****Exploring the Legacy of "by jean edward smith fdr 1st edition": A Definitive Biography****

by jean edward smith fdr 1st edition stands as a significant contribution to the vast body of literature about Franklin D. Roosevelt, one of America's most influential presidents. This biography offers readers a detailed, insightful, and well-researched look into the life and times of FDR, providing an engaging portrait that captures both his personal struggles and public achievements. In this article, we will delve into what makes this first edition biography unique, highlighting its historical value, narrative style, and why it remains an important resource for students, history buffs, and anyone interested in the legacy of Franklin D. Roosevelt.

Understanding the Importance of "by jean edward smith fdr 1st edition"

When approaching the vast collection of biographies about Franklin D. Roosevelt, Jean Edward Smith's work stands out for its scholarly rigor combined with accessible storytelling. The first edition of this biography was particularly notable because it presented fresh perspectives at a time when many FDR biographies tended to be either hagiographic or overly critical.

Jean Edward Smith, a respected historian and biographer, brings a balanced tone—neither lionizing nor diminishing Roosevelt's complex character and political career. This approach makes the book invaluable not only as a historical document but as a narrative that invites readers to understand the nuances of leadership during one of America's most turbulent eras.

The Author's Unique Approach to FDR's Life

Jean Edward Smith's methodology in crafting the first edition of this FDR biography involved meticulous archival research, including Roosevelt's personal letters, speeches, and contemporary accounts. Smith's comprehensive approach allowed him to paint a vivid picture of Roosevelt's personality, his policy decisions during the Great Depression, and his leadership through World War II.

What sets this edition apart is its emphasis on the human side of Roosevelt—the man behind the presidency. Readers get insight into his struggles with polio, his family dynamics, and how these personal experiences shaped his political vision and resilience. This humanization helps readers connect with FDR on a deeper level, beyond the usual political analysis.

The Historical Context Captured in "by jean edward smith fdr 1st edition"

One of the strengths of the first edition is how it situates Roosevelt firmly within the context of the early 20th century. The biography doesn't just recount events; it explores the socio-political environment of the time, including the economic devastation of the Great Depression, the challenges of the New Deal, and the global stakes of World War II.

Insights into the New Deal Era

Smith's detailed exploration of the New Deal programs provides readers with a nuanced understanding of how Roosevelt's policies aimed to revive the American economy and restore public confidence. The first edition sheds light on the challenges Roosevelt faced from political opponents, the Supreme Court, and even his own party.

This part of the book is especially valuable for those studying American economic history or political science, as it illustrates the complexities of enacting sweeping reforms in a divided political landscape.

World War II Leadership Explored

The biography also delves deeply into Roosevelt's wartime leadership, portraying how he navigated the United States through the global conflict. Smith highlights Roosevelt's diplomatic skills, his relationships with other Allied leaders, and his vision for a post-war world order.

Readers interested in military history and international relations will find this section particularly enlightening, as it shows how Roosevelt's decisions shaped the trajectory of the 20th century.

What Makes the First Edition Special? A Collector's Perspective

For collectors and bibliophiles, the first edition of "by jean edward smith fdr" carries special significance. Beyond its content, the physical book itself represents a moment in publishing history when historical biographies began to blend popular appeal with academic credibility.

Features of the First Edition

- **Original Dust Jacket:** Many first editions come with the original dust jacket, which often includes unique cover art and design that differ from later printings.
- **Typography and Layout:** The first edition's design reflects the publishing standards and aesthetics of its release period, which some collectors find charming and authentic.
- **Author's Notes and Preface:** Sometimes, initial editions contain prefaces or introductions that are revised or omitted in later versions.

Owning a first edition can be both a sentimental and financial investment, especially as Jean Edward Smith's biography of FDR continues to be a respected reference work in academic circles.

Why "by jean edward smith fdr 1st edition" Remains Relevant Today

Despite being published years ago, this biography remains highly relevant due to its comprehensive analysis and balanced portrayal of Roosevelt. In an era where leadership qualities and responses to crises are constantly scrutinized, revisiting FDR's story through Smith's lens offers valuable lessons.

Lessons in Leadership and Resilience

Franklin D. Roosevelt's ability to inspire hope during the darkest days of the Great Depression and World War II is a recurring theme in the biography. Smith's account emphasizes how FDR's resilience in the face of personal and national adversity provides a blueprint for effective leadership.

For modern readers, especially those interested in political science, public administration, or history, the biography underscores the importance of empathy, communication, and bold action in governance.

Educational Value for Students and Scholars

The first edition is frequently cited in academic contexts due to its thorough documentation and balanced narrative. It serves as an excellent

primary resource for courses on American history, presidential studies, and 20th-century politics. The inclusion of extensive footnotes and references also makes it a springboard for further research.

Tips for Readers Interested in "by jean edward smith fdr 1st edition"

If you're considering diving into this biography, whether for scholarly purposes or personal interest, here are a few tips to enhance your experience:

1. **Take Notes on Key Themes:** Roosevelt's economic policies, wartime diplomacy, and personal resilience are recurring themes worth tracking.
2. **Compare with Other Biographies:** Reading this alongside other FDR biographies can provide a richer, more nuanced understanding.
3. **Explore Supplementary Materials:** Look for letters, speeches, and archival footage referenced in the book for a multidimensional perspective.
4. **Consider the Historical Context:** Understanding the 1930s and 1940s America will deepen your appreciation of Roosevelt's challenges and achievements.

Final Thoughts on the Impact of Jean Edward Smith's Biography

By providing a detailed, well-researched, and empathetic portrait of Franklin D. Roosevelt, "by jean edward smith fdr 1st edition" has carved a lasting place in historical literature. Whether you are a casual reader fascinated by presidential history or a scholar seeking authoritative sources, this biography offers a wealth of knowledge and insight.

Its balanced approach allows readers to appreciate the complexities of Roosevelt's character and the monumental challenges he faced, making it an enduring work that continues to inform and inspire generations interested in one of America's most pivotal leaders.

Additional Resources

****An In-Depth Review of *FDR* by Jean Edward Smith, 1st Edition****

by jean edward smith fdr 1st edition stands as a significant contribution to the extensive body of work surrounding Franklin D. Roosevelt, one of the most influential presidents in American history. This biography, authored by the esteemed historian Jean Edward Smith, offers readers a meticulously researched and balanced portrayal of Roosevelt's life and presidency. The 1st edition, in particular, set a high standard for scholarly yet accessible political biographies, blending insightful analysis with compelling narrative.

Exploring the Historical Context and Authorial Approach

Jean Edward Smith's **FDR** is more than just a recounting of facts; it is an analytical exploration of Roosevelt's political genius within the turbulent backdrop of the early 20th century. The 1st edition was published at a time when scholarship on FDR was evolving, and Smith's work distinguished itself by its objective tone and comprehensive scope. Unlike earlier biographies that tended to be either overly laudatory or critically harsh, Smith adopts a nuanced perspective, acknowledging both FDR's monumental achievements and his complex shortcomings.

By integrating political, social, and economic contexts, the book provides readers with a multi-dimensional understanding of Roosevelt's leadership during the Great Depression and World War II. This is particularly relevant for those researching presidential leadership styles, New Deal policies, or the dynamics of American democracy during crisis periods.

Research Depth and Narrative Style

One of the defining features of *by Jean Edward Smith FDR 1st edition* is its rigorous use of primary sources combined with accessible prose. Smith's background as a historian shines through his ability to distill complex policy issues without sacrificing scholarly integrity. The 1st edition includes extensive footnotes and references, allowing readers and researchers to trace the origins of Smith's interpretations.

The narrative style balances detailed exposition with engaging storytelling, making it suitable for both academic audiences and general readers interested in American history. This dual appeal is a notable strength, especially when compared to other FDR biographies that may lean heavily on academic jargon or oversimplify historical events.

Key Themes and Analytical Highlights

Smith's biography delves deeply into several core themes that define Roosevelt's legacy:

The New Deal and Economic Reform

The book offers an exhaustive examination of Roosevelt's New Deal initiatives. Smith critically assesses the effectiveness of various programs like the Civilian Conservation Corps (CCC), the Social Security Act, and the Works Progress Administration (WPA). He discusses how these policies reshaped the American economic landscape and expanded federal government's role, while also addressing criticisms related to their long-term impacts and political opposition.

Leadership During Crisis

Smith provides an insightful analysis of Roosevelt's leadership style, particularly his ability to communicate with and inspire the American public through fireside chats and strategic political alliances. The biography highlights Roosevelt's navigation of the dual crises of the Depression and World War II, emphasizing his adaptability and resilience. This theme is explored with a careful balance between admiration and critical inquiry, offering readers a rounded portrait of presidential decision-making under pressure.

Controversies and Criticisms

No biography would be complete without addressing the controversies surrounding its subject, and Smith's *FDR* does not shy away from difficult topics. The 1st edition discusses Roosevelt's court-packing plan, his stance on civil rights, and his handling of Japanese American internment during World War II. These sections are presented with a critical lens, inviting readers to reflect on the complexities and contradictions inherent in Roosevelt's presidency.

Comparisons with Other FDR Biographies

In the crowded field of FDR biographies, Smith's *FDR* 1st edition holds its own by virtue of its scholarly rigor and balanced tone. Compared to works by authors like Doris Kearns Goodwin or Jean Edward Smith's contemporaries, this biography is often praised for its even-handed approach and comprehensive detail.

- **Doris Kearns Goodwin's *No Ordinary Time*:** While Goodwin's narrative is rich with personal anecdotes and a focus on Eleanor Roosevelt, Smith's work is more policy and leadership-oriented.
- **Robert Dallek's *Franklin D. Roosevelt: A Political Life*:** Dallek provides a more politically charged narrative, whereas Smith's biography emphasizes balanced analysis supported by extensive archival research.
- **Jean Edward Smith's own writing style:** Known for clarity and precision, Smith maintains a consistent scholarly tone unmatched by many popular historians.

This comparison underscores the unique place *by Jean Edward Smith FDR 1st edition* holds for readers seeking a detailed yet impartial historical account.

Edition-Specific Features and Collectibility

For collectors and historians alike, the 1st edition of Jean Edward Smith's *FDR* carries particular significance. Early printings often include forewords or introductions that reflect the historiographical context at the time of publication. Additionally, the physical quality of the 1st edition—its binding, cover art, and typographic choices—may appeal to bibliophiles.

From an academic perspective, owning the 1st edition allows for a direct engagement with Smith's original framing of Roosevelt's legacy before later editions incorporated updated research or revisions. This makes it a valuable resource for comparative study or historical reference.

Pros and Cons of the 1st Edition

- **Pros:** Comprehensive analysis, detailed primary source references, balanced portrayal, accessibility for both scholars and general readers.
- **Cons:** Some interpretations may feel dated due to subsequent scholarship, limited coverage of post-presidency legacy compared to later editions.

These factors are important considerations for anyone deciding whether to purchase or study this particular edition.

Impact and Relevance in Contemporary Scholarship

More than two decades after its initial release, *by Jean Edward Smith FDR 1st edition* remains a cornerstone in presidential biography literature. Its methodical approach to Roosevelt's life and leadership serves as a model for historians examining political figures with complexity and nuance.

The book's relevance extends beyond academic circles; political science students, history enthusiasts, and policymakers can glean valuable insights into crisis management, governance, and the evolution of American political institutions. The 1st edition's lasting influence is evident in its frequent citation in scholarly articles, biographies, and university curricula.

Jean Edward Smith's work also contributes to ongoing debates about the role of the presidency, federal power, and the balance between executive action and democratic accountability. Such discussions are especially pertinent in today's political climate, where the lessons of FDR's era continue to inform contemporary governance challenges.

In sum, *by Jean Edward Smith FDR 1st edition* remains a vital resource for anyone seeking a thorough, well-reasoned portrait of Franklin D. Roosevelt. Its scholarly depth, objective tone, and engaging narrative ensure its place as a definitive biography that both informs and provokes thoughtful reflection on one of America's most transformative leaders.

by jean edward smith fdr 1st edition: *The Development of the American Presidency* Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens, analyzing how historical turns have shaped the modern institution. *The Development of the American Presidency* pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, this text looks at how the presidency has evolved in relation to the public, to Congress, to the Executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. All the while, Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts. Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages. Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. A companion website not only acts as a further resources base—directing students to primary documents, newspapers, and data sources—but also presents interactive timelines, practice quizzes, and key terms to help students master the book's lessons.

by jean edward smith fdr 1st edition: Die USA und China Rolf Steininger, 2025-03-20 Beziehungsgeflecht USA und China: Jahrhunderte im Fokus Die erste deutschsprachige Gesamtdarstellung über die amerikanisch-chinesischen Beziehungen von den Anfängen bis zur Gegenwart. Die aktuelle Situation zwischen den USA und der Volksrepublik China ist dramatisch und voller Gefahren. Das kommunistische China fordert die USA als Weltmacht und die Nummer 1 im Pazifik heraus. Wie konnte es dazu kommen? Wie war es vorher? In seinem neuen Buch gibt Rolf Steininger Antworten auf diese Fragen. Alles begann 1784 mit der Fahrt eines Handelsschiffs von New York nach China. Ende des 19. Jahrhunderts waren die USA Schutzmacht für China. Im Zweiten Weltkrieg dann Verbündete gegen Japan. Nach dem Sieg der Kommunisten im Bürgerkrieg und dem Koreakrieg wird das gottlose Regime in Peking zwei Jahrzehnte isoliert. Mehrmals droht ein Atombombeneinsatz. Dann wird China Verbündeter der USA im Kampf gegen die Sowjetunion. Mit US-Hilfe wird aus dem Armenhaus China die Weltmacht, die sich am Ende des Kalten Krieges Russland zuwendet. Mit einer aggressiven Handels- und Außenpolitik und der Forderung nach Wiedervereinigung mit Taiwan – notfalls mit Gewalt – ist China inzwischen für die USA ein Problem geworden. 35 Fotos, davon 19 in Farbe, und zwei Faksimiles ergänzen den Band.

by jean edward smith fdr 1st edition: Delivering the People's Message Julia R. Azari, 2014-03-18 Presidents have long invoked electoral mandates to justify the use of executive power. In *Delivering the People's Message*, Julia R. Azari draws on an original dataset of more than 1,500 presidential communications, as well as primary documents from six presidential libraries, to systematically examine choices made by presidents ranging from Herbert Hoover in 1928 to Barack Obama during his 2008 election. Azari argues that Ronald Reagan's election in 1980 marked a shift from the modern presidency formed by Franklin Delano Roosevelt to what she identifies as a more partisan era for the presidency. This partisan model is a form of governance in which the president appears to require a popular mandate in order to manage unruly and deeply contrary elements within his own party and succeed in the face of staunch resistance from the opposition party. Azari finds that when the presidency enjoys high public esteem and party polarization is low, mandate

rhetoric is less frequent and employs broad themes. By contrast, presidents turn to mandate rhetoric when the office loses legitimacy, as in the wake of Watergate and Vietnam and during periods of intense polarization. In the twenty-first century, these two factors have converged. As a result, presidents rely on mandate rhetoric to defend their choices to supporters and critics alike, simultaneously creating unrealistic expectations about the electoral promises they will be able to fulfill.

by jean edward smith fdr 1st edition: *An American History Lesson and a Wake up Call for America* Jack B. Walters, 2013-07-25 These articles and book reports have been written in the hope that readers could believe as I do that the world, including our country, is in great danger for multiple of reasons: 1. The spread of adherents to Islam threaten to engulf all persons of different faiths. They are winning through violence but also just by having more babies than every other culture. The leaders of Europe and America refuse to accept how evil this belief system is and how they have only one agenda and that is to have dominion over all nations. 2. Our Constitution has been destroyed by the administration of President Obama and the Supreme Court. He does whatever he wants regardless of the Congress. The Court extended the commerce authority to allow the government to force citizens to purchase a service and allowed the corporations to spend anything they want to affect the outcome of elections. 3. We are drowning in debt but continue to add costly programs, making it even worse without making any attempt to reduce the strain. Military adventures continue without end. Government handouts to the so-called needy have created a permanent underclass of people being supported while not required to put forth effort. 4. The government refuses to take the steps needed to become energy efficient, which could be accomplished easily, thereby freeing us from OPEC. For those of you who don't remember, in the 50s, we exported oil.

by jean edward smith fdr 1st edition: *FDR and the Jews* Richard Breitman, Allan J. Lichtman, 2013-03-19 A contentious debate lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe. *FDR and the Jews* reveals a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure but whose moral leadership was tempered by the political realities of depression and war.

by jean edward smith fdr 1st edition: *Party Politics in the Age of Roosevelt* Michael P. Riccards, Cheryl A. Flagg, 2022-04-29 Riccards and Flagg examine in detail the development of Franklin Delano Roosevelt from a young politician in Albany to assistant secretary of the Navy to governor of the state of New York. The volume shows how Roosevelt developed his rhetorical skills, his art of manipulation and coalition building, and his incredible bond to the American people through the Depression and World War II. As commander in chief, he mastered the leadership skills that made him a great military leader and a political leader who established himself as a paramount figure using control of the Democratic party. In the process, he solidified the party as a long-lasting coalition that set the United States as a world empire.

by jean edward smith fdr 1st edition: *Schlesinger: The Imperial Historian* Richard Aldous, 2017-10-10 The first major biography of preeminent historian and intellectual Arthur Schlesinger Jr., a defining figure in Kennedy's White House. Arthur M. Schlesinger Jr. (1917–2007), known today as the architect of John F. Kennedy's presidential legacy, blazed an extraordinary path from Harvard University to wartime London to the West Wing. The son of a pioneering historian—and a two-time Pulitzer Prize and National Book Award winner in his own right—Schlesinger redefined the art of presidential biography. *A Thousand Days*, his best-selling and immensely influential record of the Kennedy administration, cemented Schlesinger's place as one of the nation's greatest political image makers and a key figure of the American intellectual elite—a peer and contemporary of Reinhold Niebuhr, Isaiah Berlin, and Adlai Stevenson. The first major biography of this defining figure in Kennedy's Camelot, *Schlesinger: The Imperial Historian* presents a dramatic life and career set against the backdrop of the American Century. Biographer Richard Aldous draws on oral history, rarely seen archival documents, and the official Schlesinger papers to craft a portrait of the incandescently brilliant and controversial historian who framed America's

ascent to global empire.

by jean edward smith fdr 1st edition: *FDR's Mentors* Michael J. Gerhardt, 2024-04-23 A unique and illuminating exploration of the key relationships that shaped Franklin Delano Roosevelt into one of America's most definitive leaders and impacted his influence on the world stage, from presidential historian Michael J. Gerhardt, the acclaimed author of *Lincoln's Mentors* and principal adviser in the official annotation of the Constitution at the Library of Congress. Franklin Delano Roosevelt wasn't a born leader. He became one. As a boy he was in poor health, was insecure, and an average student at best. Growing into manhood, the lessons he learned came not from books but from influencers of his lifetime, beginning with Endicott Peabody, the most renowned US headmaster of the twentieth century. He instilled in Roosevelt a confidence and strength that empowered the young student and propelled him to greatness as one of the most revered presidents of the United States. For Roosevelt, Peabody was only one of a small number of people who helped him develop the skills and temperament that enabled him to overcome the devastating effects of polio, to lead the nation through two crises, and to secure America's leadership in the world. In *FDR's Mentors*, Michael Gerhardt tells the extraordinary stories of the men and women who had a vital impact on Roosevelt's life, career, and pragmatic personality: his distant cousin Teddy; his wife Eleanor; President Woodrow Wilson; journalist Lewis Howe; Winston Churchill; and New York Democratic Party leader Al Smith. From the creation of the New Deal through Roosevelt's war with the Supreme Court to the attack on Pearl Harbor, Roosevelt persevered with never-ending grit, grace, limitless optimism, and patience. It is thanks to the invaluable personal connections, inspiration, and wisdom of those who shaped and informed FDR's historic presidency—one that has become a model of resilience and, in turn, an influence on every president who has followed in his path.

by jean edward smith fdr 1st edition: *The Impact of the First World War on U.S. Policymakers* Michael G. Carew, 2014-07-18 *The Impact of the First World War on U.S. Policymakers: American Strategic and Foreign Policy Formulation, 1938-1942* is designed to recount the formulation of foreign and defense policies through an examination of the background of the policymakers, with specific emphasis on the World War I experience. The introduction provides an analysis of the literature of the history of this American World War II policy formulation. The events and factors that led to the reorientation of priorities in 1938-1939 are examined. From that base, Michael Carew reviews the unfolding events of the European and Japanese degeneration into war through the spring of 1940, and their perception for the American policy-makers. He also recounts the tectonic shifts of the subsequent eighteen months and the scramble for an American response. The immediate consequences of Pearl Harbor brought the policymaking to a crisis, and the Casablanca conference of January 1943 signified the completion of the formulation of American foreign policy and naval-military strategy. Carew emphasizes the leadership of President Roosevelt and his cadre of planners in the policy formulation realm, the assertion of leadership of the alliance, and Roosevelt's specific tasks in managing the American war effort. These presidential tasks included the industrial mobilization of the American economy, the domestic political leadership of the war, the persuasion of the alliance to the propriety of American policy, and the defeat of the Axis.

by jean edward smith fdr 1st edition: *Lincoln & Churchill* Lewis E Lehrman, 2023-06-14 "With penetrating insight, Lehrman unfolds the contrasts and similarities between these two leaders . . . I savored every page of this magnificent work."—Doris Kearns Goodwin, #1 New York Times-bestselling author of *Team of Rivals: The Political Genius of Abraham Lincoln* Winner of the Abraham Lincoln Institute of Washington's 2019 book prize Lewis E. Lehrman, a renowned historian and National Humanities Medal winner, gives new perspective on two of the greatest English-speaking statesmen—and their remarkable leadership in wars of national survival. Abraham Lincoln and Winston Churchill, as commanders in chief, led their nations to victory—Lincoln in the Civil War, Churchill in World War II. They became revered leaders—statesmen for all time. Yet these two world-famous war leaders have never been seriously compared at book length. Acclaimed

historian Lewis Lehrman, in his pathbreaking comparison of both statesmen, finds that Lincoln and Churchill—with very different upbringings and contrasting personalities—led their war efforts, to some extent, in similar ways. As supreme war lords, they were guided not only by principles of honor, duty, and freedom, but also by the practical wisdom to know when, where, and how to apply these principles. Even their writings and speeches were swords in battle. Gifted literary stylists, both men relied on the written and spoken word to steel their citizens throughout desperate and prolonged wars. And both statesmen unexpectedly left office near the end of their wars—Lincoln by the bullet, Churchill by the ballot. They made mistakes, which Lehrman considers carefully. But the author emphasizes that, despite setbacks, they never gave up. “Deeply researched and elegantly written. . . . a valuable contribution to our knowledge of the past. By expertly conjoining two great leaders in a single volume, he has enhanced our understanding of both.” —The Wall Street Journal Includes illustrations and photographs

by jean edward smith fdr 1st edition: FDR's Deadly Secret Eric Fettmann, Steven Lomazow, 2010-01-05 When Franklin Delano Roosevelt died in 1945, his lifelong physician swore that the president had always been in perfect health. Twenty-five years later, his cardiologist admitted that the president suffered from hypertension, and that contrary to what the public was led to believe, his death was a cataclysmic event waiting to happen. But even this was a carefully constructed deceit, designed to protect the reputation of a man that led a country through war, and maintained until now. This persuasive re-examination of Roosevelt's last years reveals a more profoundly disabled president than the nation knew, and asks whether Roosevelt should be criticized or celebrated for shouldering the weight of a wartime presidency in his compromised state.

by jean edward smith fdr 1st edition: The Contest over National Security Peter Roady, 2024-03-19 National security once was not limited to physical defense. FDR equated national security with safety from foreign attack and economic want; conservatives, fearful of costs and federal expansion, stripped out domestic policy. The Contest over National Security explains why the US developed separate, imbalanced national security and welfare states.

by jean edward smith fdr 1st edition: The Presidency of Franklin D. Roosevelt Don Nardo, 2014-07-01 Franklin Delano Roosevelt--the longest serving president in U.S. history--successfully guided Americans through two of the worst crises ever. He succeeded where others had failed in pulling the country back from the brink of collapse during the Great Depression. He lifted Americans' spirits and turned them away from fear and defeatism. Then came the horrors and devastation of World War II. The brilliant and courageous Roosevelt proved to be an outstanding commander in chief, leading the world to victory over the powers of evil.

by jean edward smith fdr 1st edition: Cowboys Full James McManus, 2025-09-23 From James McManus, author of the bestselling *Positively Fifth Street*, comes the definitive story of the game that, more than any other, reflects who we are and how we operate. *Cowboys Full* is the story of poker, from its roots in China, the Middle East, and Europe to its ascent as a global—but especially an American—phenomenon. It describes how early Americans took a French parlor game and, with a few extra cards and an entrepreneurial spirit, turned it into a national craze by the time of the Civil War. From the kitchen-table games of ordinary citizens to its influence on generals and diplomats, poker has gone hand in hand with our national experience. Presidents from Abraham Lincoln to Barack Obama have deployed poker and its strategies to explain policy, to relax with friends, to negotiate treaties and crises, and as a political networking tool. The ways we all do battle and business are echoed by poker tactics: cheating and thwarting cheaters, leveraging uncertainty, bluffing and sussing out bluffers, managing risk and reward. *Cowboys Full* shows how what was once accurately called the cheater's game has become an honest contest of cunning, mathematical precision, and luck. It explains how poker, formerly dominated by cardsharps, is now the most popular card game in Europe, East Asia, Australia, South America, and cyberspace, as well as on television. It combines colorful history with firsthand experience from today's professional tour. And it examines poker's remarkable hold on American culture, from paintings by Frederic Remington to countless poker novels, movies, and plays. Braiding the thrill of individual hands with

new ways of seeing poker's relevance to our military, diplomatic, business, and personal affairs, *Cowboys Full* is sure to become the classic account of America's favorite pastime.

by jean edward smith fdr 1st edition: Yukikaze's War Brett L. Walker, 2024-06-06 When World War II ended, *Yukikaze* was the only elite Imperial Japanese Navy destroyer still afloat. Tracing her journey through the treacherous ocean battlefields of the Pacific War, this unique story is told through the eyes of the crew, who saw deep-running currents of Japanese history unfold before their eyes.

by jean edward smith fdr 1st edition: Roosevelt and Churchill: The Atlantic Charter Michael Kluger, Richard J. Evans, 2021-10-01 The dramatic secret meeting between Churchill and FDR that forged their alliance against global fascism is brought to life in this WWII history. On August 14, 1941, Prime Minister Winston Churchill and President Franklin D. Roosevelt issued a joint declaration of goals for the world after the Second World War. The Atlantic Charter was a powerful statement against tyranny and an important display of the Special Relationship between the UK and the US. *Roosevelt and Churchill: The Atlantic Charter* tells the story behind this momentous document and the secret meeting that led to its creation. Churchill and Roosevelt barely knew each other when they met off the coast of Newfoundland aboard the USS *Augusta*. After a desperate dash across the U-boat infested Atlantic, Churchill spent four days at sea with Roosevelt, establishing both a personal friendship and an international alliance that would change the world. Exploring the lives of both men, the authors also include biographies of those who were vital to the process: Roosevelt's Secretary of Commerce Harry Hopkins and foreign policy advisor Sumner Welles; and Churchill's confidants Lord Beaverbrook, Lord Cadogan, and his son Randolph Churchill.

by jean edward smith fdr 1st edition: The Presidents vs. the Press Harold Holzer, 2020-08-25 An award-winning presidential historian offers an authoritative account of American presidents' attacks on our freedom of the press. "The FAKE NEWS media," Donald Trump has tweeted, "is not my enemy, it is the enemy of the American People!" Has our free press ever faced as great a threat? Perhaps not—but the tension between presidents and journalists is as old as the republic itself. Every president has been convinced of his own honesty and transparency; every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger. Our first president, George Washington, was also the first to grouse about his treatment in the newspapers, although he kept his complaints private. Subsequent chiefs like John Adams, Abraham Lincoln, Woodrow Wilson, and Barack Obama were not so reticent, going so far as to wield executive power to overturn press freedoms, and even to prosecute journalists. Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him, doling out information, steering coverage, and squashing stories that interfered with his agenda. It was a strategy that galvanized TR's public support, but the lesson was lost on Woodrow Wilson, who never accepted reporters into his inner circle. Franklin Roosevelt transformed media relations forever, holding more than a thousand presidential press conferences and harnessing the new power of radio, at times bypassing the press altogether. John F. Kennedy excelled on television and charmed reporters to hide his personal life, while Richard Nixon was the first to cast the press as a public enemy. From the days of newsprint and pamphlets to the rise of Facebook and Twitter, each president has harnessed the media, whether intentional or not, to imprint his own character on the office. In this remarkable new history, acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it. From Washington to Trump, he chronicles the disputes and distrust between these core institutions that define the United States of America, revealing that the essence of their confrontation is built into the fabric of the nation.

by jean edward smith fdr 1st edition: America in the World Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians. Some of the essays offer sweeping overviews of the major trends in the field of foreign/international relations history. Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential

administrations. The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field.

by jean edward smith fdr 1st edition: How Franklin D. Roosevelt Fought World War II Earle Rice, Jr., 2017-07-15 After Adolf Hitler attacked Poland on September 1, 1939, igniting World War II, it fell to President Franklin D. Roosevelt to keep his nation neutral while preparing it for war. When Japan's surprise attack on Pearl Harbor brought that war to America, his strong, steady leadership guided it through all but four months of the most brutal war in the history of the world. Through full-color and black-and-white photos, informative sidebars, and engaging narrative, readers gain insight into Roosevelt's administration and the people who advised him, as well as the combat and political strategies of the war itself and its legacy.

by jean edward smith fdr 1st edition: Fighting Hoosiers Dawn Bakken, 2021-09-07 Fighting Hoosiers: Indiana in Two World Wars tells the compelling, heartbreaking, and breathtaking stories of some of the hundreds of thousands of Hoosiers who served their country during the First and Second World Wars. Drawn from the rich holdings of the Indiana Magazine of History, a journal of state and midwestern history published since 1905, the collection includes original diaries, letters and memoirs, as well as research essays—all of them focused on Hoosiers in the two world wars. Readers will meet Alex Arch, a Hungarian-born immigrant who was the first American to fire a shot in World War I; Maude Essig, a nurse serving with the American Red Cross in wartime France; Kenneth Baker, a soldier in the Army Signal Corps, who crawled across French fields (sometimes over and around dead bodies) to lay phone lines for military communications; and Bernard Rice, a combat medic who witnessed the liberation of the Dachau concentration camp in 1945. Indiana's brave men and women like these have served with distinction in the armed forces since the earliest days of the Indiana Territory. Fighting Hoosiers offers a compelling glimpse at some of their remarkable stories.
