almighty voice and his wife: **Political Adaptation in Canadian Theatre** Kailin Wright, 2020-09-23 In Canada, adaptation is a national mode of survival, but it is also a way to create radical change. Throughout history, Canadians have been inheritors and adaptors: of political systems, stories, and customs from the old world and the new. More than updating popular narratives, adaptation informs understandings of culture, race, gender, and sexuality, as well as individual experiences. In *Political Adaptation in Canadian Theatre* Kailin Wright investigates adaptations that retell popular stories with a political purpose and examines how they acknowledge diverse realities and transform our past. *Political Adaptation in Canadian Theatre* explores adaptations of Canadian history, Shakespeare, Greek mythologies, and Indigenous history by playwrights who identify as English-Canadian, African-Canadian, French-Canadian, French, Kuna Rappahannock, and Delaware from the Six Nations. Along with new considerations of the activist potential of popular Canadian theatre, this book outlines eight strategies that adaptors employ to challenge conceptions of what it means to be Indigenous, Black, queer, or female. Recent cancellations of theatre productions whose creators borrowed elements from minority cultures demonstrate the need for a distinction between political adaptation and cultural appropriation. Wright builds on Linda Hutcheon's definition of adaptation as repetition with difference and applies identification theory to illustrate how political adaptation at once underlines and undermines its canonical source. An exciting intervention in adaptation studies, *Political Adaptation in Canadian Theatre* unsettles the dynamics of popular and political theatre and rethinks the ways performance can contribute to how one country defines itself.

almighty voice and his wife: Taking Back Our Spirits Jo-Ann Episkenew, 2009-05-01 From the earliest settler policies to deal with the “Indian problem,” to contemporary government-run programs ostensibly designed to help Indigenous people, public policy has played a major role in creating the historical trauma that so greatly impacts the lives of Canada’s Aboriginal peoples. Taking Back Our Spirits traces the link between Canadian public policies, the injuries they have inflicted on Indigenous people, and Indigenous literature’s ability to heal individuals and communities. Episkenew examines contemporary autobiography, fiction, and drama to reveal how these texts respond to and critique public policy, and how literature functions as “medicine” to help cure the colonial contagion.

almighty voice and his wife: The Oxford Handbook of Indigenous American Literature James H. Cox, Daniel Heath Justice, 2014-07-31 Over the course of the last twenty years, Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual, cultural, political, historical, and tribal nation contexts from which these Indigenous literatures emerge. The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field. The Handbook's forty-three essays, organized into four sections, cover oral traditions, poetry, drama, non-fiction, fiction, and other forms of Indigenous American writing from the seventeenth through the twenty-first century. Part I attends to literary histories across a range of communities, providing, for example, analyses of Inuit, Chicana/o, Anishinaabe, and Métis literary practices. Part II draws on earlier disciplinary and historical contexts to focus on specific genres, as authors discuss Indigenous non-fiction, emergent trans-Indigenous autobiography, Mexicanoh and Spanish poetry, Native drama in the U.S. and Canada, and even a new Indigenous children's literature canon. The third section delves into contemporary modes of critical inquiry to expound on politics of place, comparative Indigenism, trans-Indigenism, Native rhetoric, and the power of Indigenous writing to communities of readers. A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory, the Red Atlantic, the far North, Yucatán, Amerika Samoa, and Francophone Quebec. Together, the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date. It is the first to fully take into account the last twenty years of recovery and scholarship, and the first to most significantly address the diverse range of texts, secondary archives, writing traditions, literary histories, geographic and political contexts, and critical discourses in the field.

almighty voice and his wife: Critical Collaborations Smaro Kamboureli, Christl Verduyn, 2014-05-28 Critical Collaborations: Indigeneity, Diaspora, and Ecology in Canadian Literary Studies is the third volume of essays produced as part of the TransCanada conferences project. The essays gathered in Critical Collaborations constitute a call for collaboration and kinship across disciplinary, political, institutional, and community borders. They are tied together through a simultaneous call for resistance—to Eurocentrism, corporatization, rationalism, and the fantasy of total systems of knowledge—and a call for critical collaborations. These collaborations seek to forge connections without perceived identity—linking concepts and communities without violating the differences that constitute them, seeking epistemic kinships while maintaining a willingness to not-know. In this way,

they form a critical conversation between seemingly distinct areas and demonstrate fundamental allegiances between diasporic and indigenous scholarship, transnational and local knowledges, legal and eco-critical methodologies. Links are forged between Indigenous knowledge and ecological and social justice, creative critical reading, and ambidextrous epistemologies, unmaking the nation through translocalism and unsettling histories of colonial complicity through a poetics of relation. Together, these essays reveal how the critical methodologies brought to bear on literary studies can both challenge and exceed disciplinary structures, presenting new forms of strategic transdisciplinarity that expand the possibilities of Canadian literary studies while also emphasizing humility, complicity, and the limits of knowledge.

Indigenous Poetics in Canada broadens the way in which Indigenous poetry is examined, studied, and discussed in Canada. Breaking from the parameters of traditional English literature studies, this volume embraces a wider sense of poetics, including Indigenous oralities, languages, and understandings of place. Featuring work by academics and poets, the book examines four elements of Indigenous poetics. First, it explores the poetics of memory: collective memory, the persistence of Indigenous poetic consciousness, and the relationships that enable the Indigenous storytelling process. The book then explores the poetics of performance: Indigenous poetics exist both in written form and in relation to an audience. Third, in an examination of the poetics of place and space, the book considers contemporary Indigenous poetry and classical Indigenous narratives. Finally, in a section on the poetics of medicine, contributors articulate the healing and restorative power of Indigenous poetry and narratives.

almighty voice and his wife: The Wild Frontier Pierre Berton, 2012-06-19 Canada's wild frontier—a land unsettled and unknown, a land of appalling obstacles and haunting beauty—comes to life through seven remarkable individuals, including John Jewitt, the young British seaman who became a slave to the Nootka Indians; Dr. Wilfred Grenfell, the eccentric missionary; Sam Steele, the most famous of all Mounted Policemen; and Isaac Jorges, the 17th-century priest who courted martyrdom. Many of the stories of these figures read like the wildest of fiction: Cariboo Cameron, who, after striking it rich in B.C., pickled his wife's body in alcohol and gave her three funerals; Mina Hubbard, the young widow who trekked across the unexplored heart of Labrador as an act of revenge; and Almighty Voice, the renegade Cree, who was the key figure in the last battle between white men and Aboriginals in North America.
