Case for Christ Lee Strobels: Exploring the Journey from Skepticism to Faith

case for christ lee strobels is a phrase that resonates deeply with many readers and seekers who find themselves at the crossroads of doubt and belief. Lee Strobels, a former investigative journalist and legal editor for the Chicago Tribune, embarked on a remarkable journey to examine the historical and factual reliability of Christianity, particularly the life, death, and resurrection of Jesus Christ. His quest is documented in the bestselling book, "The Case for Christ," which has inspired countless individuals to explore the evidence behind Christian faith in a compelling and accessible way.

What makes the case for Christ Lee Strobels presents so intriguing is that it comes from someone who initially approached the subject with skepticism. Rather than accepting faith blindly, Strobels applied his journalistic rigor and legal training to investigate Christianity's core claims, seeking truth through interviews with scholars, historians, and theologians. This methodical approach has made his work a valuable resource for those questioning Christianity or wanting a deeper understanding of its foundations.

The Background of Lee Strobels and His Motivations

Lee Strobels's journey began as a deeply personal one. As an atheist and self-described skeptic, he was content in his disbelief until his wife, Leslie, embraced Christianity. Struggling to reconcile her newfound faith with his own doubts, Strobels decided to investigate the claims of Christianity himself. This personal connection added an emotional layer to his intellectual pursuit, making his exploration both heartfelt and analytical.

His background as a legal journalist equipped him with the tools to scrutinize evidence critically. Strobels was trained to seek facts, evaluate sources, and cross-examine witnesses—skills that made his investigation into the historical Jesus particularly rigorous. His approach wasn't about preaching but about uncovering truth, which appeals to many readers who appreciate a reasoned, evidence-based exploration of faith.

What Makes The Case for Christ Lee Strobels's Work Unique?

Unlike many religious books that rely heavily on theology or doctrine, Strobels's work stands out because of its investigative nature. He treats the life of Jesus not just as a matter of faith but as a subject of historical inquiry. The book systematically examines the evidence for Jesus' existence, miracles, crucifixion, and resurrection through the lens of a courtroom trial.

An Investigative Approach to the Evidence

Strobel interviewed over a dozen experts, including biblical scholars, historians, and legal authorities, asking tough questions such as:

- Is there historical evidence outside the Bible that confirms Jesus' existence?
- Can the resurrection be explained by natural causes or is it a historical fact?
- Are the gospel accounts reliable eyewitness testimonies or later fabrications?

By presenting these interviews, Strobel offers readers a behind-the-scenes look at the evidence and scholarly debates surrounding Christianity.

The Use of Legal and Journalistic Skills

His experience as a legal editor shines through in how he structures the investigation. Each chapter resembles a courtroom cross-examination, focusing on a particular piece of evidence or claim. This framework helps readers follow the logic and weigh the evidence as if they were jurors in a trial, making complex historical and theological concepts more digestible.

Key Themes and Arguments in The Case for Christ

The case for Christ Lee Strobel presents is built around several core themes that address the most common questions skeptics have about Christianity.

Historical Reliability of the New Testament

One significant aspect Strobel investigates is the trustworthiness of the New Testament documents. He explores how early manuscripts were preserved, the proximity of written accounts to the events they describe, and the consistency of the gospel narratives. Through expert testimony, Strobel argues that the gospels are credible historical documents written by eyewitnesses or close associates.

The Resurrection of Jesus

Perhaps the most pivotal claim Strobel examines is the resurrection. He delves into the various theories that attempt to explain away the resurrection and contrasts them with the evidence supporting it. This includes the empty tomb, post-crucifixion appearances, and the transformation of the disciples. Strobel presents the resurrection as the linchpin of Christian faith, arguing that it is best explained as a real historical event.

The Moral and Transformational Impact of Jesus

Beyond historical facts, Strobel also discusses the impact of Jesus on individuals and history. He highlights how Jesus' teachings, life, and resurrection have inspired moral change and personal transformation, which adds a practical dimension to the case beyond mere historical inquiry.

The Impact and Legacy of The Case for Christ

Since its publication, "The Case for Christ" has had a profound impact on Christian apologetics and popular faith discussions. It has sold millions of copies worldwide, been adapted into films, and sparked a series of related works by Strobel addressing other aspects of Christianity such as "The Case for Faith" and "The Case for a Creator."

Empowering Skeptics and Seekers

One of the greatest strengths of Strobel's work is its appeal to skeptics and intellectual seekers. By addressing doubts head-on and providing thoughtful, well-researched answers, the case for Christ Lee Strobel presents encourages open dialogue about faith and reason. Many readers have found their doubts softened or resolved, leading to a renewed or newfound belief.

Educational Use in Churches and Study Groups

The book and its accompanying study guides have become staples in church small groups, youth ministries, and apologetics classes. Its question-answer style and expert interviews make it ideal for group discussion and personal study, helping believers articulate their faith with confidence and providing a roadmap for respectful conversations with non-believers.

Tips for Engaging with The Case for Christ Lee Strobel

If you're considering reading "The Case for Christ" or using it as a resource, here are some helpful tips to get the most out of the experience:

- **Approach with an open mind:** Whether you're a believer or skeptic, try to engage with Strobel's questions and evidence without preconceived biases.
- **Take notes:** The book is dense with information and expert opinions. Jotting down key points or questions can help you reflect and remember important details.
- **Discuss with others:** Sharing insights and doubts with a trusted group can deepen your understanding and provide different perspectives.

- **Supplement your reading:** Dive deeper into the references and experts Strobel cites if you want to explore further, such as works by N.T. Wright, William Lane Craig, or Gary Habermas.

Final Thoughts on the Case for Christ Lee Strobel Presents

The case for Christ Lee Strobel shares is more than just a book; it's an invitation to explore faith thoughtfully and honestly. Whether you are wrestling with doubts, curious about Christianity, or seeking a stronger foundation for your beliefs, Strobel's investigative journey offers a compelling blend of reason, evidence, and personal story.

His work reminds us that faith and reason need not be at odds. Instead, by asking tough questions and seeking honest answers, anyone can embark on their own journey of discovery—just as Lee Strobel did.

Frequently Asked Questions

Case for Christ Lee Strobel: An Investigative Review of the Bestseller's Impact and Scholarship

case for christ lee strobel is a phrase that resonates widely within Christian apologetics and religious literature circles. Lee Strobel's seminal work, **The Case for Christ**, has been influential in shaping the faith journeys of countless readers by presenting a journalistic inquiry into the historical evidence surrounding Jesus Christ. This article undertakes a comprehensive and balanced examination of Strobel's work, analyzing its methodology, reception, and contribution to contemporary Christian discourse, while weaving relevant keywords organically throughout the discussion.

The Genesis of The Case for Christ Lee Strobel

Lee Strobel, a former investigative journalist for the *Chicago Tribune*, approached the question of Christianity's veracity with a professional skepticism grounded in legal and journalistic standards. *The Case for Christ* chronicles Strobel's personal journey from atheism to faith, modeled after a legal inquiry into the claims of Christianity. The book is structured as a series of interviews with experts in theology, history, and biblical scholarship, making it both accessible and methodical.

This approach distinguishes *The Case for Christ Lee Strobel* from other apologetic works by framing Christian belief as a reasoned conclusion rather than a purely faith-based position. The investigative style appeals to readers seeking intellectual rigor, making it a staple in both church study groups and individual exploration.

Methodological Strengths and Critiques

At the core of *The Case for Christ Lee Strobel* is the application of investigative journalism techniques to theological questions. Strobel's background provides a unique vantage point, enabling him to pose pointed, skeptical questions to scholars. This journalistic rigor allows for a narrative that is both engaging and informative.

Use of Expert Testimonies

One of the book's notable features is its reliance on interviews with recognized authorities, including historians like Dr. Craig Blomberg and medical professionals such as Dr. Alexander Metherell. These expert perspectives lend credibility to Strobel's case and help translate complex theological and historical concepts into layman's terms.

However, critics argue that Strobel's selection of experts may reflect confirmation bias. The scholars featured predominantly support the Christian worldview, which some reviewers contend limits the scope of inquiry. Detractors point to a lack of engagement with dissenting voices or critical scholarship that challenges traditional Christian claims.

Historical and Legal Analysis

The book's forensic examination of biblical texts, including the New Testament accounts, employs legal standards of evidence such as eyewitness credibility and corroboration. Strobel's arguments often pivot on the reliability of gospel authorship, the resurrection's historicity, and the fulfillment of Old Testament prophecies.

While compelling to many readers, the legalistic framework has been critiqued by some academics as an oversimplification of complex historical and textual scholarship. The application of courtroom analogies, while effective for storytelling, may not fully capture the nuances of ancient historical investigation.

Impact and Legacy in Christian Apologetics

Since its publication, *The Case for Christ* by Lee Strobel has sold millions of copies worldwide and has been translated into numerous languages. Its popularity underscores a significant cultural demand for apologetic literature that bridges faith and reason.

Educational Use and Influence

Many churches and Christian educational institutions incorporate Strobel's work into curricula designed for seekers or new believers. The book's approachable style makes it a preferred resource for those wrestling with doubts or looking for a rational foundation for Christianity.

Moreover, *The Case for Christ* has spawned related works, including *The Case for Faith* and *The Case for a Creator*, expanding Strobel's apologetic project into a broader investigation of Christian beliefs.

Film Adaptations and Media Presence

The influence of *The Case for Christ* extends beyond print. The 2017 film adaptation brought Strobel's story to a wider audience, dramatizing his investigative journey and emphasizing the emotional and intellectual stakes involved. This multimedia presence has reinforced the book's status as a cultural touchstone within Christian apologetics.

Comparative Perspectives in Apologetic Literature

When placed alongside other apologetic works such as C.S. Lewis's *Mere Christianity* or Josh McDowell's *Evidence That Demands a Verdict*, Strobel's *The Case for Christ* occupies a unique niche. It blends investigative journalism with theological inquiry, whereas Lewis's work is more philosophical and McDowell's is more evidentiary and historical.

- **Approach:** Strobel's journalistic method contrasts with Lewis's philosophical discourse.
- **Audience:** Strobel targets skeptics and seekers looking for factual evidence.
- **Content:** Includes interviews and legal analysis, unlike other apologetic texts.

This differentiation has helped *The Case for Christ* carve out a distinctive place in the market, appealing to readers who value empirical investigation alongside spiritual exploration.

Pros and Cons of The Case for Christ Lee Strobel

Evaluating the book's merits and limitations provides a balanced view for potential readers.

Pros

- **Accessible Writing Style:** Clear and engaging prose that simplifies complex concepts.
- **Structured Investigation:** Logical progression through evidence and expert testimony.
- **Personal Narrative:** Strobel's journey adds emotional resonance and authenticity.
- **Wide Appeal:** Useful for skeptics, believers, and those curious about the historical Jesus.

Cons

- **Potential Bias:** Limited inclusion of critical or opposing scholarly views.
- **Legal Analogy Limitations:** Applying courtroom standards to ancient history can be reductive.
- **Oversimplification:** Some complex theological debates are condensed for readability.

SEO Considerations: Integrating Keywords Naturally

In discussing *The Case for Christ Lee Strobel*, it is important to integrate related keywords such as "Christian apologetics," "historical Jesus," "biblical scholarship," "religious investigation," and "faith and reason" naturally. This approach enhances the article's findability for individuals researching apologetic literature or seeking evidence-based discussions on Christianity.

For instance, phrases like "Lee Strobel's investigative approach to Christian apologetics" or "historical Jesus analysis in The Case for Christ" cater to common search queries. Using variations such as "biblical evidence in The Case for Christ" and "journalistic inquiry into Christianity" also contribute

to SEO without appearing forced.

Final Reflections on the Case for Christ Lee Strobel

The Case for Christ Lee Strobel remains a pivotal work in the landscape of Christian literature. Its blend of investigative journalism and theological inquiry continues to resonate with readers who seek a grounded, reasoned exploration of faith. While critiques regarding its scope and methodology are valid and contribute to ongoing dialogue, the book's enduring popularity testifies to its significant role in contemporary apologetics.

For those exploring the intersection of faith and evidence, Lee Strobel's work offers a compelling starting point, combining personal narrative with scholarly engagement. Its impact on Christian discourse and its role in encouraging critical thinking about religious beliefs are noteworthy elements that sustain its relevance in a diverse and evolving marketplace of ideas.

case for christ lee strobel: The Case for Christ Lee Strobel, 2016-09-06 Is there credible proof that Jesus of Nazareth really is the Son of God? In The Case for Christ, Lee Strobel, former legal editor of the Chicago Tribune and New York Times bestselling author, retraces his own spiritual journey from atheism to faith and builds a captivating case for Christ's divinity. In this revised and updated edition of The Case for Christ, Strobel cross-examines a dozen experts with doctorates from schools such as Cambridge, Princeton, and Brandeis, asking hard-hitting questions--and taking a deeper look at the evidence from the fields of science, philosophy, and history. In his comprehensive investigation, Strobel doesn't shy away from challenging questions, including: How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is Jesus who he said he was? Is there any reason to believe the resurrection was an actual event? What does all of the evidence point to--and what does it mean today? Winner of the Gold Medallion Book Award and twice nominated for the Christian Book of the Year Award, The Case for Christ has been adapted into a major motion picture and has now sold over 5 million copies worldwide. This edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries, fresh recommendations for further study, and an interview with the author that tells dramatic stories about the book's impact, provides behind-the-scenes information, and responds to critiques of the book by skeptics. Strobel's thorough examination reads like a captivating, fast-paced novel. But it's not fiction: it's a riveting quest for the truth about history's most compelling figure. Discover The Case for Christ today. Praise for The Case for Christ: Nobody knows how to sift truth from fiction like an experienced investigative reporter, or to argue a case like someone trained at Yale Law School. Lee Strobel brings both qualifications to this remarkable book. In addition to his own tremendous testimony as atheist-turned-Christian, the author marshals

the irrefutable depositions of recognized expert witnesses to build his ironclad case for Jesus Christ. The Case for Christ sets a new standard among existing contemporary apologetics. --D. James Kennedy, PhD, senior minister, Coral Ridge Presbyterian Church

case for christ lee strobels: Case for Christ Student Ed Padded Lee Strobel, 2002-02-05 Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

case for christ lee strobels: The Case for Faith Bible Study Guide Revised Edition Lee Strobel, Garry D. Poole, 2013-12-23 Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians alike. But he believes that faith and reason go hand in hand, and that Christianity is, in rational terms, a defensible religion. In this six-session video Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to

faith in Christ, including: The natural inclination to wrestle with faith and doubt. The troubling presence of evil and suffering in the world. The exclusivity of the Christian gospel. Behind each of these considerations is the question: Can I doubt and still be a Christian? Through compelling personal stories and expert testimony--combined with discussion and personal reflection cues facilitated by contributor Garry Poole--Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God? The Power of Faith Designed for use with The Case for Faith Revised Video Study 9780310698814 (sold separately).

case for christ lee strobel: The Case for Faith Lee Strobel, Jane Vogel, 2002 Designed especially for teenagers, this student edition of a bestseller is a journalist's thought-provoking, fun-to-read investigation of Christianity. Charts, quotes & illustrations.

case for christ lee strobel: Case for Faith MM 6 Pack Lee Strobel, 2000-11-01

case for christ lee strobel: The Case for Faith Lee Strobel, 2021-12-14 This timeless, compelling, and thought-provoking book on the Christian faith, now updated, includes two all-new chapters, a current list of recommended resources for further study, and a new discussion guide. In The Case for Faith, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight heart barriers to faith: Since evil and suffering exist, a loving God cannot Since miracles contradict science, they cannot be true Evolution explains life, so God isn't needed God isn't worthy of worship if he kills innocent children It's offensive to claim Jesus is the only way to God A loving God would

never torture people in hell Church history is littered with oppression and violence I still have doubts, so I can't be a Christian This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: The Case for Faith Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of Case for... books: The Case for Christ investigates the historical evidence for Jesus The Case for a Creator explores the scientific evidence for God The Case for Grace uncovers the how and why behind God's amazing grace . . . and more!

case for christ lee strobel: The Case for Christ Lee Strobel, Garry Poole, 2009-01-11 Former skeptic Strobel brings his tough-minded and engaging approach in this work perfect for group or individual study. Based on the book The Case for Faith, this six-session workbook addresses the most common obstacles to faith in Christ.

case for christ lee strobel: The Case for Easter Lee Strobel, 2009-12-15 Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus's death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus's body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting, journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

case for christ lee strobel: The Case for Christ Answer Booklet Lee Strobel, 2017-04-04 Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in God's Not Dead 2, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing Case for Christianity Answer Book into a booklet-sized product that will help lift the visibility of several projects: the parent book (the Answer Book), the newly recovered Case for Christ that will release in tandem with the movie, as well as promoting the movie itself.

case for christ lee strobel: The Case for Christ Study Guide Revised Edition Lee Strobel, Garry D. Poole, 2013-11-25 Is there credible evidence that Jesus of Nazareth really is the Son of God? Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for truth about Jesus led him to faith in Christ. Now Strobel invites you and your group to investigate the truth about Jesus Christ leading to the facts that guided Strobel from atheism to faith in Christ. In this revised six-session study (DVD/digital video sold separately), participants will journey along with Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh compelling expert testimony. In the end, groups may very well see Jesus in a new way--and even, like Strobel, find their life transformed. Pastors, small group leaders, and individuals will find compelling answers for their questions about Jesus in The Case for Christ Study Guide. Sessions include: The Investigation of a Lifetime Eyewitness Evidence Evidence Outside the Bible Analyzing Jesus Evidence for the Resurrection Reaching Your Verdict Designed for use with The Case for Christ Video Study 9780310698517 (sold separately).

case for christ lee strobel: The Case for Faith Student Edition Lee Strobel, 2010-02-23 Prepare yourself for an eye-opening, no-punches-pulled investigation into eight of the toughest

objections to Christianity. The answers will prove whether or not Jesus is who he says he is and if heaven is for real, leading you to a life-changing decision in your current case for or against Christianity. Like you, as a student, Lee Strobel asked the same tough questions you face about God, about Jesus, about science, and about Christianity. Why is there suffering? Doesn't science disprove miracles? What about hell—and the millions who've never heard of Jesus? Is heaven for real? Is God unjust? So what convinced Lee Strobel—an atheist investigative journalist turned faith-filled Christian—that Jesus is real? Join Lee in this fascinating journey of discovery. If you're an atheist or just aren't sure about Jesus, these stories will turn your whole world upside down. If you're already a Christian, you'll gain powerful insights that will reshape your understanding of the Bible and affect your life of faith like never before.

case for christ lee strobel: The Case for Christ Lee Strobel, 2017-02-28 Is there credible evidence that Jesus of Nazareth is really the Son of God? This new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries.

case for christ lee strobel: The Case for a Creator Lee Strobel, 2009-05-18 Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. My road to atheism was paved by science . . . but, ironically, so was my later journey to God, Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in *The Case for a Creator*. Also available: *The Case for a Creator* small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

case for christ lee strobel: The Case for Faith Lee Strobel, 2000 Finds the author investigating the nettlesome issues and doubts of the heart that threaten faith. Eight major topics are addressed including doubt, the problem of pain, and the existence of evil.--Publisher's website.

case for christ lee strobel: Case for Christ/Case for Faith Compilation Lee Strobel, 2010-02-23 Was God telling the truth when he said, You will seek me and find me when you seek me with all your heart? In his #1 bestseller *The Case for Christ*, Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. In *The Case for Faith*, Strobel turns his skills to the most persistent emotional objections to belief--the eight heart barriers to faith. This Gold Medallion-winning book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends. Everyone--seekers, doubters, fervent believers--benefits when Lee Strobel hits the road in search of answers, as he does again in *The Case for Faith*. In the course of his probing interviews, some of the toughest intellectual obstacles to faith fall away. - Luis Palau Lee Strobel has given believers and skeptics alike a gift in this book. He does not avoid seeking the most difficult questions imaginable, and refuses to provide simplistic answers that do more harm than good. - Jerry Sittser, professor of religion, Whitworth College, and author of *A Grace Disguised* and *The Will of God as a Way of Life*

case for christ lee strobel: The Case for the Real Jesus Lee Strobel, 2009-05-18 Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshipped through the centuries? In *The Case for the Real Jesus*, former award-winning legal editor Lee Strobel explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort

the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations finally disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict in *The Case for the Real Jesus*.

case for christ lee strobil: Truth and Consequences Ralph E. Carlson, 2015-08-07 Have you ever asked the question, does God exist? Have you ever wondered about the source of life on earth and in particular, human life? Creationism, intelligent design, and evolution are three approaches to answering these questions. While evolutionists are adamant that their claim has been proven to be a scientific fact, it turns out that their so-called proof uses an invalid logical argument. Hence, at this point in time, evolution is merely a conjecture and not a scientific fact. Instead of attempting to answer these questions through inductive arguments, *Truth and Consequences* offers a different logical approach that restates the questions as propositions. A proposition is a statement that is either true or false. Then the consequences of their respective truth values can be analyzed. The first proposition is: an Infinite Intelligent Entity (IIE) exists. If that proposition is true, it leads to a second proposition: the IIE created life on Earth, and in particular, human life. If both propositions are true, it leads to a third proposition: there is life after death. If any of these propositions are false, the bottom line is that it leads to a dead end. Ultimately, if these foundational propositions are true, it leads to a fourth proposition: Jesus lived some two-thousand years ago. By continuing to build on these propositions and follow their conclusions, we can better discuss not only the existence of God as such but also contemporary issues like modern-day threats to Christianity in America.
