

spiritual gifts test 80 questions

****Discovering Your Divine Purpose: The Spiritual Gifts Test 80 Questions****

spiritual gifts test 80 questions can be a transformative tool for anyone seeking to understand their unique role within their faith community and personal spiritual journey. These tests often delve into identifying the special talents or abilities that are believed to be bestowed upon individuals by a higher power, primarily to serve others and fulfill a greater purpose. If you've ever wondered how to discern your spiritual gifts or how they might shape your life and service, exploring an 80-question spiritual gifts assessment might just be the insightful journey you need.

What Is a Spiritual Gifts Test?

A spiritual gifts test is designed to help believers identify their God-given abilities that are meant to edify the church and help others. Unlike personality tests that focus on behavioral traits, spiritual gifts assessments focus on the specific ways you might be naturally inclined to contribute spiritually. These gifts range from teaching and leadership to mercy and healing. Understanding these gifts can empower you to serve more effectively and find deeper fulfillment in your spiritual walk.

The Purpose Behind Spiritual Gifts Assessments

Spiritual gifts assessments encourage self-reflection and help people recognize talents that may have been dormant or unnoticed. They're particularly useful in church settings to align members with ministries that suit their strengths. Beyond church involvement, these tests promote personal growth and foster community by reminding us that everyone has a valuable part to play.

Why Choose an 80-Question Spiritual Gifts Test?

There are various versions of spiritual gifts tests available, ranging from brief 20-question quizzes to more extensive assessments. The 80-question format strikes a balance between depth and clarity, allowing for a comprehensive evaluation without being overwhelming.

Benefits of a More Detailed Test

An 80-question spiritual gifts test typically covers a broad spectrum of gifts, providing nuanced insights into your spiritual profile. The length allows for a more accurate and detailed understanding of your strengths and potential areas for growth. By answering more questions, you're better able to discern subtle differences between similar gifts, such

as distinguishing between exhortation and teaching.

How It Works

The test usually presents statements or scenarios where you rate how strongly you agree or how frequently you experience certain tendencies. For example, questions might ask if you feel drawn to encourage others, if you enjoy organizing community events, or if you have a passion for prayer. Your responses are then scored to highlight your primary and secondary spiritual gifts.

Common Spiritual Gifts Explored in the Test

While each spiritual gifts test might vary slightly in terminology and categories, the 80-question format often includes a wide range of gifts such as:

- **Teaching:** The ability to explain and apply spiritual truths effectively.
- **Leadership:** Guiding others with wisdom and decisiveness.
- **Mercy:** Showing compassion and empathy to those in need.
- **Prophecy:** Communicating God's message with clarity and conviction.
- **Evangelism:** Sharing the faith enthusiastically and effectively.
- **Service:** Finding joy in helping and supporting others in practical ways.
- **Wisdom:** Offering insight and discernment in complex situations.
- **Faith:** Trusting God confidently and inspiring others to do the same.

Knowing which gifts resonate most with you can illuminate how you might best contribute to your community and grow spiritually.

How to Prepare for and Take the Spiritual Gifts Test 80 Questions

Approaching this test thoughtfully can enhance its accuracy and the usefulness of the results.

Set the Right Mindset

Before beginning, it's helpful to pray or meditate, asking for guidance and clarity. Being honest and reflective as you answer will provide the most meaningful insights.

Take Your Time

Since the test is fairly extensive, find a quiet space where you can focus without distractions. Rushing through might lead to less accurate results.

Review Your Results Carefully

After completing the test, spend time reviewing the gifts highlighted in your profile. Consider how these gifts have shown up in your life and ways you might develop them further.

Interpreting Your Spiritual Gifts Test Results

Once you have your results, it's important to view them as a guide rather than a definitive label. Spiritual gifts can grow and evolve over time through experience and prayer.

Primary and Secondary Gifts

Most tests will categorize your gifts into primary, secondary, and sometimes tertiary. Your primary gifts are those you are most naturally inclined toward, while secondary gifts support or complement your main ones.

Applying Your Gifts

Consider how your gifts align with current opportunities in your church or community. If you're not sure where to start, talk to a spiritual mentor or leader who can help you find avenues to serve.

Growth and Development

Remember, spiritual gifts aren't static. You might discover new gifts as you take on different challenges or deepen your relationship with God. Continual learning and openness are key.

Where to Find a Spiritual Gifts Test 80 Questions

Many churches, Christian organizations, and online platforms offer comprehensive spiritual gifts assessments. When choosing a test, look for one that is biblically based and provides detailed feedback.

Recommended Resources

- **Church Ministries:** Many local churches provide free or guided assessments as part of their spiritual development programs.
- **Online Platforms:** Websites like spiritualgiftstest.com or giftstest.com often have extended questionnaires available.
- **Books and Workbooks:** Some authors provide spiritual gifts tests as part of their written resources with explanations and growth plans.

Tips for Making the Most of Your Spiritual Gifts Test Experience

Engaging with a spiritual gifts test is just the beginning of a meaningful journey. Here are some tips to maximize the benefits:

- **Be Honest:** Authentic responses lead to genuine insights.
- **Discuss Results:** Share your findings with trusted friends or mentors for encouragement and accountability.
- **Look for Patterns:** Reflect on past experiences that align with your identified gifts.
- **Take Action:** Seek opportunities to serve in ways that match your gifts, even if it feels new or challenging.
- **Pray for Guidance:** Ask for continued clarity and growth as you put your gifts into practice.

Exploring spiritual gifts through an 80-question test is not just about self-discovery but also about embracing a deeper connection with your faith and community. It's an invitation to step into your God-given purpose with confidence and joy.

Frequently Asked Questions

What is a spiritual gifts test with 80 questions?

A spiritual gifts test with 80 questions is an assessment designed to help individuals identify their unique spiritual gifts by answering a series of questions that explore their preferences, talents, and behaviors in a faith-based context.

How accurate are spiritual gifts tests with 80 questions?

The accuracy of spiritual gifts tests with 80 questions depends on the quality of the test and the honesty of the responses. While they provide useful insights, results should be considered as guidance rather than absolute truth.

Where can I find a reliable 80-question spiritual gifts test online?

Reliable 80-question spiritual gifts tests can be found on reputable Christian ministry websites, church portals, or platforms dedicated to spiritual growth, such as SpiritualGiftsTest.com or Giftstest.com.

Can an 80-question spiritual gifts test help in choosing a ministry role?

Yes, an 80-question spiritual gifts test can help individuals understand their strengths and guide them in selecting ministry roles where they can serve effectively and joyfully.

Are spiritual gifts tests with 80 questions suitable for group settings?

Spiritual gifts tests with 80 questions are suitable for individual assessment but can also be used in group settings to foster discussion and better understand team members' gifts.

How long does it typically take to complete an 80-question spiritual gifts test?

Completing an 80-question spiritual gifts test usually takes about 15 to 30 minutes, depending on the individual's reading speed and reflection time.

Do spiritual gifts tests with 80 questions measure all types of spiritual gifts?

Most 80-question spiritual gifts tests aim to cover a broad range of spiritual gifts, but some tests might emphasize certain gifts more than others, so it's good to review the test's scope before taking it.

Can the results of an 80-question spiritual gifts test change over time?

Yes, as individuals grow spiritually and experience different life circumstances, their spiritual gifts may develop or become more apparent, so test results can change over time.

Is it necessary to have a spiritual leader interpret the results of an 80-question spiritual gifts test?

While not necessary, having a spiritual leader or mentor help interpret the results can provide valuable insight, guidance, and encouragement in applying the identified gifts effectively.

****Understanding the Spiritual Gifts Test 80 Questions: A Comprehensive Review****

spiritual gifts test 80 questions has become an increasingly popular tool among individuals and faith communities eager to identify and understand personal spiritual gifts. This diagnostic approach, often employed in churches or spiritual organizations, seeks to provide clarity on an individual's unique abilities and how they can be best utilized in service or ministry. Given the variety of spiritual gifts tests available, the version featuring 80 questions stands out due to its thoroughness and depth. This article investigates the nature, benefits, and practical applications of the spiritual gifts test 80 questions, while critically examining its methodology and relevance.

What is the Spiritual Gifts Test 80 Questions?

The spiritual gifts test with 80 questions is a comprehensive self-assessment designed to help individuals identify their spiritual gifts based on biblical principles and personal reflections. Unlike shorter tests that may only offer a broad overview, this extended questionnaire attempts to delve deeper into various dimensions of spiritual gifting. By answering a series of thoughtfully structured questions, test-takers receive a nuanced profile highlighting core strengths such as teaching, prophecy, healing, administration, or mercy.

The test typically explores a broad spectrum of gifts mentioned in scripture, including 1 Corinthians 12, Romans 12, and Ephesians 4, ensuring that participants can pinpoint specific areas where their spiritual proclivities lie. The 80-question format allows for detailed evaluation without being overly burdensome, striking a balance between depth and practicality.

How the Test is Structured

The spiritual gifts test 80 questions format is generally divided into sections, each focusing on different categories of spiritual gifts:

- ****Service and Support Gifts:**** Questions related to helping, serving, and showing mercy.
- ****Leadership and Administration Gifts:**** Items assessing skills in leadership, administration, and teaching.
- ****Prophetic and Inspirational Gifts:**** Queries about prophecy, exhortation, and encouragement.
- ****Miraculous and Healing Gifts:**** Questions targeting gifts like healing, miracles, and discernment.
- ****Evangelistic and Outreach Gifts:**** Items that measure abilities in evangelism and outreach efforts.

Each question typically asks respondents to rate statements about their experiences, motivations, or reactions on a numerical scale. This quantitative approach facilitates a scoring system that highlights dominant spiritual gifts.

Analyzing the Effectiveness of the Spiritual Gifts Test 80 Questions

An 80-question spiritual gifts test offers several advantages over shorter assessments, primarily through its capacity to capture subtle distinctions among gifts. However, as with any self-report instrument, it comes with certain limitations that merit exploration.

Advantages of the 80-Question Format

- **Comprehensive Assessment:** The extensive question set allows for a wider range of spiritual gifts to be evaluated, providing a more complete picture.
- **Greater Accuracy:** By including multiple questions related to each gift, the test reduces the likelihood of anomalies skewing results.
- **Reflective Process:** The length encourages test-takers to thoughtfully consider their spiritual experiences and tendencies.

This thoroughness can be particularly beneficial for church leaders, counselors, or spiritual

directors aiming to place individuals in roles where they are most effective and fulfilled.

Potential Drawbacks

- **Time Commitment:** Completing 80 questions can be time-consuming and potentially overwhelming for some participants, potentially affecting focus and honesty.
- **Self-Reporting Bias:** Like all self-assessments, responses may be influenced by personal biases, misunderstanding of terms, or social desirability.
- **Interpretation Challenges:** Without proper guidance, individuals may misinterpret results or feel boxed in by the categories.

Despite these challenges, the spiritual gifts test 80 questions remains a valuable tool when used within a supportive framework that includes pastoral guidance or group discussion.

Comparing the Spiritual Gifts Test 80 Questions to Other Assessments

The market for spiritual gifts assessments is diverse, ranging from brief quizzes with 10-20 questions to more elaborate inventories exceeding 100 questions. The 80-question test often strikes a middle ground between brevity and depth.

Shorter Tests

Shorter spiritual gifts quizzes tend to be more accessible and quicker to complete but may lack the nuance necessary to distinguish between closely related gifts. They are ideal for introductory exploration but might not satisfy those seeking detailed insights.

Longer Inventories

Tests exceeding 100 questions can provide a highly detailed profile but risk causing fatigue or disengagement during completion. Additionally, longer tests may require more sophisticated scoring systems and expert interpretation.

Where the 80-Question Test Excels

The spiritual gifts test 80 questions is often preferred by churches and ministries that want

a detailed yet manageable assessment method. It balances depth without overwhelming the participant and frequently comes with user-friendly scoring guides and interpretive resources.

Implementing the Spiritual Gifts Test 80 Questions in Community Settings

Many faith communities employ the spiritual gifts test 80 questions as part of leadership development, ministry placement, or personal growth programs. Its structured approach aids in creating a common language around spiritual gifts, facilitating better communication and collaboration.

Best Practices for Administering the Test

- **Provide Clear Instructions:** Ensure that participants understand the purpose and process of the test to encourage honest and thoughtful responses.
- **Offer Follow-Up Support:** Incorporate counseling or group discussions to help individuals interpret results meaningfully.
- **Respect Individual Journeys:** Recognize that spiritual gifting is dynamic and may evolve, so the test is a snapshot rather than a definitive label.

Through these practices, the spiritual gifts test 80 questions can become a catalyst for deeper self-awareness and community engagement.

Technological Integration

With the rise of digital tools, the spiritual gifts test 80 questions is often available online, featuring interactive interfaces that streamline scoring and provide immediate feedback. Digital formats also allow for easier data collection and analysis at the organizational level, helping ministries identify trends and tailor training programs.

Exploring the Impact on Personal and Ministry Growth

Identifying spiritual gifts through such a comprehensive tool can profoundly influence both personal development and ministry effectiveness. Knowing one's gifts allows individuals to pursue roles that align with their strengths, increasing satisfaction and impact.

Moreover, ministries benefit from strategic placement of members according to their gifts, fostering a more vibrant and functional community. The spiritual gifts test 80 questions, by offering detailed insights, enables leaders to make informed decisions that promote healthy growth and engagement.

While no test can capture the full complexity of spiritual life, the 80-question format's thoroughness provides a useful framework for ongoing discovery and service.

As spiritual gifts continue to be a topic of interest in contemporary faith discussions, tools like the spiritual gifts test 80 questions serve as valuable instruments, blending tradition with modern assessment techniques to support individual and communal flourishing.

spiritual gifts test 80 questions: Discover Your Kid's Spiritual Gifts Adam Stadtmiller, 2012-01-03 In this accessible and practical guidebook, moms and dads will encounter the biblical evidence for childhood spiritual gifts as they look closely at the stories of David, Mary, Samuel, and Jesus--all young people who demonstrated God's gifts at work in their lives. Next, parents will begin to identify their children's spiritual gifts through a uniquely designed assessment tool. And finally, they'll discover specific ways to help their children serve the Body of Christ through their gift or mix of gifts.

spiritual gifts test 80 questions: Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia, 2024-01-05 Toward the end of his life, the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days. Building on the finished work of Christ, by the power and gifting of the indwelling Holy Spirit, believers do these works as prophets, priests, and kings in what the church has called the gifts of the Holy Spirit. Through study of the Old Testament saints who filled these offices, Christ (to whom they point), and important New Testament texts, Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually-gifted ministry. This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum. This book lays out a path for taking seriously the Lord's assertion that in these last days, by the power of the Spirit and for the glory of God, the church will do great things.

spiritual gifts test 80 questions: *The Question of the Gift* Mark Osteen, 2013-09-13 *The Question of the Gift* is the first collection of new interdisciplinary essays on the gift. Bringing together scholars from a variety of fields, including anthropology, literary criticism, economics, philosophy and classics, it provides new paradigms and poses new questions concerning the theory and practice of gift exchange. In addressing these questions, contributors not only challenge the conventions of their fields, but also combine ideas and methods from both the social sciences and humanities to forge innovative ways of confronting this universal phenomenon.

spiritual gifts test 80 questions: *The Volunteer Revolution* Bill Hybels, 2009-05-18 Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a

shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the church is the equation X (paid staff) + Y (volunteers) = Z (bearing much fruit for God's glory). Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls the Y factor. The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to equip God's people for works of service they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation.

spiritual gifts test 80 questions: Laughing in my Dreams Alisa K. Brown, 2012-12-18 This book follows a year in the life of a missionary to Europe: fun and fear, trials and triumphs, and ever-growing faith. *Laughing in my Dreams* is the continuation of my Faith Trip, recounted in *Look, Listen, Love* (also available from Lulu.com). Only God knows the itinerary!

spiritual gifts test 80 questions: Mirror, Mirror Kara Powell, Kendall Payne, 2010-06-01 How teenage girls can combat the world's definition of self-image through a biblical understanding of who they are If there is a teenage girl who feels comfortable with her body and appearance, the authors have yet to meet her. This book helps explain where that dissatisfaction comes from, from media like MTV, magazines, and advertisements. It then gives girls a healthy biblical perspective on physical appearance, concluding that the only real way for girls to experience lasting acceptance of their bodies is to look at how God has created them and how he intends for them to love others and themselves. Through their own vulnerability and personal stories, the authors help girls realize they are not the only ones who feel so poorly about themselves. This revolutionary book is written more like a conversation than a lecture and presents the topics and the biblical passages about self-image in new and fresh ways.

spiritual gifts test 80 questions: Making A Good Church Great Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's mega church, mega everything world. As a successful pastor, he launched the servant evangelism movement, but along the way he discovered that significance was not where or what he thought it would be. Now, in a very practical book, he focuses on genuine greatness. Is it the size of the sanctuary? The number of new believers baptized each year? The youth attendance? The quantity of best selling books the pastor has written? The list of television shows, radio shows or podcasts the pastors appears on? Or is it something more? What is the buzz on good churches that become great in God's eyes? Sjogren argues that greatness is not a point at which you arrive; rather, it is an ongoing process of worshipping, serving and living in God's presence. It not a slick program; rather, it is a family, a hospital, an army and a school. When God is a present, His people are empowered. When God empowers His people, a good church becomes great.

spiritual gifts test 80 questions: Developing Spiritual Success Arthur Jaggard, 2011-12-02 How does one write about Spiritual Success and preserve any sense of humility? *Spiritual Success and How I Achieved It* has been the tongue in cheek working title of this book. It serves to remind me that I know so very little. The irreverence serves to caution against the arrogance of pretending to know anything at all. None of this book is actually new. As Robert Webber used to remind us, the ancient is the future.¹ Those to whom I am indebted include a long line of teachers reaching back to

the early church fathers. I have had several excellent mentors and many tremendous teachers and professors. They all have helped connect me to the rich heritage that we have in Jesus Christ.

spiritual gifts test 80 questions: *Light* , 1891

spiritual gifts test 80 questions: *1 & 2 Corinthians* Livingstone, 2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary. This volume provides in-depth explanation, background, and application for every verse in the books of 1 & 2 Corinthians. Perfect for sermon preparation and lesson planning, this one-of-a-kind reference provides excellent quotes and a bibliography for additional commentary. Additional features include: Charts, diagrams, and maps on the same page as their related verses Quotes from various versions, such as the NIV, NRSV, and NLT Key information graphically highlighted

spiritual gifts test 80 questions: *Interpreting Paul* Luke Timothy Johnson, 2021-05-20 “For me, Paul has always been the most difficult and therefore also most delightful advocate and interpreter of the Lord Jesus Christ and of the human experience of God’s transforming power through Christ. In Paul’s letters above all I have found the quality of mind and the depth of conviction that could arouse in me both excitement and passion. And it is Paul’s letters, above all, that show how important and difficult is life together in the church.” — from the preface With the contextual framework in place from volume one of *The Canonical Paul*, Luke Timothy Johnson now probes each of the thirteen biblical letters traditionally attributed to the apostle Paul in a way that balances respect for historical integrity with attention to present-day realities. In doing so, Johnson reforges the connection between biblical studies and the life of the church, seeking to establish once again the foundational and generative role that the thirteen letters of Paul have had among Christians for centuries. Far from being a “definitive theology” of Paul, or an oversimplified synthesis, *Interpreting Paul* provides glimpses into various moments of Paul’s thinking and teaching that we find in Scripture, modeling how one might read his letters closely for fresh, creative interpretations now and into the future. Approached in this way, both in minute detail and as a whole canon, Paul’s letters yield rich insights, and his voice becomes accessible to all readers of the Bible.

spiritual gifts test 80 questions: *Dialogues on the Questions presently agitated in the Church of Scotland* Rev. Alexander CLARK (of Inverness.), 1843

spiritual gifts test 80 questions: *1 and 2 Thessalonians, Volume 45* Dr. Seyoon Kim, F. F. Bruce, 2023-10-17 The Word Biblical Commentary series delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

spiritual gifts test 80 questions: *The Christian Librarian* , 1989

spiritual gifts test 80 questions: *Paul and Power* Bengt Holmberg, 2004-09-27 The study of the evolution of church structure and order has been subject to considerable research and debate, often with theological presuppositions determining the direction taken. In this highly original work, Bengt Holmberg separates historical groundwork from theological analysis by reviewing the issues from a sociological point of view. What emerges is an unusually lucid study of the network of power relationships which can be traced in the decades of St. Paul's ministry. The principal actors and situations in the Pauline Epistles suggest what the organizational and leadership realities of the times were like and how Paul, his co-workers, and his churches related to one another. In Part One, Holmberg provides a historical description of the distribution of power at three levels in the primitive church: that between the church in Jerusalem and the apostle Paul; at the regional level where Paul operates in local churches personally, through co-workers and by letters; and at the local intrachurch level. In Part Two, Holmberg develops a sociological analysis of the shape and location

of authority in the church. He examines the New Testament literature for evidence and then interprets it in terms of categories derived from modern theoretical sociology, and in particular from Max Weber's sociology of authority. Holmberg describes the nature of authority in the early church and concludes that a charismatic authority was continuously reinstitutionalized through interaction of persons, institutions, and social forces within the church. This persuasive and provocative study combines serious New Testament interpretation with sociological analysis of a crucial issue in earliest Christianity. It advances the case of sociological exegesis by offering a model for further investigations of the entire structure of church leadership and authority in emergent Christianity.

spiritual gifts test 80 questions: Religion Index One , 2000

spiritual gifts test 80 questions: Whisper Mark Batterson, 2017-10-24 PUBLISHERS

WEEKLY BESTSELLER • The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of *The Circle Maker* teaches readers how to listen to God. WINNER OF THE ECPA CHRISTIAN BOOK AWARD FOR CHRISTIAN LIVING The voice that spoke the cosmos into existence is the same voice that parted the Red Sea, and made the sun stand still in the midday sky. One day, this voice will make all things new, but it's also speaking to you now! That voice is God's voice, and what we've learned from Scripture is that He often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you'll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God's whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God's voice in every aspect of your life! He's speaking, make sure you know how to listen!

spiritual gifts test 80 questions: New Proclamation Warren Carter, Diane L. Jacobson, Carol J. Dempsey, John P. Heil, 2001 The New Proclamation series helps preachers write better sermons -- from Easter through Pentecost. It offers creative links to literature, spirituality, and the sociocultural scene in addition to historical and exegetical reflections on all the biblical texts. The format assists those using the Revised Common Lectionary, the roman Catholic lectionary, and the Episcopal lectionary (BCP): 1. Reader-friendly workbook design for easy note-taking and lay-flat binding for hands-free usage. 2. Poetry, literature, and narrative highlight dimensions of the liturgical season and day. 3. Discusses the present-day cultural context as it relates to the biblical texts.

spiritual gifts test 80 questions: Lordship Salvation Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy. There is no more important issue than how to become a Christian. Lordship Salvation is a view that has confused many people about the nature of the gospel itself. Based on a Ph.D. dissertation, this is an academic and biblical response to the Lordship view. -The crucial issues of faith, repentance, lordship, and discipleship - Over 65 important passages explained -A helpful Scripture index -Can be used as a textbook -Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation. Read it, use it as a Bible study reference, or teach from it; it is a valuable resource in a critical and controversial issue. Charles C. Bing obtained his Ph.D. from Dallas Theological Seminary. As founder and president of GraceLife Ministries he is active as an author, conference speaker, and adjunct professor.
