Letters to a Fiction Writer Frederick Busch: Exploring the Intimate Dialogue Between Writer and Reader

letters to a fiction writer frederick busch open a unique window into the inner workings of one of America's most respected literary voices. Busch, known for his poignant storytelling and deep psychological insight, not only crafted memorable fiction but also engaged in an ongoing conversation about the art of writing itself. These letters, whether personal correspondence or public reflections, serve as a valuable resource for aspiring writers, literature enthusiasts, and anyone curious about the creative process behind storytelling.

Frederick Busch's letters reveal more than just the mechanics of writing; they offer a glimpse into the emotional landscape and intellectual rigor that shaped his fiction. In this article, we will delve into the significance of these letters, their impact on understanding Busch's legacy, and how they continue to inspire writers today.

Who Was Frederick Busch?

Before diving into the letters, it's important to contextualize Frederick Busch's place in the literary world. Busch (1941–2006) was an American novelist and short story writer celebrated for his nuanced characters and exploration of human vulnerability. His works often grappled with themes of family, identity, and moral ambiguity. Over his career, Busch penned numerous novels and stories that garnered critical acclaim for their emotional depth and stylistic elegance.

Besides his fiction, Busch was a dedicated teacher and mentor, influencing generations of writers through his role at institutions like the University at Buffalo. His letters, many of which were exchanged with students, fellow writers, and editors, offer a rich dialogue about the craft of fiction writing.

The Importance of Letters in Understanding a Writer's Craft

Letters as a Window Into Creativity

When we think about literature, the finished novel or story is usually what comes to mind. However, letters to a fiction writer Frederick Busch reveal the often messy, uncertain, and deeply personal process behind those polished narratives. These correspondences show Busch wrestling with plot decisions, character development, and thematic concerns. They humanize the author, making his creative struggles relatable to writers facing their own challenges.

Understanding Busch's approach through his letters can demystify the writing process. It reminds us that even accomplished authors confront doubt, revision, and self-criticism. For readers and writers alike, this insight is invaluable because it encourages perseverance and honesty in creative work.

Mentorship and Advice Embedded in Correspondence

One of the most compelling aspects of Busch's letters is the mentorship they represent. As a teacher, he didn't just instruct in the abstract; he engaged directly with aspiring writers, offering tailored advice, encouragement, and constructive criticism. These exchanges provide practical tips on narrative voice, pacing, and character motivation.

For instance, Busch often emphasized the importance of emotional truth in fiction. He urged writers to dig beneath surface events to explore what truly moves people. His letters also underscore the necessity of discipline and routine, reminding readers that talent alone is insufficient without consistent effort.

Key Themes in Letters to a Fiction Writer Frederick Busch

The Role of Empathy in Storytelling

A recurring theme in Busch's letters is empathy—the capacity to understand and feel what characters experience. He believed that good fiction arises from the writer's ability to inhabit the lives of others fully. This empathetic engagement allows stories to resonate on a universal level, bridging the gap between writer, character, and reader.

In his advice, Busch often encouraged writers to avoid judgment or simplistic portrayals. Instead, he advocated for complexity and nuance, inviting writers to embrace contradictions within human nature.

The Balance Between Craft and Inspiration

Another fascinating insight from Busch's correspondence is his discussion of the balance between disciplined craft and spontaneous inspiration. He acknowledged that moments of inspiration are precious but fleeting, and the writer's job is to cultivate a rigorous practice that harnesses these flashes of creativity.

Busch's letters suggest that fiction writing is both an art and a craft—requiring intuition as well as technical skill. This duality is something he explored deeply, guiding writers to develop both aspects for more compelling narratives.

How Contemporary Writers Can Benefit from Busch's Letters

Learning from a Master's Process

For modern authors, reading letters to a fiction writer Frederick Busch offers a masterclass in persistence and self-reflection. Busch's openness about his own struggles with doubt and revision is a reminder that writing is a journey, not a destination.

By studying his process through these letters, writers can learn to embrace revision as an essential part of storytelling, rather than a sign of failure. Busch's example encourages patience and resilience, qualities every writer needs.

Inspiration for Developing One's Unique Voice

Busch's correspondence often touches on the importance of finding an authentic voice rather than imitating others. He urged writers to listen closely to their inner sensibilities and life experiences, which serve as the foundation for originality.

Aspiring writers can draw from Busch's letters the courage to trust their perspectives and experiment with style and form. His mentorship highlights that voice develops through risk-taking and self-discovery.

Where to Find Letters to a Fiction Writer

Frederick Busch

Many of Busch's letters have been published posthumously or included in collections focused on his work and literary influence. Readers interested in exploring these correspondences can look for volumes dedicated to his essays and letters, as well as archives held by universities where he taught.

Additionally, literary journals and anthologies sometimes feature excerpts of his letters, especially those offering insight into his teaching philosophy and storytelling techniques.

Recommended Collections and Resources

- **"Letters to a Fiction Writer"** – A collection that includes Busch's letters alongside commentary on the craft of fiction.
- **University Archives** – Institutions like the University at Buffalo preserve manuscripts and letters that provide context for Busch's career.
- **Literary Magazines** – Occasionally, magazines publish selected letters or essays by Busch reflecting on writing.

Exploring these resources can enrich a writer's understanding of Busch's approach and offer timeless lessons applicable to any stage of the writing journey.

Final Thoughts on Engaging with Frederick Busch's Letters

Engaging with letters to a fiction writer Frederick Busch is like sitting down for a candid conversation with a seasoned storyteller. The letters invite readers and writers into an intimate space where the complexities of creating fiction are laid bare. Busch's thoughtful reflections and heartfelt mentorship continue to resonate, underscoring the enduring power of the written word—not just in stories, but in the correspondence that shapes them.

Whether you are an emerging writer seeking guidance or a literature lover fascinated by the creative mind, these letters offer a treasure trove of wisdom and inspiration. They remind us that writing is a deeply human endeavor, one nurtured by connection, curiosity, and a relentless pursuit of truth in storytelling.

Frequently Asked Questions

What is 'Letters to a Fiction Writer' by Frederick Busch about?

Additional Resources

****Letters to a Fiction Writer Frederick Busch: An Analytical Exploration****

letters to a fiction writer frederick busch evoke a unique window into the

creative mind of one of America's most revered literary figures. Frederick Busch, known for his profound narrative style and deep exploration of human nature, left an indelible mark on contemporary fiction. His correspondence, particularly the letters addressed to or written by him, offers invaluable insights into the craft of writing, the struggles of a literary life, and the evolving art of storytelling. This article delves into the significance of these letters, examining their content, context, and contribution to the understanding of Busch's literary legacy.

The Significance of Letters in Understanding Frederick Busch's Work

Letters to a fiction writer Frederick Busch have become a subject of interest not only for literary scholars but also for aspiring writers and enthusiasts of American literature. Unlike formal essays or interviews, letters capture a candid, often raw, dimension of Busch's thoughts and personal reflections. These communications reveal the intimate relationship between the writer and his correspondents—be they editors, fellow authors, or students—and shed light on his creative process.

Busch's letters provide a nuanced perspective on the challenges of fiction writing, from grappling with narrative voice to confronting the discipline required to sustain a writing career. The letters also illustrate the evolution of his thematic concerns, such as mortality, identity, and the complexities of ordinary life, which permeate his novels and short stories.

Thematic Insights from Busch's Correspondence

One of the predominant themes emerging from letters to a fiction writer Frederick Busch is the tension between artistic integrity and commercial success. Busch often discussed the pressures of the publishing industry and the necessity of balancing personal vision with market realities. His reflections offer a rare glimpse into the compromises and convictions that shape the work of a professional novelist.

Additionally, the letters highlight Busch's dedication to exploring the human condition through fiction. His correspondence reveals a writer deeply engaged with questions of morality, existential doubt, and the search for meaning, which resonate through his narrative style. This focus distinguishes Busch's work within the broader landscape of late 20th-century American literature.

Contextualizing Frederick Busch's Letters: A

Historical and Literary Perspective

To fully appreciate the value of letters to a fiction writer Frederick Busch, it is essential to consider the historical and literary context in which they were written. Busch's career spanned several decades, a period marked by significant shifts in literary trends and publishing practices. His letters reflect the changing dynamics of the literary world—from the rise of postmodernism to the increasing commercialization of literature.

Moreover, Busch's personal experiences, including his teaching career and family life, frequently surfaced in his letters, enriching the understanding of his fiction. His role as a mentor and educator is evident, as he often provided thoughtful advice and encouragement to younger writers, reinforcing his influence on subsequent generations.

Comparative Analysis: Busch's Letters vs. Other Literary Correspondences

When compared to the letters of other notable fiction writers such as Flannery O'Connor or James Baldwin, Busch's correspondence stands out for its introspective and pragmatic tone. While O'Connor's letters are often imbued with theological fervor and Baldwin's with social activism, Busch's writings lean toward an examination of craft and the writer's internal struggles.

This comparative lens helps underscore the uniqueness of Busch's voice within American letters. His letters serve as a bridge between the personal and the professional, blending mentorship with candid discussions about the hardships inherent in the pursuit of literary excellence.

Features of Letters to a Fiction Writer Frederick Busch

Several distinctive features characterize letters to a fiction writer Frederick Busch, making them a rich resource for literary analysis:

- **Authenticity:** The informal nature of letters allows Busch to express unfiltered thoughts, revealing vulnerabilities and doubts rarely visible in polished essays or public interviews.
- **Pedagogical Value:** Many letters contain practical advice on writing techniques, narrative construction, and character development, serving as an informal guidebook for writers.
- **Emotional Depth:** Busch's letters often touch on personal struggles with

health, loss, and creative frustration, adding emotional layers to his public persona.

- **Historical Documentation:** They provide firsthand accounts of the literary climate of the late 20th century, including industry challenges and trends.

Pros and Cons of Using Busch's Letters as a Literary Resource

As with any primary source, letters to a fiction writer Frederick Busch come with both advantages and limitations.

- **Pros:**

- Offer intimate access to the writer's mindset and creative philosophy.
- Enrich understanding of Busch's narrative themes and stylistic choices.
- Serve as inspiration and practical guidance for emerging writers.

- **Cons:**

- May lack the comprehensive scope of formal essays or critical works.
- Contextual nuances sometimes require additional research for full interpretation.
- Emotional tone might skew objectivity in literary analysis.

Integrating Letters to a Fiction Writer Frederick Busch into Literary Studies

For scholars and students, incorporating letters to a fiction writer Frederick Busch into literary curricula or research projects offers a

multidimensional approach to studying his oeuvre. These letters facilitate a deeper engagement with Busch's methodology and thematic preoccupations, enhancing textual analysis of his novels and stories.

Furthermore, the letters can be used to trace the development of specific works, revealing the iterative nature of Busch's writing process. This integration enriches the discourse on American fiction, positioning Busch as a pivotal figure whose personal writings complement his published works.

Recommendations for Further Exploration

To maximize the value of Busch's correspondence, researchers might consider:

1. Comparative studies with letters of contemporaneous authors to highlight distinct literary philosophies.
2. Contextual analysis linking specific letters to corresponding published works.
3. Examination of Busch's mentorship role through letters to emerging writers.
4. Utilizing digital archives and collections that preserve Busch's correspondence for accessible scholarship.

Engaging with letters to a fiction writer Frederick Busch not only illuminates the complexities of his literary journey but also enriches the broader narrative of American fiction writing. Through these personal communications, readers and writers alike gain a more profound appreciation of the craft and the enduring human concerns that drive storytelling.

letters to a fiction writer frederick busch: Letters to a Fiction Writer Frederick Busch, 2000 Contributors include Lee K. Abbott, Charles Baxter, Ray Bradbury, Raymond Carver, Shelby Foote, John Gardner, Joyce Carol Oates, John Updike, Tobias Wolff, and Flannery O'Connor, among others.

letters to a fiction writer frederick busch: The Stories of Frederick Busch Frederick

Busch, 2014 A selection of short stories from a twentieth-century "American master" (Dan Cryer, *Newsday*). A contemporary of Ann Beattie and Tobias Wolff, Frederick Busch was a master craftsman of the form; his subjects were single-event moments in so-called ordinary life. The stories in this volume, selected by Pulitzer Prize winner Elizabeth Strout, are tales of families trying to heal their wounds, save their marriages, and rescue their children. In *Ralph the Duck*, a security guard struggles to hang on to his marriage. In *Name the Name*, a traveling teacher attends to students outside the school, including his own son, locked in a country jail. In Busch's work, we are reminded that we have no idea what goes on behind closed doors or in the mind of another. In the words of Raymond Carver, With astonishing felicity of detail, Busch presents us with a world where real things are at stake—and sometimes, as in the real world, everything is risked. From his first volume, *Hardwater Country* (1974), to his most recent, *Rescue Missions* (2006), this volume selects thirty stories from an American master (Dan Cryer, *Newsday*), showcasing a body of work that is sure to shape American fiction for generations to come.

letters to a fiction writer frederick busch: The Modern Library Writer's Workshop

Stephen Koch, 2003-04-01 "Make [your] characters want something right away—even if it's only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time." —Kurt Vonnegut "'The cat sat on the mat' is not the beginning of a story, but 'the cat sat on the dog's mat' is." —John Le Carré Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you can't get Vladimir Nabokov, Virginia Woolf, and Gabriel García Márquez together at the Algonquin, The Modern Library Writer's Workshop gives you the next best thing. Stephen Koch, former chair of Columbia University's graduate creative writing program, presents a unique guide to the craft of fiction. Along with his own lucid observations and commonsense techniques, he weaves together wisdom, advice, and inspiring commentary from some of our greatest writers. Taking you from the moment of inspiration (keep a notebook with you at all times), to writing a first draft (do it quickly! you can always revise later), to figuring out a plot (plot always serves the story, not vice versa), Koch is a benevolent mentor, glad to dispense sound advice when you need it most. The Modern Library Writer's Workshop belongs on every writer's shelf, to be picked up and pored over for those moments when the muse needs a little help finding her way.

letters to a fiction writer frederick busch: Advice to the Writer Stephen Koch, 2014-02-25

From Stephen Koch, former chair of Columbia University's graduate creative writing program, comes essential and practical advice drawn from The Modern Library Writer's Workshop. With nearly thirty years of teaching experience, Stephen Koch has earned a reputation as an astute and benevolent mentor; and with *Advice to the Writer*, his lucid observations and commonsense techniques have never been more accessible. Here Koch dispenses sound guidance for those moments when the muse needs a little help finding her way: in "Shaping the Story," he untangles plot; in "Working and Reworking," he explains the most teachable (yet least often taught) of all writerly skills: revision; and in "The Story of the Self," he delves into autobiography. Featuring handpicked commentary from some of our greatest authors, *Advice to the Writer* is a unique introduction to this maddening and intoxicating pursuit. Praise for Stephen Koch's The Modern Library Writer's Workshop "An extraordinarily comprehensive and practical work by a master craftsman and a master analyst of the craft."—Madison Smartt Bell, author of *All Souls' Rising* and *Anything Goes* "Stephen Koch was my teacher long ago. Now he is everyone's teacher, indelibly. This is a book not just for the beginning writer but for every writer."—Martha McPhee, author of the National Book Award nominee *Gorgeous Lies* "The Modern Library Writer's Workshop is a treasure trove of wisdom, both immensely practical and philosophical, entertaining and thought-provoking. Koch takes us inside the writing process, and it is impossible not to emerge transformed."—Joanna Hershon, author of *Swimming*

letters to a fiction writer frederick busch: Encyclopedia of the American Novel Abby H.

P. Werlock, 2015-04-22 Praise for the print edition: ... no other reference work on American fiction brings together such an array of authors and texts as this.

letters to a fiction writer frederick busch: Contemporary American Women Fiction

Writers Laurie Champion, Rhonda Austin, 2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction, particularly in the decades since World War II. Recent authors have benefited from the struggles of their predecessors, who broke through barriers that denied women opportunities for self-expression. This reference highlights American women writers who continue to build upon the formerly male-dominated canon. Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II. Each entry is written by an expert contributor and includes: ^L^DBLA brief biography^L^DBLA discussion of major works and themes^^DBLA survey of the writer's critical reception^L^DBLA bibliography of primary and secondary sources

letters to a fiction writer frederick busch: The Letters of Flannery O'Connor and

Caroline Gordon Christine Flanagan, 2018-10 This girl is a real novelist, wrote Caroline Gordon about Flannery O'Connor upon being asked to review a manuscript of O'Connor's first novel, *Wise Blood*. She is already a rare phenomenon: a Catholic novelist with a real dramatic sense, one who relies more on her technique than her piety. This collection of letters and other documents offers the most complete portrait of the relationship between two of the American South's most acclaimed twentieth-century writers: Flannery O'Connor and Caroline Gordon. Gordon (1895-1981) had herself been a protégée of an important novelist, Ford Madox Ford, before publishing nine novels and three short story collections of her own, most notably, *The Forest of the South* and *Old Red and Other Stories*, and she would offer insights and friendship to O'Connor during almost all of O'Connor's career. As revealed in this collection of correspondence, Gordon's thirteen-year friendship with O'Connor (1925-64) and the critiques of O'Connor's fiction that she wrote during this time not only fostered each writer's career but occasioned a remarkable series of letters full of insights about the craft of writing. Gordon, a more established writer at the start of their correspondence, acted as a mentor to the younger O'Connor and their letters reveal Gordon's strong hand in shaping some of O'Connor's most acclaimed work, including *Wise Blood*, *A Good Man Is Hard to Find*, and *The Displaced Person*.

letters to a fiction writer frederick busch: Writing Alone and with Others

Pat Schneider, 2003-08-28 For more than a quarter of a century, Pat Schneider has helped writers find and liberate their true voices. She has taught all kinds--the award winning, the struggling, and those who have been silenced by poverty and hardship. Her innovative methods have worked in classrooms from elementary to graduate level, in jail cells and public housing projects, in convents and seminaries, in youth at-risk programs, and with groups of the terminally ill. Now, in *Writing Alone and with Others*, Schneider's acclaimed methods are available in a single, well-organized, and highly readable volume. The first part of the book guides the reader through the perils of the solitary writing life: fear, writer's block, and the bad habits of the internal critic. In the second section, Schneider describes the Amherst Writers and Artists workshop method, widely used across the U.S. and abroad. Chapters on fiction and poetry address matters of technique and point to further resources, while more than a hundred writing exercises offer specific ways to jumpstart the blocked and stretch the rut-stuck. Schneider's innovative teaching method will refresh the experienced writer and encourage the beginner. Her book is the essential owner's manual for the writer's voice.

letters to a fiction writer frederick busch: The Writer's Book of Hope

Ralph Keyes, 2003-10-01 In 1889, the editor of the *San Francisco Examiner*, having accepted an article from Rudyard Kipling, informed the author that he should not bother to submit any more. This isn't a kindergarten for amateur writers, the editor wrote. I'm sorry, Mr. Kipling, but you just don't know how to use the English language. A century later, John Grisham was turned down by sixteen agents before he found representation-and it was only after Hollywood showed an interest in *The Firm* that publishers began to take him seriously. The anxiety of rejection is an inevitable part of any writer's development. In this book, Ralph Keyes turns his attention from the difficulty of putting pen to paper-the subject of his acclaimed *The Courage to Write* -to the frustration of getting the product to

the public. Inspiration isn't nearly as important to the successful writer, he argues, as tenacity, and he offers concrete ways to manage the struggle to publish. Drawing on his long experience as a writer and teacher of writing, Keyes provides new insight into the mind-set of publishers, the value of an agent, and the importance of encouragement and hope to the act of authorial creation.

letters to a fiction writer frederick busch: *A Dangerous Profession* Frederick Busch, 1999-11-02 Frederick Busch has a voracious appetite for reading and writing great literature. *A Dangerous Profession* explores this passion in a series of thoughtful, funny, insightful essays on topics ranging from books encountered during his boyhood in Brooklyn to the etiquette of literary critique learned once he had become a published author. Vividly describing his career's growth as he coped with financial insecurity and scavenged for private writing spaces (such as his bathroom), Busch's lovingly written memoir also encompasses the quirky hardships encountered by his heroes, who include Dickens, Melville, Hemingway, and Graham Greene. This affectionate and inspiring tribute to those who live the writing life is also a celebration of nineteenth- and twentieth-century literature at its finest. Copyright © Libri GmbH. All rights reserved.

letters to a fiction writer frederick busch: *Wonderlands* Charles Baxter, 2022-07-12 Searching and erudite new essays on writing from the author of *Burning Down the House*. Charles Baxter's new collection of essays, *Wonderlands*, joins his other works of nonfiction, *Burning Down the House* and *The Art of Subtext*. In the mold of those books, Baxter shares years of wisdom and reflection on what makes fiction work, including essays that were first given as craft talks at the Bread Loaf Writers' Conference. The essays here range from brilliant thinking on the nature of wonderlands in the fiction of Haruki Murakami and other fabulist writers, to how request moments function in a story. Baxter is equally at home tackling a thorny matter such as charisma (which intersects with political figures like the disastrous forty-fifth US president) as he is bringing new interest to subjects such as list-making in fiction. Amid these craft essays, an interlude of two personal essays—the story of a horrifying car crash and an introspective “letter to a young poet”—add to the intimate nature of the book. The final essay reflects on a lifetime of writing, and closes with a memorable image of Baxter as a boy, waiting at the window for a parent who never arrives and filling that absence with stories. *Wonderlands* will stand alongside his prior work as an insightful and lasting work of criticism.

letters to a fiction writer frederick busch: *North* Frederick Busch, 2006 Returning from his Carolina coast security job to upstate New York, Jack, haunted by memories of his dead wife and child, is hired to search for a lawyer's missing nephew, a search that brings Jack into the dark underworld of his hometown. By the author of *Girls* and *A Memory of War*. Reader's Guide included. Reprint. 40,000 first printing.

letters to a fiction writer frederick busch: *The Writer's Reader* Robert Cohen, Jay Parini, 2017-01-12 Brings together both classic and less well-known essays by major writers, past and present, on the vocation and craft of writing.

letters to a fiction writer frederick busch: *The Age of the Crisis of Man* Mark Greif, 2016-11-08 Introduction: the crisis of man as obscurity and re-enlightenment -- Currents through the War -- The end of the War and after -- Transmission -- Criticism and the literary crisis of man -- Studies in fiction -- Saul Bellow and Ralph Ellison: man and history, the questions -- Ralph Ellison and Saul Bellow: history and man, the answers -- Flannery O'Connor and faith -- Thomas Pynchon and technology -- Transmutation -- The Sixties as big bang -- Universal philosophy and antihumanist theory -- Conclusion: moral history and the twentieth century.

letters to a fiction writer frederick busch: *The Night Inspector* Frederick Busch, 2000-05-02 An immensely powerful story, *The Night Inspector* follows the extraordinary life of William Bartholomew, a maimed veteran of the Civil War, as he returns from the battlefields to New York City, bent on reversing his fortunes. It is there he meets Jessie, a Creole prostitute who engages him in a venture that has its origins in the complexities and despair of the conflict he has left behind. He also befriends a deputy inspector of customs named Herman Melville who, largely forgotten as a writer, is condemned to live in the wake of his vanished literary success and in the turmoil of his

fractured family. Delving into the depths of this country's heart and soul, Frederick Busch's stunning novel is a gripping portrait of a nation trying to heal from the ravages of war--and of one man's attempt to recapture a taste for life through the surging currents of his own emotions, ambitions, and shattered conscience.

letters to a fiction writer frederick busch: Letters to J. D. Salinger Chris Kubica, Will Hochman, 2012-11 He published his only novel more than fifty years ago. He has hardly been seen or heard from since 1965. Most writers fitting such a description are long forgotten, but if the novel is *The Catcher in the Rye* and the writer is J. D. Salinger . . . well, he's the stuff of legends, the most famously reclusive writer of the twentieth century. If you could write to him, what would you say? Salinger continues to maintain his silence, but Holden Caulfield, Franny and Zooey, and Seymour Glass--the unforgettable characters of his novel and short stories--continue to speak to generations of readers and writers. *Letters to Salinger* includes more than 150 personal letters addressed to Salinger from well-known writers, editors, critics, journalists, and other luminaries, as well as from students, teachers, and readers around the world, some of whom have just discovered Salinger for the first time. Their voices testify to the lasting impressions Salinger's ideas and emotions have made on so many diverse lives. Contributors include Marvin Bell, Frederick Busch, Stephen Collins, Nicholas Delbanco, Warren French, Herbert Gold, W. P. Kinsella, Molly McQuade, Stewart O'Nan, Robert O'Connor, Ellis Paul, Molly Peacock, Sanford Pinsker, George Plimpton, Gerald Rosen, Sid Salinger, David Shields, Joseph Skibell, Melanie Rae Thon, Alma Luz Villanueva, Katharine Weber, and many others

letters to a fiction writer frederick busch: A View from the Loft , 1999

letters to a fiction writer frederick busch: *Girls* Frederick Busch, 2011-08-10 A New York Times Notable Book In the unrelenting cold and bitter winter of upstate New York, Jack and his wife, Fanny, are trying to cope with the desperate sorrow they feel over the death of their young daughter. The loss forms a chasm in their relationship as Jack, a sardonic Vietnam vet, looks for a way to heal them both. Then, in a nearby town, a fourteen-year-old girl disappears somewhere between her home and church. Though she is just one of the hundreds of children who vanish every year in America, Jack turns all his attention to this little girl. For finding what has become of this child could be Jack's salvation--if he can just get to her in time. . . .

letters to a fiction writer frederick busch: *Don't Tell Anyone* Frederick Busch, 2000 A collection of short stories explores the connections among people and asks why some succeed and others do not.

letters to a fiction writer frederick busch: A Memory of War Frederick Busch, 2003 As the novel unfolds into a romance set in England's Lake District in wartime, Frederick Busch reveals how the past presses in upon the present.--BOOK JACKET.
