And as they get older, wouldn't they grow to like screwball comedies (*His Girl Friday*), women's weepies (*Imitation of Life*), and westerns (*The Searchers*)? The answer is that they'll follow

because they'll have learned that "old" does not necessarily mean "next channel, please." Here is an impassioned and eminently readable guide that introduces the delights of the golden age of movies. Ty Burr has come up with a winning prescription for children brought up on Hollywood junk food. **FOR THE LITTLE ONES** (Ages 3—6): Fast-paced movies that are simple without being unsophisticated, plainspoken without being dumbed down. *Singin' in the Rain* and *Bringing Up Baby* are perfect. **FOR THE ONES IN BETWEEN** (Ages 7—12): "Killer stories," placing easily grasped characters in situations that start simply and then throw curveballs. *The African Queen* and *Some Like It Hot* do the job well. **FOR THE OLDER ONES** (Ages 13+): Burr recommends relating old movies to teens' contemporary favorites: without Hitchcock, there could be no *The Texas Chainsaw Massacre*, without Brando, no Johnny Depp.

the best of the three stooges: *The Best Minds of My Generation* Allen Ginsberg, 2017-04-04 In 1977, twenty years after the publication of his landmark poem "Howl," and Jack Kerouac's seminal book *On the Road*, Allen Ginsberg decided it was time to teach a course on the literary history of the Beat Generation. Through the creation of this course, which he ended up teaching five times, first at the Naropa Institute and later at Brooklyn College, Ginsberg saw an opportunity to present the history of Beat Literature in his own inimitable way. Compiled and edited by renowned Beat scholar Bill Morgan, and with an introduction by Anne Waldman, *The Best Minds of My Generation* presents the lectures in edited form, complete with notes, and paints a portrait of the Beats as Ginsberg knew them: friends, confidantes, literary mentors, and fellow revolutionaries. Ginsberg was seminal to the creation of a public perception of Beat writers and knew all of the major figures personally, making him uniquely qualified to be the historian of the movement. In *The Best Minds of My Generation*, Ginsberg shares anecdotes of meeting Kerouac, Burroughs, and other writers for the first time, explains his own poetics, elucidates the importance of music to Beat writing, discusses visual influences and the cut-up method, and paints a portrait of a group who were leading a literary revolution. For Beat aficionados and neophytes alike, *The Best Minds of My Generation* is a personal yet critical look at one of the most important literary movements of the twentieth century.

Their dark side. Their juvenile side. Their sick side. Their naughty side. Their outrageous side. And what a treat. Ventriloquist dummy cartoons. Operating room cartoons. Bring your daughter to work day cartoons (the stripper, the prison guard on death row). Lots of couples in bed, quite a few coffins, wise-cracking animals—an obsessive's plumbing of the weird, the scary, the off-the-wall, and done so without restraint. Every week *The New Yorker* receives 500 cartoon submissions, and rejects a great majority—mostly, of course, for not being funny enough. There's no question why these were rejected, and it's not for lack of laughs. One can almost hear Eustace Tilley sniffing, *We are not amused*.
