Interview with Rabbi Finkelstein: Insights from a Respected Spiritual Leader

Interview with Rabbi Finkelstein offers a rare glimpse into the mind of one of the most thoughtful and inspiring religious figures of our time. Known for his deep wisdom, compassionate approach, and ability to connect ancient teachings with contemporary challenges, Rabbi Finkelstein has become a beacon for those seeking spiritual guidance and practical advice. In this engaging conversation, we delve into his perspectives on faith, community, leadership, and the evolving role of religion in today's world.

The Journey of Rabbi Finkelstein: From Early Beginnings to Spiritual Mentor

Understanding Rabbi Finkelstein's background sets the stage for appreciating his unique outlook. Raised in a family deeply rooted in Jewish traditions, his early life was shaped by a profound respect for Torah teachings and communal values. During our interview with Rabbi Finkelstein, he reflected on the influences that molded his spiritual path.

Early Education and Inspirations

Rabbi Finkelstein shared stories from his youth, highlighting the mentors and experiences that sparked his passion for Jewish scholarship. He emphasized the importance of questioning and critical thinking within religious study, encouraging younger generations to engage actively with texts rather than passively accepting interpretations.

Becoming a Community Leader

The transition from student to rabbi was marked by a strong desire to serve and uplift his community. In the interview, Rabbi Finkelstein spoke about the challenges and rewards of pastoral leadership—balancing tradition with the needs of a modern congregation. His approach is deeply empathetic, focusing on listening and understanding individual struggles.

Core Teachings and Philosophical Outlook

One of the highlights of the interview with Rabbi Finkelstein was his explanation of key Jewish principles and how they apply today. His teachings revolve around themes of justice, compassion, and lifelong learning.

The Role of Faith in Daily Life

Rabbi Finkelstein described faith not merely as ritual observance but as an active, living force that shapes ethical behavior and community interaction. He stressed that spirituality should inspire kindness and social responsibility, urging followers to embody their beliefs in tangible ways.

Embracing Change While Honoring Tradition

In a rapidly shifting world, maintaining religious identity can be complex. Rabbi Finkelstein's insights on balancing respect for tradition with openness to innovation were particularly enlightening. He encourages dialogue between generations and believes that questioning is essential for a vibrant faith experience.

Community Engagement and Social Impact

A significant part of the interview with Rabbi Finkelstein focused on community involvement. His work extends beyond the synagogue, touching on education, social justice, and interfaith cooperation.

Building Inclusive Communities

Rabbi Finkelstein elaborated on creating spaces where diverse voices are heard and valued. He highlighted initiatives aimed at fostering understanding among different cultural and religious groups, emphasizing shared values as a foundation for peace.

Addressing Contemporary Issues

From poverty alleviation to mental health awareness, Rabbi Finkelstein discussed how religious leaders can play a pivotal role in addressing societal challenges. He advocates for active participation in public discourse and collaboration with secular organizations to maximize impact.

Advice for Aspiring Religious Leaders

For those inspired by the interview with Rabbi Finkelstein, his advice is both practical and profound.

Developing Empathy and Communication Skills

He underscored the necessity for rabbis and spiritual leaders to cultivate genuine empathy and effective communication. Understanding the needs and emotions of others enables leaders to provide

meaningful support and guidance.

Continuous Learning and Adaptability

Rabbi Finkelstein encourages ongoing education—not just in religious texts but also in psychology, sociology, and modern technologies. Staying informed and adaptable helps leaders meet congregants where they are and address new challenges creatively.

Personal Reflections and Inspirations

Throughout the interview, Rabbi Finkelstein shared personal anecdotes that revealed his humility and humanity.

Moments of Doubt and Growth

He candidly spoke about times when his faith was tested and how those experiences deepened his understanding and resilience. Such reflections offer a relatable perspective for anyone navigating their spiritual journey.

Sources of Inspiration

Rabbi Finkelstein finds inspiration in everyday acts of kindness, historical figures, and the enduring power of community. His optimistic outlook is contagious, encouraging others to seek meaning and purpose in their lives.

The interview with Rabbi Finkelstein provides a rich tapestry of insights, blending tradition with modern

relevance. His thoughtful responses and genuine warmth invite readers to reflect on their own beliefs and the role spirituality plays in creating a more compassionate world. Whether you are a member of the Jewish community or simply curious about the intersection of faith and contemporary life, Rabbi Finkelstein's perspectives offer valuable lessons and inspiration.

Frequently Asked Questions

Who is Rabbi Finkelstein featured in the interview?

Rabbi Finkelstein is a respected Jewish scholar and community leader known for his insights on religious teachings and contemporary issues facing the Jewish community.

What are the main topics discussed in the interview with Rabbi Finkelstein?

The interview covers topics such as Jewish traditions, the role of faith in modern society, educational approaches in Jewish communities, and Rabbi Finkelstein's personal journey and experiences.

How does Rabbi Finkelstein describe the importance of education in Judaism?

Rabbi Finkelstein emphasizes that education is central to Judaism, fostering a deep understanding of religious texts, ethical values, and community responsibility.

What insights does Rabbi Finkelstein offer about maintaining Jewish identity today?

He suggests that maintaining Jewish identity requires balancing tradition with contemporary life challenges, encouraging active community participation and intergenerational dialogue.

Does Rabbi Finkelstein discuss any current challenges facing the Jewish community?

Yes, he addresses issues such as assimilation, anti-Semitism, and the need for inclusive community spaces that welcome diverse members.

What personal experiences does Rabbi Finkelstein share in the interview?

Rabbi Finkelstein shares stories from his upbringing, his path to becoming a rabbi, and meaningful moments in his leadership that shaped his perspectives.

Where can viewers watch or read the full interview with Rabbi Finkelstein?

The full interview is available on the official website of the hosting organization and their associated social media channels, often accompanied by transcripts and additional resources.

Additional Resources

****Insights from an Interview with Rabbi Finkelstein: Bridging Tradition and Modernity****

Interview with Rabbi Finkelstein offers a rare glimpse into the nuanced perspectives of one of the contemporary Jewish community's most thoughtful spiritual leaders. This conversation delves deeply into his views on faith, cultural identity, and the evolving role of religion in the 21st century. As an authoritative voice, Rabbi Finkelstein sheds light on how ancient traditions can harmonize with modern societal challenges, providing a valuable resource for those interested in religious studies, interfaith dialogue, and community leadership.

Exploring the Role of Tradition in Contemporary Jewish Life

In the interview with Rabbi Finkelstein, one of the core topics addressed was the balance between maintaining Jewish traditions and adapting to the rapidly changing world. Rabbi Finkelstein emphasizes that tradition should not be seen as a static relic but as a living framework that guides ethical behavior and community cohesion. He points out that while the Torah and Talmud provide foundational wisdom, their interpretation must be responsive to current realities.

He explains, “The essence of Judaism is continuity, but continuity does not mean rigidity. Our ancestors faced challenges that required creative solutions, and so must we.” This perspective resonates with many religious communities grappling with modernity and the pressures of secularization.

The Intersection of Faith and Modern Ethical Issues

The interview further explores Rabbi Finkelstein’s insights into how Jewish teachings address contemporary ethical dilemmas such as technology use, social justice, and environmental stewardship. He notes that traditional Jewish law (Halacha) offers principles that remain relevant but require thoughtful application in context.

For instance, Rabbi Finkelstein discusses the ethical implications of artificial intelligence and bioengineering, areas rarely contemplated by ancient texts but increasingly important today. He advocates for a dynamic interpretation of Halacha that incorporates modern knowledge without compromising core values.

This approach aligns with a broader trend among progressive religious leaders who seek to make faith communities more inclusive and responsive to societal changes.

Rabbi Finkelstein on Community Engagement and Leadership

A significant portion of the interview with Rabbi Finkelstein centers on his philosophy of leadership within the Jewish community. He stresses that effective spiritual leadership goes beyond ritual and doctrine. It requires empathy, openness, and a commitment to social responsibility.

Building Bridges Across Diverse Populations

Rabbi Finkelstein highlights the importance of interfaith dialogue and cooperation as tools to foster understanding and peace. He recounts experiences where engagement with leaders from different religious backgrounds helped dispel misconceptions and promote mutual respect.

He believes that rabbis and other faith leaders have a critical role in addressing societal polarization. By focusing on shared values such as justice, compassion, and dignity, they can build bridges between diverse populations.

Education as a Pillar of Jewish Continuity

Another key insight from the interview with Rabbi Finkelstein is his emphasis on education. He advocates for a model that combines rigorous textual study with practical life lessons. This dual focus, he argues, nurtures knowledgeable individuals who can apply Jewish wisdom to everyday challenges.

Rabbi Finkelstein also supports integrating secular subjects alongside religious studies to prepare younger generations for active participation in broader society. He views education as essential to preserving cultural identity while encouraging critical thinking and personal growth.

Challenges and Opportunities Facing the Jewish Community Today

Throughout the interview, Rabbi Finkelstein candidly addresses several pressing challenges confronting Jewish communities worldwide. These include assimilation, anti-Semitism, and generational divides.

Addressing Assimilation and Cultural Preservation

Rabbi Finkelstein acknowledges that assimilation remains a complex issue. While integration into broader society can offer opportunities, it also risks diluting cultural distinctiveness. He stresses the importance of creating vibrant, inclusive communities that celebrate Jewish heritage without alienating those less observant.

Confronting Anti-Semitism

The interview also touches on the resurgence of anti-Semitism in various regions. Rabbi Finkelstein urges vigilance and education as primary tools to combat hatred. He calls for alliances with other marginalized groups to foster solidarity against bigotry.

Engaging Younger Generations

A recurring theme is the challenge of engaging younger Jews who may feel disconnected from traditional forms of worship. Rabbi Finkelstein promotes innovative approaches such as experiential learning, digital outreach, and community service initiatives to make Judaism relevant and appealing.

The Broader Impact of Rabbi Finkelstein's Teachings

The interview with Rabbi Finkelstein reveals a leader who is deeply aware of his community's historical roots and future trajectory. His balanced approach—combining reverence for tradition with openness to change—offers a model for religious leadership in the modern era.

His work has implications beyond Jewish circles, contributing to broader conversations about faith, identity, and social responsibility in pluralistic societies. As religious landscapes continue to evolve, voices like Rabbi Finkelstein's play a vital role in guiding thoughtful adaptation without losing sight of foundational values.

By addressing complex issues with clarity and compassion, Rabbi Finkelstein exemplifies how spiritual leaders can navigate the tension between preservation and progress, fostering resilient communities ready to meet the challenges of the future.

interview with rabbi finkelstein: Where to from Here Andre Slade, Katarina KrižÁni, 2014
ABSOLUTE TRUTH Absolute waarheid Absolutna pravda Ipsum verum sit A? ? A? ? Absoluuttinen totuus Vérité absolue The Book of Revelation 10

interview with rabbi finkelstein: Unveiling True God The Father of Christ Dr. Steven Christ, 2020-01-31 The purpose of this book is to bring truth as to who God The Father is and who we really are in Christ. Knowing who you are allows you to take back your power and authority over the God of this world—Yahweh. God The Father of Christ and all creation is not the God of this world (John 18:36). The Father gave man dominion over the earth (Genesis 1:26-28); through man's sin, power and authority was transferred to Satan/Lucifer. The Father cast Lucifer out of heaven down to the earth (Isaiah 14:12-14) vowed to be worshipped as God the Most High, the Father. Lucifer deceives the whole world (Revelation 12:9) into believing he is God The Father of Christ. The world is looking for this deception to occur in the future. In this book, I prove biblically this deception has already occurred twenty-five hundred years ago when Yahweh freed the Jews out of Egypt. Yahweh declares he is the God of the Jews ever since the land of Egypt and there is no other savior but him (Hosea 13:4). Before this, who was Yahweh? Our minds have been blinded by two thousand years of corrupt

and false teachings that were set in place to maintain Yahweh's power and control over this world. Jesus Christ came into this world to tell the Jews the god they're worshipping—Yahweh is not God The Father. The Jews killed Jesus to save the Jewish nation (John 11:50-53) as His message would have completely destroyed the nation; this truth brought division within families. The Jews, with the help of Paul, gathered the children of Christ, grafting them into Yahweh's kingdom under the pretense that Yahweh is the Father of Christ, knowing he is the fallen angel Lucifer. The Father gave man markers to identify Lucifer and his fallen angels. One marker—they are chained in darkness. Yahweh always appears to men in thick darkness: Moses, Solomon, David, and the prophets. Yahweh/Jehovah is the god and ruler of this world, so the only way God The Father could help man was to be born into Yahweh's kingdom here on earth. Yahweh demanded shedding of blood—an innocent blood sacrifice for the forgiveness of sin. Jesus followed all of Yahweh's laws and statutes perfectly; He was sinless. Jesus gave himself to be man's blood sacrifice to appease Yahweh's wrath upon man. God the Father is perfect love; He is displeased with blood sacrifice of any kind. He told the Jews to stop but they continued making sacrifices to their God—Yahweh (Isaiah 66:3, Hosea 6:6-9). God the Father says killing of bulls and goats does not take away sin (Hebrews 10:4-6). I prove through scripture that Yahweh is not the loving God The Father of Christ. Yahweh does not have the Holy Spirit of the Father; therefore, he cannot create, he cannot raise the dead, and he cannot heal the sick. Yahweh needs the Father's Holy Spirit that is in all men to maintain his world construct; without it, this world would collapse. Yahweh keeps all men's souls in bondage and imprisoned here within the earth through sin and reincarnation; our spirit is recycled over and over till the day of judgment. Jesus came to teach us how to break free from Yahweh's matrix, being brought into God The Father's kingdom of light in the third heaven. Yahweh/Jehovah is the God of this world; his realm is the heavens directly above the earth and our planetary system. God the Father and Christ dwells in the third heaven aka the pleroma where there is no time, gravity, or matter. All things created emanate from the Father, Who is perfect love. He loves all His creation equally, so He has no favorites; no judgment or wrath towards His creation. This world is worshipping Yahweh; who comes from the Creator/God the Father. Yahweh is a jealous, angry, wrathful god that wants you to fear him. God the Father is the father of all things created; all things emanate from the Father so who can He be jealous of? Nothing. We are now living in the end times. Yahweh is doing everything in his power to corrupt God The Father's creation using all men of power having one agenda—to control the whole world through one world religion, one world government, and one world currency. In this book, I give you the tools needed to escape Yahweh's kingdom of condemnation, death, and destruction.

interview with rabbi finkelstein: *Judaism Faces the Twentieth Century* Mel Scult, 1993 Mel Scult's detailed biography traces the personalities, issues, and institutions that shaped and were shaped by Kaplan.

interview with rabbi finkelstein: Antisemitismus in den Sozialen Medien Monika Hübscher, Sabine von Mering, 2024-06-17 Soziale Medien haben die Verbreitung von Antisemitismus revolutioniert. Algorithmisch verstärkt verbreitet sich Antisemitismus auf den Plattformen in Sekundenschnelle, kostenlos und global. Die daraus resultierende Gefahr für Jüdinnen*Juden ist eine große gesellschaftliche Herausforderung. Das Buch gibt Einblicke in Fallstudien auf verschiedenen Plattformen und zeigt, wie soziale Medien durch die Verbreitung antisemitischer Inhalte von politischem Akteur*innen instrumentalisiert werden. Es werden innovative Methoden und Tools (CrowdTangle oder Voyant Tools) und neue Konzepte (Social Media Literacy, tertiärer Antisemitismus, antisemitische Eskalation) vorgestellt und Strategien, um Antisemitismus auf den Plattformen zu bekämpfen, kritisch evaluiert. Dieses Buch bietet eine umfassende Einführung für alle, die sich mit der Problematik Antisemitismus in den sozialen Medien auseinandersetzen wollen.

interview with rabbi finkelstein: *The Rabbi's Wife* Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award, Modern Jewish Thought Long the object of curiosity, admiration, and gossip, rabbis' wives have rarely been viewed seriously as American Jewish religious and communal

leaders. We know a great deal about the important role played by rabbis in building American Jewish life in this country, but not much about the role that their wives played. The Rabbi's Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry. Tracing the careers of rebbetzins from the beginning of the twentieth century until the present, Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis' wives who emerged as leaders to a cohort who worked together on behalf of American Judaism. The Rabbi's Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America.

interview with rabbi finkelstein: The Routledge History of Antisemitism Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding, and as concern over antisemitism has grown, so too have the debates over how to understand and combat it. This handbook explores its history and manifestations, ranging from its origins to the internet. Since the Holocaust, many in North America and Europe have viewed antisemitism as a historical issue with little current importance. However, recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews. Antisemitism has become a major issue confronting and challenging our world. This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective, covering a broad scope of experiences across different countries and regions. The final section discusses the manifestations of antisemitism in its varied cultural and social forms. With an international range of contributions across 40 chapters, this is an essential volume for all readers of Jewish and non-Jewish history alike.

interview with rabbi finkelstein: Too Jewish or Not Jewish Enough Jeffrey Abt, 2024-02-02 Displays of Jewish ritual objects in public, non-Jewish settings by Jews are a comparatively recent phenomenon. So too is the establishment of Jewish museums. This volume explores the origins of the Jewish Museum of New York and its evolution from collecting and displaying Jewish ritual objects, to Jewish art, to exhibiting avant-garde art devoid of Jewish content, created by non-Jews. Established within a rabbinic seminary, the museum's formation and development reflect changes in Jewish society over the twentieth century as it grappled with choices between religion and secularism, particularism and universalism, and ethnic pride and assimilation.

interview with rabbi finkelstein: The Kings of the Earth and the High Ones on High Allan Cornford, 2018-12-30 There is a war taking place for the souls of mankind which the majority fail to see; having been blinkered by a fantasy world of falsehood, materialism and toxic manufactured realities. With this book, I pass judgement on no man. Nor do I attempt to determine the thoughts and sincerity of men, both past and present, whose actions and achievements have impacted world history. I'm just piecing together man's satanic agenda to generate a return to the 'Golden Age.' The New World Order, which will rise like a Phoenix from the ashes of World War III. This includes a re-look at the Genesis creation account, the true design of the Earth, the growth of false religion, the Synagogue of Satan, the coming delusion and certain end-time prophecy.

interview with rabbi finkelstein: Interviews on the American Character, 1962

interview with rabbi finkelstein: Soul Revolution - Trinity of Humanity Dr. Shmuel Asher, 2016-05-31 Where the Land of MEAT & Honey proved religions falsities, opened long-hidden truths and taught how to make the much needed physical and soul return trip to our Creator; SOUL Revolution combines new and amazing findings from our modern sciences with our many ancient stories, myths, and superstition narratives, and weaves the many parallels between them. Finally reconciling both the ancient and modern back together to provide a panoramic view of WHO our souls truly are; WHERE we are; WHY we are truly here within this physical existence; WHAT this physical existence actually is; WHO it is that has and continues to control us physically and spiritually by their evil stream of consciousness, and HOW they thwart our souls return back to our true Creator!

interview with rabbi finkelstein: The Last Generation of the German Rabbinate Cornelia Wilhelm, 2024-10-08 After the Nazi seizure of power on January 30, 1933, over 250 German rabbis,

rabbinical scholars, and students for the rabbinate fled to the United States. The Last Generation of the German Rabbinate follows their lives and careers over decades in America. Although culturally uprooted, the group's professional lives and intellectual leadership, particularly those of the younger members of this group, left a considerable mark intellectually, socially, and theologically on American Judaism and on American Jewish congregational and organizational life in the postwar world. Meticulously researched and representing the only systematic analysis of prosopographical data in a digital humanities database, The Last Generation of the German Rabbinate reveals the trials of those who had lost so much and celebrates the legacy they made for themselves in America.

interview with rabbi finkelstein: Interviews on the American Character Center for the Study of Democratic Institutions, 1961

interview with rabbi finkelstein: Jewish Marital Captivity Shulamit S. Magnus, 2025-08-19 This book presents the first global history of Jewish marital captivity (iggun), and of women chained in marriage against their will (agunot), from early medieval times to the present and across the Jewish world, analysis and critique of current policy about it in the US and Israel, and proposals to end the abuse--

interview with rabbi finkelstein: The Americanization of Zionism, 1897-1948 Naomi Wiener Cohen, 2003 The author demonstrates the uniqueness of American Zionism through a 50-year historical overview of the Jewish community in the United States and its relationship to its own government, to European events and to political developments in the yishuv.

interview with rabbi finkelstein: The American Judaism of Mordecai M. Kaplan Emanuel Goldsmith, Mel Scult, Robert Seltzer, 1992-10 Mordecai M. Kaplan, a pioneering figure in the reinterpretation and redefinition of Judaism in the 20th century, embraced religious liberalism, naturalism, and empiricism, and gave expression to a unique American attitude in philosophy and theology. This volume, the first comprehensive treatment of Kaplan since his death in 1983 . . . illustrates Kaplan's links to traditional Jewish roots and demonstrates his evolutionary philosophy of Jewish culture, his Zionist orientation, and the vast range of his thought and action. The volume also features a complete bibliography of Kaplan's writings. -- ChoiceA must for every serious thinker probing American Jewish culture, history and theology. -- Alfred GottschalkPresident, Hebrew Union College--Jewish Institute of Religion These highly knowledgeable essays provide us with a new and more complex image of a central personality in 20th century American Jewish life. They are indispensable for understanding the influences that helped shape Mordecai Kaplan's thought and personality, the nature of his relationships with significant contemporaries, and the various aspects of his ideology and practical program for American Jewry. -- Professor Michael A. MeyerDepartment of Jewish HistoryHebrew Union College--Jewish Institute of Religion This leading American Jewish thinker of the pre-war period is still the point of departure for any attempt to construct a Judaism for this new age in the history of the Jewish people. The volume brings them an and this thought to life. -- Dr. Arthur GreenPresident, Reconstructionist Rabbinical College

interview with rabbi finkelstein: Pastrami on Rye Ted Merwin, 2015-10-06 The history of an iconic culinary institution. Winner of the 2015 National Jewish Book Award in Education and Jewish Identity from the Jewish Book Council. For much of the twentieth century, the New York Jewish deli was an iconic establishment in both Jewish and American life. As a social space it rivaled—and in some ways surpassed—the synagogue as the primary gathering place for the Jewish community. In popular culture it has been the setting for classics like When Harry Met Sally. And today, after a long period languishing in the trenches of the hopelessly old-fashioned, it is experiencing a nostalgic resurgence. Pastrami on Rye is the first full-length history of the New York Jewish deli. The deli, argues Ted Merwin, reached its full flowering not in the immigrant period, as some might assume, but in the interwar era, when the children of Jewish immigrants celebrated the first flush of their success in America by downing sandwiches and cheesecake in theater district delis. But it was the kosher deli that followed Jews as they settled in the outer boroughs of the city, and that became the most tangible symbol of their continuing desire to maintain a connection to their heritage. Ultimately, upwardly mobile American Jews discarded the deli as they transitioned from outsider to

insider status in the middle of the century. Now contemporary Jews are returning the deli to cult status as they seek to reclaim their cultural identities. Richly researched and compellingly told, Pastrami on Rye gives us the surprising story of a quintessential New York institution.

interview with rabbi finkelstein: Essays and Interviews on Contemporary American Poets, Poetry, and Pedagogy Daniel Morris, 2024-09-10 In sixteen chapters devoted to avant-garde contemporary American poets, including Kenneth Goldsmith, Adeena Karasick, Tyrone Williams, Hannah Weiner, and Barrett Watten, prolific scholar and Purdue University professor Daniel Morris engages in a form of cultural repurposing by “learning twice” about how to attend to writers whose aesthetic contributions were not part of his education as a student in Boston and Chicago in the 1980s and 1990s when new formalism and post-confessional modes reigned supreme. Morris’s study demonstrates his interest in moving beyond formalism to offer what Stephen Fredman calls “a wider cultural interpretation of literature that emphasizes the ‘new historicist’ concerns with hybridity, ethnicity, power relations, material culture, politics, and religion.” Essays address from multiple perspectives—prophetic, diasporic, ethical—the vexing problems and sublime potential of disseminating lyrics—the ancient form of transmission and preservation of the singular, private human voice across time and space—to an individual reader, in an environment in which e-poetry and digitalized poetics pose a crisis (understood as both opportunity and threat) to traditional page poetry.

interview with rabbi finkelstein: Die Inszenierung des Jüdischen Barbara Steiner, 2015-06-29 Ein heikles Thema der deutsch-jüdischen Nachkriegsgeschichte. Weshalb wollten nicht-jüdische Deutsche zum Judentum konvertieren? Das Judentum ist eine Religions- und Volksgemeinschaft, die nicht missioniert und in der aufgenommene Nichtjuden deshalb religiös einen prekären Status haben. Dass ausgerechnet christliche Deutsche nach 1945 vermehrt zum Judentum konvertierten, irritierte die überlebenden Juden. Barbara Steiner untersucht die Aufnahmebedingungen für Nichtjuden, die Veränderungen der Motive und der biographischen Selbstpräsentation deutscher Konvertiten. Ihre Arbeit basiert neben umfangreichen Archivrecherchen auf der Auswertung von Interviews mit Konvertiten und den aufnehmenden Rabbinern. Die Akzeptanzprobleme deutscher Konvertiten innerhalb der jüdischen Gemeinschaft, die aus ihrem Sonderstatus und dem besonderen historischen Kontext resultierten, werden ebenso erörtert wie deren Reaktionen darauf. Die Autorin kann trotz des von allen Beteiligten gleichermaßen gepflegten Tabus der Konversion erklären, wie es nichtjüdischen Deutschen im Schatten der Schoa gelang, ins Judentum aufgenommen zu werden. Ausgezeichnet mit dem Potsdamer Nachwuchswissenschaftler-Preis 2014.

interview with rabbi finkelstein: Tradition Renewed: Beyond the academy Jack Wertheimer, 1997

interview with rabbi finkelstein: The Posen Library of Jewish Culture and Civilization, Volume 9 Samuel D. Kassow, David G. Roskies, 2020-11-24 The Posen Library’s groundbreaking anthology series—called “a feast of Jewish culture, in ten volumes” by the Chronicle of Higher Education—explores in Volume 9 global Jewish responses to the years 1939 to 1973, a time of unprecedented destruction, dislocation, agency, and creativity “An extensive look at Jewish civilization and culture from the eve of World War II to the Yom Kippur War . . . It’s a weighty collection, to be sure, but one that’s consistently engaging . . . An edifying and diverse survey of 20th-century Jewish life.”—Kirkus Reviews, starred review “Readers seeking primary texts, documents, images, and artifacts constituting Jewish culture and civilization will not be disappointed. More important, they might even be inspired. . . . This set will serve to improve teaching and research in Jewish studies at institutions of higher learning and, at the same time, promote, maintain, and improve understanding of the Jewish population and Judaism in general.”—Booklist, starred review The ninth volume of The Posen Library of Jewish Culture and Civilization covers the years 1939 to 1973, a period that editors Kassow and Roskies call “one of the most tragic and dramatic in Jewish history.” Organized geographically and then by genre, this book details Jewish cultural and intellectual resources throughout this era, particularly in political thought, literature, the visual and performing arts, and religion. This volume explores worldwide

Jewish perceptions of momentous events that transpired in the mid-twentieth century and how Jews redefined themselves across regions throughout an era rife with tragedy, displacement, and dispersion. The breadth and depth of this work goes beyond any comparable collection, with detailed insights and sharp focus to accompany its breathtaking scope. A major, ten-volume anthology project more than a decade in the making, the Posen Library is an ideal reference tool for scholars, teachers, and students at all levels.
