Radical Renovation: Living the Cross-Shaped Life A Lenten Study for Adults James A. Harnish
Radical Renovation is a powerful image of what can happen in our lives during the season of Lent. Just as a house can be rebuilt after it has fallen into disrepair or devastation, author James A. Harnish says, so God can enter in to our brokenness and completely rebuild our lives, so that we can become the kind of people in whom the living Christ can take up residence, and through whom the loving purpose of God can become a tangible reality in this world. As the great cathedrals were built in the shape of a cross, the author tells us, the traditional Lenten disciplines invite us to allow the

Spirit of God to reshape the way we think, act, and live into the likeness of Jesus on his way to the cross. This seven-session study, appropriate for both group and individual use, will provide one lesson for each week in Lent.
