margaret s unicorn: A Dictionary of Suffolk Crests Joan Corder, 1998 A record of crests of Suffolk and Norfolk families arranged by charge or object, covering 600 years and c.8,000 names. This volume offers a comprehensive guide to the heraldry of Suffolk over more than six centuries, covering around 8,000 names and acting as a companion to the earlier Dictionary of Suffolk Arms(1965). It is the first attempt to produce an Ordinary of crests, a classification by charge or object using standardised groupings, arranged in such a manner that they may be readily identified when the name of the bearer is unknown; the usual arrangement is alphabetical by name, an Armory. Although it relates specifically to Suffolk, many crests relating to Norfolk families are given, the two counties having always been closely connected heraldically and genealogically. The book will be of interest for all those interested in heraldry and, on a wider level, act as a handbook for the identification of crests when borne alone, on artefacts ranging from signet rings and silverware to pub signs and school uniform crests. JOAN CORDER, the author of a Dictionary of Suffolk Arms, is an independent scholar and recognised authority on East Anglian heraldry.

Metropolitan Museum of Art, 2012-10-09 The present volume, Publications of The Metropolitan Museum of Art, 1964-2005, is a successor to a volume published by the Museum in 1965 entitled Publications of The Metropolitan Museum of Art, 1870-1964. These two bibliographic volumes endeavor to list all the known books, pamphlets, and serial publications bearing the Museum's imprint, and issued by the institution during the first 135 years of its existence (through June 2005). The first volume was compiled by Albert TenEyck Gardner, at the time an Associate Curator of American Paintings and Sculpture, and the present volume has been compiled from the Annual Reports issued by the Museum during the relevant years. Together the two volumes testify to the tremendous contributions made to knowledge by the curators and conservators of the Metropolitan and by the many other experts who have contributed to the Museum's exhibition catalogues. Various issues of the Bulletin emphasize the great sweep of the Museum's acquisitions during these years, and the exhibition catalogues--a number of them Alfred H. Barr Jr., Award or the George Wittenborn Award--testify to the continuity of the institution's dedicated program to enrich people's lives through knowledge of art. (This title was originally published in 2006.)
