Kurz zuvor hatte ich meine Oma verloren, meinen besten Freund und hatte Träume. Doch ich spreche nicht von Zukunftsträumen oder schönen Erinnerungen. Meine Träume waren ein Albtraum: ein Flüstern, Flammen, die mich umhüllten, rote Augen, die mich verfolgten. Bald verschwammen Traum und Wirklichkeit und ich konnte kaum noch unterscheiden, was echt war. In dieser Zeit begegnete ich ihm und seinen Freunden und stieß auf Geheimnisse, die jenseits von allem lagen, was ich je für möglich gehalten hätte. Doch war es ein Fehler, mein Leben in ihre Hände zu legen?

the river flows in you piano: The Ornate Words of Oblivion Rudyard Jostle, 2019-09-18 The book is an anthology of various astonishing poetries. The amicable tone and nostalgic mood of the poet will drive you into a different parallel universe. Rudyard Jostle had drawn a beautiful sketch of the world around him. He is a versatile poet endured with soft touches of adversities and reveals the

incognito origin. The name of the book signifies the condition of the poet absolutely oblivious to the reality in the process of production of ornate words, thus, The Ornate Words Of Oblivion.

the river flows in you piano: Everybody Has a Story, VI Torbjørn Ydegaard (Ed.), 2016-06-28 The ways and methods of the Freedom Writers as a pedagogical concept are not tied to theories but to practice and to practical life in the classroom. It therefore has more to do with tools than with books – and the most significant tool in the Freedom Writer pedagogy is the narrative. But even in a very practical world tools can be reflected on – and have to be reflected on in order to give us an idea about what is going on. So it is with narratives, too. Narratives are about lived lives, and a way to take or regain power over one's life. Therefore, the narrative is a pathway to empowerment. By writing, reading or listening to the narratives the story-teller will experience forms of recognition that foster in him or her a feeling of self-confidence, self-esteem and self-appreciation – feeling that many have not been granted until now. This book is an account of a Freedom Writer-course, where practical writing- and art-exercises are 'warming up' the students – making them confident with the situation, each other and the published media – in order to write their own narrative.

the river flows in you piano: Life's Manifesto Nathan Truong, 2010-05-12 So it's a book with four people...I guess they're friends...big whoop...another novel about friendship...lovely. Oh, what's this? She did what? What happened? Interesting stuff here...Oh my...wow...wasn't expecting that...Wow...this novel...it's different from others that I've read...This book...it's about nothing...yet...it has...everything...

the river flows in you piano: Mann schmeißt Hund auf Bär Misha Verollet, 2018-01-24 Vorsicht, Realsatire! Dieses Buch erzählt die kuriosen Geschichten hinter den wilden Schlagzeilen aus aller Welt: Ein Betrunkener, dem es gelingt, in der Wüste den einzigen Baum im Umkreis von 400 Kilometer umzunieten. Der Mann, der eine einstweilige Verfügung gegen Gott beantragt. Ein Papagei als Mordzeuge. Der Anwalt, der sich erschießt, um seinen Mandanten zu verteidigen. Die Babysitterin, die die Kinder mit zum Banküberfall nimmt. Ein Pole, der beim Kampftrinken zusammenbricht, einen Herzinfarkt erleidet, für tot erklärt wird – und wenig später von innen an die Kühlzelle klopft. Ein Best-of absonderlicher Schlagzeilen, komischer Ereignisse und faszinierender Geschichten. Unglaublich, aber wahr!
