**life of prophet muhammad in urdu: Prophet Muhammad (S) and His Family** Shamim Aleem, 2011-10-27 Though over the past 1400 years, thousand of books have been written on the different aspects of the life of the Prophet Muhammad (S). Even then it cannot claim to be true and exhaustive picture of his multidimensional life as has been successfully projected in this book. The author has tried to look at his family life from a sociological perspective, an approach different from that of other writers. Her attempt is to place at the disposal of young English speaking people, a wider view of the family life of the Prophet, so that they may learn something from it to make their own lives more fruitful and happy. In the last few years and especially after 9/11, interest in Islam and Islamic literature has increased tremendously. Non believers are in a dilemma. On one hand Islam is suppose to be a religion of peace, while on the other, terrorism association with Muslims is on the rise. By making an attempt to depict an objective picture of the life of Prophet Muhammad (S), the author has tried to underline the fact that Islam is not a religion of violence but of peace and the life of the Prophet provides convincing evidence of the same and whatever is being done under the name of Muslim by a handful people has hardly any relation with Islam. The book may be a source of interest to those non Muslims who are keen to know more about Islam.

**life of prophet muhammad in urdu: The Brahmo Samaj Movement In Punjab : The Life, Times & Works of Bhai Prakash Dev 1855-1914** Professor Sumanta Niyogi, The present study makes a foray into a largely unexplored area of modern Indian history — the entrance, activities & impact of a socio-religious reform movement in the tradition-bound conservative society of Punjab during the 19th & early 20th centuries. Truly, the untold story of the origin, rise & decline of the Brahmo Samaj in Punjab is so significant historically, so invigorating intellectually, & so inspiring spiritually that it needed to be revealed much earlier. In its short span of existence in the province. the Brahmo Samaj. aided by the hard work & dedication of several of its noble spirits that included Keshubchandra Sen, Sivanath Sastri, Nabin Chandra Roy, Shivanarayan Agnihotri, Ruchi Ram Sahni, Sardar Dyal Singh Majithia and above all, Bhai Prakash Dev, who forms the central theme of our discussion, promoted the spread of modern education & political consciousness in Punjab by setting up numerous schools, colleges and libraries, & by publishing newspapers, journals, and books in Urdu, Gurumukhi & English. It, thus, left a legacy that enriched, ennobled & enlightened the province's society, culture & intellect. Interestingly enough, the historic city of Lahore was once the nodal of point of the Samaj activities not only in the huge province of Punjab of the pre-Partition days but also in the neighbouring areas of Delhi, west UP & North-west Frontier Provinces as far as Peshawar & Quetta. This will sound as mythological to the present generation, grown up with the horrifying tales of intense religious intolerance & unbridled fanaticism in these places on the other side of the border. It is hoped that this exploration, marked by thorough research & analysis, will be useful to both research scholars & generals.

**life of prophet muhammad in urdu: June 2023 Young Muslim Digest** Syed Iqbal Zaheer, 2023-06-05 Among the major publications of IQRA Publications is the popular Islamic monthly in English, the Young Muslim Digest, arguably among the foremost in this type of publishing in India. This magazine is being brought out regularly by IQRA Publications since the past 36 years. The magazine carries authentic Islamic material for the Western-educated and/or West-influenced youth, presented in a creative manner, while yet highlighting the beliefs of the earliest predecessors and an understanding of the Qur'an and Sunnah on the pattern of the great majority of Islamic scholars of the past, and of those prominent down to the present age. In view of the authentic nature of its contents, the magazine has been awarded license for distribution in Saudi Arabia. Besides the regular, monthly, production of the Young Muslim Digest, IQRA Publications has quite a few other Islamic titles to its credit. Each one of these books offer authentic material and cover topics that are not normally covered by other publishers. It is, perhaps, for this reason that they are popular even outside the country. Malaysia, for instance, imports many of IQRA's titles regularly.

**life of prophet muhammad in urdu: Qur'ān Translation as a Modern Phenomenon** El-Hussein A.Y. Aly, 2023-09-25 It is a well-established fact nowadays that modernity impacts Islam, but there has not been much focus on how modernity impacts the Qur'ān, the foundational text of Islam and the verbatim word of God. This book argues that the early Muslim Qur'ān translations into English are attempts to reconcile the Qur'ān with modernity by producing translations that encompass modern concepts and interpretations of the Qur'ān. Are these modern concepts and interpretations valid or they alter the word of God? This is the main question that the book attempts to answer, particularly that these early translations have affected and still affect Qur'ān translation.

**life of prophet muhammad in urdu: Islamism and Democracy in India** Irfan Ahmad, 2009-09-21 Jamaat-e-Islami Hind is the most influential Islamist organization in India today. Founded in 1941 by Syed Abul Ala Maududi with the aim of spreading Islamic values in the subcontinent, Jamaat and its young offshoot, the Student Islamic Movement of India or SIMI, have been watched closely by Indian security services since September 11. In particular, SIMI has been accused of being behind terrorist bombings. This book is the first in-depth examination of India's Jamaat-e-Islami and SIMI, exploring political Islam's complex relationship with democracy and providing a rare window into the Islamist trajectory in a Muslim-minority context. Irfan Ahmad conducted extensive ethnographic fieldwork at a school in the town of Aligarh, among student activists at Aligarh Muslim University, at a madrasa in Azamgarh, and during Jamaat's participation in elections in 2002. He deftly traces Jamaat's changing position in relation to India's secular democracy and the group's gradual ideological shift toward religious pluralism and tolerance. Ahmad demonstrates how the rise of militant Hindu nationalism since the 1980s--evident in the destruction of the Babri mosque and widespread violence against Muslims--led to SIMI's radicalization, its rejection of pluralism, and its call for jihad. *Islamism and Democracy in India* argues that when secular democracy is responsive to the traditions and aspirations of its Muslim citizens, Muslims in turn embrace pluralism and democracy. But when democracy becomes majoritarian and exclusionary, Muslims turn radical.

**life of prophet muhammad in urdu: Islam in Pakistan** Muhammad Qasim Zaman, 2018-05-15 The first book to explore the modern history of Islam in South Asia The first modern state to be founded in the name of Islam, Pakistan was the largest Muslim country in the world at the time of its establishment in 1947. Today it is the second-most populous, after Indonesia. *Islam in Pakistan* is the first comprehensive book to explore Islam's evolution in this region over the past century and a half, from the British colonial era to the present day. Muhammad Qasim Zaman presents a rich historical account of this major Muslim nation, insights into the rise and gradual decline of Islamic modernist thought in the South Asian region, and an understanding of how Islam has fared in the contemporary world. Much attention has been given to Pakistan's role in sustaining the Afghan struggle against the Soviet occupation in the 1980s, in the growth of the Taliban in the 1990s, and in the War on Terror after 9/11. But as Zaman shows, the nation's significance in matters relating to Islam has much deeper roots. Since the late nineteenth century, South Asia has witnessed important initiatives toward rethinking core Islamic texts and traditions in the interest of their compatibility with the imperatives of modern life. Traditionalist scholars and their institutions, too, have had a prominent presence in the region, as have Islamism and Sufism. Pakistan did not merely inherit these and other aspects of Islam. Rather, it has been and remains a site of intense contestation over Islam's public place, meaning, and interpretation. Examining how facets of Islam have been pivotal in Pakistani history, *Islam in Pakistan* offers sweeping perspectives on what constitutes an Islamic state.

**life of prophet muhammad in urdu: The Islamic Welfare State** Christopher Candland, 2024-07-04 *The Islamic Welfare State* explains the relationship between lived Islam, everyday human security, and government legitimacy in an Islamic society. Readers see the frequent abuse of Islamic injunctions by government and political parties. But readers also see the essential humanitarian spirit that makes Islam a compelling, community-strengthening faith. Readers appreciate how the humanitarian moral sentiments of Islam both provides everyday human security to millions of people and challenges legitimacy of government by allowing government to focus on protecting Islam rather than providing for the citizenry. The focus is on ground realities, on social welfare workers, and their beneficiaries, mostly patients and students from low-income families, their activities and experiences. The attention to affective politics permits the reader to understand politics and political change in Pakistan and elsewhere in the Muslim world.

**life of prophet muhammad in urdu: Islam in South Asia in Practice** Barbara D. Metcalf, 2009-09-08 This volume of Princeton Readings in Religions brings together the work of more than thirty scholars of Islam and Muslim societies in South Asia to create a rich anthology of primary texts that contributes to a new appreciation of the lived religious and cultural experiences of the

world's largest population of Muslims. The thirty-four selections--translated from Arabic, Persian, Urdu, Bengali, Tamil, Gujarati, Hindavi, Dakhani, and other languages--highlight a wide variety of genres, many rarely found in standard accounts of Islamic practice, from oral narratives to elite guidance manuals, from devotional songs to secular judicial decisions arbitrating Islamic law, and from political posters to a discussion among college women affiliated with an Islamist organization. Drawn from premodern texts, modern pamphlets, government and organizational archives, new media, and contemporary fieldwork, the selections reflect the rich diversity of Islamic belief and practice in South Asia. Each reading is introduced with a brief contextual note from its scholar-translator, and Barbara Metcalf introduces the whole volume with a substantial historical overview.

**life of prophet muhammad in urdu: Seeking Allah, Finding Jesus** Nabeel Qureshi, 2018-08-21 NEW YORK TIMES BESTSELLER • 2015 Christian Book Award winner • Nabeel Qureshi describes his dramatic journey from Islam to Christianity in this expanded edition with new bonus content and reflections. My friend Nabeel Qureshi was courageous enough to chase down the truth with intellectual integrity, no matter the personal cost, --Lee Strobel, bestselling author of The Case for Christ. Providing an intimate view into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in two of the world's greatest religions and the quest for truth. Qureshi--with great courage and intimacy--wrote this book with three major purposes in mind: To tear down walls between two of the world's major religions by giving non-Muslim readers an insider's perspective into a Muslim's heart and mind. To equip the reader with facts and knowledge, showing the strength of the case for the gospel contrasted with the case for Islam. To portray the immense inner struggle of Muslims grappling with the gospel, including all the sacrifices and doubts that rise up along the way. Seeking Allah, Finding Jesus is more than the memoir of a man's pursuit of answers to the most important issues of life and faith. Ultimately, it's the story about the transformative grace and mercy of the one true God. This edition has been expanded to include: A revised foreword and introduction A new afterword by apologist Mark Mittelberg and a reflection by Nabeel's wife A substantially extended epilogue that shares how Nabeel told his friend David of his decision to follow Christ, how his parents found out, and more Expert contributions from scholars and ministry leaders on each section of the book, contributions previously included only in the ebook edition An appendix with a topical table of contents (for teaching from Seeking Allah, Finding Jesus) An appendix tackling the objection that Ahmadi Muslims--the Islamic movement that Qureshi was raised in--are not true Muslims And a sneak peek prologue from Nabeel's book, No God but One: Allah or Jesus?

**life of prophet muhammad in urdu:** *Islam, Race, and Pluralism in the Pakistani Diaspora*  
Craig Considine, 2017-07-06 This book explores the Pakistani diaspora in a transatlantic context, enquiring into the ways in which young first- and second-generation Pakistani Muslim and non-Muslim men resist hegemonic identity narratives and respond to their marginalised conditions. Drawing on rich documentary, ethnographic and interview material gathered in Boston and Dublin, *Islam, Race, and Pluralism in the Pakistani Diaspora* introduces the term 'Pakphobia', a dividing line that is set up to define the places that are safe and to distinguish 'us' and 'them' in a Pakistani diasporic context. With a multiple case study design, which accounts for the heterogeneity of Pakistani populations, the author explores the language of fear and how this fear has given rise to a 'politics of fear' whose aim is to distract and divide communities. A rich, cross-national study of one of the largest minority groups in the US and Western Europe, this book will appeal to sociologists, anthropologists, political scientists, and geographers with interests in race and ethnicity, migration and diasporic communities.
