Scully Wainwright never intended to be left alone with his ranching partner's fiancée. But his partner's not due back until spring, and he can't leave a defenseless woman and her child unguarded—not with wolves and Indians threatening. Biding his time with the

lovely Evangeline begins to feel dangerously close to setting up a real home. But as a reckless passion sparks between them, Scully and Evangeline discover a destiny—and a passion—as boundless as the open frontier.
