

henry rollins the first five

****Henry Rollins The First Five: Exploring the Early Years of a Cultural Icon****

henry rollins the first five is a phrase that invites fans and newcomers alike to delve into the foundational years of one of punk rock's most enduring and provocative figures. Known for his intense stage presence, raw lyricism, and multifaceted career, Henry Rollins has become more than just a musician; he's a symbol of relentless energy and intellectual depth. The "first five" often refers to the critical early period of his artistic journey—whether it's the first five albums, live performances, or formative years—that shaped the persona we know today.

In this article, we'll take a comprehensive look at Henry Rollins' initial impact, focusing on what makes the first five years or works so pivotal. From his time fronting the hardcore punk band Black Flag to his solo endeavors and spoken word performances, this exploration will paint a vivid picture of an artist who refused to be boxed in by genre or expectation.

The Genesis of Henry Rollins: From Troubled Youth to Punk Frontman

Before Henry Rollins became a household name in punk circles, he was an ordinary kid from Washington, D.C., with a deep passion for music and a restless spirit. The early 80s marked a turning point when he joined Black Flag, replacing their original vocalist and injecting new life into the band's aggressive sound.

The First Five Years with Black Flag

The period from 1981 to 1986 is often considered Henry Rollins' "first five" of major musical contributions. During these years, he helped Black Flag pioneer hardcore punk with albums like **Damaged** (1981), which remains a seminal record in punk history. His raw, visceral vocal delivery and poetic yet confrontational lyrics set a standard for the genre.

Rollins wasn't just a singer; he was a frontman who embodied punk's rebellious ethos. His relentless touring and intense live shows created a cult following that would grow exponentially. The first five years with Black Flag were a crucible that forged his distinctive style, one marked by honesty, anger, and a refusal to conform.

Henry Rollins The First Five Solo Albums: Evolution and Experimentation

After Black Flag disbanded, Henry Rollins embarked on a solo career that showcased his versatility beyond hardcore punk. The "first five" solo albums are particularly significant because they reveal his growth as a songwriter and performer.

From Spoken Word to Spoken Truth

Rollins' solo work isn't limited to music; his spoken word performances became a hallmark of his career. Albums like **Big Ugly Mouth** (1987) and **The Boxed Life** (1993) blended storytelling, social commentary, and personal reflection. These recordings captured the essence of his stage persona: introspective yet confrontational, humorous yet serious.

The First Five Solo Albums in Detail

1. **Hot Animal Machine** (1987) – His debut solo album, blending punk rock with blues and metal influences, signaling his willingness to experiment.
2. **Drive by Shooting** (1987) – An EP with a raw, aggressive sound that complemented his evolving style.
3. **Life Time** (1987) – Another step into solo territory, merging spoken word with music.
4. **Get Some Go Again** (2000) – While outside the initial "first five," it reflects how his early solo efforts paved the way for future projects.
5. **The End of Silence** (1992) – A powerful album with darker themes and complex arrangements.

These works illustrate Henry Rollins' refusal to be pigeonholed, showcasing his ability to blend genres and mediums. The first five solo projects are essential for understanding his artistic growth beyond the band context.

Impact of Henry Rollins The First Five on Punk and Alternative Culture

The early phase of Henry Rollins' career had a profound influence on punk rock and alternative culture. His dedication to authenticity and his exploration of social and political issues through music and spoken word helped shape the cultural landscape of the 1980s and beyond.

Shaping the Hardcore Punk Scene

Henry Rollins' first five years with Black Flag coincided with the rise of hardcore punk as a forceful countercultural movement. His aggressive style and unfiltered lyrics spoke to a generation disillusioned with mainstream values. This era laid the groundwork for countless bands that followed, cementing Rollins as a pioneer.

Spoken Word and Activism

Beyond music, Rollins used his platform to address topics like race, politics, and personal empowerment. His spoken word tours and albums made him a unique voice in alternative culture, bridging the gap between punk music and intellectual discourse. The "first five" years of this phase introduced audiences to a new kind of performer—one who could challenge listeners not just with

sound but with ideas.

The Legacy of Henry Rollins The First Five: Lessons and Inspirations

Looking back at Henry Rollins' first five years in the spotlight offers valuable insights for artists, fans, and anyone interested in cultural history.

Resilience and Authenticity

Rollins' journey underscores the importance of staying true to oneself in the face of adversity. His early career was marked by relentless touring, physical and emotional challenges, and a refusal to dilute his message. For aspiring musicians and performers, this is a powerful lesson in perseverance.

Crossing Boundaries

Henry Rollins demonstrates how an artist can successfully navigate different forms of expression. Whether through punk rock, spoken word, writing, or acting, he continuously reinvented himself without losing his core identity. This adaptability is arguably one of the reasons he remains relevant decades later.

Engaging with Social Issues

The first five years also highlight Rollins' commitment to using art as a vehicle for social commentary. His candid discussions about mental health, politics, and personal struggle provide a blueprint for how artists can engage meaningfully with the world around them.

Exploring Henry Rollins The First Five: Where to Start

For those new to Henry Rollins or looking to deepen their understanding of his early work, navigating the vast catalog can seem daunting. Here are some tips to get started:

- **Listen to Black Flag's *Damaged*:** This album encapsulates the raw energy of Rollins' early years and is essential listening for punk enthusiasts.
- **Check out his spoken word albums:** *Big Ugly Mouth* and *The Boxed Life* offer a window into his storytelling and social insights.
- **Watch live performances from the early 80s:** Concert footage captures the intensity and

passion that defined his stage presence.

- **Read his writings:** Books like **Get in the Van** provide a personal account of his experiences during the first five years of his career.

Engaging with these materials will provide a well-rounded perspective on Henry Rollins the first five and why this period remains a cornerstone of his legacy.

Henry Rollins the first five years of his career represent not just the beginning of a legendary artist but a formative chapter in punk history and alternative culture. His fearless approach to music and performance continues to inspire new generations, proving that sometimes, the earliest chapters tell the most powerful stories.

Additional Resources

Henry Rollins The First Five: An In-Depth Exploration of a Pioneering Spoken Word Collection

henry rollins the first five marks a significant entry in the catalog of one of punk rock's most provocative voices. Known primarily for his tenure as the frontman of the iconic hardcore band Black Flag, Henry Rollins also cultivated a prolific spoken word career that expanded his influence far beyond music. The First Five is a collection of his earliest spoken word performances, capturing the raw energy, social commentary, and introspective narratives that helped define his evolution as an artist and cultural critic.

This article delves into Henry Rollins The First Five, examining its place within his broader body of work, its thematic depth, and what makes it a compelling listen for fans and newcomers alike. By exploring the nuances of this spoken word collection, we can better understand Rollins' transition from punk frontman to a multifaceted performer whose words challenge, entertain, and provoke thought.

Contextualizing Henry Rollins The First Five

Henry Rollins' spoken word career took shape in the early 1980s alongside his music projects. The First Five is not merely a compilation of performances but an archival snapshot of Rollins' formative years as a solo artist. These recordings, spanning from 1985 to 1987, showcase his ability to engage audiences through storytelling, humor, and biting socio-political observations.

Unlike his aggressive stage persona with Black Flag, Rollins' spoken word performances reveal a more nuanced communicator who employs wit and vulnerability. The First Five offers insight into his perspectives on subjects ranging from personal struggles and societal issues to music industry critiques and everyday absurdities.

Production and Release History

The First Five was initially released as a box set, encompassing five individual spoken word albums recorded during his early solo career. This format allowed listeners to experience the evolution of Rollins' style and thematic focus chronologically. The collection is notable for its raw production values, which preserve the authenticity of live performances, complete with audience reactions and occasional improvisation.

Remastered versions have since been made available, enhancing audio clarity without sacrificing the immediacy and intimacy that characterize these recordings. The availability of The First Five across digital platforms has broadened its reach, introducing Rollins' spoken word artistry to a new generation.

Artistic Themes and Narrative Style

One of the defining features of Henry Rollins' The First Five is its thematic diversity. Rollins navigates between intense personal revelations and broader cultural critiques with a seamless narrative flow that commands attention.

Personal and Social Commentary

Throughout the collection, Rollins explores his own vulnerabilities, including struggles with identity, solitude, and frustration. These introspective moments are balanced by sharp commentary on social issues such as conformity, political apathy, and the contradictions within the punk scene itself.

His ability to blend humor with critical analysis creates a dynamic listening experience. For example, in some tracks, he lampoons the commercialization of punk music, while in others, he delivers poignant reflections on alienation and resilience.

Storytelling Techniques

Rollins' storytelling in The First Five is marked by a conversational tone that invites the listener into his worldview. He frequently employs anecdotal narratives, vivid descriptions, and a cadence that mirrors natural speech patterns. This approach lends an immediacy to his words and fosters a sense of authenticity.

His use of repetition, pacing, and strategic pauses enhances the dramatic impact of his performances. Moreover, the live recording context captures spontaneous interactions with audiences, adding layers

of engagement and unpredictability.

Comparative Analysis: The First Five vs. Later Works

When comparing The First Five to Henry Rollins' later spoken word albums and multimedia projects, several distinctions emerge. The earlier recordings are more raw and unpolished, reflecting an artist still refining his voice and stage presence. In contrast, later works demonstrate increased production sophistication and broader thematic exploration, including travel narratives and political activism.

Despite these developments, The First Five remains a critical foundation for understanding Rollins' trajectory. The urgency and intensity captured in these initial performances continue to resonate, underscoring the enduring relevance of his early work.

Advantages of The First Five Collection

- Authentic representation of Rollins' early spoken word style
- Unfiltered energy and raw emotion
- Insight into the sociocultural environment of the 1980s punk scene
- Chronological organization illustrating artistic growth
- Accessibility for both longtime fans and newcomers

Limitations and Considerations

- Audio quality may be uneven due to live recording conditions
- Some content may feel dated or culturally specific to the 1980s
- Occasional abrasive delivery can challenge casual listeners

The Legacy and Influence of Henry Rollins The First Five

The First Five has influenced a wide spectrum of spoken word artists and performers who value

candid storytelling and social critique. Rollins' fearless approach to confronting uncomfortable truths and his willingness to reveal personal flaws set a precedent within the genre.

Beyond its artistic impact, the collection also serves as a cultural artifact documenting a pivotal era in American underground music and alternative expression. It captures the spirit of dissent and individualism that characterized the punk movement and its offshoots.

Impact on Spoken Word and Punk Communities

Rollins' fusion of punk ethos with spoken word performance helped legitimize the latter as a potent form of artistic expression. His work demonstrated that spoken word could be as confrontational and provocative as punk music itself, opening doors for a new generation of performers.

Within punk circles, *The First Five* is often cited as essential listening, reflecting the genre's intellectual and emotional depths beyond its sonic aggression. It also highlights the versatility of artists like Rollins who transcend genre boundaries.

Where to Access Henry Rollins The First Five

For those interested in exploring *The First Five*, the collection is available on major streaming platforms such as Spotify, Apple Music, and Amazon Music. Physical copies, including remastered box sets, can be found through specialty music retailers and online marketplaces.

Live performance videos and interviews contextualizing the spoken word albums are also accessible on platforms like YouTube, offering additional perspectives on Rollins' creative process during this period.

Henry Rollins The First Five remains a compelling testament to an artist unafraid to confront both himself and society with unrelenting honesty. Its blend of raw emotion, incisive commentary, and compelling storytelling continues to speak to audiences seeking substance and authenticity in spoken word performance. Whether approached as a historical document or a dynamic artistic experience, *The First Five* embodies the restless spirit that has defined Henry Rollins' enduring career.

hardcore punk group Black Flag in the '80s, has emerged as a '90s post-punk renaissance man and a prolific writer. This voluminous collection of Rollins' first five books shows the evolution of a man grinding his way through the challenges of the independent music circuit. Includes *High Adventure in the Great Outdoors*, *Bang!*, *Art to Choke Hearts*, *Pissing In The Gene Pool* and *One From None*.

henry rollins the first five: *The Publishers Weekly* , 1997

henry rollins the first five: *Music of the 1980s* Thomas Harrison, 2011-06-16 Beyond coverage of mainstream 80s music, such as hair band hard rock, pop, new wave, and rap, this compilation of essential musical artists also covers genres like classical, jazz, outlaw country, and music theater. Popular music in the United States during the 1980s is well known for imports from abroad, such as A-ha, Def Leppard, Falco, and Men at Work, as well as homegrown American rock acts such as Guns 'N Roses, Huey Lewis and the News, Bon Jovi, and Poison. But there were many other types of genres of music that never received airplay on the radio or MTV that also experienced significant evolutions or growth in that decade. *Music of the 1980s* examines the key artists in specific genres of popular music: pop, hard rock/heavy metal, rock, and country. No other reference book for students has previously explored the surprisingly diverse categories of hard rock and heavy metal music with such detail and depth. Additionally, a chapter focuses on the prominent artists and composers of less-mainstream genres for specialized audiences, including music theater, jazz, and classical music.

henry rollins the first five: *The Library Journal* , 1998-04 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

henry rollins the first five: *The Vagabond's Way* Rolf Potts, 2023-10-03 "Thought-provoking, encouraging, and inspiring" (Gretchen Rubin) reflections on the power of travel to transform our daily lives—from the iconoclastic travel writer, scholar, and author of *Vagabonding* For readers who dream of travel, yearn to get back out on the road, or want to enrich a journey they're currently on, *The Vagabond's Way* explores and celebrates the life-altering essence of travel all year long. Each day of the year features a meditation on an aspect of the journey, anchored by words of wisdom from a variety of thinkers—from Stoic philosopher Seneca and poet Maya Angelou to Trappist monk Thomas Merton and Grover from Sesame Street. Iconoclastic travel writer and scholar Rolf Potts embraces the ragged-edged, harder-to-quantify aspects of travel that inevitably change travelers' lives for the better in unexpected ways. The book's various sections mirror the phases of a trip, including • dreaming and planning the journey: "All life-affecting journeys—and the unexpected wonders they promise—become real the moment you decide they will happen." • embracing the rhythms of the journey: "The most poignant experiences on the road occur in those quiet moments when we recognize beauty in the ordinary." • finding richer travel experiences: "Developing an instinct to venture beyond the obvious on the road allows you to see places as mysteries to be investigated." • expanding your comfort zone: "No moment of instant gratification can compare to savoring an experience that has been earned by enduring the adversity that comes with it." *The Vagabond's Way* encourages you to sustain the mindset of a journey, even when you aren't able to travel, and affirms that travel is as much a way of being as it is an act of movement.

henry rollins the first five: *A Million Is Not Enough* Michael Farr, 2008-03-05 Will you have over \$1 million ready for your retirement? If the answer is no, and this figure sounds totally out of reach, think again. A million dollars isn't what it used to be. The truth is that Baby Boomers, who have enjoyed more abundance and pleasures than any previous generation, need more than a million dollars for a comfortable retirement. And you can achieve this—even if you don't already have a net worth close to a million dollars—by starting now. In *A MILLION IS NOT ENOUGH*, Michael Farr, one of America's leading financial strategists, shows you that this goal can absolutely be accomplished—no matter what your income bracket. Farr has decades of experience as an investment strategist advising thousands of clients. With this inside information he provides a step-by-step program that includes: STEP 1: Save it...the 25 simple things you can do today to save an extra \$300-\$500 a month STEP 2: Invest it...the techniques all of us can use to demystify investing STEP 3:

Personalize it...investment strategies for readers in their thirties, forties, and fiftiesSTEP 4: Manage and protect it...how to keep investments safe in volatile marketsSTEP 5: Pass it on...creating a legacy for the future This strategy is ambitious, but Michael Farr shows you how painless it can be. Whether you're thirty-five, forty-five, or fifty-five; getting a head start, starting on time, or playing catch-up, *A MILLION IS NOT ENOUGH* can help you establish the financial security you really need for your retirement years.

Now, you hold the keys to getting published.

henry rollins the first five: *My So-Called Punk* Matt Diehl, 2013-09-24 When it began, punk was an underground revolution that raged against the mainstream; now punk is the mainstream. Tracing the origins of Grammy-winning icons Green Day and the triumphant resurgence of neo-punk legends Bad Religion through MTV's embrace of pop-punk bands like Yellowcard, music journalist Matt Diehl explores the history of new punk, exposing how this once cult sound became a blockbuster commercial phenomenon. Diehl follows the history and controversy behind neo-punk—from the Offspring's move from a respected indie label to a major, to multi-platinum bands Good Charlotte and Simple Plan's unrepentant commercial success, through the survival of genre iconoclasts the Distillers and the rise of emo superstars like Fall Out Boy. *My So-Called Punk* picks up where bestselling authors Legs McNeil and Jon Savage left off, conveying how punk went from the Sex Pistol's Anarchy in the U.K. to anarchy in the O.C. via the Warped Tour. Defining the sound of today's punk, telling the stories behind the bands that have brought it to the masses and discussing the volatile tension between the culture's old and new factions, *My So-Called Punk* is the go-to book for a new generation of punk rock fans.

henry rollins the first five: *Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003* Jeff Herman, 2001-07-10 This one-of-a-kind reference provides critical information on securing publishing contracts.

henry rollins the first five: *More Fun in the New World* John Doe, Tom DeSavia, 2019-06-04 This sequel to Grammy-nominated bestseller *Under the Big Black Sun* continues the up-close and personal account of the L.A. punk scene—and includes fifty rare photos. Picking up where *Under the Big Black Sun* left off, *More Fun in the New World* explores the years 1982 to 1987, covering the dizzying pinnacle of L.A.'s punk rock movement as its stars took to the national—and often international—stage. Detailing the eventual splintering of punk into various sub-genres, the second volume of John Doe and Tom DeSavia's west coast punk history portrays the rich cultural diversity of the movement and its characters, the legacy of the scene, how it affected other art forms, and ultimately influenced mainstream pop culture. The book also pays tribute to many of the fallen soldiers of punk rock, the pioneers who left the world much too early but whose influence hasn't faded. As with *Under the Big Black Sun*, the book features stories of triumph, failure, stardom, addiction, recovery, and loss as told by the people who were influential in the scene, with a cohesive narrative from authors Doe and DeSavia. Along with many returning voices, *More Fun in the New*

World weaves in the perspectives of musicians Henry Rollins, Fishbone, Billy Zoom, Mike Ness, Jane Weidlin, Keith Morris, Dave Alvin, Louis Pérez, Charlotte Caffey, Peter Case, Chip Kinman, Maria McKee, and Jack Grisham, among others. And renowned artist/illustrator Shepard Fairey, filmmaker Allison Anders, actor Tim Robbins, and pro-skater Tony Hawk each contribute chapters on punk's indelible influence on the artistic spirit. In addition to stories of success, the book also offers a cautionary tale of an art movement that directly inspired commercially diverse acts such as Green Day, Rancid, Red Hot Chili Peppers, Wilco, and Neko Case. Readers will find themselves rooting for the purists of punk juxtaposed with the MTV-dominating rock superstars of the time who flaunted a born to do this, it couldn't be easier attitude that continued to fuel the flames of new music. More Fun in the New World follows the progression of the first decade of L.A. punk, its conclusion, and its cultural rebirth.

henry rollins the first five: *Jeff Herman's Guide to Book Publishers, Editors & Literary Agents* Jeff Herman, 2003 A guide to the names and specialties of American and Canadian publishers, editors, and literary agents includes information on the acquisition process and on choosing literary agents.

henry rollins the first five: *Always Jane* Jenn Bennett, 2023-02-07 When eighteen-year-old chauffer's daughter Jane Marlow falls for Fen while still dating his brother Eddie, she lands in the middle of a longstanding competition between the two brothers that eventually threatens the future of their father's music empire.

henry rollins the first five: *Library Journal* , 1998

henry rollins the first five: *Making Movies on Your Own* Kevin J. Lindenmuth, 1998-07-15 You see them on the video shelves, with titles such as *Domestic Strangers*, *The Bride of Frank*, *The Blood Between Us*, *Strawberry Estates* and *Sandman*. Skeptically, perhaps, you rent one and slip it into the VCR. Hey, you think, this isn't so bad--sometimes actually quite good. Suddenly, you discover that there is a whole range of movies from filmmakers operating outside the studio system that have their own attractions that the big budget fare can't match. You have, of course, discovered the world of independent filmmaking. Intrigued, you begin thinking that maybe you could do this, maybe you could make an independent feature film. In this work, J.R. Bookwalter, Ronnie Cramer, Mike Gingold, Eric Stanze, Steve Ballot, and 20 others tell what it is really like to make an independent feature. Covering such topics as the script, equipment, actors, publicity, distribution, all facets of production, and budgeting, these indie filmmakers give a virtual how-to for those interested in joining them or just learning more about how those interesting titles end up on video store shelves.

henry rollins the first five: *German Literature in a New Century* Katharina Gerstenberger, Patricia Herminhouse, 2008-10-01 While the first decade after the fall of the Berlin wall was marked by the challenges of unification and the often difficult process of reconciling East and West German experiences, many Germans expected that the "new century" would achieve "normalization." The essays in this volume take a closer look at Germany's new normalcy and argue for a more nuanced picture that considers the ruptures as well as the continuities. Germany's new generation of writers is more diverse than ever before, and their texts often not only speak of a Germany that is multicultural but also take a more playful attitude toward notions of identity. Written with an eye toward similar and dissimilar developments and traditions on both sides of the Atlantic, this volume balances overviews of significant trends in present-day cultural life with illustrative analyses of individual writers and texts.

henry rollins the first five: *Alternative Publishers of Books in North America* Byron Anderson, 2006 This directory is a unique reference tool that gathers information on significant alternative

presses--126 U.S. presses, 19 Canadian, and 18 international presses having either a North American address or distributor. Thirty-three presses are new to this edition.

henry rollins the first five: Encyclopedia of Punk Rock and New Wave David Lührssen, Michael Larson, 2025-01-09 Explore the defining musical artists and moments of the punk rock and new wave eras – one of the most transformative times in rock and roll history. This encyclopedia makes the case for punk rock's enduring social and cultural importance from 1975, when punk was born in New York City, through 1985, by which time punk and new wave had changed the rock music industry forever. Their introduction of new forms of rebellious, boundary-redefining musical expression reverberated with new generations of listeners, singers, and musicians. The encyclopedia covers notable recording acts whose debut albums were released from 1975 through 1985. Coverage encompasses superstars (U2, Duran Duran), historically foundational acts (Sex Pistols, Ramones) and cult bands that amassed a significant legacy of recordings (Violent Femmes, X). Covering discography highlights and touring controversies alike, this resource covers all the reference bases for understanding the most influential and electrifying bands of this era. Coverage is further supplemented with entries on a wide assortment of musical trends and side topics associated with punk rock and new wave music.

henry rollins the first five: Lollapalooza Richard Bienstock, Tom Beaujour, 2025-03-25 With a Foreword by Kim Thayil of Soundgarden! The definitive, no-holds-barred oral history of 1990s alt-rock festival Lollapalooza—told by the musicians, roadies, and industry insiders who lived it. From the New York Times bestselling authors of Nothin' But A Good Time. In Lollapalooza: The Uncensored Story of Alternative Rock's Wildest Festival, New York Times bestselling authors Richard Bienstock and Tom Beaujour tell the no-holds-barred history of the iconic music festival. Through hundreds of new interviews with artists, tour founders, festival organizers, promoters, publicists, sideshow freaks, stage crews, record label execs, reporters, roadies and more, Lollapalooza chronicles the tour's pioneering 1991-1997 run, and, in the process, alternative rock's rise – as well as the reverberations that led to a massive shift in the music industry and the culture at large. Lollapalooza features original interviews with some of the biggest names in music, including Perry Farrell and Jane's Addiction, Pearl Jam, Soundgarden, Nine Inch Nails, Sonic Youth, Tool, Smashing Pumpkins, Ice-T, Rage Against the Machine, Green Day, Patti Smith, Alice in Chains, Metallica and many more. Conceived by Farrell as a farewell tour for Jane's Addiction, Lollapalooza's inaugural outing across the U.S. in the summer of 1991 helped to coalesce an ideology and aesthetic that not only washed over popular music but seeped into fashion, film, television, literature, food, politics and more. Throughout the decade, Lollapalooza offered a vast and diverse ensemble of bands, breaking barriers of genre and uniting alternative rock, heavy metal, punk, hip-hop, industrial, goth, avant-garde, spoken word, electronic dance music and other styles under one big tent, and setting the template for the modern American music festival and the scores of other contemporary destination fests that are now an integral part of how audiences experience live music. Unorthodox not just in music, Lollapalooza also spotlighted visual arts, nonprofit organizations, political outfits and even the occasional freak show, offering a tantalizing cocktail of culture, art, and activism that, taken together, defined the alternative mindset that dominated the 1990s. Echoes of its impact reverberate strongly today – cemented by annual sell-outs at destination events all over the world, an estimation of 400,000 attendees at the flagship Chicago fest each summer, and a spot among the world's largest and longest-running music festivals. A nostalgic look back at 1990s music and culture, Lollapalooza traces the festival's groundbreaking origins, following the tour as it progresses through the decade, and documenting the action onstage, backstage, and behind-the-scenes in detailed and uncensored and sometimes shocking first-person accounts. This is the story of Lollapalooza and the 1990s alternative rock revolution.
