Bible Study Worksheets for Youth: Engaging Tools to Deepen Faith and Understanding

bible study worksheets for youth offer a dynamic and interactive way to bring Scripture alive for teenagers and young adults. In a world full of distractions, helping youth engage thoughtfully with the Bible can sometimes be a challenge. That's where well-crafted worksheets come into play. They provide structure, encourage critical thinking, and make learning about faith both accessible and enjoyable. Let's explore how these resources can transform youth Bible study sessions, what types of worksheets are most effective, and how to use them to nurture spiritual growth.

Why Use Bible Study Worksheets for Youth?

Youth today often learn best through hands-on activities and interactive content. Bible study worksheets are designed to meet these needs by breaking down complex biblical narratives and teachings into digestible, relatable segments. They give young learners a chance to reflect, analyze, and apply Scripture in ways that resonate with their everyday lives.

These worksheets can serve multiple purposes:

- **Encouraging personal reflection:** Worksheets often include questions that prompt youth to consider how biblical lessons apply to their own experiences.
- **Facilitating group discussions:** By answering guided questions or completing activities, youth are better prepared to share insights during group study.
- **Reinforcing memory and comprehension:** Activities like fill-in-the-blank verses, matching exercises, or crossword puzzles help solidify knowledge of Scripture.
- **Providing creative expression:** Some worksheets encourage drawing, journaling, or role-playing, appealing to different learning styles.

In essence, bible study worksheets for youth create an inviting environment that promotes active engagement rather than passive listening.

Types of Bible Study Worksheets That Resonate with Youth

Not all worksheets are created equal. To keep young people interested and motivated, it's important to use a variety of formats and approaches. Here are some popular types that work well in youth ministry settings:

1. Narrative-Based Worksheets

These worksheets focus on specific Bible stories, such as David and Goliath, the Prodigal Son, or the miracles of Jesus. They often include:

- Summary sections to set the context
- Comprehension questions to check understanding
- Application prompts that encourage youth to connect the story's message to their own lives

By working through these, young learners can better grasp the story's characters, themes, and lessons.

2. Character Study Worksheets

Studying biblical figures like Esther, Paul, Ruth, or Moses helps youth explore qualities such as courage, faith, and obedience. These worksheets commonly offer:

- Profiles highlighting the character's background and key moments
- Reflection questions about their strengths and weaknesses
- Challenges to emulate positive traits in daily life

This method personalizes Scripture, making it easier for youth to see role models in the Bible.

3. Topical or Thematic Worksheets

Sometimes focusing on a particular theme—such as forgiveness, prayer, or love—can provide deeper insight. These worksheets may include:

- Scripture verses centered on the theme
- Word searches or matching games with related vocabulary
- Discussion questions about how the theme applies to modern challenges

Topical worksheets help young people understand biblical principles that influence their character

and choices.

4. Memory Verse Worksheets

Memorizing Scripture is a foundational habit in Christian growth. Memory verse worksheets typically feature:

- Fill-in-the-blank versions of key verses
- Visual aids like illustrated verses or color-coded words
- Activities to practice the verse, such as puzzles or quizzes

These tools make memorization fun and effective, encouraging youth to internalize God's Word.

How to Use Bible Study Worksheets Effectively with Youth

Even the best worksheets won't have much impact if they're not used thoughtfully. Here are some tips to maximize their benefits:

Create a Safe and Welcoming Space

Youth should feel comfortable sharing their thoughts and questions. Begin each session by encouraging openness and respect. This atmosphere helps participants dive deeper into the material without fear of judgment.

Mix Worksheets with Other Activities

While worksheets are valuable, combining them with discussions, role-plays, or multimedia presentations keeps energy high and caters to different learning preferences. For example, after completing a character study worksheet, youth might act out key scenes or discuss how the character's faith influenced their decisions.

Encourage Honest Reflection

Worksheets often include personal application questions—encourage youth to answer these honestly, even if it's challenging. Facilitators can model vulnerability by sharing their own

reflections, which helps build trust.

Customize to Your Group's Needs

Not all youth groups are the same. Pay attention to your group's interests, maturity level, and spiritual background. You might need to simplify language for younger participants or add deeper theological questions for older teens.

Follow Up and Reinforce Learning

After a worksheet session, consider sending home a summary or a related challenge to keep the lessons alive throughout the week. This ongoing engagement helps embed Scripture more firmly in young hearts.

Where to Find Quality Bible Study Worksheets for Youth

There's no shortage of resources online and offline, but finding trustworthy, well-crafted worksheets is key. Here are some sources that consistently offer quality materials:

- **Church ministry websites:** Many denominational or local church websites provide free downloadable worksheets tailored for youth groups.
- **Christian education publishers:** Companies specializing in Sunday school materials often have extensive collections of worksheets covering many topics and Bible books.
- **Online marketplaces and platforms:** Websites like Teachers Pay Teachers feature resources created by experienced educators and youth leaders.
- **Books and curriculum kits:** Investing in a youth Bible study curriculum often includes accompanying worksheets that are tested and proven effective.

When selecting worksheets, look for content that aligns with your group's beliefs and encourages thoughtful engagement rather than rote responses.

Benefits Beyond Bible Knowledge

While the primary goal of bible study worksheets for youth is spiritual growth, their impact often extends further. These tools help young people develop critical thinking skills, improve their ability

to articulate ideas, and build community through shared learning experiences.

Additionally, worksheets that incorporate journaling or creative expression nurture emotional intelligence and self-awareness. This holistic approach equips youth not only to understand Scripture but also to live it out in meaningful ways.

Using worksheets also supports leaders by providing structure and clear objectives for each session, making preparation easier and study time more productive.

Engaging youth with the Bible through worksheets is more than just an educational tactic—it's an invitation to a lifelong journey of faith discovery. By thoughtfully integrating these resources into your ministry or personal study, you can help young people build a foundation of biblical knowledge, spiritual maturity, and heartfelt connection to God's Word.

Frequently Asked Questions

What are Bible study worksheets for youth?

Bible study worksheets for youth are educational tools designed to help young people engage with and understand biblical texts through activities, questions, and reflections tailored to their age group.

Why are Bible study worksheets important for youth?

They provide structured learning, encourage critical thinking about scripture, and make Bible study interactive and enjoyable for young people, fostering spiritual growth and understanding.

Where can I find free Bible study worksheets for youth?

Free Bible study worksheets for youth can be found on websites like Ministry-To-Children.com, Sunday School Works, BibleWise, and various church resource pages.

How do Bible study worksheets help youth retain biblical lessons?

Worksheets engage multiple learning styles through reading, writing, and reflection, helping youth internalize and remember biblical lessons more effectively.

What topics are commonly covered in Bible study worksheets for youth?

Common topics include stories of faith, character studies, moral lessons, the life of Jesus, the Ten Commandments, and themes like forgiveness, love, and obedience.

Can Bible study worksheets be used for group youth Bible study sessions?

Yes, worksheets are ideal for group settings as they facilitate discussion, teamwork, and shared learning experiences among youth participants.

How can parents use Bible study worksheets to support their youth's spiritual growth?

Parents can use worksheets to guide discussions, encourage daily scripture engagement, and tailor lessons to their child's spiritual needs and questions.

Are there digital Bible study worksheets available for youth?

Yes, many websites offer downloadable and interactive digital worksheets that youth can complete on tablets or computers, making Bible study accessible anywhere.

How can teachers customize Bible study worksheets for different youth age groups?

Teachers can adjust the complexity of questions, include age-appropriate scripture passages, and incorporate relevant activities to match the developmental stage of their youth group.

Bible Study Worksheets for Youth: A Comprehensive Review and Analysis

bible study worksheets for youth have become increasingly popular tools within religious education circles, aiming to engage younger audiences in scriptural learning. These worksheets serve a pivotal role in facilitating interactive learning, fostering critical thinking, and encouraging personal reflection among adolescents exploring biblical texts. As churches, youth groups, and educators seek effective methods to connect with younger generations, the utility and design of these worksheets warrant close examination.

An In-Depth Look at Bible Study Worksheets for Youth

Bible study worksheets for youth are designed to complement traditional teaching methods by providing structured activities that promote deeper understanding of scripture. Unlike adult study guides, these worksheets often incorporate age-appropriate language and formats, including puzzles, fill-in-the-blanks, matching exercises, and thought-provoking questions tailored to adolescent cognitive and spiritual development.

One of the primary advantages of using such worksheets is their ability to make abstract theological concepts more tangible. For instance, a worksheet focusing on the parables of Jesus might include a scenario-based exercise that encourages youths to apply biblical lessons to everyday life. This

contextualization aids in bridging the gap between scriptural study and real-world relevance, which is crucial for maintaining engagement among young learners.

Key Features and Educational Benefits

Youth-focused bible study worksheets typically emphasize several pedagogical elements:

- **Interactive Content:** Activities such as word searches, crosswords, and creative writing prompts help maintain interest and cater to different learning styles.
- **Scripture Memorization:** Many worksheets incorporate verses for memorization, reinforcing retention and familiarity with biblical texts.
- **Reflection Questions:** Open-ended questions encourage youths to think critically about moral lessons and their applications.
- **Visual Aids:** Use of illustrations, charts, and symbols enhances comprehension, especially for visual learners.

These features collectively foster a multi-dimensional learning environment that supports both cognitive and spiritual growth. Moreover, worksheets can serve as valuable tools for group discussions, enabling youths to share interpretations and insights, thereby enhancing communal bonds.

Comparing Different Types of Bible Study Worksheets

When evaluating bible study worksheets for youth, it is important to consider various formats and their effectiveness in educational settings. Generally, these worksheets fall into three broad categories:

1. Thematic Worksheets

Thematic worksheets focus on specific biblical themes such as faith, forgiveness, or love. These are particularly useful for youth group sessions centered around a sermon series or a particular topic. The advantage of thematic worksheets lies in their ability to provide targeted exploration, allowing participants to delve deeper into selected doctrines.

2. Book-by-Book Study Guides

These worksheets are organized around individual books of the Bible, such as Genesis, Psalms, or

the Gospels. They often include chapter summaries, key verse identification, and comprehension questions. This structured approach suits educational programs with a curriculum designed to cover the Bible systematically.

3. Character Studies

Character-based worksheets focus on prominent biblical figures like Moses, David, or Esther. These studies highlight personal attributes, moral dilemmas, and divine interventions, which can resonate strongly with youth by presenting relatable role models. Character studies also encourage empathy and personal identification with biblical narratives.

Each type offers unique benefits and potential drawbacks. For example, thematic worksheets might lack comprehensive biblical context, whereas book-by-book guides can sometimes be too dense for younger or less experienced readers. Character studies, while engaging, may not cover broader theological principles comprehensively.

Integrating Bible Study Worksheets into Youth Programs

A crucial consideration for religious educators is how to effectively incorporate bible study worksheets for youth into existing curricula. Successful integration requires selecting materials that align with the developmental level and spiritual maturity of the participants.

Best Practices for Implementation

- **Customization:** Tailor worksheets to the specific needs and interests of the youth group. This may involve modifying language complexity or focusing on relevant biblical themes.
- **Facilitation:** Worksheets should not stand alone but be paired with guided discussions, multimedia resources, and experiential learning activities to reinforce concepts.
- **Assessment:** Use worksheets as informal assessment tools to gauge comprehension and spiritual growth, enabling instructors to adjust lesson plans accordingly.
- **Engagement:** Encourage creative responses such as art projects or journaling based on worksheet prompts to deepen personal connection to the material.

In addition, digital formats of bible study worksheets have gained traction, offering interactive elements and easy distribution. Online platforms provide opportunities for remote learning, particularly relevant in contexts where in-person gatherings are limited.

Evaluating the Effectiveness of Bible Study Worksheets for Youth

While anecdotal evidence supports the value of using worksheets, empirical data on their effectiveness remains limited. However, educational theory suggests that active learning tools, such as worksheets, enhance retention and understanding, especially when combined with discussion and reflection.

Some potential challenges include varying literacy levels within youth groups, which can affect worksheet accessibility. Additionally, worksheets that are overly simplistic may fail to challenge more mature participants, while those that are too complex risk discouraging engagement.

Therefore, continuous evaluation and feedback from both youth participants and educators are essential to optimize worksheet content and delivery. Incorporating diverse learning modalities and regularly updating materials to reflect contemporary cultural contexts can maximize relevance and impact.

Pros and Cons Summary

- **Pros:** Encourages active learning, facilitates scripture memorization, supports varied learning styles, enhances engagement, and promotes critical thinking.
- **Cons:** Potential mismatch with learner abilities, risk of passive use without facilitation, and the need for frequent updates to maintain interest.

Ultimately, bible study worksheets for youth represent a valuable resource when thoughtfully designed and integrated within a holistic educational framework.

The evolving landscape of youth religious education underscores the importance of innovative tools that resonate with younger generations. As technology and pedagogical approaches advance, the future of bible study worksheets for youth likely includes more interactive, multimedia-enhanced materials designed to deepen both knowledge and faith.

Small Catechism with Explanation, CPH:2008 (22-3110), The Lutheran Service Book, CPH:2006 (03-1170), and Bible studies for each lesson.

bible study worksheets for youth: Christian Education Curriculum for the Digital Generation Jong Soo Park, 2015-02-16 This book is about exploring and presenting a model of digital-based curriculum for Christian education suitable for the digital ways of learning, communicating, and thinking. Park discusses the limitations of analog-based curricula, most of current curricula, and necessities for digital-oriented ones. Then, he provides a new model of curriculum--curriculum as software. Curriculum as software is a curricular framework for embracing digital culture like open-flat network, service-centered management, interactive communication, and offline-online hybrid learning space. It consists of four spiral stages: analysis, design, simulation, and service. In the process of designing units, 4R Movement--a new learning theory--is utilized to encourage today's young people to construct their own knowledge after critically analyzing various resources of information. 4R-embedded courses are implemented in the four movements: reflection, reinterpretation, re-formation, and re-creation.

bible study worksheets for youth: *Church Of God In Christ Annual Lesson Commentary 2021-2022 [KJV-AMP]* Church Of God In Christ Publishing House, 2021-08-01 The curriculum produced by the Church Of God In Christ is prepared to train and nurture this generation in the faith. Use it and cherish the very opportunity you have to tutor the next generation of Bible reading and Word believing Saints in a world of need. This Annual commentary is your source of continued readiness, fresh and anointed Word for the entire year. Its compilation of the year's International Sunday Uniform Lesson series will help you grow and develop in your knowledge of the Word of God. Not only has the Church Of God In Christ provided you the lessons, but the Annual Commentary also provides insight into practical ways to utilize the lesson material.

bible study worksheets for youth: *Words, Music and Propaganda* Tjaša Mohar, Victor Kennedy, 2023-12-20 Music is used to sell everything from cars to political candidates. How can words and melody so successfully manipulate us? This volume provides answers by examining the ways in which music of various genres, including folk, popular music, rock, and rap, is used to protest and to promote structures of political, commercial, and religious authority. Students, teachers, musicians, historians, policy makers, and fans of music and popular culture will find answers to questions such as: How does music help to build national identity, foster a sense of patriotism, and reflect changes in society? What role did music play in building socialism in Czechoslovakia and in Belarus' 2020 democratic movement? What are the most important features of Ukrainian songs of resistance? The book highlights the role of music in the feminist movement by analysing the Riot Grrrl movement and the history of Olivia Records, as well as the use of music as propaganda in the education system and as "purity propaganda" in religion. Two chapters focus on famous American protest singers, Woody Guthrie and Phil Ochs, and one highlights an ex-socialist society's response to David Bowie's music.

bible study worksheets for youth: *Dennis Benson's Creative Bible Studies* Dennis C. Benson, 1985 401 experiences to help youth crawl inside the Scriptures--Cover

bible study worksheets for youth: ScriptureWalk Senior High Nora Bradbury-Haehl, 2000 The ScriptureWalk series is designed to engage Catholic youth in Bible study and reflection. Each of the eight 90-minute sessions in this ScriptureWalk manual contains Bible study and activities that build community, engage youth in discussion, and introduce creative forms of prayer. Each session includes a section called Family Connection, which gives a short, family-based follow-up idea for the session. ScriptureWalk helps the Bible come alive for young people and is intended for use in youth group meetings, religious education programs, and retreats, and as a supplement to The Catholic Youth Bible ®. ScriptureWalk Senior High: Discipleship includes sessions on death, discipleship, fear, happiness, prayer, sadness, sexuality, and witnessing. Discipleship challenges young people to grow in their faith, using a format that encourages questions and participation.

bible study worksheets for youth: *Daily Bible Teachings: Designed for the Young* Thulia Susannah Engall (formerly Henderson.), 1859

bible study worksheets for youth: Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God. For in Him only is there real love. And we can't even begin to understand or fathom what love really means without Him. We look for it in all the wrong places. But we will never find it there. It's not in mankind; it's not in anything in this world the way we perceive it. Until we realize that it only comes from God, we will only find hurt and pain and misery. Believe me, I know, there are lots of Christians still looking for love in the wrong places. It's sad to say. And we are being destroyed and don't understand why. So, we think God has let us down and we blame Him for our depression, hurt, and pain. We wonder why the Lord doesn't help us. But what we don't realize is that God is helping us, even though we don't know it. You see, the devil is fooling us. He is taking our focus off Jesus and putting it on people and things, so we can't be all that God has for us to be. The failure is not in God, it's in us. You may say, "I gave him or her all the love I had and he or she betrayed me. How could they do me like that?" But what we fail to realize is that God is our first love and we must receive His love and give Him our love first. John 10:10 says, "The thief comes to kill, steal and destroy." And that is what he has been doing. But you don't have to let him get away with it. Jesus came that we might have life and more abundantly. Otherwise, Jesus is life in every area of our lives if we let him. We need to ask Him to lead and guide us in all things. Proverbs 3:5-6 says, "trust in the Lord with all thine heart, lean not unto thine own understanding, in all they ways acknowledge Him and He shall direct thy path." So the failure is not in God, it's in us for not seeking God's help. Believe me, I know; been there, done that. I gave all I had to give to the wrong men, yes, men. I say men because I kept trying to please them so they would love me. But it didn't work. They betrayed me, jumped on me, and stepped on me like a floor mat that said "Welcome." I know how it feels to be dogged out for love, or so-called love. It sucks! As we receive God's love, then and only then will we know what love is really about. It's not a fancy or fairy tale. God's love is divine. He is not looking at your faults; He is looking at your needs. Man's love, so-called love, that is, is cold, taking, and not wanting to give. They lie, they cheat, they take away our pride and self-esteem, they pull us down, and then they have the nerve to tell us it's our fault that they treat us the way they do. The devil is a liar. The devil wants us to believe that we have to take all kinds of abuse; that is just the way it is. But the devil is a liar. We don't need that kind of man, because you see, he's not a real man anyway. He's just something wearing a pair of pants. Remember, we can make it just us and God. God will bring us through. But we must learn to trust Him. I have been through hell and high waters. I've been a floor mat, a punching bag. I've been stressed out; I have even tried to take my life a few times when I was younger. But I thank God that He said, "You shall live and not die." Satan was trying to take me out to stop me. Now I know what it is to be dogged out and kicked to the curb. I know how it feels to be turned inside out, not knowing if you are coming or going, not knowing what to do next. For some so-called love. As far as I am concerned, they can keep it. I don't need it and neither do you. Why take less when we can have the best? God did not make woman to be a man's floor mat. He made us to be his helpmate. But we can't help someone if they don't want to take it.

bible study worksheets for youth: The Armor of God: Junior High Group Study Kara Powell, 2011-12-01 Take your younger teens into Ephesians, where the apostle Paul reveals the secret to being strong in the Lord: spiritual armor! Help teens put on every piece of God's armor, including the belt of truth, the breastplate of righteousness, the shield of faith, the helmet of salvation and the footreadiness that comes with knowing the gospel of peace. In the second half of The Armor of God Uncommon Junior High Group Study, students will learn how to use their offensive weapon—the sword of the Spirit, God's Word. Twelve sessions of active and engaging Bible lessons will equip young Christians to stand strong in their faith and march forward in confidence!

bible study worksheets for youth: Prayer and Worship: Junior High Group Study Kara Powell, 2010-06-14 Do your kids see the power and purpose in prayer—or is it something they endure until the Amen? What is this worship stuff Christians do? Is it just a bunch of people wearing

choir robes? Playing guitars? Singing? Prayer and Worship Uncommon Junior High Group Study helps you answer teens' (possibly never-voiced!) questions in ways that make sense for their junior high lives: Help them understand how God answers prayer, what to do when He seems silent, why we keep on praying, what is worship? how does it all work? Through Scripture study, fun activities, stories and discussion, students will understand the how and why of prayer and—in ways that will help them make these two parts of loving God an integral part of their spiritual lives.

bible study worksheets for youth: *Doing the Bible Better* Marek P. Zabriskie, 2014-09 • Bible-reading program that transforms lives and the church experience • Develops the power of a daily disciplined spiritual practice Despite the fact that Episcopalians are among the best-educated Christian groups in the United States, they also rank among the least biblically literate denomination. The author maintains “we can do Bible better” and shows why it is absolutely critical to do so. How can this weakness become a strength and source of spiritual growth for Episcopalians, their churches, and dioceses? As an evangelist for biblical literacy and spiritual nourishment, Zabriskie shows the way forward for the Episcopal Church and the Anglican Communion.

bible study worksheets for youth: *The Christian Life: Junior High Group Study* Kara Powell, 2009-01-02 Who is God? Does He care what I do with my life? Does God really love me? These days many young people are confused about God. Help youth workers provide a solid foundation for young teens with The Christian Life junior high school study resource. Part of the exciting Uncommon youth resource line, this straightforward presentation of the Gospel first explores who God is - Father, Son and Holy Spirit - then guides students through their relationships with God. Students will learn that God loves them no matter what; Jesus Christ is the only way to have a relationship with God; and the Holy Spirit lights the way to God. The three four-week modules examine one of the most critical parts of a young person's life, their faith. Lead students to discover that everyone is a sinner; how God's grace rescues us; and that we are to serve Him out of love and gratitude for His gift of grace.

bible study worksheets for youth: Teaching Activities Manual for Breakthrough! the Bible for Young Catholics Rick Keller-Scholz, Jeannie Pomanowski, 2006 Each chapter includes these features: an overview of the character, scripture passages related to the character, Breakthrough! articles that pertain to the character, a list of similarities between young adolescents and the biblical figure, biblical quotes that point to God's presence in the character's story, [and] a 'Getting to know the biblical character' activity (or activities) that explores who the biblical character is and makes connections between his or her relationship with God and the young people's own life experience--Back cover.

bible study worksheets for youth: Invisible Anthropologists David Himmelgreen, Satish Kedia, 2009-08-03 Anthropology is generally thought of as the study of exotic peoples in far-away lands. However, anthropologists have a long history of less exotic, applied “get-your-hands-dirty work.” As a nation of immigrants, the United States has enjoyed a reputation as a model for democracy and a place where newcomers’ dreams can come true. As such, this Bulletin could only have been written in the United States, home to so many immigrants from so many lands, who adapt in different and unique ways to form what we consider the nation. Comparatively little has been written about anthropologists engaged with immigrant communities. In fact, it is somewhat shocking that anthropologists—and historians—seem to have forgotten to document this important contribution to the extent that we have documented our far-away travels and studies. This Bulletin is one such attempt. In it, we present a variety of perspectives, viewpoints, insights, and experiences of anthropologists who are actively engaged with immigrant communities across the United States, offering case studies from Florida, California, North Carolina, Texas, and Pennsylvania. Representing both university-based and NGO-based applied anthropologists, the authors discuss how deep, long-term engagement with immigrants has impacted our anthropological practice and how it in turn has shaped both theory and praxis. We share the personal and the professional, our challenges and our successes. The authors explore the nuances of our simultaneous, multiple roles vis-à-vis the immigrants themselves, the consequences of generational changes within our immigrant

populations and how state policies, migration shifts and post-9/11 group responses have affected both our work and our multiple roles with communities. We present recommendations, lessons learned and future opportunities for U.S.-based anthropologists working with our unique brand of “exotic”—mainly Mexican and Latin American immigrants in 21st-century United States.

bible study worksheets for youth: Friends and Peer Pressure: Junior High Group Study Kara Powell, 2011-08-31 Friends are so important to today's tweens, and the good news is that friendship matters to God, too! Now youth workers can teach junior high kids how to have healthy relationships based on respect and acceptance, in ways that make sense for their lives. With David and Jonathan as models of a good friendship, and insights into the peer pressures weathered by Joseph and Shadrach, Meschach and Abednego, younger teens will learn how to build strong friendships and how to resist temptation by applying Scripture and understanding their identity in Christ. UNCOMMON puts it all together for youth leaders, with video teaching clips and reproducible handouts included on the DVD. Friendship has never been so easy!

bible study worksheets for youth: The Lutheran George Washington Sandt, 1926

bible study worksheets for youth: Preparing for Adolescence Group Guide James Dobson, 2005-12-08 What do you say to an adolescent who's getting ready to enter those turbulent teenage years? Dr. James Dobson, one of America's leading family psychologists, knows how to speak directly and sincerely to today's adolescents about the topics that trouble them most. Topics include avoiding feelings of inferiority, handling peer pressure, drug abuse, puberty, sexual development, menstruation, masturbation, romantic love, overcoming discouragement, sound decision-making and handling independence.

bible study worksheets for youth: Keeping Your Kids Sexually Pure La Verne Tolbert, 2002 This is a title for parents, pastors, and youth workers offering guidance for helping youth stay sexually pure in a culture that often sends mixed signals about sexual behaviour.
