Capitalization and Punctuation Worksheet: Enhancing Writing Skills with Practical Exercises

capitalization and punctuation worksheet activities are essential tools for learners aiming to master the fundamentals of writing. Whether you are a teacher crafting lesson plans, a parent helping a child practice at home, or a student looking to improve your grammar skills, these worksheets provide structured and interactive ways to reinforce the correct use of capital letters and punctuation marks. Understanding how to properly capitalize words and use punctuation not only clarifies meaning but also elevates the overall quality of writing.

In this article, we will explore the importance of capitalization and punctuation worksheets, how they benefit learners, and tips on making the most out of these resources. We will also delve into common challenges learners face with capitalization and punctuation and suggest strategies to overcome them. By the end, you'll have a clear picture of why these worksheets are invaluable in developing strong writing skills.

The Role of Capitalization and Punctuation Worksheets in Learning

Capitalization and punctuation worksheets serve as practical tools for reinforcing language rules that often confuse learners. While reading and writing require a grasp of spelling and vocabulary, the nuances of grammar—such as when to capitalize and how to punctuate—can be tricky without guided practice.

Why Focus on Capitalization?

Capitalization rules cover a variety of aspects, including:

- Beginning sentences
- Proper nouns (names of people, places, organizations)
- Titles and headings
- Days, months, and holidays
- Pronoun “I”

A capitalization and punctuation worksheet often targets these areas, helping learners recognize patterns and apply them correctly. For example, many students struggle to remember that “march” is lowercase when referring to the action but capitalized when it’s the month. Worksheets provide repeated exposure to such distinctions, reinforcing correct usage through exercises.

Understanding Punctuation Through Worksheets

Punctuation marks are the traffic signals of writing—they guide readers through sentences, clarify meaning, and convey tone. Worksheets focusing on punctuation typically cover:

- Periods, question marks, and exclamation points

- Commas in lists, compound sentences, and introductory phrases
- Apostrophes for possession and contractions
- Quotation marks for dialogue and titles
- Colons and semicolons for complex lists and clauses

By working through punctuation exercises, learners develop an intuitive understanding of how to structure sentences, avoid run-ons, and create clarity. This practical approach complements theoretical grammar lessons by allowing hands-on practice.

How to Effectively Use a Capitalization and Punctuation Worksheet

Simply handing over a worksheet is rarely enough to ensure mastery. The way learners engage with these tools makes all the difference. Here are some tips for maximizing the benefits of capitalization and punctuation worksheets.

Incorporate Contextual Learning

Worksheets that include sentences or short paragraphs rather than isolated words help learners see capitalization and punctuation in context. This approach links abstract rules to real-world usage. For instance, instead of just capitalizing a list of names, a worksheet might ask students to correct sentences like:

“my friend sarah and i went to new york in july.”

Such exercises encourage learners to think critically about the different rules in play simultaneously.

Encourage Self-Editing and Peer Review

After completing a worksheet, students should be encouraged to review their own work and, if possible, exchange papers with peers for feedback. This not only reinforces learning but also builds skills in editing and collaboration. Spotting errors in others’ writing can sharpen one’s own understanding of capitalization and punctuation rules.

Use a Variety of Worksheet Formats

Different learners respond better to different types of activities. Some worksheets focus on fill-in-the-blank exercises, while others might use multiple-choice questions, sentence corrections, or even creative writing prompts that require proper capitalization and punctuation. Mixing these formats keeps the learning process engaging and comprehensive.

Common Challenges and Solutions in Capitalization and Punctuation

Even with worksheets and practice, certain aspects of capitalization and punctuation tend to trip up learners. Identifying these challenges helps in tailoring instruction and practice.

Challenge: Overcapitalization and Undercapitalization

Many learners either capitalize too much—such as capitalizing common nouns unnecessarily—or too little, neglecting proper nouns and the beginning of sentences. Worksheets that emphasize sorting words into categories (proper vs. common nouns) or rewriting sentences correctly help address this issue.

Challenge: Misuse of Commas

Comma placement is one of the most frequent punctuation difficulties. Learners may omit commas in a list or place them incorrectly within sentences, which can confuse meaning. Capitalization and punctuation worksheets that focus on comma rules, combined with clear explanations and examples, are invaluable in overcoming this hurdle.

Challenge: Apostrophe Confusion

Understanding when to use apostrophes for contractions versus possession often confuses students. Worksheets that provide plenty of practice with examples like “its” vs. “it’s” or “dog’s” vs. “dogs” clarify these differences.

Enhancing Learning with Digital and Printable Worksheets

In today’s digital age, capitalization and punctuation worksheets come in multiple formats, each with unique advantages.

Printable Worksheets for Hands-On Practice

Traditional paper-based worksheets remain popular because they allow learners to physically write and edit their answers. This tactile experience can aid memory retention and focus, especially for younger students. Teachers and parents can easily find printable capitalization and punctuation worksheets tailored to different grade levels and skill sets.

Interactive Online Worksheets

Digital worksheets often include instant feedback, which is a powerful motivator. Learners can complete exercises on tablets or computers and receive immediate corrections, helping them understand mistakes in real time. Many websites also offer gamified punctuation and capitalization exercises, making learning fun and engaging.

Tips for Creating Your Own Capitalization and Punctuation Worksheets

If you're an educator or parent interested in customizing worksheets, consider these tips to make your materials effective:

1. **Start with Clear Objectives:** Define which capitalization and punctuation rules you want to target.
2. **Include Examples:** Begin each section with a short explanation and examples.
3. **Use Realistic Sentences:** Avoid isolated words; contextual sentences help learners apply rules.

4. **Vary Difficulty:** Mix simple exercises with more complex ones to challenge learners without overwhelming them.
5. **Incorporate Visuals:** Use colors or underlining to highlight parts of sentences related to capitalization or punctuation.

By designing worksheets thoughtfully, you can create a resource that truly supports learning and keeps students engaged.

Capitalization and punctuation worksheets are much more than just academic drills—they are stepping stones toward confident, clear, and effective communication. Regular practice through these worksheets not only polishes writing but also deepens understanding of how language works, making every word count.

Frequently Asked Questions

What is the purpose of a capitalization and punctuation worksheet?

A capitalization and punctuation worksheet is designed to help learners practice and improve their skills in using capital letters and punctuation marks correctly in writing.

Which punctuation marks are commonly focused on in capitalization and punctuation worksheets?

Common punctuation marks covered include periods, commas, question marks, exclamation points, apostrophes, and quotation marks.

How can capitalization rules be reinforced through worksheets?

Worksheets often include exercises that require identifying proper nouns, sentence beginnings, titles, and acronyms to practice applying capitalization rules.

Are capitalization and punctuation worksheets suitable for all grade levels?

Worksheets can be tailored for different grade levels, with simpler exercises for younger students and more complex tasks for older learners.

Can capitalization and punctuation worksheets improve writing clarity?

Yes, by practicing correct capitalization and punctuation, students can make their writing clearer, more professional, and easier to understand.

What types of activities are included in capitalization and punctuation worksheets?

Activities may include correcting sentences, filling in blanks, rewriting paragraphs, and identifying errors related to capitalization and punctuation.

How often should students practice with capitalization and punctuation worksheets?

Regular practice, such as weekly exercises, helps reinforce proper usage and gradually builds strong writing habits.

Additional Resources

Capitalization and Punctuation Worksheet: Enhancing Writing Precision

capitalization and punctuation worksheet tools have become essential resources in education, particularly for developing writing skills in students and professionals alike. These worksheets focus on two fundamental aspects of written communication—capitalization and punctuation—which are critical for clarity, readability, and overall effectiveness of text. By engaging users with targeted exercises, a capitalization and punctuation worksheet helps reinforce grammar rules, correct common mistakes, and promote confident writing habits.

Understanding the Role of Capitalization and Punctuation

Worksheets

Capitalization and punctuation are cornerstones of English grammar. Capital letters mark the beginning of sentences, proper nouns, titles, and specific names, while punctuation marks—such as commas, periods, semicolons, and question marks—guide the reader through the structure and meaning of sentences. Worksheets dedicated to these elements serve as practical tools that bridge theoretical knowledge and real-world application.

These worksheets typically present a variety of exercises, including fill-in-the-blank sentences, sentence correction tasks, and rewriting prompts. By systematically practicing with these resources, learners can internalize rules like capitalizing the first word of a sentence, proper nouns, acronyms, and titles, or correctly placing commas to separate clauses or items in a list.

Types of Capitalization and Punctuation Worksheets

The diversity of capitalization and punctuation worksheets caters to different learning levels and objectives. Some common formats include:

- **Basic capitalization exercises:** Focus on identifying and correcting errors involving the first word

in sentences, proper nouns, days of the week, months, and titles.

- **Punctuation drills:** Emphasize correct use of commas, periods, question marks, exclamation points, quotation marks, and apostrophes.
- **Combined worksheets:** Integrate capitalization and punctuation practice in comprehensive exercises that simulate real writing scenarios.
- **Contextual editing tasks:** Provide paragraphs containing multiple errors that students must identify and correct, improving both grammar and editing skills.

Each worksheet type serves a unique purpose, from reinforcing foundational grammar to preparing learners for advanced writing challenges.

The Educational Benefits of Using Capitalization and Punctuation Worksheets

Capitalization and punctuation worksheets provide measurable benefits in both classroom settings and self-directed learning environments. Their structured format allows educators to pinpoint specific areas where students struggle, enabling targeted instruction. For learners, these worksheets offer immediate feedback opportunities, fostering self-assessment and confidence.

Research indicates that consistent practice with grammar worksheets correlates with improved writing proficiency. For example, studies show that students who regularly engage with punctuation exercises demonstrate higher accuracy in sentence structure and improved reading comprehension. This is likely because punctuation not only clarifies meaning but also influences the rhythm and flow of sentences.

Moreover, worksheets encourage active learning. Unlike passive reading of grammar rules, completing

exercises requires learners to apply concepts, making retention more effective. This iterative approach helps solidify understanding of complex rules, such as the nuanced use of commas in compound sentences or the capitalization of titles with prepositions.

How Digital and Printable Worksheets Differ

With the rise of digital education platforms, capitalization and punctuation worksheets are available in both printable and interactive online formats. Each medium offers distinct advantages:

- **Printable worksheets:** Allow for offline practice, easy annotation, and use in traditional classroom settings. They are accessible without the need for technology and provide a tactile learning experience.
- **Digital worksheets:** Often interactive, providing instant feedback, hints, and adaptive difficulty levels. These formats can include gamified elements that increase engagement and accommodate diverse learning styles.

Selecting between printable and digital worksheets depends on the learner's context, preferences, and resources. Educators often combine both methods to maximize effectiveness.

Key Features to Look for in an Effective Capitalization and Punctuation Worksheet

When selecting or designing capitalization and punctuation worksheets, several features enhance their educational value:

1. **Clear instructions:** Exercises must have concise guidelines to ensure learners understand expectations without confusion.
2. **Progressive difficulty:** Worksheets should range from simple to complex, accommodating learners at different proficiency levels.
3. **Variety of exercise types:** Incorporating multiple formats—such as multiple choice, sentence correction, and paragraph editing—maintains engagement and addresses different learning needs.
4. **Contextual relevance:** Realistic sentences and scenarios help learners see practical applications of grammar rules.
5. **Answer keys or feedback:** Providing solutions allows learners to self-correct and deepen understanding.

Well-crafted worksheets that embody these features tend to be more effective in improving grammar skills and boosting learner confidence.

Common Challenges Addressed by Capitalization and Punctuation Worksheets

Despite their fundamental importance, capitalization and punctuation rules often pose challenges for learners. Errors such as failing to capitalize proper nouns, misplacing commas, or overusing exclamation points are widespread. Worksheets targeting these issues help learners recognize patterns and avoid common pitfalls.

For instance, many learners struggle with the distinction between when to capitalize job titles or geographic locations. Worksheets that include practice on these specifics can clarify such ambiguities. Similarly, punctuation exercises addressing comma splices or the correct use of apostrophes in contractions versus possessives can reduce frequent writing mistakes.

By systematically addressing these challenges, capitalization and punctuation worksheets contribute to higher writing standards and clearer communication.

Comparing Capitalization and Punctuation Worksheets to Other Grammar Resources

While capitalization and punctuation worksheets are invaluable, they are part of a broader spectrum of grammar instruction tools. Compared to comprehensive grammar textbooks or software, worksheets offer focused, manageable chunks of practice. This makes them especially suitable for incremental learning or targeted remediation.

Unlike some grammar games or apps that prioritize engagement over depth, worksheets often emphasize accuracy and rule application. However, they may lack the dynamic interaction found in digital tools. Combining worksheets with other resources like interactive quizzes, writing workshops, or peer review sessions can create a balanced learning experience.

Ultimately, the effectiveness of capitalization and punctuation worksheets depends on how they are integrated into an overall educational strategy.

Impact on Language Development and Writing Confidence

Consistent use of capitalization and punctuation worksheets not only improves technical writing skills but also enhances overall language development. Mastery of these fundamental elements contributes

to better reading comprehension, as punctuation guides intonation and meaning during reading.

Furthermore, as learners become proficient in applying capitalization and punctuation rules, their writing confidence grows. This confidence often translates to more willingness to engage in writing assignments, participate in discussions, and pursue advanced literacy skills.

Educators and curriculum designers recognize the value of these worksheets in building a solid foundation that supports lifelong communication abilities.

Capitalization and punctuation worksheets, when thoughtfully designed and applied, serve as critical tools in the pursuit of writing excellence. They bridge the gap between theory and practice, enabling learners to navigate the complexities of English grammar with greater ease and precision. Whether used in classrooms, tutoring sessions, or independent study, these worksheets contribute significantly to clearer, more effective written communication.

capitalization and punctuation worksheet: Key to Blue Workbook Susan Wise Bauer, 2020-08-18 The Key to the Blue Workbook gives clear, thoroughly-explained answers to all exercises in the Blue Workbook, one of four workbooks in the Grammar for the Well-Trained Mind series, providing detailed, well-designed exercises in the correct use of English grammar. The Key to the Blue Workbook gives clear, thoroughly-explained answers to all exercises in the Blue Workbook, one of four non-sequential books in the Grammar for the Well-Trained Mind series, providing detailed, well-designed exercises in the correct use of English grammar. The Key, along with the accompanying Blue Workbook and the Core Instructor Text, make up Grammar for the Well-Trained Mind: a complete course that takes students from basic definitions ("A noun is the name of a person, place, thing, or idea") through advanced sentence structure and analysis, all the grammar skills needed to write and speak with eloquence and confidence. This innovative program combines the three essential elements of language learning: understanding and memorizing rules (prescriptive teaching), repeated exposure to examples of how those rules are used (descriptive instruction), and practice using those rules in exercises and in writing (practical experience). Each year, parents and teachers go through the dialogue, rules, and examples in the Core Instructor Text; students follow along in the Workbook. This repetition solidifies the concepts, definitions, and examples in the

student's mind. There are four Workbooks, one for each year. Each Workbook contains the same rules and examples, but four completely different sets of exercises and assignments, allowing students to develop a wide-ranging knowledge of how the rules and examples are put to use in writing. Each Key to the Workbooks provides not only answers, but also explanations for the parent/instructor, and guidance as to when the answers might be ambiguous (as, in English, they often are). All of the rules covered, along with the repeated examples for each, are assembled for ongoing reference in the Comprehensive Handbook of Rules (soon to be renamed as The Grammar Guidebook). Every step of the sentence diagramming process is gathered for reference, along with illustrations, in The Diagramming Dictionary. These will become the student's indispensable guide to writing through high school, into college and beyond. Step-by-step instruction takes students from the most basic concepts through advanced grammatical concepts such as modal and hortative verbs and multiple functions of noun clauses. Extensive diagramming exercises reinforce the rules and help technical and visual learners to understand and use the English language effectively. Each step of the diagramming process is illustrated and thoroughly explained to the student. Text for examples and exercises are drawn from great works of literature, as well as from well-written nonfiction texts in science, mathematics, and the social sciences. Regular review is built into each year of work. The Key accompanies one of four non-sequential workbooks, each containing new exercises that allow students to practice and apply the grammar principles under study.

capitalization and punctuation worksheet: Grammardog Guide to The Picture of Dorian Gray Mary Jane McKinney, 2006-12 Grammardog Teacher's Guide contains 16 quizzes for this novel. All sentences are from the novel. Figurative language includes: She is a peacock in everything but beauty. He becomes an echo of someone else's music. Time is jealous of you. like a third-rate wedding cake. Allusions to mythology, religion and literature include: Juliet, Tartuffe, Caliban, Dante, Adonis, Artemis, Athena, Sphinxes, Narcissus, Eve, Roman Catholic, Lead us not into temptation, seven deadly sins.

capitalization and punctuation worksheet: Grammardog Guide to The Innocents Abroad Mary Jane McKinney, 2006-10 Grammardog Teacher's Guide contains 16 quizzes for this humorous travel book. All sentences are from the book. Figurative language describes the tourist experience (great guns frown out upon sea and town, a snowstorm of waving handkerchiefs, The street called Straight is straighter than a corkscrew, but not as straight as a rainbow.). Allusions include mythology, religion, literature, history and folklore (Columbus, Julius Caesar, Cleopatra, Romulus, Aladdin, Shylock, Othello, Agamemnon, St. Mark, Eve, Garden of Eden).

capitalization and punctuation worksheet: Grammardog Guide to London Short Stories Mary Jane McKinney, 2006-09 All Gold Canyon, The Mexican, The Story of Jees Uck, The White Silence, To Build a Fire. Grammardog Teacher's Guide contains 16 quizzes for these short stories. All sentences are from the stories. London's literary style and themes are examples of Naturalism. Figurative language includes: the trembling lips of nature, The White Silence seemed to sneer, the stars that leaped and danced, light laughed and life invited, the leaves, wise with experience, the stream once more drowsed and whispered, for generations destiny had had this one end in view.

capitalization and punctuation worksheet: Grammardog Guide to Benito Cereno Mary Jane McKinney, 2003-08 Grammardog Teacher's Guide contains 16 quizzes for this mystery thriller at sea. All sentences are from the short story. Figurative language creates a dark tone, suspicion and suspense (The ship was a slumbering volcano. The slaves sat sphinx-like while chanting low like bag-pipers playing a funeral march.). Allusions support the theme of mystery and secrecy (Gordian knots, Guy-Fawkes, freemason and dark satyr in a mask).

capitalization and punctuation worksheet: Grammardog Guide to King Lear Mary Jane McKinney, 2005-03 Grammardog Teacher's Guide contains 16 quizzes for this Shakespearean tragedy. All sentences are from the play. Quizzes feature famous quotes (nothing will come of nothing, This cold night will turn us all to fools and madmen, Blow winds, and crack your cheeks, How sharper than a serpent's tooth it is to have a thankless child, I am a man more sinned against than sinning, Speak what we feel, not what we ought to say, When we are born we cry that we are

come to this great stage of fools, The art of our necessities is strange and can make vile things precious).

capitalization and punctuation worksheet: *Grammardog Guide to Julius Caesar* Mary Jane McKinney, 2005-03 *Grammardog Teacher's Guide* contains 16 quizzes for this Shakespearean tragedy. All sentences are from the play. Quizzes feature famous quotes (Beware the Ides of March, Et tu, Brute? Friends, Romans, countrymen lend me your ears, let slip the dogs of war, I am constant as the northern star, It was Greek to me, Yond Cassius has a lean and hungry look, If you have tears, prepare to shed them now, This was the most unkindest cut of all, the fault, dear Brutus, is not in our stars but in ourselves that we are underlings).

capitalization and punctuation worksheet: *Grammardog Guide to Sherlock Holmes Stories* Mary Jane McKinney, 2005-11 *The Red-headed League, The Adventure of the Speckled Band, The Adventure of the Engineer's Thumb, The Crooked Man, The Final Problem*. *Grammardog Teacher's Guide* contains 16 quizzes for these short stories. All sentences are from the stories. Figurative language includes: The bare sight of me was like a bullet through his guilty heart. The roadway was blocked with the immense stream of commerce flowing in a double tide inward and outward we saw a gigantic column of smoke which . . . hung like an immense ostrich feather over the landscape. Onomatopoeia includes: clinked, clang, hiss, whishing, clank, and swish.

capitalization and punctuation worksheet: *Grammardog Guide to The Importance of Being Earnest* Mary Jane McKinney, 2008-09 *Grammardog Teacher's Guide* contains 16 quizzes for this satiric farce. All sentences are from the play. Wordplay, puns and wit are plentiful (she is a monster without being a myth, all good looks are a snare, the shallow mask of manners, If you are not too long, I will wait here for you all my life, London society is full of women of the very highest birth who have of their own free choice remained thirty-five for years.). Allusions and symbols satirize Victorian attitudes on gender equality, moral virtue, social class, religion and marriage.

capitalization and punctuation worksheet: *Grammardog Guide to The Hound of the Baskervilles* Mary Jane McKinney, 2004-06 *Grammardog Teacher's Guide* contains 16 quizzes for this iconic crime novel. All sentences are from the novel. Sensory imagery is used to create tone and suspense (I heard a key turn somewhere in a lock the cold night wind beat in upon our faces. . . the dull moaning of the autumn wind and the rustle of falling leaves. I heard the creak of a door and the crisp sound of boots upon gravel. Rank reeds and lush, slimy water plants sent an odour of decay a dread cry echoed over the moor.).

capitalization and punctuation worksheet: *Grammardog Guide to Hamlet* Mary Jane McKinney, 2005-04 *Grammardog Teacher's Guide* contains 16 quizzes for this Shakespearean tragedy. All sentences are from the play. Figurative language includes the primrose path of dalliance, Purpose is but the slave of memory, and when sorrows come, they come not single spies, but in battalions. Literary analysis passages feature Hamlet's to be or not to be soliloquy. Allusions include mythology (Olympus, Jove, Cyclops, Hercules), folklore (witchcraft, mermaid, fairy) and religion (Cain, Adam, Saint Patrick).

capitalization and punctuation worksheet: *Grammardog Guide to The Sea Wolf* Mary Jane McKinney, 2009-01-15 *Grammardog Teacher's Guide* contains 16 quizzes for this novel. All sentences are from the novel. Figurative language includes: A steamboat emerged trailing fog wreaths on either side like seaweed on the snout of Leviathan. He accepted destiny, marched hand in hand with it. Life . . . was a cipher in the arithmetic of commerce. Sensory imagery includes: the mournful tolling of a bell, sour-smelling garments, two rows of tobacco-discolored teeth, fresh-baked bread, her hair was brushing my face.

capitalization and punctuation worksheet: *Grammardog Guide to Twain Short Stories* Mary Jane McKinney, 2005-10 *The Notorious Jumping Frog of Calaveras County, Luck, Is He Living Or Is He Dead?, The Man That Corrupted Hadleyburg, The Mysterious Stranger*. *Grammardog Teacher's Guide* contains 16 quizzes for these short stories. All sentences are from the stories. Figurative language includes: the next minute you'd see that frog whirling in the air like a doughnut he traveled like a duke a tornado of applause as solid as a gob of mud from the top of the precipice

frowned a vast castle man is a museum of diseases I have examined his billion of possible careers. Allusions include: Frankenstein, Caesar, Napoleon, Socrates, Daniel Webster, Andrew Jackson.

capitalization and punctuation worksheet: Annual Report of the United States Civil Service Commission United States Civil Service Commission, 1889

capitalization and punctuation worksheet: Report of the United States Civil-Service Commission United States Civil Service Commission, 1889

capitalization and punctuation worksheet: Annual Report , 1893

capitalization and punctuation worksheet: *Grammardog Guide to Song of Myself* Mary Jane McKinney, 2008-10 Grammardog Teacher's Guide contains 16 quizzes for this poem. All sentences are from the poem. Quizzes feature famous quotes (I stop somewhere waiting for you. I discover myself on the verge of a usual mistake. I sound my barbaric YAWP over the roofs of the world. All goes onward and outward, nothing collapses and to die is different from what anyone supposed, and luckier.).

capitalization and punctuation worksheet: Grammardog Guide to Wuthering Heights Mary Jane McKinney, 2003-08 Grammardog Teacher's Guide contains 16 quizzes for this novel. All sentences are from the novel. Figurative language and allusions are characteristic of Romanticism: Whatever our souls are made of, his and mine are the same, and Linton's is as different as a moonbeam from lightning or frost from fire. It had got dusk, and the moon looked over the high wall of the court. He's a bird of bad omen. Allusions: ghost, witches, imps, fairies, vampires, goblin.

capitalization and punctuation worksheet: Tenth Report of the United States Civil Service Commission , 1894

capitalization and punctuation worksheet: Grammardog Guide to The Turn of the Screw Mary Jane McKinney, 2009-02-15 Grammardog Teacher's Guide contains 16 quizzes for this short story. All sentences are from the story. Figurative language includes: long slumbering hospitality seemed to be easily awakened, the sharp dry twigs caught and held her and scratched her like talons, The old pine must have loved his new dependent. the great world for the first time puts out a hand to her, the murmur of the pine's green branches is in her ears, there was the huge tree asleep yet in the paling moonlight.
