

13 hours account happened benghazi

****The 13 Hours Account Happened Benghazi: Unraveling the Events of a Harrowing Night****

13 hours account happened benghazi is a phrase that echoes the intense and chaotic events of September 11, 2012, when the U.S. diplomatic compound in Benghazi, Libya, was attacked. This incident not only shook the foundations of U.S. foreign policy but also revealed the courage and resilience of the individuals involved in the defense of the compound. The story has been immortalized in various forms, including the popular book and film titled **13 Hours: The Secret Soldiers of Benghazi**, which offer gripping accounts of what transpired during those critical hours.

In this article, we will delve deep into the 13 hours account happened Benghazi, exploring the timeline of the attack, the roles of the security team, the political aftermath, and the lessons learned from this pivotal moment in modern history.

The Context Behind the 13 Hours Account Happened Benghazi

To fully appreciate the gravity of the 13 hours account happened Benghazi, it's essential to understand the geopolitical backdrop of Libya in 2012. Post-Arab Spring, Libya was a fractured nation grappling with instability and numerous armed militias vying for control. The U.S. diplomatic mission in Benghazi operated in an increasingly volatile environment, making security a paramount concern.

The U.S. Presence in Benghazi

The compound in Benghazi was not a full embassy but rather a smaller diplomatic outpost tasked with supporting U.S. interests in the region. The personnel included diplomats, security contractors, and CIA operatives. The security team was limited in number but highly trained, prepared to respond to threats despite limited resources.

Why Was the Attack a Shock?

Although the situation in Libya was unstable, the ferocity and coordination of the attack surprised many. It was initially believed to be a spontaneous protest over an anti-Islamic video circulating online, but investigations later revealed it was a planned assault by militants connected to extremist

groups.

The Timeline of the 13 Hours Account Happened Benghazi

The events unfolded over approximately 13 hours, a window of time marked by confusion, bravery, and tragedy

Frequently Asked Questions

What is the movie '13 Hours' about?

The movie '13 Hours' is based on the true story of the six members of a security team who defended the American diplomatic compound in Benghazi, Libya, during a terrorist attack on September 11, 2012.

What happened in Benghazi on September 11, 2012?

On September 11, 2012, the American diplomatic compound in Benghazi, Libya, was attacked by militants, resulting in the deaths of four Americans, including Ambassador Chris Stevens.

Who were the main characters featured in '13 Hours'?

The main characters in '13 Hours' are the six security contractors from the Global Response Staff who defended the compound, including Jack Silva, Tyrone Woods, and Kris 'Tanto' Paronto.

How accurate is the '13 Hours' account of the Benghazi attack?

The film '13 Hours' is based on the book by one of the security contractors involved and aims to provide a detailed, ground-level view of the attack, though some details were dramatized for cinematic purposes.

What was the role of the security team during the Benghazi attack?

The security team fought to protect the American personnel and the compound during the attack, eventually repelling the militants and evacuating survivors despite being heavily outnumbered.

Why was the Benghazi attack controversial in the United States?

The Benghazi attack led to significant political controversy over the security preparedness at the compound, the government's response to the attack, and allegations of misinformation about the incident.

How long did the Benghazi attack last?

The attack on the Benghazi compound lasted approximately 13 hours, involving multiple assaults on the diplomatic mission and a nearby CIA annex.

What impact did the Benghazi attack have on U.S. foreign policy?

The attack prompted a reevaluation of embassy security protocols worldwide and influenced U.S. policy on diplomatic security and counterterrorism efforts.

Where can I find more detailed accounts of the Benghazi attack?

Detailed accounts can be found in the book '13 Hours' by Mitchell Zuckoff, official government reports, congressional hearings, and various documentaries covering the Benghazi events.

Additional Resources

****The 13 Hours Account: What Really Happened in Benghazi****

13 hours account happened benghazi refers to the detailed narrative surrounding the 2012 attack on the U.S. diplomatic compound in Benghazi, Libya. This incident, which resulted in the deaths of four Americans including Ambassador Chris Stevens, has been the subject of intense scrutiny, political controversy, and multiple investigations. The "13 Hours" account, popularized by the book and subsequent film titled **13 Hours: The Secret Soldiers of Benghazi**, offers a firsthand perspective on the harrowing events that unfolded during those critical hours. Exploring this account helps to shed light on the complexity of the situation, the operational challenges faced by security personnel, and the broader geopolitical implications.

Understanding the Context of the Benghazi Attack

The attack on the U.S. consulate in Benghazi occurred on September 11, 2012,

amid a volatile environment post-Arab Spring. Libya was grappling with internal unrest, militias competing for power, and a fragile transitional government. The security infrastructure was weak, and diplomatic outposts like the Benghazi compound were vulnerable targets.

The "13 hours account happened Benghazi" centers on the timeline during which the attack took place, beginning with the initial assault on the diplomatic compound and continuing through the subsequent siege at the CIA annex. The narrative primarily follows the actions of the security contractors who were tasked with protecting the compound and responding to the attack.

The Attack Timeline and Security Response

The assault began late in the evening on September 11, with militants launching a coordinated attack involving small arms, mortars, and rocket-propelled grenades. The initial target was the diplomatic mission, where Ambassador Stevens and other personnel were present. According to the 13 hours account, the security team faced overwhelming odds and had to make rapid tactical decisions under fire.

Key points from the timeline include:

- The initial breach of the consulate compound by militants.
- The evacuation of non-essential personnel and the Ambassador to a safer location.
- The frantic defense and counterattack by the security contractors to protect remaining staff.
- The eventual retreat to the CIA annex, which became the secondary focal point for the defense.
- The call for reinforcements and the limited military response within the 13-hour window.

This timeline is crucial to understanding the operational constraints and the chaos that surrounded the event.

The 13 Hours Account: Insights from the Book and Film

The book **13 Hours** by Mitchell Zuckoff, and the film adaptation directed by Michael Bay, brought widespread public attention to the personal stories of

the six security operators involved. These men, often referred to as the "Annex Security Team," provided a narrative that contrasted with some official accounts and political statements made in the aftermath.

Features of the 13 Hours Account

- **First-Person Perspective:** The account is based on interviews and testimonies from the security contractors themselves, providing a ground-level view of the attack.
- **Focus on Tactical Defense:** It emphasizes the defensive maneuvers, split-second decisions, and bravery exhibited during the siege.
- **Critique of Official Responses:** The narrative implicitly and explicitly critiques the level of support and preparedness from diplomatic and military leadership.
- **Humanizing the Operatives:** By detailing the personal backgrounds and motivations of the security team, the account adds depth to an often politicized event.

The 13 hours account happened Benghazi serves as a vital counterpoint to official reports, highlighting discrepancies and areas where information was either withheld or misrepresented.

Comparisons with Official Investigations

Multiple Congressional committees, the State Department's Accountability Review Board, and independent panels conducted investigations into the Benghazi attack. These inquiries examined failures in security, intelligence sharing, and emergency response.

Key differences between the 13 hours account and official findings include:

- **Timing of Military Assistance:** The security contractors claimed delays in reinforcements reaching the annex, while official reports cited logistical challenges.
- **Security Preparedness:** The contractors highlighted inadequate defenses at the consulate, contrasting with some official assertions of sufficient security measures.
- **Communication Breakdowns:** The account pointed to confusion and miscommunication during the attack, a theme echoed but sometimes

downplayed in formal investigations.

These differences underscore the complexity in reconciling firsthand battlefield experiences with bureaucratic narratives.

Broader Implications of the Benghazi Attack

The 13 hours account happened Benghazi is not just a story of a tragic event but also a lens through which to examine broader issues in U.S. foreign policy, security protocols, and crisis management.

Security Challenges in Unstable Regions

The attack highlighted the risks faced by diplomatic missions operating in conflict zones. Despite warnings, the Benghazi compound remained vulnerable due to insufficient security infrastructure and underestimation of militia capabilities. The 13 hours account vividly illustrates how security contractors had to compensate for these gaps.

Political Fallout and Media Narrative

The Benghazi attack became a flashpoint in U.S. politics, with debates over accountability, the role of the Obama administration, and the response of the State Department. The "13 Hours" narrative contributed to this discourse by providing an alternative perspective that some viewed as critical of official handling.

Lessons in Crisis Response and Intelligence

Operational shortcomings, including delayed military intervention and fragmented intelligence sharing, were brought to light. The security operators' experience during those 13 hours underscored the need for clearer protocols and faster decision-making in crisis situations.

Key Takeaways from the 13 Hours Account Happened Benghazi

- **Personal Courage and Professionalism:** The security contractors

demonstrated resilience and tactical skill in an overwhelmingly dangerous situation.

- **Systemic Failures:** The incident exposed weaknesses in diplomatic security planning and interagency coordination.
- **Importance of Transparent Reporting:** The contrasting narratives highlight the necessity for transparency and accountability in government communications.
- **Impact on Future Security Policies:** The lessons learned have influenced changes in how the U.S. secures its overseas missions and manages rapid response.

The 13 hours account happened Benghazi remains a significant case study in understanding the complexities and human dimensions of security operations under extreme pressure.

As the event continues to resonate in public memory and policy discussions, the detailed recounting provided by the 13 Hours narrative ensures that the voices of those on the ground are not lost amidst political debates. This layered understanding is essential for anyone seeking to comprehend the full scope of what transpired during those fateful hours in Benghazi.

13 hours account happened benghazi: *13 Hours* Mitchell Zuckoff, 2014-11-24 13 HOURS is the true account of the events of 11 September 2012, when terrorists attacked a US State Compound and a nearby CIA station in Libya, one of the most dangerous corners of the globe. On that fateful day, a team of six American security operators stationed in Benghazi fought to repel mounting enemy forces and escalating firepower, to protect the Americans stationed there, including the US Ambassador to Libya Christopher Stevens. Going beyond the call of duty, the team ignored orders to stand down and instead choked back smoke, fought wave after wave of machine-gun fire and retook the Compound, averting tragedy on a much larger scale – although four Americans would not make it out alive. Recounting the 13 hours of the now infamous attack, this personal account is both blistering and compelling, and sets the story straight about what really happened on the ground, in the streets and on the rooftops.

13 hours account happened benghazi: The Benghazi Attack J.D. Rockefeller, 2016-01-06 If you have decided to read this book, then you probably have heard about the Benghazi attack or you at least wanted to learn something about that incident. It took place way back in 2012 when the

Islamic militant attacked the diplomatic compound of America in Benghazi and killed many people including J. Christopher Stevens, who was the U.S. ambassador at that time, not to mention those who were injured as well. The said attack was then called the Battle of Benghazi as a second assault happened in a different compound. Due to that incident, United States increased security especially in the military as well as in diplomatic facilities worldwide. Aside from that, they also put effort in investigating it and discovering the root cause as well as the persons behind it. Although the reports initially stated that the attack was a spontaneous one, it was later determined as a planned one based on what the suspect, named Ahmed Abu Khattala, stated. The Benghazi attack has also been made into several movies, showing the different sides of the story and the story of different people who witnessed the said incident. Some posted the thoughts that they have in mind while some decided to stick with the news. Whatever it is, there is no doubt that the public is focusing attention on this incident once again. Although the incident happened way back in 2012 and although some people have covered it up, it has been gaining the interest of the public again lately. In fact, some of the truths behind it are slowly showing up. In case you wanted to know more about it, then continue on reading the book.

13 hours account happened benghazi: Surprise Attack Larry Hancock, 2016-09-13 *Surprise Attack* explores sixty plus years of military and terror threats against the United States. It examines the intelligence tools and practices that provided warnings of those attacks and evaluates the United States' responses, both in preparedness - and most importantly - the effectiveness of our military and national command authority. Contrary to common claims, the historical record now shows that warnings, often very solid warnings, have preceded almost all such attacks, both domestic and international. Intelligence practices developed early in the Cold War, along with intelligence collection techniques have consistently produced accurate warnings for our national security decision makers. *Surprise Attack* traces the evolution and application of those practices and explores why such warnings have often failed to either interdict or intercept actual attacks. Going beyond warnings, *Surprise Attack* explores the real world performance of the nation's military and civilian command and control history - exposing disconnects in the chain of command, failures of command and control and fundamental performance issues with national command authority. America has faced an ongoing series of threats, from the attacks on Hawaii and the Philippines in 1941, through the crises and confrontations of the Cold War, global attacks on American personnel and facilities to the contemporary violence of jihadi terrorism. With a detailed study of those threats, the attacks related to them, and America's response, a picture of what works - and what doesn't - emerges. The attacks have been tragic and we see the defensive preparations and response often ineffective. Yet lessons can be learned from the experience; *Surprise Attack* represents a comprehensive effort to identify and document those lessons.

13 hours account happened benghazi: Last Stands from the Alamo to Benghazi Frank Wetta, Martin Novelli, 2016-12-08 *Last Stands from the Alamo to Benghazi* examines how filmmakers teach Americans about the country's military past. Examining twenty-three representative war films and locating them in their cultural and military landscape, the authors argue that Hollywood's view of American military history has evolved in two phases. The first phase, extending from the very beginnings of filmmaking to the Korean War, projected an essential patriotic triumphalism. The second phase, from the Korean and Vietnam Wars to the present, reflects a retreat from consensus and reflexive patriotism. In describing these phases, the authors address recurring themes such as the experience of war and combat, the image of the American war hero, race, gender, national myths, and more. With helpful film commentaries that extend the discussion through popular movie narratives, this book is essential for anyone interested in American military and film history.

13 hours account happened benghazi: Trust Betrayed Scott Taylor, 2015-02-23 Ex-Navy SEAL sniper Scott Taylor served his country for eight years. Taylor finally came home after he was injured during Operation Iraqi Freedom. Years later, he became outraged when he discovered that the Obama administration was leaking sensitive intelligence information for political gain. Now Scott Taylor is speaking out. Having served as a sniper in the same region of Iraq as American

Sniperauthor Chris Kyle, Taylor knows first-hand how high the stakes are. From the bungling of Benghazi to the rise of ISIS, the White House has betrayed the trust of American forces. It's time President Obama and his administration were finally held accountable.

13 hours account happened benghazi: Strategic Failure Mark Moyar, 2015-06-23 In this timely and fascinating account of US military power in the era of Barack Obama, a renowned historian with more than a decade inside the US Department of Defense reveals the true nature of the president's political legacy as his two terms in office draw to a close. In stunning detail, Mark Moyar illustrates how the mounting global catastrophes of Obama's second term are the direct result of the president's first-term decisions to shrink US defense and replace large overseas military commitments with "light footprints." The rise of ISIS. The Benghazi attack and murder of a US ambassador. The growing threats of Russia, China, and Iran—Moyar reveals how these and other tragic occurrences are the consequences of Obama's: -Withdrawal of US military in Iraq -Rapid drawdown in Afghanistan -Hands-off policy with Syria -Cuts to defense spending -Reliance on drone strikes in Pakistan, Yemen, and Somalia -Failure to deliver on his substitutes for military power -Political self-interest -International image as a weak and passive leader Most disturbing, according to Moyar's penetrating analysis, is the clear message that Obama's military drawdown places all Americans at risk, with conditions primed for future cataclysms at home and abroad. Drawing upon the lessons of Obama's strategic failures, Moyar identifies methods for recovering and strengthening US national security in the years—and the administrations—to come.

13 hours account happened benghazi: Michael Bay Lutz Koepnick, 2018-02-05 If size counts for anything, Michael Bay towers over his contemporaries. His summer-defining event films involve extraordinary production costs and churn enormous box office returns. His ability to mastermind breathtaking spectacles of action, mayhem, and special effects continually push the movie industry as much as the medium of film toward new frontiers. Lutz Koepnick engages the bigness of works like Armageddon and the Transformers movies to explore essential questions of contemporary filmmaking and culture. Combining close analysis and theoretical reflection, Koepnick shows how Bay's films, knowingly or not, address profound issues about what it means to live in the late twentieth- and early twenty-first centuries. According to Koepnick's astute readings, no one eager to understand the state of cinema today can ignore Bay's work. Bay's cinema of world-making and transnational reach not only exemplifies interlocking processes of cultural and economic globalization. It urges us to contemplate the future of moving images, of memory, matter, community, and experience, amid a time of rampant political populism and ever-accelerating technological change. An eye-opening look at one of Hollywood's most polarizing directors, Michael Bay illuminates what energizes the films of this cinematic and cultural force.

13 hours account happened benghazi: Our Fears Made Manifest Ashley Jae Carranza, 2021-01-27 The beginning of the 21st century was a time of unprecedented events in American society: Y2K, 9/11 and the wars that followed, partisan changes in government and the rapid advancements of the Internet and mass consumerism. In the two decades since, popular culture--particularly film--has manifested the underlying anxieties of the American psyche. This collection of new essays examines dozens of movies released 1998-2020 and how they drew upon and spoke to mass cultural fears. Contributors analyze examples across a range of genres--horror, teen rom-coms, military flicks, slow-burns, and animated children's films--covering topics including gender and sexuality, environmental politics, technophobia, xenophobia, and class and racial inequality.

13 hours account happened benghazi: Understanding Libya Since Gaddafi Ulf Laessing, 2020-10-15 Laessing's fast-paced, on-the-ground narrative reveals what really happened in the run up to and aftermath of Gaddafi's ouster.

13 hours account happened benghazi: The Secret Gate Mitchell Zuckoff, 2023-04-25 The incredible true story of a breathtaking rescue in the frenzied final hours of the U.S. evacuation of Afghanistan—and how a brave Afghan mother and a compassionate American officer engineered a daring escape—from the #1 New York Times bestselling author of 13 Hours “Reads like a thriller . . .

The Secret Gate is a fast-paced escape narrative, but it is also a morally complex interrogation.”—The Washington Post (Best Books of the Year) When the U.S. began its withdrawal from Afghanistan and the Afghan Army instantly collapsed, Homeira Qaderi was marked for death at the hands of the Taliban. A celebrated author, academic, and champion for women's liberation, Homeira had achieved celebrity in her home country by winning custody of her son in a contentious divorce, a rarity in Afghanistan's patriarchal society. As evacuation planes departed above, Homeira was caught in the turmoil at the Kabul Airport, trying and failing to secure escape for her and her eight-year-old son, Siawash, along with her parents and the rest of their family. Meanwhile, a young American diplomat named Sam Aronson was enjoying a brief vacation between assignments when chaos descended upon Afghanistan. Sam immediately volunteered to join the skeleton team of remaining officials at Kabul Airport, frantically racing to help rescue the more than 100,000 stranded Americans and their Afghan helpers. When Sam learned that the CIA had established a secret entrance into the airport two miles away from the desperate crowds crushing toward the gates, he started bringing families directly through, personally rescuing as many as fifty-two people in a single day. On the last day of the evacuation, Sam was contacted by Homeira's literary agent, who persuaded him to help her escape. He needed to risk his life to get them through the gate in the final hours before it closed forever. He borrowed night-vision goggles and enlisted a Dari-speaking colleague and two heavily armed security contract “shooters.” He contacted Homeira with a burner phone, and they used a flashlight code signal borrowed from boyhood summer camp. For her part, Homeira broke Sam's rules and withstood his profanities. Together they braved gunfire by Afghan Army soldiers anxious about the restive crowds outside the airport. Ultimately, to enter the airport, Homeira and Siawash would have to leave behind their family and everything they had ever known. The Secret Gate tells the thrilling, emotional tale of a young man's courage and a mother and son's skin-of-the-teeth escape from a homeland that is no longer their own.

13 hours account happened benghazi: National Security Lies Tung Yin, 2025-03-12 This thought-provoking book details the national security lies told by presidents of the United States throughout history, both to Congress and to the public. Tung Yin explains how current laws do not set up sufficient prevention measures and proposes legislative reform to regulate such lies.

13 hours account happened benghazi: Fighting at the Legal Boundaries Kenneth Watkin OMM, CD, QC, 2016-05-03 Fighting at the Legal Boundaries offers a holistic approach towards the application of the various constitutive parts of international law. The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn, or are being interpreted in too rigid a fashion. Emphasis is placed on the disconnect that can occur between theory and practice regarding how these legal regimes are applied and interact with one another. Through a number of case studies, Fighting at the Legal Boundaries explores how the threat posed by insurgents, terrorists, and transnational criminal gangs often occurs not only at the point where these bodies of law interact, but also in situations where there is significant overlap. In this regard, the exercise of the longstanding right of States to defend nationals, including the conduct of operations such as hostage rescue, can involve the application of human rights based law enforcement norms to counter threats transcending the conflict spectrum.

13 hours account happened benghazi: Israel Yearbook on Human Rights, Volume 52 (2022) Yoram Dinstein, 2022-09-19 The Israel Yearbook on Human Rights- an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971- is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war, with particular emphasis on problems relevant to the State of Israel and the Jewish people. The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English (including summaries of judicial decisions, compilations of legislative enactments and military proclamations).

13 hours account happened benghazi: Conflict in the Modern Middle East Jonathan K. Zartman, 2020-03-19 This book provides detailed coverage of all the key conflict-related

developments since the Arab Spring, a seminal event that began in December 2010 and continues to have major influence on events in the Middle East, North Africa, and beyond. This important reference offers readers a thorough understanding of the nature of the various conflicts that have erupted in the Middle East and North Africa following the Arab Spring. Clear and concise explanations of important concepts related to Islam, ideology, and ethnicity and the economic, social, and cultural forces propelling conflict and revolution in the region will enable readers to gain insight into key developments there. Biographical and organizational profiles combined with succinct overviews of each country provide a strong research foundation for students. The book offers detailed descriptions of the minority groups that have suffered violence from both the countries and the societies around them, sometimes generating refugee flows that engage neighboring states in security issues. It also discusses the role of women in the region during these turbulent times. Primary source documents and a chronology highlight political struggles to reach durable agreements and develop institutions to meet basic human needs in the modern Middle East.

13 hours account happened benghazi: The Patriot's Creed Kris Paronto, 2019-10-22 Army Ranger and bestselling author Kris Paronto reveals the values and creed shared by special forces for self-improvement and living a purposeful life. When Kris Paronto began talking with civilians about his experiences fighting the terrorist attack on the US State Department Special Mission Compound in Benghazi, Libya on September 11, 2012, he was surprised at how often people told him that the story of his extraordinary battle gave them courage to face tough times in their everyday lives. The odds were stacked against us that night but the truth is that we refused to quit and we beat them with faith, teamwork, and the principles that were first instilled in me when I joined the Army. You can find those in the Rangers Creed and the Army Values, he says, and you don't have to be a Special Operations soldier to use them. In *The Patriot's Creed*, Kris Paronto uses the seven core Army Values that all soldiers learn in Basic Combat Training, and the experiences of other servicemen and women and First Responders, to explain how anyone can improve themselves, the world around them, and live a heroic life. The stakes are dramatic for the brave men and women who put their lives on the line to fight for America, and too many of their acts of courage and honor are unknown. The examples of their persistence and discipline will be inspiring to anyone facing seemingly insurmountable obstacles. At a time of national polarization, Kris Paronto draws attention to values all readers can share and use, and to the honor, integrity and courage of true patriots who have gone to great lengths to protect and serve. They embody the best of us and make Kris Paronto proud to be an American soldier.

13 hours account happened benghazi: Friendship, Peace and Social Justice Heather Devere, 2023-06-20 A just peaceful world. How can that be achieved? What sorts of relationships might be needed? Could the concept of friendship assist? Assembling the work of twenty scholars, this book creates a resource for those aiming to deal with conflict non-violently and promotes peaceful attitudes and outcomes in a troubled world. The book posits that making the connections between Friendship, Peace and Social Justice is vital for living in a functioning and sustainable world. Firstly, it makes connections between scholars of peace and conflict studies, friendship studies, ethics, and social justice. Secondly, it explores the connections between the ethical concepts and practices of friendship, peace, and social justice. Thirdly, it links academic researchers who use a variety of methodological approaches. Fourthly, it provides different academic perspectives of scholars from diverse ethnic and cultural backgrounds. The topics covered include civic, social and virtue friendship, peace and psycho-social development, the role of social media and friendship, cultures of peace activism, resistance, justice movements, environmental campaigns, community building, art collectives, dialogue, facilitative listening, Ubuntu, reconciliation, healing and relationship building. This book will be of great interest to researchers and scholars in Politics, Sociology, Social Justice and Peace and Conflict Studies. The chapters in this book were originally published as a special issue of *Peace Review*.

13 hours account happened benghazi: Facebook Friendship Groups as a Space for Peace: A Case Study of Relations between Libyan and American Citizens Lisa Gibson,

2025-01-07 Facebook Friendship Groups as a Space for Peace provides new ways of thinking about the concept of friendship in international relations by drawing upon Aristotle's ancient insights on sociability and reconceptualizing them for modern international relations. This book explores how citizens can be engaged in public diplomacy through everyday interactions in Facebook friendship groups which allows them to promote understanding and reframe identity narratives. This book provides rich-in-demand empirical insights from citizens in the global south about the ways that social media friendship groups can be used to facilitate positive relations between citizens from countries that have a history of conflict. It also provides important insights for state leaders on the kinds of citizen initiatives that are seen as most useful in promoting positive images among foreign peoples. However, it challenges much of the notion that citizen initiatives will improve foreign public views of a state's foreign policy, especially when those foreign policy priorities negatively affect citizens directly, like former President Donald Trump's travel ban. Negative foreign policy initiatives cause distrust and once that is broken, it is difficult to rebuild absent changing the foreign policy. This book shows that conflict is deeply contextual, and as such public diplomacy initiatives must also be designed in such a way to address the unique challenges that exist between countries. Social media friendship groups can be a place to start to promote understanding, dispel stereotypes and reframe enemy narratives, which are essential to long-term positive relations.

13 hours account happened benghazi: Combating Terrorism in the 21st Century Joseph R. Rudolph Jr., William J. Lahnenman, 2022-09-27 This combination A-Z encyclopedia and primary document collection provides an authoritative and enlightening overview of U.S. anti- and counterterrorism politics, policies, attitudes, and actions related to both foreign and domestic threats, with a special emphasis on post-9/11 events. This book provides a compelling overview of U.S. laws, policies, programs, and actions in the realms of anti- and counterterrorism, as well as comprehensive coverage of the various domestic and foreign terrorist organizations threatening America, including their leaders, ideologies, and practices. These entries are supplemented with a carefully selected collection of primary sources that track the evolution of U.S. anti- and counterterrorism policies and political debate. These documents will not only illuminate major events and turning points in America's fight against terror—both foreign and homegrown—but also help readers understand debates about the effectiveness, morality, and constitutionality of controversial policies that have either been implemented or proposed, from waterboarding to targeted assassination to indefinite incarceration at Guantánamo Bay. In addition, this resource shows how political controversies over anti- and counterterrorism strategies are spilling over into other areas of American life, from debates about privacy rights, government surveillance, and anti-Muslim actions and beliefs to arguments about whether U.S. firearms policies are a boon to terrorists.

13 hours account happened benghazi: How to Justify Torture Alex Adams, 2019-09-10 From *Batman Begins* to Tom Clancy, *How to Justify Torture* shows how contemporary culture creates simplified narratives about good guy torturers and bad guy victims, how dangerous this is politically, and what we can do to challenge it. If there was a bomb hidden somewhere in a major city, and you had the person responsible in your custody, would you torture them to get the information needed to stop the bomb exploding, preventing a devastating terrorist attack and saving thousands of lives? This is the ticking bomb scenario -- a thought experiment designed to demonstrate that torture can be justified. In *How to Justify Torture*, cultural critic Alex Adams examines the ticking bomb scenario in-depth, looking at the ways it is presented in films, novels, and TV shows -- from *Batman Begins* and *Dirty Harry* to French military thrillers and home invasion narratives. By critiquing its argument step by step, this short, provocative book reminds us that, despite what the ticking bomb scenario will have us believe, torture can never be justified.

13 hours account happened benghazi: Antidote to Trumpism Luis Bernardo Mercado, 2019-12-09 *Antidote to Trumpism* is a wide-ranging collection of essays meant to help Americans embrace intellectual honesty, improve their critical thinking skills, and avoid being deceived by propaganda. The most important chapters explore: how to improve our understanding of the way our

government functions; how the Trump administration has attacked the rule of law and our Constitution; the importance of protecting our democracy and our environment; and interesting political, religious, and scientific concepts. Other essays discuss how to deal with anxiety disorders, food allergies, and rosacea. Most of the chapters end with a list of recommended texts that will help those interested in learning more about the subjects discussed.
