Walkabout by James Vance Marshall: An Exploration of Survival and Cultural Encounter

walkabout by james vance marshall is a captivating novel that has intrigued readers for decades with its unique blend of adventure, survival, and cultural exploration. This book, first published in 1959, tells the story of two children stranded in the Australian Outback and their unexpected journey alongside an Aboriginal boy on his traditional walkabout. It's a tale that not only thrills with its survival elements but also provides profound insights into Indigenous Australian culture and the natural world.

The novel's enduring appeal lies in its vivid storytelling and the way it bridges cultural gaps, making it a compelling read for both young adults and mature audiences interested in adventure literature and cross-cultural understanding. Let's dive deeper into what makes walkabout by james vance marshall a timeless classic.

The Storyline of Walkabout by James Vance Marshall

At its core, walkabout by james vance marshall centers around two siblings—Peter and his younger sister, Mary—who find themselves lost in the harsh Australian Outback after a plane crash. Their survival depends on their ability to navigate the vast, unforgiving wilderness. Their lives change dramatically when they meet an Aboriginal boy who is on his walkabout, a traditional rite of passage that involves a solitary journey through the land.

The Journey of Survival

The narrative beautifully captures the tension and uncertainty of survival in the wild. Peter and Mary, initially helpless and out of place in the desert environment, gradually learn from the Aboriginal boy's deep understanding of nature. The boy's knowledge of the terrain, food sources, and water locations becomes crucial to their survival. This aspect of the story highlights the importance of Indigenous knowledge systems and their harmony with nature.

The Cultural Encounter

One of the most striking features of the novel is the cultural exchange between the white children and the Aboriginal boy. The walkabout itself is a spiritual and cultural journey for the boy, symbolizing his transition into manhood. For Peter and Mary, this encounter opens their eyes to a world vastly different from their own urban upbringing.

The novel subtly addresses themes of misunderstanding and respect between cultures. While the children initially see the boy's ways as strange or mysterious, they gradually come to appreciate his connection to the land and his people's traditions. This mutual learning process enriches the narrative and adds depth to the adventure story.

Understanding the Significance of Walkabout in Aboriginal Culture

To fully appreciate walkabout by James Vance Marshall, it's essential to understand what a "walkabout" means in Indigenous Australian culture. The term refers to a rite of passage where young Aboriginal males embark on a solitary journey through the wilderness, often lasting several months, to connect with their ancestral land and spiritual heritage.

Walkabout as a Rite of Passage

The walkabout is not just a physical journey but a deeply spiritual one. It is a time for self-discovery, learning survival skills, and understanding cultural laws passed down through generations. The novel introduces readers to this concept through the Aboriginal boy's experiences, allowing them to glimpse the significance of this tradition.

Respect for the Land

Walkabout emphasizes a harmonious relationship with nature, contrasting with the often utilitarian or exploitative ways Western societies interact with the environment. The Aboriginal boy's ability to find water, food, and shelter without modern tools underscores this respectful and intuitive bond with the land.

This perspective enriches the novel's theme, providing readers with a broader understanding of Indigenous worldviews, which is particularly valuable in today's context of environmental awareness and cultural preservation.

The Impact and Legacy of Walkabout by James Vance Marshall

Since its publication, walkabout by James Vance Marshall has left a lasting mark on both literature and popular culture. The novel was adapted into a film in 1971, which helped bring the story to a wider audience and sparked discussions about representation and cultural sensitivity.

Influence on Adventure and Survival Literature

Walkabout has inspired numerous writers and readers interested in stories of survival and human resilience. Its realistic portrayal of the Outback and the detailed depiction of survival techniques—such as sourcing food and water—add authenticity to the narrative. This has made it a frequently recommended read in educational settings to teach about survival skills and Australian geography.

Representation of Indigenous Australians

While the novel introduces readers to Aboriginal culture in a positive light, it also invites reflection on how Indigenous peoples have been portrayed in literature historically. Some critics point out that the story, written by a non-Indigenous author, reflects certain stereotypes or simplifications. Nonetheless, the book opened doors for more nuanced discussions about Indigenous representation in media.

Tips for Readers Exploring Walkabout by James Vance Marshall

If you're planning to read walkabout by james vance marshall, here are a few tips to enhance your experience:

- **Research Aboriginal Culture:** Understanding the cultural context of the walkabout helps deepen appreciation of the story's themes and characters.
- **Explore Australian Geography:** Familiarize yourself with the Australian Outback's environment to better visualize the challenges faced by the characters.
- **Reflect on Survival Themes:** Consider the survival strategies described in the book and how they relate to human adaptability and resilience.
- **Engage with Adaptations:** Watching the 1971 film adaptation can offer a different perspective, but it's valuable to compare it with the novel for a fuller understanding.

Why Walkabout by James Vance Marshall Continues to Resonate

What makes walkabout by james vance marshall stand out even after more than six decades is its timeless exploration of human connection—to nature, culture, and each other. The novel's blend of adventure and cultural insight invites readers to step outside their comfort zones and see the world through different eyes.

It's a story that encourages empathy and respect—qualities that remain essential today. Whether you're drawn to tales of survival, interested in Indigenous cultures, or simply love a well-told adventure, this book offers a rich and rewarding experience.

Walkabout by james vance marshall reminds us that sometimes, the most profound journeys are the ones that take us back to the basics: the land beneath our feet and the stories that shape our identity.

Frequently Asked Questions

What is the central theme of 'Walkabout' by James Vance Marshall?

The central theme of 'Walkabout' is survival and the clash of cultures, as it follows two stranded children learning to survive in the Australian outback with the help of an Indigenous boy on his walkabout.

Who are the main characters in 'Walkabout' by James Vance Marshall?

The main characters are a white Australian boy and girl who become stranded in the outback, and an Aboriginal boy who helps them survive during his traditional walkabout journey.

How does 'Walkabout' portray Indigenous Australian culture?

The novel portrays Indigenous Australian culture through the Aboriginal boy's walkabout, emphasizing traditional rites of passage, a deep connection to the land, and survival skills passed down through generations.

What challenges do the children face in 'Walkabout'?

The children face numerous challenges including finding food and water, navigating the harsh Australian wilderness, dealing with injuries, and overcoming cultural barriers with the Aboriginal boy who assists them.

Why is 'Walkabout' by James Vance Marshall considered a classic adventure novel?

'Walkabout' is considered a classic adventure novel because of its compelling story of survival against the odds, its exploration of cultural differences, and its vivid depiction of the Australian landscape, which captivates readers of all ages.

Additional Resources

Walkabout by James Vance Marshall: An Analytical Review of the Novel's Themes and Impact

walkabout by james vance marshall is a novel that has intrigued readers and critics alike since its publication. Known for its vivid portrayal of survival and cultural encounter, the book offers a unique perspective on the Australian outback through the eyes of two children stranded in the wilderness. This article provides a comprehensive, analytical, and SEO-optimized review of Walkabout by James Vance Marshall, focusing on its core themes, narrative style, character development, and cultural significance.

Exploring the Core Narrative of Walkabout by James Vance Marshall

Walkabout centers on two siblings — a brother and sister — who find themselves lost in the vast Australian outback after a plane crash. Their survival journey is unexpectedly aided by an Aboriginal boy on his “walkabout,” a traditional rite of passage. This encounter sets the stage for a deeper exploration of themes such as nature versus civilization, cultural differences, and the resilience of youth.

The novel’s narrative is distinguished by its minimalistic prose and strong emphasis on the environment. James Vance Marshall’s writing captures the harsh beauty of the landscape, making it almost a character in its own right. This emphasis on setting helps readers understand the magnitude of the children’s predicament and the significance of the Aboriginal boy’s knowledge and skills.

Thematic Depth: Survival and Cultural Exchange

One of the most compelling aspects of Walkabout by James Vance Marshall is its nuanced portrayal of survival. The siblings’ struggle is not simply physical but also psychological, highlighting human vulnerability when stripped of societal comforts. The Aboriginal boy’s role introduces readers to indigenous knowledge systems, emphasizing harmony with nature rather than domination over it.

This cultural exchange is a vital element that elevates the novel beyond a mere survival story. It subtly critiques Western notions of civilization by contrasting them with Aboriginal traditions. The “walkabout” itself symbolizes a rite of passage that connects individuals to their ancestral land, underscoring themes of identity and belonging.

Characterization and Perspective

Walkabout’s characters are crafted with a deliberate economy that encourages readers to infer motivation and emotion from sparse dialogue and action. The siblings represent modern Western innocence and vulnerability, while the Aboriginal boy embodies a deep connection to nature and tradition.

James Vance Marshall’s choice to tell the story largely through the children’s eyes allows for a fresh perspective on cultural differences without overt moralizing. This narrative technique invites readers to experience both awe and confusion, mirroring the children’s own responses to the unfamiliar environment and customs.

Literary Style and Narrative Techniques

Walkabout by James Vance Marshall employs a straightforward, almost documentary style that enhances the realism of the story. The simplicity of the language contrasts with the complexity of the themes addressed, creating a balance that appeals to a broad readership including young adults and

literary scholars.

The novel's structure supports its thematic concerns by juxtaposing scenes of danger and discovery, isolation and companionship. This rhythm reflects the unpredictability of life in the outback and the tenuous nature of survival. The use of limited third-person perspective focuses on the children's experiences, ensuring an intimate connection between the reader and the protagonists.

Symbolism and Imagery

Symbolism in *Walkabout* is subtle but powerful. The Australian wilderness itself is the dominant symbol, representing both threat and sanctuary. The "walkabout" ritual serves as a metaphor for transition and self-discovery, resonating beyond the specific cultural context.

Imagery related to water, fire, and animals recurs throughout the novel, reinforcing themes of life, danger, and adaptation. For instance, water sources become focal points of hope and survival, while fire symbolizes both destruction and human mastery over nature.

Comparative Context and Literary Impact

Walkabout by James Vance Marshall can be situated within a broader tradition of survival literature and cross-cultural encounters. Comparisons with works such as *Lord of the Flies* by William Golding or *Hatchet* by Gary Paulsen reveal shared motifs of youth in adversity but differ in cultural framing and resolution.

Unlike *Lord of the Flies*, which explores the descent into savagery, *Walkabout* presents a more harmonious interaction with nature, influenced by indigenous perspectives. This distinction has contributed to its continued relevance in discussions about cultural representation and environmental awareness.

The novel's adaptation into a 1971 film further increased its visibility and sparked debate about authenticity and interpretation. While the film took creative liberties, the book remains the definitive source for understanding James Vance Marshall's original message.

Pros and Cons of *Walkabout* as a Literary Work

- **Pros:** Engaging survival narrative, insightful cultural exploration, vivid environmental descriptions, accessible language.
- **Cons:** Some critics argue the characterization is sparse, and cultural portrayals may seem dated or simplistic by modern standards.

Despite these critiques, *Walkabout* by James Vance Marshall remains an important work for its

pioneering role in introducing indigenous Australian culture to a global audience through fiction.

Enduring Relevance in Contemporary Literature

In today's context, *Walkabout* resonates with themes of environmental stewardship and cultural sensitivity, making it a valuable text for educational settings. The novel encourages readers to reflect on humanity's relationship with nature and the importance of respecting diverse cultural practices.

Moreover, the story's focus on young protagonists navigating unknown challenges offers timeless appeal. It invites ongoing discussion about resilience, identity, and intercultural understanding, all of which remain pertinent in an increasingly globalized world.

As literary tastes evolve, *Walkabout* by James Vance Marshall continues to be studied and appreciated for its unique blend of adventure and anthropological insight. Its legacy endures not only in literature but also in conversations about cultural representation and the preservation of indigenous knowledge.

In sum, *Walkabout* by James Vance Marshall transcends its survival story framework to offer a profound meditation on cultural encounter, nature, and coming of age. Through its restrained yet evocative storytelling, the novel invites readers to embark on a journey of discovery that extends beyond the Australian wilderness.

walkabout by james vance marshall: Easy Mini-Lessons for Building Vocabulary Laura Robb, 1999 Vocabulary-building exercises for grades 4 through 8.

walkabout by james vance marshall: Kino der Unordnung Keyvan Sarkhosh, 2014-10-15 Nicolas Roeg, der für Filme wie »Don't Look Now«, »Walkabout« und »The Man Who Fell to Earth« bekannt ist, war nie ein Regisseur, mit dem sich das Publikum und die Kritiker leicht getan haben. Dies ist mindestens so sehr dem Inhalt seiner Filme geschuldet wie ihrer Erzählweise, die sich dem Prinzip der Unordnung verschrieben hat. Keyvan Sarkhosh zeigt: In impliziter Auseinandersetzung mit und dezidiert Abgrenzung von den Traditionen des klassischen Hollywood-Kinos setzen Roegs Filme an die Stelle eines auf linearen Erzählkonventionen basierenden Realismus ein vielschichtiges und verzweigtes Netz, in dem sich Raum und Zeit verbinden und verdichten.

walkabout by james vance marshall: The Outback Within Mark Byrne, 2016-09-23 What is it about the Australian outback? For nearly two centuries, narratives of outback journeys have been suffused with the aura of death. Why? It is not just that the desert is big, dry, hot and apparently empty. The outback is Australia's "mythological crucible," and journeys there have become rites of passage. It is where settler Australians go to die and perhaps be reborn. This book explores the landscape of this evolving national mythology. It argues that a more conscious engagement with the process of symbolic death and rebirth is needed for Australians to enter into a deeper understanding of themselves and their relationship to the land and its Indigenous people.

walkabout by james vance marshall: The Country of Lost Children Peter Pierce, 1999-06-07 This book traces the figure of the lost child in Australia's history and imagination.

walkabout by james vance marshall: The Corner That Held Them Sylvia Townsend Warner, 2019-09-10 A unique novel about life in a 14th-century convent by one of England's most original authors. Sylvia Townsend Warner's *The Corner That Held Them* is a historical novel like no other, one that immerses the reader in the dailiness of history, rather than history as the given sequence of events that, in time, it comes to seem. Time ebbs and flows and characters come and go in this novel, set in the era of the Black Death, about a Benedictine convent of no great note. The nuns do their chores, and seek to maintain and improve the fabric of their house and chapel, and struggle with each other and with themselves. The book that emerges is a picture of a world run by women but also a story—stirring, disturbing, witty, utterly entrancing—of a community. What is the life of a community and how does it support, or constrain, a real humanity? How do we live through it and it through us? These are among the deep questions that lie behind this rare triumph of the novelist's art.

walkabout by james vance marshall: Kilometer 101 Maxim Osipov, 2022-10-11 A new collection of short fiction and nonfiction by a Russian master of bittersweet humor, dramatic irony, and poignant insights into contemporary life. The town of Tarusa lies 101 kilometers outside Moscow, far enough to have served, under Soviet rule, as a place where former political prisoners and other "undesirables" could legally settle. Lying between the center of power and the provinces, between the modern urban capital and the countryside, Tarusa is the perfect place from which to observe a Russia that, in Maxim Osipov's words, "changes a lot [in the course of a decade], but in two centuries—not at all." The stories and essays in this volume—a follow-up to his debut in English, *Rock, Paper, Scissors*—tackle major questions of modern life in and beyond Russia with Osipov's trademark blend of daring and subtlety. Deceit, political pressure, ethnic discrimination, the urge to emigrate, and the fear of abandoning one's home, as well as myriad generational debts and conflicts, are as complexly woven through these pieces as they are through the lives of Osipov's fellow

Russians and through our own. What binds the prose in this volume is not only a set of concerns, however, but also Osipov's penetrating insights and fearless realism. "Dreams fall away, one after another," he writes in the opening essay, "some because they come true, but most because they prove pointless." Yet, as he reminds us in the final essay, when viewed from ground level, "life tends not towards depletion, towards zero, but, on the contrary, towards repletion, fullness."

walkabout by james vance marshall: The Rest Is Silence Augusto Monterroso, 2024-12-10 The lone novel by a Latin American author of very short fiction (praised as "the most beautiful stories in the world" by Italo Calvino)—an antic, metafictional send-up of the Mexican literary scene told through the unreliable recollections of an aging critic's friends, relatives, and attendants. The one and only novel by the renowned Guatemalan writer Augusto Monterroso—Latin America's most expansive miniaturist, whose tiny, acid, and bracingly surreal narratives Italo Calvino dubbed "the most beautiful stories in the world"—The Rest Is Silence presents the reader with the kaleidoscopic portrait of a provincial Mexican literary critic, one Eduardo Torres, a sort of Don Quixote of the Sunday supplements, whose colossal misreadings are matched only by the scale of his vanity. Presented in the form of a festschrift for the aging writer, this rollicking metafiction offers up a bouquet of highly unreliable reminiscences by Torres's friends, relations, and servants (their accounts skewed by envy, ignorance, and sheer malice), along with a generous selection of the savant's own comically botched attempts at "criticism." Monterroso's narrative is a ludicrous dissection of literary self-conceit, a (Groucho) Marxian skewering of the Mexican literary landscape, and perhaps a wry self-portrait by an author who is profoundly sensible of just how high the stakes of the art of criticism really are—and, consequently, of just how far it has to fall.

walkabout by james vance marshall: Last Words from Montmartre Qiu Miaojin, 2014-06-03 An NYRB Classics Original When the pioneering Taiwanese novelist Qiu Miaojin committed suicide in 1995 at age twenty-six, she left behind her unpublished masterpiece, Last Words from Montmartre. Unfolding through a series of letters written by an unnamed narrator, Last Words tells the story of a passionate relationship between two young women—their sexual awakening, their gradual breakup, and the devastating aftermath of their broken love. In a style that veers between extremes, from self-deprecation to pathos, compulsive repetition to rhapsodic musings, reticence to vulnerability, Qiu's genre-bending novel is at once a psychological thriller, a sublime romance, and the author's own suicide note. The letters (which, Qiu tells us, can be read in any order) leap between Paris, Taipei, and Tokyo. They display wrenching insights into what it means to live between cultures, languages, and genders—until the genderless character Zoë appears, and the narrator's spiritual and physical identity is transformed. As powerfully raw and transcendent as Mishima's Confessions of a Mask, Goethe's The Sorrows of Young Werther, and Theresa Cha's Dictée, to name but a few, Last Words from Montmartre proves Qiu Miaojin to be one of the finest experimentalists and modernist Chinese-language writers of our generation.

walkabout by james vance marshall: Notes of a Crocodile Qiu Miaojin, 2017-05-02 WINNER OF THE 2018 LUCIEN STRYK ASIAN TRANSLATION PRIZE The English-language premiere of Qiu Miaojin's coming-of-age novel about queer teenagers in Taiwan, a cult classic in China and winner of the 1995 China Times Literature Award. An NYRB Classics Original Set in the post-martial-law era of late-1980s Taipei, Notes of a Crocodile is a coming-of-age story of queer misfits discovering love, friendship, and artistic affinity while hardly studying at Taiwan's most prestigious university. Told through the eyes of an anonymous lesbian narrator nicknamed Lazi, this cult classic is a postmodern pastiche of diaries, vignettes, mash notes, aphorisms, exegesis, and satire by an incisive prose stylist and major countercultural figure. Afflicted by her fatalistic attraction to Shui Ling, an older woman, Lazi turns for support to a circle of friends that includes a rich kid turned criminal and his troubled, self-destructive gay lover, as well as a bored, mischievous overachiever and her alluring slacker artist girlfriend. Illustrating a process of liberation from the strictures of gender through radical self-inquiry, Notes of a Crocodile is a poignant masterpiece of social defiance by a singular voice in contemporary Chinese literature.

walkabout by james vance marshall: Agostino Alberto Moravia, 2014-07-08 Thirteen-year-old

Agostino is spending the summer at a Tuscan seaside resort with his beautiful widowed mother. When she takes up with a cocksure new companion, Agostino, feeling ignored and unloved, begins hanging around with a group of local young toughs. Though repelled by their squalor and brutality, and repeatedly humiliated for his weakness and ignorance when it comes to women and sex, the boy is increasingly, masochistically drawn to the gang and its rough games. He finds himself unable to make sense of his troubled feelings. Hoping to be full of manly calm, he is instead beset by guilty curiosity and an urgent desire to sever, at any cost, the thread of troubled sensuality that binds him to his mother. Alberto Moravia's classic, startling portrait of innocence lost was written in 1942 but rejected by Fascist censors and not published until 1944, when it became a best seller and secured the author the first literary prize of his career. Revived here in a new translation by Michael F. Moore, *Agostino* is poised to captivate a twenty-first-century audience.

walkabout by james vance marshall: Charisma and Disenchantment: The Vocation Lectures Max Weber, 2020-02-04 A new translation of two celebrated lectures on politics, academia, and the disenchantment of the world. The German sociologist Max Weber is one of the most venturesome, stimulating, and influential theorists of the modern condition. Among his most significant works are the so-called vocation lectures, published shortly after the end of World War I and delivered at the invitation of a group of student activists. The question the students asked Weber to address was simple and haunting: In a modern world characterized by the division of labor, economic expansion, and unrelenting change, was it still possible to consider an academic or political career as a genuine calling? In response Weber offered his famous diagnosis of "the disenchantment of the world," along with a challenging account of the place of morality in the classroom and in research. In his second lecture he introduced the notion of political charisma, assigning it a central role in the modern state, even as he recognized that politics is more than anything "a slow and difficult drilling of holes into hard boards." Damion Searls's new translation brings out the power and nuance of these celebrated lectures. Paul Reitter and Chad Wellmon's introduction describes their historical and biographical background, reception, and influence. Weber's effort to rethink the idea of a public calling at the start of the tumultuous twentieth century is revealed to be as timely and stirring as ever.

walkabout by james vance marshall: Sticking It to the Man Iain McIntyre, Andrew Nette, 2019-11-15 From civil rights and Black Power to the New Left and gay liberation, the 1960s and 1970s saw a host of movements shake the status quo. The impact of feminism, anticolonial struggles, wildcat industrial strikes, and antiwar agitation were all felt globally. With social strictures and political structures challenged at every level, pulp and popular fiction could hardly remain unaffected. Feminist, gay, lesbian, Black and other previously marginalised authors broke into crime, thrillers, erotica, and other paperback genres previously dominated by conservative, straight, white males. For their part, pulp hacks struck back with bizarre takes on the revolutionary times, creating fiction that echoed the Nixonian backlash and the coming conservatism of Thatcherism and Reaganism. *Sticking It to the Man* tracks the ways in which the changing politics and culture of the 1950s, '60s, and '70s were reflected in pulp and popular fiction in the United States, the UK, and Australia. Featuring more than three hundred full-color covers, the book includes in-depth author interviews, illustrated biographies, articles, and reviews from more than two dozen popular culture critics and scholars. Among the works explored, celebrated, and analysed are books by street-level hustlers turned best-selling black writers Iceberg Slim, Nathan Heard, and Donald Goines; crime heavyweights Chester Himes, Ernest Tidyman and Brian Garfield; Yippies Anita Hoffman and Ed Sanders; best-selling authors such as Alice Walker, Patricia Nell Warren, and Rita Mae Brown; and myriad lesser-known novelists ripe for rediscovery. Contributors include: Gary Phillips, Woody Haut, Emory Holmes II, Michael Bronski, David Whish-Wilson, Susie Thomas, Bill Osgerby, Kinohi Nishikawa, Jenny Pausacker, Linda S. Watts, Scott Adlerberg, Maitland McDonagh, Devin McKinney, Andrew Nette, Danae Bosler, Michael A. Gonzales, Iain McIntyre, Nicolas Tredell, Brian Coffey, Molly Grattan, Brian Greene, Eric Beaumont, Bill Mohr, J. Kingston Pierce, Steve Aldous, David James Foster, and Alley Hector.

walkabout by james vance marshall: Aboriginal and Torres Strait Islander Education Kaye Price, 2015-07-03 The second edition of Aboriginal and Torres Strait Islander Education: An Introduction for the Teaching Profession prepares students for the unique environment they will face when teaching Aboriginal and Torres Strait Islander students at early childhood, primary and secondary levels. This book enables future teachers to understand Aboriginal and Torres Strait Islander education within a social, cultural and historical context and uses compelling stories and practical strategies to empower both student and teacher. Updated with the Australian Curriculum in mind, this is a unique textbook written by highly regarded Aboriginal and Torres Strait Islander academics. Each chapter opens with a powerful anecdote from the author, connecting the classroom to real-world issues. This updated edition has also been expanded to include information on fostering the unique talents of Aboriginal and Torres Strait Islander children and young people and allows the reader to reflect on classroom practices throughout.

walkabout by james vance marshall: Augustus John Williams, 2014-08-19 WINNER OF THE 1973 NATIONAL BOOK AWARD By the Author of Stoner In Augustus, his third great novel, John Williams took on an entirely new challenge, a historical narrative set in classical Rome, exploring the life of the founder of the Roman Empire. To tell the story, Williams turned to the epistolary novel, a genre that was new to him, transforming and transcending it just as he did the western in Butcher's Crossing and the campus novel in Stoner. Augustus is the final triumph of a writer who has come to be recognized around the world as an American master.

walkabout by james vance marshall: The Dead Girls' Class Trip Anna Seghers, 2021-06-15 A new translation of the best and most provocative short stories by the author of Transit and The Seventh Cross. Best known for the anti-fascist novel The Seventh Cross and the existential thriller Transit, Anna Seghers was also a gifted writer of short fiction. The stories she wrote throughout her life reflect her political activism as well as her deep engagement with myth; they are also some of her most formally experimental work. This selection of Seghers's best stories, written between 1925 and 1965, displays the range of her creativity over the years. It includes her most famous short fiction, such as the autobiographical "The Dead Girls' Class Trip," and others, like "Jans Is Going to Die," that have been translated into English here for the first time. There are psychologically penetrating stories about young men corrupted by desperation and women bound by circumstance, as well as enigmatic tales of bewilderment and enchantment based on myths and legends, like "The Best Tales of Woynok, the Thief," "The Three Trees," and "Tales of Artemis." In her stories, Seghers used the German language in especially unconventional and challenging ways, and Margot Bettauer Dembo's sensitive and skilled translation preserves this distinction.
