

nichodemus and joseph of arimathea

Nichodemus and Joseph of Arimathea: Two Figures of Faith and Courage

nichodemus and joseph of arimathea are two remarkable figures mentioned in the New Testament, often linked together because of their roles surrounding the burial of Jesus Christ. Though their stories are brief, their actions carry rich spiritual symbolism and historical significance that continue to inspire faith and reflection today. Exploring their backgrounds, biblical narratives, and the symbolism connected to their deeds offers a fascinating glimpse into the early Christian community and the courage it took to stand with Jesus even after his death.

Who Were Nichodemus and Joseph of Arimathea?

Both Nichodemus and Joseph of Arimathea were Jewish leaders during the time of Jesus, but they played quite unique roles in the unfolding events around the crucifixion and burial.

Nichodemus: The Secret Seeker

Nichodemus is introduced in the Gospel of John as a Pharisee and member of the Jewish ruling council, the Sanhedrin. He is best known for visiting Jesus under the cover of night to discuss spiritual matters, indicating his curiosity and perhaps a cautious openness to Jesus' teachings. This nocturnal meeting highlights Nichodemus as a seeker, someone wrestling with the revolutionary ideas Jesus presented. His famous dialogue with Jesus includes the profound teaching about being "born again" to enter the Kingdom of God, a cornerstone of Christian theology.

Joseph of Arimathea: The Courageous Disciple

Joseph of Arimathea was a wealthy and respected member of the Jewish council, described as a secret disciple of Jesus. Unlike Nichodemus, Joseph's story is mainly connected to the burial of Jesus after the crucifixion. He boldly approached Pontius Pilate to request Jesus' body, providing his own tomb for the burial. This act was not only a sign of devotion but also courage, as publicly associating with Jesus could have had severe social and political repercussions.

The Biblical Account of Nicodemus and Joseph of Arimathea

The Gospels provide the primary source for understanding these two men, especially in the context of Jesus' death and resurrection.

Nicodemus' Role in Jesus' Burial

Nicodemus reappears in the Gospel of John after the crucifixion, assisting Joseph of Arimathea with preparing Jesus' body for burial. He brings a mixture of myrrh and aloes, about seventy-five pounds' worth, to anoint the body according to Jewish burial customs. This act reflects his reverence and growing faith, moving from a secretive inquirer to an active participant in honoring Jesus.

Joseph of Arimathea's Bold Request

Joseph's request to Pilate to take Jesus' body down from the cross and bury it is a pivotal moment. His willingness to act publicly for Jesus' sake, despite the danger, shows a profound commitment. The fact that he owned a tomb "hewn out of rock" adds a layer of historical detail that resonates with archaeological and cultural studies of burial practices in first-century Judea.

The Spiritual Significance of Nicodemus and Joseph of Arimathea

Beyond their historical roles, Nicodemus and Joseph of Arimathea symbolize important themes in Christian thought, including faith, transformation, and courage.

From Doubt to Devotion: Nicodemus' Journey

Nicodemus represents the spiritual seeker who moves from curiosity and confusion toward faith and action. His nighttime visit to Jesus symbolizes the initial stages of spiritual awakening, while his later participation in Jesus' burial marks a public acknowledgment of belief. Many believers find hope in Nicodemus' story because it shows that faith can develop gradually and that doubts can lead to deeper understanding.

Courage in the Face of Peril: Joseph's Example

Joseph of Arimathea exemplifies courage and the willingness to stand up for one's convictions, even when it risks social standing or safety. His actions demonstrate that faith is not just a private matter but often requires public witness and sacrifice. This theme resonates with many Christians who see in Joseph's story a call to live out their beliefs boldly.

Historical and Cultural Context

Understanding Nicodemus and Joseph of Arimathea also involves exploring the Jewish and Roman context of their time.

The Sanhedrin and Jewish Leadership

Both men were part of the Jewish ruling council, a body that had complex interactions with Jesus and the Roman authorities. The Sanhedrin's role in Jesus' trial and crucifixion was critical, and Nicodemus and Joseph's actions stand out as acts of compassion and faith within an often hostile environment.

Burial Customs in First-Century Judea

Jewish burial customs emphasized prompt and respectful treatment of the dead, often involving anointing with spices and burial in family tombs. Joseph's provision of his own tomb and Nicodemus' spices adhere to these traditions, adding authenticity and poignancy to the narrative. These customs also highlight the honor bestowed upon Jesus in death, despite the shame of crucifixion.

Legacy and Influence in Christian Tradition

The stories of Nicodemus and Joseph of Arimathea have inspired countless works of art, literature, and theological reflection throughout history.

Artistic Depictions

From Renaissance paintings to modern sculptures, these two figures are often portrayed at the tomb of Jesus, emphasizing themes of devotion and reverence. Their imagery helps believers visualize the compassion and courage that

define their roles in the resurrection story.

Theological Reflections

The dialogues and actions of Nicodemus have been foundational for teachings on rebirth and spiritual transformation. Joseph's example encourages discussions about discipleship and the cost of following Jesus. Together, they enrich Christian understanding of faith lived out in both quiet seeking and bold action.

Lessons from Nicodemus and Joseph of Arimathea for Today

Their stories offer valuable insights and inspiration relevant even in modern contexts.

Embracing Spiritual Curiosity

Nicodemus teaches us that it's okay to ask questions and wrestle with faith. His journey encourages believers to seek understanding without fear, knowing that doubt can lead to deeper conviction.

Standing Firm in Difficult Times

Joseph of Arimathea's courage reminds us to stand by our values and convictions, especially when it's challenging. His example calls for integrity and bravery in living out one's beliefs.

The Importance of Respect and Compassion

Both men demonstrate the importance of honoring and caring for others, even in times of suffering and uncertainty. Their compassion during Jesus' burial shows a profound respect for human dignity.

In reflecting on Nicodemus and Joseph of Arimathea, we find compelling stories of faith, courage, and transformation that transcend time. Their actions provide a powerful example of how individuals can respond to spiritual truth in ways that are both personal and profoundly impactful within their communities. Whether as seekers or as bold disciples, their legacy continues to resonate, inviting each of us to explore our own journey of belief and commitment.

Frequently Asked Questions

Who was Nicodemus in the Bible?

Nicodemus was a Pharisee and a member of the Jewish ruling council who visited Jesus at night to learn about his teachings, as described in the Gospel of John.

What is Joseph of Arimathea known for in the New Testament?

Joseph of Arimathea is known for providing his own tomb for the burial of Jesus after the crucifixion.

How are Nicodemus and Joseph of Arimathea connected in the Bible?

Both Nicodemus and Joseph of Arimathea were secret followers of Jesus who assisted with Jesus' burial after the crucifixion.

What role did Nicodemus play in Jesus' burial?

Nicodemus helped Joseph of Arimathea prepare Jesus' body for burial by bringing a mixture of myrrh and aloes.

Why did Nicodemus visit Jesus at night?

Nicodemus visited Jesus at night to ask questions privately, as he feared persecution from other Jewish leaders for openly associating with Jesus.

What significance does Joseph of Arimathea have in Christian tradition?

Joseph of Arimathea is honored for his courage and devotion, as he risked his status to ensure Jesus received a proper burial, fulfilling Jewish burial customs.

Are Nicodemus and Joseph of Arimathea mentioned in all four Gospels?

No, Nicodemus is mentioned primarily in the Gospel of John, while Joseph of Arimathea appears in all four Gospels in the context of Jesus' burial.

What does Nicodemus' interaction with Jesus reveal

about his beliefs?

Nicodemus' interaction shows he was curious and open to Jesus' teachings, recognizing Jesus as a teacher from God, though he struggled with fully embracing Jesus publicly.

How do Nicodemus and Joseph of Arimathea exemplify faith and courage?

Both men demonstrated faith by supporting Jesus despite social risks; Joseph by securing Jesus' tomb, and Nicodemus by advocating for Jesus and assisting in his burial.

Additional Resources

Nicodemus and Joseph of Arimathea: Key Figures in the Passion Narrative

nicodemus and joseph of arimathea stand out as two pivotal, yet often understated, figures in the New Testament accounts of Jesus Christ's death and burial. Both men, associated with the Jewish ruling council, played crucial roles during the final moments of Jesus' life and immediately following his crucifixion. Their actions, motivations, and the theological significance attributed to them provide rich material for scholarly examination and have inspired centuries of religious reflection.

Historical and Biblical Context of Nicodemus and Joseph of Arimathea

The narratives involving Nicodemus and Joseph of Arimathea appear primarily in the canonical Gospels—John, Matthew, Mark, and Luke—with each providing unique perspectives on their involvement. Both men are described as members of the Sanhedrin, the Jewish council, which adds complex layers to their roles as secret followers or sympathizers of Jesus.

Nicodemus: The Seeker of Truth

Nicodemus is introduced in the Gospel of John as a Pharisee and a member of the Jewish ruling council who approaches Jesus under the cover of night to discuss spiritual matters (John 3:1-21). This nocturnal meeting suggests caution and intrigue, highlighting Nicodemus's curiosity and theological quest. His questions about being "born again" reflect a profound engagement with Jesus' teachings on spiritual rebirth.

Notably, Nicodemus reappears later in the Gospel of John during Jesus' burial

process (John 19:39). He brings a significant quantity of myrrh and aloes—approximately seventy-five pounds—to anoint Jesus' body, signifying both respect and adherence to Jewish burial customs. This act demonstrates a public expression of devotion, contrasting with his earlier secretive behavior.

Joseph of Arimathea: The Courageous Benefactor

Joseph of Arimathea emerges as a wealthy and influential man, also a member of the Sanhedrin, who boldly requests the body of Jesus from Pontius Pilate after the crucifixion (Mark 15:42-46). This request was a courageous act, considering the political and religious tensions surrounding Jesus' execution. Joseph's provision of a new tomb for Jesus' burial, described as hewn from rock, is a significant detail that underlines his devotion and the fulfillment of prophetic scripture.

Unlike Nicodemus, Joseph is depicted as acting more openly and decisively, suggesting a readiness to identify with Jesus despite potential repercussions. His role is further emphasized in all four Gospels, making him a universally acknowledged figure in the passion narrative.

Comparative Analysis: Roles and Symbolism

Examining Nicodemus and Joseph of Arimathea side by side reveals contrasting yet complementary portraits of faith and courage within the early Christian milieu.

- **Visibility of Faith:** Nicodemus initially embodies secretive belief, approaching Jesus covertly, whereas Joseph demonstrates overt commitment by publicly requesting Jesus' body.
- **Social Status and Influence:** Both men occupy positions of power within the Sanhedrin, yet their responses to Jesus' death differ in expression—Nicodemus's actions are cautious, Joseph's are bold.
- **Theological Significance:** Nicodemus's engagement with Jesus' teachings on spiritual rebirth contrasts with Joseph's practical role in fulfilling burial customs, together symbolizing faith's intellectual and tangible dimensions.

Symbolic Interpretations in Christian Tradition

Over centuries, Nicodemus and Joseph of Arimathea have been emblematic of different facets of discipleship. Nicodemus represents the seeker, the believer wrestling with understanding, while Joseph exemplifies the devoted servant willing to act despite risks. Their combined narrative underscores themes of transformation, courage, and reverence central to Christian theology.

The Impact and Legacy in Art, Literature, and Theology

The stories of Nicodemus and Joseph of Arimathea have inspired a vast array of artistic depictions, theological discussions, and cultural references. Their portrayals often accentuate their distinct characteristics—Nicodemus as the contemplative philosopher and Joseph as the noble patron.

Artistic Depictions

In Renaissance and Baroque art, Joseph of Arimathea is frequently illustrated carrying the body of Christ or standing beside the tomb, symbolizing his role in Jesus' burial. Nicodemus is often depicted holding the spices or assisting with the preparation of the body, emphasizing his supportive and compassionate nature.

Theological Reflections

Theologically, Nicodemus's nighttime visit has been interpreted as a metaphor for spiritual awakening, while Joseph's actions highlight the importance of honoring sacred traditions even in times of crisis. Their stories inform discussions on faith under persecution, the balance between public witness and private belief, and the fulfillment of messianic prophecies.

Relevant Insights for Contemporary Readers

Understanding the figures of Nicodemus and Joseph of Arimathea offers modern readers nuanced perspectives on faith, courage, and integrity. Their narratives encourage reflection on the complexities of belief in challenging environments and the diverse ways individuals respond to transformative events.

- **Faith and Doubt:** Nicodemus exemplifies the journey from curiosity to conviction, a process familiar to many believers.

- **Risk and Commitment:** Joseph's willingness to associate openly with Jesus despite potential backlash serves as a model of bold discipleship.
- **Respect for Tradition:** Both men uphold Jewish burial customs, illustrating the interplay between cultural heritage and emerging Christian identity.

By investigating these figures through historical, theological, and cultural lenses, one gains a richer appreciation of their contributions to the passion narrative and their lasting influence on Christian thought.

In sum, Nicodemus and Joseph of Arimathea represent two dimensions of faith during a pivotal moment in religious history—one rooted in inquiry and the other in action. Their intertwined stories continue to resonate, inviting ongoing exploration and reflection within biblical scholarship and beyond.

nicodemus and joseph of arimathea: Christian Writing's of the Bible Danny Davis, 2009-01-08 I am a license and ordained Minister and I am very careful what I study and what I read, I have to say both the writings of both these men have given me a great blessing and understanding of the bible, Reading the writing's of Nicodemus, he gave us so much detail of the Trial of Jesus including names and actions that took place, and what happened with the Pharisee's after Jesus Death and Resurrection of our Lord, and Joseph of Arimathea gives insight into the 40 days Jesus was on earth after the resurrection. and the robber that believed on Jesus on the Cross.

nicodemus and joseph of arimathea: Women in John's Gospel Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation, arguing that these depictions are influenced by his apocalyptic world-view. By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender, Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith. Beginning with the Virgin Mary's portrayal at the wedding at Cana, where she prompts Jesus to carry out his first sign, Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah. These include the Samaritan woman, Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden. Crucially, Miller suggests that John's frequent use of "woman" links these female followers (particular Jesus' venerated mother) with the figure of Eve in Genesis, and she concludes that women are associated with the "hour" of Jesus when he casts out the "ruler of the world" and inaugurates the new creation.

nicodemus and joseph of arimathea: The Spiritual Origins of Eastern Europe Sergei O. Prokofieff, 2016-03-21 'And however paradoxical it may seem today, the "Grail mood" is in the fullest sense to be found in Russia. And the future role that Russia will play in the sixth post-Atlantean epoch... rests firmly upon this unconquerable "Grail mood" in the Russian people.' - Rudolf Steiner Although Eastern Europe has been part of the Christian world for more than a thousand years, its spiritual identity remains a mystery. This mystery, says Sergei Prokofieff, can only fully be solved by looking behind external events and seeking spiritual - meta-historical - dimensions of reality. In illuminating the maya of outer history, Prokofieff reveals the forces that have been at work to hinder the progress of mankind: the materialistic Brotherhoods of the West and the occult aspects of both Jesuitism and Bolshevism. These adversary groups have created a 'karma of materialism', that the eastern Slavic peoples have taken upon themselves out of their 'exalted willingness for sacrifice'. Prokofieff shows how, from the earliest times, the future 'conscience of humanity' flowed from hidden mystery centres in Hibernia, to the eastern Slavic peoples. As a result, qualities of 'compassion, patience and willingness for sacrifice' developed in their souls, creating a truly Christian 'Grail mood'. Despite incalculable suffering - from the persecutions of the Mongol hordes to the Bolshevik experiment of the last century - this quality has become an unconquerable force. Will humanity be able to use the present opportunity granted by this sacrifice to fulfil the primary purposes of the present cultural epoch? Can the future mysteries of the Holy Grail be fulfilled? In this momentous work, breathtaking in its scope and detail, the author attempts a truly esoteric approach, penetrating to the spiritual wellsprings of Eastern Europe in the light of Rudolf Steiner's research.

nicodemus and joseph of arimathea: Unraveling the Family History of Jesus Steven Donald Norris, 2016-01-11 Unraveling the Family History of Jesus approaches Jesus as an historical figure and sheds light on the details of the settings, the circumstances, and the context in which His family lived. Steven Donald Norris—drawing upon a wide array of sources—brings to this work an historian's sensibility of the broad sweep of events and a genealogist's eye for capturing the fine nuances that make a family's own story unique. Typical theological treatments of Jesus tend to regard Him as the Messiah because the New Testament identifies Him as a "son of David." Unraveling the Family History of Jesus digs into the background and lineage of Jesus and, by uncovering the setting in life—Sitz im Leben—of His family, shows precisely how Jesus was a son of David and how He—by right—ought to be acclaimed "King of the Jews." In addition, this work documents the connections tying Jesus's extended family to several historical figures who played prominent roles in the destruction of Jerusalem. Norris' work provides fresh insights that arise from meticulous reexaminations of existing historical sources. It traces the family ties binding Jesus's forebears and His extended family to one another and to Jesus Himself and tells how this family's influence changed the course of human history.

nicodemus and joseph of arimathea: The Portrait in the Renaissance John Pope-Hennessy, 2023-08-15 A major account of Renaissance portraiture by one of the twentieth century's most eminent art historians In this book, John Pope-Hennessy provides an unprecedented look at two centuries of experiment in portraiture during the Renaissance. Pope-Hennessy shows how the Renaissance cult of individuality brought with it a demand that the features of the individual be perpetuated, a concept first manifested in the portraits that fill the great Florentine fresco cycles and led, later in the fifteenth century, to the creation of the independent portrait by such artists as Sandro Botticelli, Antonio del Pollaiuolo, Giovanni Bellini, and Antonello da Messina. Pope-Hennessy goes on to describe the process by which Titian and the great artists of the High Renaissance transformed the portrait from a record of appearance into an analysis of character.

nicodemus and joseph of arimathea: Designs for the Church in the Gospel of John R. Alan Culpepper, 2021-07-16 The essays in this volume, which span four decades, represent sustained reflection on the historical setting, narrative devices, and theology of the Gospel of John. Methodologically, the essays develop a narrative-critical approach to the Gospel, producing insights that have implications for historical and theological issues. Thematically, many of the essays explore

the Gospel's ecclesiology, especially its vision for the church and its mission. As a collection, this volume provides an introduction to the Fourth Gospel, analyses of major issues (including John's anti-Judaism, relationship to 1 John, irony, imagery, creation ethics, evil, and eschatology), and in-depth exploration of key texts, especially John 1:1-18, 2:20; 4:35-38; 5:1-18; 5:21-30; 10:1-18; 12:12-15; 13:1-20; 19:16-30; 20:19-23; and chapter 21.

nicodemus and joseph of arimathea: On the Wrong Side of Just about Everything, But Right about It All Dale Crowley Jr., 2005 The pages of this book contain incontrovertible proof that our Lord was crucified and buried on Wednesday, not Friday; that those left behind are God's people, not the wicked; that America's heritage is Christian, not Judeo-Christian; that Israel-first Scofield dispensationalism is unbiblical and dangerous; that the invasion and occupation of Iraq was a terrible mistake; and that many other myths, dogmas, shibboleths and deceptions of Christianity today should be discarded and replaced by truth. These controversial and sometime explosive issues are dealt with by the author carefully, thoroughly, courageously, and biblically. The astonishing thing about these studies and commentaries is that they were actually broadcast, since 1979, on the Washington, D.C. region's oldest and most influential Christian radio station, WFAX 1220.--[p. 4] Cover.

nicodemus and joseph of arimathea: Character Studies in the Fourth Gospel Hunt, et al, 2016 Using various narrative approaches and methodologies, an international team of forty-four Johannine scholars here offers probing essays related to individual characters and group characters in the Gospel of John. These essays present fresh perspectives on characters who play a major role in the Gospel (Peter, Nicodemus, the Samaritan woman, Thomas, and many others), but they also examine characters who have never before been the focus of narrative analysis (the men of the Samaritan woman, the boy with the loaves and fishes, Barabbas, and more). Taken together, the essays shed new light on how complex and nuanced many of these characters are, even as they stand in the shadow of Jesus. Readers of this volume will be challenged to consider the Gospel of John anew.

nicodemus and joseph of arimathea: The Book of Unknowing David S. Herrstrom, 2012-03-29 The Book of Unknowing meditates on John's confrontation with the incandescent Jesus, a figure of our desire for immortality. Guiding us through the Gospel's coming to grips with Jesus, the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis, as he explores John's own obsessions, such as image (light), symbol (water), sign (water to wine), shapeliness (symmetry), loves (Peter, Mary's), and above all, words (the Word, the body of Jesus). The result is a heady, literary engagement not afraid of wit and paradox. For anyone who loves literature or whose business is interpretation--ministers and teachers--this book blossoms with fresh revelations about the many voices of Jesus living in the House of the Interpreter and interacting with another interpreter (Nicodemus), as well as about John the interpreter who continually pauses to explain Jesus' motives, metaphors, and the meaning of his death. This meditation on John's Gospel takes the goat's leaping approach to the craggy language of John and Jesus rather than the methodical rock climber's. And along the way, to help him find footholds on the how and why of John's strategies, the author calls on other poets, from William Blake to Emily Dickinson and Miguel de Unamuno. The result: a poet's rather than a preacher's, theologian's, or scholar's reading of John's book, one which crosses the borders of disciplines. Throughout The Book of Unknowing, David Herrstrom is unsettled and exhilarated by the peculiar orneriness and fragrance of John's book, by its strange particulars that grab him by the throat and call lives into question. As William Blake has said, Exuberance is Beauty, and this is an exuberant book.

nicodemus and joseph of arimathea: Jesus and the Essenes Rev. Ralph F. De Flores, 2017-09-12 Jesus and the Essenes By: Rev. Ralph F. De Flores Jesus and the Essenes: The Untold Story is the second part of a trilogy relative to the life of Jesus and his loved ones. It provides the reader with some idea of what Jesus' relations with the Essenes might have been like. Also, this historic novel may give you an insight as to why the Essenes were left out of the New Testament. After reading about the Essenes in the December 1958 issue of National Geographic, Rev. Ralph F.

De Flores turned his attention to the New Testament to see what the writers of the New Testament had to say about that important Jewish sect during Jesus' era. He was surprised to discover the Essenes were "left out" of the New Testament. That discovery resulted in him spending countless hours researching whatever he could discover about that interesting Jewish sect whose monastery wise men wrote the Dead Sea Scrolls. Let the story begin. This historic novel may prove interesting to people who like to read novels that deal with Jesus' era.

nicodemus and joseph of arimathea: *Living in the Light* Joe Barone, Joseph M. Beer, William R. Grimbol, 2008 This anthology for Lent and Easter includes 22 creative components such as monologues and skits, services, dialogues, dramas, as well as a service and a litany. Requiring little to no staging and props, each program involves a varying number of participants, perfect for congregations of any size. Included are materials for Ash Wednesday through Holy Week. Copy privileges are granted.

nicodemus and joseph of arimathea: *The Last King of Israel* Mike Chung, 2016-10-27 As death draws near, life will be lived differently. The Last King of Israel explores how the king of kings chose to live his final ten days culminating in the resurrection. Lessons like spending time with loved ones, dealing with difficult people, handling criticism, resting despite enormous stress, and handling affliction are some of the areas addressed as Jesus faces imminent death. Easter is one of the world's most revered holiday seasons; this book will enhance understanding of this truly holy week. Including the two days before Palm Sunday and continuing through the evening of his resurrection, The Last King of Israel takes the reader on Jesus's epic final ten-day journey as his mission on earth comes to an end. Seeing how he died will teach all of us how to live. Challenging both the heart and the mind, The Last King of Israel is a must-read for those who desire a deeper understanding of who Jesus is and the life he lived.

nicodemus and joseph of arimathea: *The First Saints* James Rankin, 1893

nicodemus and joseph of arimathea: BEWARE OF THE MAN WITH ONLY ONE RELIGIOUS BOOK! Louis S. S. Toth Ph.D, 2020-11-15 The thesis of this book is that people and religions that have one religious book as guidance cannot be true (in the larger sense of shared truth) and that government that are faith-based cannot represent all the people. Free and open discussions and serious debate are essential for arriving at truth and democratic government. And religion is detrimental to world peace. The discussions presented assert that: there are many religions and that ALL their gods are pretend (given arbitrary characteristics), and new gods/religions have been easily made by many persons who visit the desert, wilderness, mountain-top, or any place of solitude where they were able to receive god's calling without witnesses, and then they decree that god wants to speak through them (and only to them) and echoed by their appointed priests. If they can get gullible people to follow them and their god's rules, they can establish their own religion (and warriors). The primary focus of the book's discussions will be to establish ground rules for establishing truth. Then as examples, discussions are presented with other explanations of miracles in order to reconsider some of the Bible dogma specifically attributed to Jehovah, Moses, Passover, and the roles of all the gods involved in the story of the Exodus. The Bible (or Torah) may tell a different story when we discount miracles and explain them with other real possibilities. The conclusions may be different when we explore the plausibility that 1) Moses was the son of Pharaoh Amenhotep IV (later called Akhenaten who converted Egypt to a monotheistic religion) and Jochebed (a lesser wife—if married at all) and that 2) Moses was an Aten Priest who killed King Tut. The Exodus (and Adam and Eve) would have different explanations if Jehovah were not invented until on Mount Sinai in 1311 BCE (Before the Common Era) . . . not In the Beginning of the existence of the world. Also, the Passover, the Jews took in leaving Egypt would be logical if one sees Moses' attempt to assert his claim to the pharaoh throne. And the Jews wandering in the desert would be reasonable if one considers that they were advised and supported by Moses' father-in-law, Jethro, who was the nomadic high priest of the Druze religion (also a monotheistic type). These possibilities are herein explored in some detail, and the events are presented with a psychological history that includes the back stories, motivation, and relationships behind the characters and events. These discussions

encourage rational thought and open-mindedness.

nicodemus and joseph of arimathea: Studies in East Christian and Roman Art Charles Lang Freer, 1918

nicodemus and joseph of arimathea: Passion play of Oberammergau William Thomas Stead, 1890

nicodemus and joseph of arimathea: The Sunday Morning Experience 2 Archie Carter, 2010-05 The Sunday Morning Experience 2 To the Reader: What do you want from your reading experience? Do you like a good biblical background for what you are reading? Do you like to glean from God's word and pickup little tender morsels that sometimes get left behind? I have been told that this book was being used for devotional reading. It has also been used as a supplement to bible reading. What should you expect from this book? Just like the first book called The Sunday Morning Experience you will get moderate to extensive introductions in a clear writing that is easy to understand. You will receive a logical exploration into the identity of Theophilus to whom Luke was writing in his gospel and the book of Acts. You will come to the realization of how awesome our God is. _____ Archie Carter has carried the word of God to many as he taught adult bible class, new members, vacation bible school, and deacon workshops. He also brought the gospel message to men outside the church. He has received diversified instruction from Bible Colleges, although he was not seeking an additional degree. He received his Bachelor of Arts degree from San Jose State University. He later took the time, while working fulltime, to achieve a Master of Business Administration degree from the University of Phoenix. For the last few years, Archie has accepted the task of providing bible study to prisoners on a weekly basis. He says that it has been a humbling experience to see men come and give their lives to Christ through his ministry.

nicodemus and joseph of arimathea: A Simplified Harmony of the Gospels George W. Knight, 2001-09-01 The four gospels woven into a single running narrative featured in HCSB translation.

nicodemus and joseph of arimathea: Loose Ends Brian d'Eon, 2020-07-24 How did Lazarus cope after being raised from the dead? Did he simply return to his normal routines? Or during Jesus's triumphal entry into Jerusalem, what was the donkey thinking? If a stone had the gift of sentience, what witness would it have given to the woman caught in the act of adultery? These are but a few of the questions posed by the author in his collection of short stories, Loose Ends. Each story owes its origin to a passage from the New Testament. Following the Jewish tradition of midrash, author Brian d'Eon prayerfully looks into the motivations of the characters in these stories, trying to fill in gaps in the narrative and tie up "loose ends." Inspired by countless generations of midrash writers, d'Eon looks for ways to join piety and imagination together, searching for new meaning in stories whose long familiarity may have blunted their original impact.
