The SHRM Essential Guide to Employment Law

the shrm essential guide to employment law serves as a crucial resource for HR professionals, business leaders, and anyone involved in managing workforce relations. Navigating the complex landscape of employment law can often feel overwhelming, with ever-changing regulations and legal nuances that impact hiring, workplace policies, employee rights, and compliance measures. This guide aims to demystify key aspects of employment law, providing practical insights and valuable tips that align with SHRM's trusted expertise.

Whether you're a small business owner trying to understand your legal obligations or an HR practitioner seeking to stay current on labor laws, the SHRM essential guide to employment law offers a comprehensive look at the fundamentals and emerging trends. Let's dive into some of the critical areas that shape today's employment law environment.

Understanding Employment Law Basics

Employment law covers a wide range of statutes, regulations, and case law designed to govern the employer-employee relationship. It protects the rights of workers while outlining the responsibilities of employers to maintain fair and lawful workplaces.

Key Employment Laws to Know

Some of the foundational laws every employer should be familiar with include:

- **The Fair Labor Standards Act (FLSA):** Establishes minimum wage, overtime pay, and child labor provisions.
- **The Civil Rights Act of 1964 (Title VII):** Prohibits discrimination based on race, color, religion, sex, or national origin.
- **The Americans with Disabilities Act (ADA):** Requires reasonable accommodations for qualified employees with disabilities.
- **The Family and Medical Leave Act (FMLA):** Provides eligible employees with unpaid, job-protected leave for family or medical reasons.
- **The Occupational Safety and Health Act (OSHA):** Ensures safe and healthful working conditions.

These laws form the backbone of employment compliance and serve as reference points throughout the SHRM essential guide to employment law.

Hiring and Onboarding: Legal Considerations

Recruitment and onboarding processes are critical stages where understanding employment law can prevent costly mistakes and lawsuits. Employers must ensure that hiring practices are free from discrimination and bias, while also adhering to documentation and verification requirements.

Anti-Discrimination in Hiring

The SHRM essential guide to employment law emphasizes the importance of equal employment opportunity (EEO) principles. Employers should avoid questions or criteria that could be construed as

discriminatory. For example, inquiries about age, marital status, or disabilities before a job offer can violate federal laws.

Background Checks and Verification

Background screenings are common but must be handled carefully. The Fair Credit Reporting Act (FCRA) requires employers to obtain written consent before conducting background checks and to notify candidates if adverse actions are taken based on the results. This section of the guide offers tips on maintaining compliance and protecting candidate privacy.

Workplace Policies and Employee Rights

Once employees are on board, establishing clear policies is essential to foster a respectful and legally compliant work environment. The SHRM essential guide to employment law highlights key areas for policy development and enforcement.

Creating Employee Handbooks

An employee handbook should clearly communicate company rules, expectations, and legal rights. It often includes policies on harassment prevention, attendance, dress code, and disciplinary procedures. Importantly, the handbook should be regularly updated to reflect changes in employment law and reviewed by legal counsel.

Addressing Harassment and Discrimination

Workplace harassment remains a significant concern. The guide stresses the necessity of

implementing robust anti-harassment policies, conducting training sessions, and establishing clear reporting mechanisms. Prompt investigation and appropriate corrective action help mitigate risks and cultivate a safe work culture.

Wage and Hour Compliance

Payroll and classification issues frequently trip up employers. Understanding the difference between exempt and non-exempt employees under the FLSA is vital to avoid wage and hour violations. Employers must track hours accurately and pay overtime when applicable, as underscored in the SHRM essential guide to employment law.

Handling Employee Leaves and Accommodations

Managing leaves of absence and workplace accommodations requires sensitivity and adherence to legal mandates. The SHRM guide provides detailed explanations to help employers navigate these often complex areas.

Family and Medical Leave Act (FMLA)

Eligible employees can take up to 12 weeks of unpaid leave for qualifying reasons such as childbirth, adoption, or serious health conditions. Employers must understand eligibility criteria, notice requirements, and return-to-work obligations to remain compliant and supportive.

Reasonable Accommodations under the ADA

Employers must engage in an interactive process to provide reasonable accommodations for

employees with disabilities. This might include modifying work schedules, providing assistive devices, or altering job duties. The guide emphasizes documentation and good-faith communication to avoid discrimination claims.

Workplace Safety and Compliance

A safe workplace is not only a legal requirement but also vital for employee morale and productivity. The SHRM essential guide to employment law explores how compliance with OSHA standards and proactive safety measures benefit organizations.

OSHA Regulations and Employer Responsibilities

Employers must provide training, maintain records of workplace injuries, and comply with specific industry safety standards. Regular audits and employee involvement in safety programs enhance compliance and reduce risks.

Addressing Workplace Violence

Zero-tolerance policies toward violence and harassment are critical. The guide recommends developing response plans and training employees on recognizing and reporting threats promptly.

Responding to Employee Discipline and Termination

Disciplinary actions and terminations are sensitive processes that require careful adherence to employment law to avoid potential lawsuits such as wrongful termination or retaliation claims.

Progressive Discipline and Documentation

Employers are encouraged to adopt progressive discipline approaches, clearly documenting performance issues and corrective steps. This documentation serves as crucial evidence if disputes arise.

Legal Considerations in Termination

Terminating an employee must be conducted fairly and in compliance with employment contracts, anti-discrimination laws, and state-specific regulations. The SHRM essential guide to employment law advises conducting exit interviews and finalizing paperwork properly to protect both parties.

Staying Current with Employment Law Changes

Employment law is dynamic, with frequent updates at federal, state, and local levels. The SHRM essential guide to employment law stresses the importance of continuous education and monitoring legislative developments.

Subscribing to trusted HR resources, attending workshops, and consulting legal professionals can help employers stay ahead. Leveraging SHRM's tools and compliance resources also ensures policies and practices remain aligned with current standards.

Employment law can seem daunting, but with resources like the SHRM essential guide to employment law, employers and HR professionals are better equipped to manage legal risks and foster positive workplace environments. Applying these principles thoughtfully helps build trust, fairness, and long-term success in any organization.

Frequently Asked Questions

What is the primary focus of the SHRM Essential Guide to Employment Law?

The SHRM Essential Guide to Employment Law primarily focuses on providing HR professionals and managers with clear, practical information on key employment laws and regulations to ensure compliance and reduce legal risks in the workplace.

Who is the intended audience for the SHRM Essential Guide to Employment Law?

The guide is intended for HR professionals, managers, business owners, and anyone involved in handling employment-related matters within an organization.

How does the SHRM Essential Guide to Employment Law help with compliance?

The guide helps organizations comply with federal, state, and local employment laws by explaining legal requirements, outlining best practices, and providing actionable advice to prevent violations and manage employee relations effectively.

Does the SHRM Essential Guide to Employment Law cover recent changes in employment legislation?

Yes, the guide is regularly updated to reflect recent changes in employment laws and regulations, ensuring that readers have access to the most current legal information relevant to workplace compliance.

What types of employment laws are covered in the SHRM Essential Guide to Employment Law?

The guide covers a wide range of employment laws including anti-discrimination laws, wage and hour regulations, family and medical leave, workplace safety, employee privacy, and labor relations.

Can the SHRM Essential Guide to Employment Law be used as a training tool?

Yes, the guide is often used as a training resource for HR teams and managers to educate them about employment law fundamentals and help them apply legal concepts in day-to-day HR operations.

Does the SHRM Essential Guide to Employment Law provide sample policies or forms?

The guide typically includes sample policies, forms, and checklists that organizations can adapt to their specific needs to maintain compliance and standardize HR practices.

How does the SHRM Essential Guide to Employment Law address employee rights?

The guide outlines employee rights under various federal and state laws, helping employers understand their obligations while also ensuring that employees are treated fairly and legally in the workplace.

Is the SHRM Essential Guide to Employment Law useful for small businesses?

Yes, the guide is valuable for small businesses as it simplifies complex employment laws and provides practical guidance tailored to organizations of all sizes, helping small employers navigate legal requirements effectively.

Additional Resources

The SHRM Essential Guide to Employment Law: Navigating Complex Workforce Regulations

the shrm essential guide to employment law serves as a critical resource for HR professionals, business leaders, and legal practitioners seeking a comprehensive understanding of the evolving landscape of employment regulations. As workplace laws become increasingly intricate and enforcement more rigorous, the Society for Human Resource Management (SHRM) has positioned itself as a pivotal authority by distilling complex legislation into actionable guidance. This article delves into the core components of the SHRM essential guide to employment law, exploring its relevance, practical applications, and the key legal frameworks it addresses.

Understanding the SHRM Essential Guide to Employment Law

The SHRM essential guide to employment law is designed to bridge the gap between legal jargon and practical HR implementation. It offers an analytical perspective on federal and state employment statutes, focusing on compliance and risk mitigation strategies. Unlike generic legal resources, SHRM's guide contextualizes employment laws within typical workplace scenarios, making it an indispensable tool for HR professionals who must balance legal mandates with organizational culture and operational realities.

This guide covers a broad spectrum of employment law topics, including anti-discrimination statutes, wage and hour regulations, employee classification, workplace safety, and employee rights. Its comprehensive nature ensures that readers not only understand the letter of the law but also grasp its implications for policy development and dispute resolution.

Key Features and Benefits

One of the most valuable aspects of the SHRM essential guide to employment law is its clear

articulation of compliance requirements under major federal laws such as the Fair Labor Standards Act (FLSA), the Family and Medical Leave Act (FMLA), the Americans with Disabilities Act (ADA), and Title VII of the Civil Rights Act. The guide offers detailed explanations of each law's scope, enforcement mechanisms, and recent amendments, which is crucial given the dynamic nature of employment legislation.

Additionally, the guide integrates best practices for drafting employee handbooks, conducting internal investigations, and managing disciplinary actions in a legally sound manner. It also highlights common pitfalls that organizations encounter, such as misclassifying employees or failing to accommodate disabilities, providing case studies and practical checklists that enhance understanding.

Employment Law Compliance: Challenges and Considerations

Navigating employment law is fraught with challenges, particularly as regulatory frameworks evolve to address emerging workplace trends such as remote work, gig economy roles, and increased focus on diversity and inclusion. The SHRM essential guide to employment law addresses these complexities by offering up-to-date insights and proactive strategies.

Anti-Discrimination and Harassment Laws

Among the most critical areas covered is compliance with anti-discrimination laws enforced by the Equal Employment Opportunity Commission (EEOC). The guide emphasizes the necessity of understanding protected classes, which include race, gender, religion, age, disability, and more recently, sexual orientation and gender identity. It provides detailed analysis on how to prevent workplace harassment and handle complaints effectively, outlining employer obligations to maintain a harassment-free environment.

Wage and Hour Laws

The FLSA governs minimum wage, overtime pay, and recordkeeping requirements. The SHRM essential guide to employment law breaks down the complexities of employee classification — exempt versus non-exempt — and the legal consequences of misclassification, which remains a significant compliance risk. The guide also addresses state-level wage laws that may impose stricter standards, underscoring the importance of multi-jurisdictional awareness.

Family and Medical Leave

The Family and Medical Leave Act is another cornerstone of employment law covered extensively. SHRM's guide clarifies eligibility criteria, covered reasons for leave, and the interplay between federal FMLA and state-specific family leave laws. This is especially vital for organizations operating across multiple states, where leave entitlements and documentation requirements can vary considerably.

Integrating Employment Law into HR Practices

Effective human resources management relies heavily on a thorough understanding of employment law. The SHRM essential guide to employment law offers actionable recommendations for embedding legal compliance into HR processes, from recruitment to termination.

Recruitment and Hiring

The guide highlights legal considerations in job postings, interviewing techniques, and background checks, ensuring that employers do not inadvertently engage in discriminatory hiring practices. It stresses the importance of consistent application of selection criteria and documentation to defend against potential claims.

Employee Relations and Discipline

When managing employee performance and discipline, adherence to employment law can prevent costly litigation. The guide advises on progressive discipline policies, proper documentation, and conducting impartial investigations. It also explores the legal ramifications of wrongful termination and constructive discharge claims.

Training and Development

Ongoing education about employment laws is vital for HR teams and managers. The SHRM essential guide to employment law encourages organizations to implement training programs that cover harassment prevention, diversity awareness, and compliance updates to foster a legally compliant workplace culture.

Emerging Trends and Future Outlook

Employment law continues to evolve in response to societal changes and technological advancements. The SHRM essential guide to employment law is regularly updated to reflect these shifts, providing forward-looking analysis on issues such as:

- **Remote Work Regulations:** Addressing wage, safety, and privacy concerns arising from telecommuting arrangements.
- **Gig Economy Compliance:** Clarifying the classification of independent contractors versus employees amid increasing scrutiny.
- **Diversity, Equity, and Inclusion (DEI):** Navigating legal frameworks while promoting equitable

workplace practices.

- **Data Privacy:** Ensuring compliance with laws governing employee data protection in hiring and monitoring.

By staying abreast of these developments, HR professionals can anticipate compliance challenges and adapt policies proactively.

The SHRM essential guide to employment law stands as a foundational resource that empowers organizations to manage workforce risks effectively while fostering a fair and compliant workplace. Its blend of legal expertise, practical tools, and real-world applications makes it an indispensable reference in today's complex employment environment.

the shrm essential guide to employment law: Motivation-based Interviewing Carol Quinn, 2018-06-15 Hiring great talent takes more than checking qualifications - it requires uncovering who will truly excel. In *Motivation-based Interviewing*, hiring expert and popular keynote speaker Carol Quinn presents a proven approach for identifying top performers by evaluating not just skill, but also attitude toward overcoming obstacles and how passionate they are about achieving your goals - key indicators of long-term success. This definitive guide offers a reliable system to help interviewers expose subtle yet critical differences between average candidates and those who will thrive. With clear techniques and real-world insights, Quinn equips HR professionals, hiring managers and recruiters to make smarter, more confident hiring decisions. If your goal is to build a high-performance team, this book is your ultimate hiring handbook.

the shrm essential guide to employment law: The Price of Pettiness Alexander Alonso, 2019-06-21 Beyond the usual everyday annoyances and exasperations we all experience in the workplace, pettiness limits careers and opportunities on a broad scale and sometimes crosses the line into criminal behavior. Based on recent research conducted by SHRM, this groundbreaking book examines the seemingly limitless depths of workplace pettiness - as well as the remarkable

heights of creativity it seems to inspire in people - and delivers proven tools for anyone to spot pettiness and deal with it directly. In addition to revealing the root cause of pettiness and what can be done to eliminate it, Dr. Alonso also offers insights into the personal and organizational costs associated with petty behavior and shows how HR can be its most fierce adversary. But perhaps best of all, he shares some of the most incredible true stories about petty behavior in the workplace you'll ever read! Filled with unforgettable examples, this is essential reading for anyone ready to build a healthier, more productive workplace.

the shrm essential guide to employment law: Predicting Business Success Matt Betts, Shane Douthitt, Scott Mondore, Hannah Spell, 2018-06-08 HR leaders know people drive business results but often struggle to prove it with data. Predicting Business Success empowers HR professionals to move beyond basic metrics and directly connect talent data to the outcomes executives care about. This practical guide provides a step-by-step approach to scaling analytics organization-wide, making talent profiles predictive and using data to inform key areas such as hiring, onboarding, surveys and training. With actionable strategies for data collection and application, it shows how to embed analytics into everyday decision-making at every level. For HR teams looking to increase influence and drive measurable business impact, this book is an essential roadmap.

the shrm essential guide to employment law: Unquittable Jim Bitterle, 2020-06-26 Winning the war for talent takes more than good intentions. It takes strategy, commitment and execution. Unquittable is a no-nonsense, from-the-trenches guide to building talent practices that actually deliver results. Drawing on the author's experience helping hundreds of companies become more talent-minded, this book offers proven tools, techniques, and processes for hiring, developing and retaining great people. With laugh-out-loud stories that reveal both what works and what doesn't, readers will gain valuable insights into the personalities, pitfalls and breakthroughs involved in managing talent. Perfect for leaders and HR professionals alike, this engaging guide shows how even small changes can drive big results, without requiring a massive investment.

the shrm essential guide to employment law: The Inclusive, Empathetic, and Relational Supervisor Behnam Bakhshandeh, William J. Rothwell, Aileen G. Zaballero, 2024-06-13 Supervisors are the bridge between line employees and middle/upper management. Therefore, they must effectively communicate across the organization to be responsive and thoughtful leaders. With work being more global, organizations are taking advantage of remote work, and the workforce is now more diverse and decentralized, making the workplace more dynamic and complex. However, diversity can be one of the most controversial and least understood business topics because of the issues regarding quality, leadership, and ethics (Anand & Winters, 2008). An inclusive supervisor will ensure that their direct reports are treated fairly and respectfully but never made to feel less than anyone else. They will be a critical success factor in supporting the business case for diversity, equity, inclusion, and belonging (DEI&B) as a critical strategy in a globally competitive market. This book builds on the belief that people are the most valuable resource and that everyone should be treated with dignity and respect. The authors will provide tools to self-assess intrapersonal/interpersonal communication, develop a positive work environment, and evaluate listening skills. A list of competencies to be an effective communicator will be provided. Key concepts such as cross-cultural competence, generational cohort, critical race theory, emotional intelligence, emotional contagion, social exchange theory, and interpersonal competency will be explored. This book provides strategies for building solid relationships with team members; uses positivity as a foundational practice to lead and encourage other employees; provides guidelines on how to hold employees accountable and set high expectations; presents strategies to engage, coach, and develop employees by creating a positive environment to influence attitudes and behaviors; and offers various approaches for managing time and increasing productivity.

the shrm essential guide to employment law: Digital HR Deborah Waddill, 2018-06-08 It's an exciting time to be in HR as scores of technologies including AI, predictive modeling, real-time data analytics, HR shared service centers and others are being implemented at a rapid pace by HR

leaders around the world every day. Digital HR expertly addresses the revolutionary trends and disruptive technologies to provide HR executives, managers, specialists, generalists and students with a comprehensive and evidence-based guide to current technologies that enhance, enable, revitalize and empower Human Resources. With practical insight, real-world case studies, tips and tools, recommendations and additional resources, the author guides readers through each of the major technologies and addresses vital strategic and implementation issues. Designed for HR professionals and students at all levels, the book explores how these tools can enhance decision-making, streamline operations and create more agile, strategic HR functions.

the shrm essential guide to employment law: Teaching Nonprofit Management Karabi C. Bexboruah, Heather L. Carpenter, 2020-04-24 This peer-reviewed edited volume provides strategies and practices for teaching nonprofit management theories and concepts in the context of the undergraduate, graduate, and online classroom environments.

the shrm essential guide to employment law: Evaluating Instructional Coaching Sharon Thomas, Jim Knight, Michelle Harris, Ann Hoffman, 2021-10-07 A clear and comprehensive guide to evaluating and supporting instructional coaches and coaching programs, including how to recruit, hire, and retain effective coaches. With sound practices in place to evaluate coaching programs, instructional coaches will become better partners, teachers will become better mentors, and students will become better learners. Few evaluation systems are specifically geared toward coaching roles. Ensuring that school districts have accurate information about both coaches and coaching programs is crucial to guide improvement in supporting classrooms, as well as in ensuring accountability. With sound evaluation processes in place, districts can effectively evaluate instructional coaches and coaching programs and use data to set goals. Advance Praise for *Evaluating Instructional Coaching*: It has arrived! The ICG team has pulled through again with a much-needed guide, providing a thorough process from how to hire, evaluate, support, and retain instructional coaches. This book will empower school leaders to be partners with instructional coaches by providing meaningful evaluation tools and effective coaching programs. Readers will walk away with ideas on how to help coaches grow to best serve students and teachers in their schools. Thank you, ICG. We needed your research, knowledge, and most of all your humble approach on how best to support coaches and coaching programs! —Kelly Jacobs, District Instructional Coaching Coordinator, Lansing (Mich.) School District Instructional coaches devote their time to growing teachers. One way to support instructional coaches in their professional growth is to ensure an effective evaluation system is in place for them. This book gives leaders several things to consider as they define the coach's role, hire candidates, and put an evaluation process in place. —Michelle Lis, Coordinator, Instructional Coaching, Fairfax County (Va.) Public Schools A joint publication of ASCD and One Fine Bird Press.

the shrm essential guide to employment law: Humanizing Human Capital Solange Charas, Stela Lupushor, 2022-09-13 The work world is changing faster than ever before. Adapting to this new reality without a significant interruption in results is increasingly a top priority for all businesses. The key to thriving through disruption is understanding and practicing human capital strategies that will drive enterprise performance and value-creation. In *Humanizing Human Capital*, renowned business thought leaders Solange Charas, PhD, and Stela Lupushor reframe traditional HR practices into a future-forward strategy to optimize human capital. Charas and Lupushor shift decision-making about people from a gut sense to an evidence-based approach—a critical and much-needed departure from the cross-your-fingers-and-hope-for-the-best approach of most traditional HR programs today. *Humanizing Human Capital* reveals a step-by-step method to apply analytics approaches to human capital while anticipating inevitable changes in the workforce landscape. This will enable human capital professionals to generate positive outcomes for all stakeholders and allow management to make decisions that work for the entire enterprise. With this book's comparison of "traditional" with the "future-forward" approach to human capital management, case studies, real-world situations, and 20 business principles, you will learn to: Adopt a best-evidence versus best-practice approach to decision making Shift your thinking so that you

view human capital as a crucial investment rather than as a sunk cost Identify what needs to change to respond to future pressures and apply critical thinking to create workable solutions Balance human capital analytics with the more human-centric elements of people management Equip yourself with approaches and tools to interpret the collective voice of the workforce Utilize methods to measure and optimize human capital efficiency, increasing your ROI Increase value for all key stakeholders, including investors, management, workers, customers, partners, and the community at large The road ahead may seem unpredictable and even treacherous, but Humanizing Human Capital provides leaders of any organization a new framework to create resilient, responsive, and innovative organizations with tangible and sustainable business results.

the shrm essential guide to employment law: Human Resources in the Arts Brea M. Heidelberg, 2025-07-29 Arts and cultural institutions are a unique organizational context. Managing creative people within that context requires considerations that are not standard in traditional human resource practice. This book is designed to provide arts and cultural administrators with an overview of the most pressing elements of human resource management for arts and cultural institutions. Written by an arts management professor with an equity-focused human resources consulting firm, this book provides readers with knowledge they can immediately use to solve human resource management issues they will encounter. Infused with practical considerations and real-world examples that are grounded in human resources and industrial psychology research, *Human Resources in the Arts* will benefit arts management students and practitioners alike.

the shrm essential guide to employment law: The Essential HR Guide for Small Businesses and Startups Marie Carasco, William Rothwell, 2020-04-20 Small businesses often lack fully staffed HR teams but not the need for smart HR practices. This practical guide offers ready-to-use tools, examples, and resources to help small business owners and startup leaders manage HR with confidence. Covering everything from legal compliance and risk assessment to performance management, engagement and leadership development, it provides the nuts and bolts for building a healthy organizational culture. Readers will find guidance on policy development, best practices and cultivating workplace environments that support growth and retention. Ideal as a go-to desk reference, this book equips small organizations with the HR know-how they need, without the big budget.

the shrm essential guide to employment law: Handbook of Human Resource Development Neal F. Chalofsky, 2014-11-10 Human Resource Development Relies Upon a Strong Educational Foundation In the *Handbook of Human Resource Development*, Neal Chalofsky, Tonette Rocco, and Michael Lane Morris have compiled a collection of chapters sponsored by the Academy of Human Resource Development to address the fundamental concepts and issues that HR professionals face daily. The chapters are written and supported by professionals who offer a wide range of experience and who represent the industry from varying international and demographic perspectives. Topics addressed form a comprehensive view of the HRD field and answer a number of key questions. Nationally and internationally, how does HRD stand with regard to academic study and research? What is its place in the professional world? What are the philosophies, values, and critical perspectives driving HRD forward? What theories, research initiatives, and other ideas are required to understand HRD and function successfully within this field? As the industry grows, what are the challenges and important issues that professionals expect to face? What hot topics are occupying these professionals now? The Handbook's insight and guidelines allows students and HR professionals to build a fundamental understanding of HRD as an industry, as a field of research, and for future professional success.

the shrm essential guide to employment law: Human Resources for the Non-HR Manager Carol T. Kulik, Elissa L. Perry, 2023-05-02 *Human Resources for the Non-HR Manager* gives every manager, regardless of their functional role, access to cutting-edge research and evidence-based recommendations so they can approach their people management responsibilities with confidence. Day-to-day people management is increasingly the responsibility of front-line managers, not HR professionals. But managers are often poorly prepared for these responsibilities; they receive little

training (and sometimes have little interest!) in HR. People management is never easy, and it is particularly challenging in COVID-19's next normal workplace, where managers must engage diverse employees across a wide range of working arrangements. This book focuses on the special relationship that line managers have with their employees and describes managers' responsibilities across the entire employee lifecycle – from front-end recruiting and hiring through to long-term retention. The content is grounded in rigorous academic research, but the book's conversational tone conveys basic principles without technical jargon. Each chapter includes Manager's Checkpoints to help readers apply the material to their own workplace, and Manager's Knots that address gray areas inherent in people management. The book is designed for any reader currently working as a line manager, or aspiring to a managerial role, who wants to improve their people management skills. Combined with a complete instructor package, the book provides different types of activities to accompany each chapter: Some Assembly Required, In the News, and Undercover Manager. The activities can be found in the Instructor Resources Download Hub, and are designed to align with student cohorts with varying levels of experience.

the shrm essential guide to employment law: The Essential Guide to Federal Employment Laws Lisa Guerin, Sachi Barreiro, 2019-04-30 This book is an invaluable resource for managers, supervisors, HR professionals, and anyone else who needs to know about federal employment laws. It takes the 20 most important federal workplace laws and breaks them down into plain English, chapter by chapter. Managers and HR professionals can pick up this easy-to-use reference guide any time they have questions about their obligations under federal employment laws.

the shrm essential guide to employment law: *California Employment Law 2025* James J. McDonald, Jr., 2025-05-27 It is often said that it is impossible for an employer to fully comply with all of California's employment laws. They are just too numerous, too complicated and too often changing - and seldom for the better. There are so many traps for the unwary, and the stakes of getting it wrong are quite high for California employers. A simple mistake can lead to a seven-figure jury verdict or a class action lawsuit. California Employment Law 2025 is the go-to resource for anyone who must contend with employment law in California as part of their day-to-day work, including employers based outside of California who have employees working in the state. This valuable reference is updated to address new developments in 2024, including: - New requirements for requiring temporary employees to arbitrate employment disputes. - The new Freelance Worker Protection Act. - New minimum wages for health care workers. - Higher salary thresholds for overtime exemptions. - New requirements for cool-down breaks for indoors workers. - Restrictions on requiring job applicants to have driver's licenses. - Expanded leave requirements for employees who are victims of certain acts of violence, or whose family members are victims. - New restrictions on mandatory captive audience employee meetings preceding a union representation election.
