All in All Stacy Keach: A Deep Dive into the Life and Career of an Iconic Actor

all in all stacy keach is a phrase that perfectly encapsulates the multifaceted talent and enduring legacy of one of Hollywood's most respected actors. Stacy Keach has carved a niche for himself through a diverse career spanning over five decades, showcasing his versatility and commitment to the craft of acting. Whether you know him from his intense dramatic roles, his commanding voice, or his stage performances, Keach's contributions to film, television, and theater are truly remarkable. Let's explore the journey of Stacy Keach, uncovering what makes him a standout figure in the entertainment industry.

The Early Life and Formative Years of Stacy Keach

Before becoming a household name, Stacy Keach's upbringing and education played a significant role in shaping his future. Born on June 2, 1941, in Savannah, Georgia, Keach was exposed to the arts early on. His father, Stacy Keach Sr., was a drama teacher, which naturally influenced young Stacy's path toward the performing arts.

Education and Early Influences

Keach honed his skills at the University of California, Berkeley, before furthering his studies at the Yale School of Drama. These prestigious institutions provided him with a solid foundation in classical theater and modern performance techniques. His early exposure to Shakespearean plays and method acting would later inform many of his most memorable roles.

The Transition to Professional Acting

In the 1960s, Stacy Keach began taking on small roles in theater and television. His striking presence and distinctive voice quickly caught the attention of casting directors. Early appearances in television series such as "Gunsmoke" and "The Defenders" set the stage for his eventual breakthrough in cinema.

Stacy Keach's Iconic Film and Television Roles

The phrase "all in all Stacy Keach" resonates strongly when considering the breadth of his work across different genres. From gritty crime dramas to comedic performances, Keach has shown remarkable

adaptability.

The Role That Defined a Career: Mike Hammer

One of Keach's most celebrated performances is his portrayal of private detective Mike Hammer in the television series "Mickey Spillane's Mike Hammer." His embodiment of the tough, no-nonsense detective brought a new dimension to the hard-boiled detective archetype. This role not only earned him critical acclaim but also a loyal fanbase, cementing his status as a leading man in crime dramas.

Memorable Film Appearances

Throughout the 1970s and beyond, Stacy Keach made significant impacts in films like "Fat City" (1972), where his portrayal of a washed-up boxer was praised for its authenticity and depth. He also appeared in "The Long Riders" (1980), showcasing his ability to blend into ensemble casts seamlessly. Keach's powerful screen presence was evident in both leading and supporting roles, illustrating his range as an actor.

Voice Work and Narration

Besides his on-screen roles, Keach's deep, resonant voice has made him a sought-after narrator for documentaries and audiobooks. His narration work adds gravitas and emotion, enhancing storytelling in various formats. This aspect of his career highlights a lesser-known but equally impressive talent.

Theater: Stacy Keach's Passion and Craftsmanship

While many recognize Keach from his film and television work, his devotion to theater remains a cornerstone of his artistic identity.

Shakespearean Excellence

Stacy Keach's classical training shines brightest on the stage, particularly in Shakespearean roles. He has performed in acclaimed productions of "Hamlet," "Macbeth," and "King Lear," demonstrating his ability to tackle complex characters and intricate language with finesse. His stage work reveals a deep respect for the traditions of theater and a commitment to exploring human emotions and motivations.

Balancing Stage and Screen

Keach's career is a testament to balancing multiple facets of acting. He has managed to maintain an active presence in theater while continuing to take on challenging roles in television and film. This balance reflects his dedication to growth as an artist and his desire to connect with diverse audiences.

Personal Life and Challenges Overcome

Understanding the man behind the roles adds depth to appreciating Stacy Keach's career. His life story includes both triumphs and struggles that have shaped his outlook and performances.

Overcoming Addiction

In the late 1980s, Keach faced serious personal challenges, including struggles with addiction that led to legal issues. However, his journey toward recovery has been inspiring, showing resilience and determination. Keach has since become an advocate for sobriety and mental health awareness, using his experiences to help others.

Family and Legacy

Stacy Keach's family life has also been important to him. He has been married several times and is a father, with his children following creative paths themselves. His legacy extends beyond his own work, influencing a new generation of actors and artists.

Why “All in All Stacy Keach” is More Than Just a Name

When we say “all in all Stacy Keach,” it's not merely a summation of his career but a celebration of a life dedicated to storytelling in its many forms. His ability to inhabit diverse characters, his unwavering professionalism, and his passion for the arts make him a remarkable figure in entertainment history.

Lessons from Stacy Keach's Career

For aspiring actors and fans alike, Keach's journey offers valuable insights:

- **Versatility is Vital:** Embracing a wide range of roles can lead to a rich and enduring career.
- **Continuous Learning:** Life-long dedication to craft, including stage and screen, enhances depth and authenticity.
- **Resilience Matters:** Overcoming personal hardships can strengthen an artist's voice and impact.
- **Voice as an Instrument:** Developing unique talents, such as narration, opens new creative avenues.

Stacy Keach's Influence on Popular Culture

From classic detective shows to contemporary dramas, Keach's work has influenced how characters are portrayed on screen. His nuanced performances often blur the line between hero and anti-hero, adding complexity to storytelling. This approach has inspired writers, directors, and actors to explore more layered narratives.

Exploring "all in all Stacy Keach" invites us to appreciate an actor who embodies dedication, talent, and humanity. His contributions continue to resonate, reminding us of the power of great storytelling delivered by a masterful performer.

All in All Stacy Keach: A Comprehensive Review of His Career and Legacy

all in all stacy keach is a name synonymous with versatility, resilience, and a commanding presence in American cinema and television. Over a career spanning more than five decades, Keach has built a reputation as a consummate character actor and a leading man capable of delivering complex performances across genres. This article delves deep into the life, work, and enduring impact of Stacy Keach, analyzing his contributions to the entertainment industry and unpacking what makes him a distinctive figure in Hollywood's pantheon.

Early Life and Career Beginnings

Born Walter Stacy Keach Jr. in 1941 in Savannah, Georgia, Stacy Keach entered the world of acting with a strong foundation in theater. After studying at the University of California, Berkeley, and later at the Yale School of Drama, Keach honed his craft on stage before transitioning to film and television. His early exposure to classical theater, especially Shakespearean roles, lent a gravitas and depth to his later screen performances.

Theater Roots and Transition to Screen

Keach's theater background is critical to understanding his methodical approach to acting. Unlike many contemporaries who jumped directly into film or TV, Keach's formative years on stage allowed him to master voice modulation, timing, and emotional nuance. This theatrical discipline translated well when he began appearing in television series in the late 1960s and 1970s, where his strong presence quickly captured audience attention.

Career Highlights and Notable Roles

Throughout his extensive career, Stacy Keach has demonstrated an uncanny ability to navigate between genres—from gritty crime dramas to lighthearted comedies and intense psychological thrillers. His body of work is not only diverse but also marked by performances that bring complexity and authenticity to his characters.

Iconic Portrayals: Mike Hammer and Beyond

One of the most defining roles in Keach's career is his portrayal of private detective Mike Hammer in the television series "Mickey Spillane's Mike Hammer" during the 1980s. Keach's embodiment of the hard-boiled detective was praised for its rugged intensity and charm, setting a high standard for noir-inspired characters on television.

Beyond Mike Hammer, Keach's filmography includes notable roles in "American History X" (1998), where he played a conflicted father, and "Fat City" (1972), a boxing drama that showcased his ability to portray vulnerability and toughness simultaneously. His versatility extends to voice acting as well, including narrations in documentaries and animated features that benefit from his distinctive baritone voice.

Television and Film: A Balancing Act

Keach's ability to balance television and film roles has kept him relevant across decades. While some actors struggle to transition between the two mediums, Keach's performances in TV movies, miniseries, and regular series such as "Prison Break," "NCIS," and "The Good Wife" underscore his adaptability.

- **Pros:** Consistent work, diverse character portrayals, strong fan base
- **Cons:** Sometimes typecast in tough-guy roles, less mainstream blockbuster exposure

All in All Stacy Keach: Analyzing His Impact on Acting

When assessing Stacy Keach's overall contribution to the entertainment industry, it is essential to consider both his artistic influence and his resilience in a competitive field. The phrase "all in all Stacy Keach" encapsulates the sum of his achievements, his challenges, and the respect he commands among peers and

audiences alike.

Artistic Integrity and Professionalism

Keach's career is marked by a dedication to craft that often prioritizes artistic integrity over commercial gain. His choices of roles frequently reflect a desire to explore complex human emotions and moral ambiguities. This commitment has earned him critical acclaim, including Emmy and Golden Globe nominations, and has positioned him as a respected figure among character actors.

Challenges and Personal Struggles

Like many artists, Keach's journey has not been without difficulties. His public struggles with substance abuse in the 1980s and subsequent recovery have been well documented. These experiences have, in many ways, informed his performances, adding layers of authenticity to his portrayals of flawed, troubled characters.

The Legacy of Stacy Keach

All in all Stacy Keach represents the archetype of a seasoned actor who has weathered industry shifts while maintaining relevance. His extensive career offers a blueprint for longevity in acting, characterized by continuous reinvention and a willingness to embrace diverse roles.

Influence on Future Generations

Keach's work continues to inspire emerging actors, especially those interested in character-driven narratives. His dedication to theater and classical acting techniques serves as a reminder of the foundational skills necessary for sustained success.

Recognition and Honors

Though Keach may not have always been in the Hollywood spotlight, his peers have recognized his contributions through various awards and nominations. His induction into the American Theater Hall of Fame and lifetime achievement recognitions highlight the respect he has garnered over years of consistent performance.

Conclusion: A Multifaceted Career Worthy of Attention

The phrase “all in all Stacy Keach” aptly summarizes the career of an actor who has navigated the complexities of the entertainment world with skill and perseverance. From his early days in theater to his memorable screen roles, Keach embodies the qualities of a dedicated artist whose impact is felt across multiple facets of acting. His story is not just one of success but of enduring relevance, making him a compelling subject for any serious examination of American acting talent.

all in all stacy keach: All in All Stacy Keach, 2013-09-27 Stacy Keach is known for movie roles like *Fat City* and *American History X* and the television series *Titus*, and of course *Mike Hammer*, but he's also revered in the industry as a serious actor who's passionate about his craft. In his long, impressive career, he has been hailed as America's finest classical stage actor, earning acclaim for his portrayals of Hamlet, Macbeth, Richard III, and King Lear. He has worked alongside and become friends with the giants of American culture, from Joseph Papp to George C. Scott, from James Earl Jones to Oliver Stone. Keach's memoir begins with the riveting account of his arrest in London for cocaine possession. He takes readers through his trial and his time at Reading Jail as he battles his drug addiction and then fights to revive his career. Keach poignantly reveals his acting insecurities and relationship struggles. *All in All* is full of priceless behind the scenes Hollywood moments and friendships—from his late-night pool and backgammon showdowns with John Huston to his passionate relationship with Judy Collins.

all in all stacy keach: Cinema's Sinister Psychiatrists Sharon Packer, M.D., 2012-09-18 Film history is merged with psychiatric history seamlessly, to show how and why bad depictions of mind doctors (especially hypnotists) occur in early film, long before Hannibal Lecter burst upon the scene. The German Expressionist Dr. Caligari is not cinema's first psychotic charlatan, but he launches the stereotype of screen psychiatrists who are sicker than their patients. Many film psychiatrists function as political metaphors, while many more reflect real life clinical controversies. This book discusses films with diabolical drugging, unethical experimentation, involuntary incarceration, sexual exploitation, lobotomies, shock schlock, conspiracy theories and military medicine, to show how fact informs fantasy, and when fantasy trumps reality. Traditional asylum thrillers changed after hospital stays shortened and laws protected people against involuntary commitment. Except for six short golden years from 1957 to 1963, portrayals of bad psychiatrists far outnumber good ones and this book tells how and why that was.

all in all stacy keach: Networked Reenactments Katie King, 2012-01-05 In this feminist cultural study of reenactments, Katie King traces the development of a new kind of transmedia storytelling during the 1990s, as a response to the increasing difficulty of reaching large audiences at a time where entertainment media and knowledge production were both being restructured.

all in all stacy keach: Singing Lessons Judy Collins, 1998 Beloved singer/songwriter Judy

Collins reflects on her life and career after her son's suicide, and offers comfort to other survivors of personal tragedies. A CD of Collins' newest single, *Singing Lessons*, is bound in the back of the book. of photos.

all in all stacy keach: *New York Magazine*, 1969-07-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

all in all stacy keach: All the Moves (But None of the Licks) Clive Selwood, 2014-05-01 Clive Selwood is the man who invented chart hyping, the man who started the first hippie record label, and who pioneered the concept of radio session recordings with one of the most successful independent record labels ever. Replacing Des O'Connor as a Butlin Redcoat, falling foul of London gangsters, taking a major record company to the top of the league, getting fired and taking sweet revenge by making its main rival the No.1 singles company—Clive Selwood has had his fingerprints all over the secret machinations of both the UK and international music industries for over four decades. A director of such international record companies as Elektra, UK Records, CBS, and Pye, and creator, with John Peel, of the Dandelion independent label and Strange Fruit Records, Clive Selwood worked with such legendary names as Jim Morrison, Paul Simon, Bruce Springsteen, Barry White, Rod Stewart, Abba, Elton John, and hundreds more. Illustrated with photographs from the author's private collection, this memoir covers every facet of the music business—lawyers, chart fixing, marketing, record production, music festivals, record executives and personalities, artist management, sex, bribery, and the creation of both successful and unsuccessful record companies. Having helped to shape and guide the careers of some of the world's leading recording artists, Clive Selwood chooses to dedicate this fascinating memoir to the millions of air guitarists with all the classic moves of their heroes—from Slowhand to Slipknot—but none of their licks, and the countless souls trapped in mundane jobs who dream of the danger and the excitement that the music business would appear to offer.

all in all stacy keach: *With Amusement for All* LeRoy Ashby, 2006-05-12 Popular culture is a central part of everyday life to many Americans. Personalities such as Elvis Presley, Oprah Winfrey, and Michael Jordan are more recognizable to many people than are most elected officials. *With Amusement for All* is the first comprehensive history of two centuries of mass entertainment in the United States, covering everything from the penny press to Playboy, the NBA to NASCAR, big band to hip hop, and other topics including film, comics, television, sports, dance, and music. Paying careful attention to matters of race, gender, class, technology, economics, and politics, LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture, revealing that the world of entertainment constantly evolves as it tries to meet the demands of a diverse audience. Trends in popular entertainment often reveal the tensions between competing ideologies, appetites, and values in American society. For example, in the late nineteenth century, Americans embraced self-made men such as John D. Rockefeller and Andrew Carnegie: the celebrities of the day were circus tycoons P.T. Barnum and James A. Bailey, Wild West star Buffalo Bill Cody, professional baseball organizer Albert Spalding, and prizefighter John L. Sullivan. At the same time, however, several female performers challenged traditional notions of weak, frail Victorian women. Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback, and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance. Ashby describes how history and politics frequently influence mainstream entertainment. When Native Americans, blacks, and other non-whites appeared in the nineteenth-century circuses and Wild West shows, it was often to perpetuate demeaning racial stereotypes—crowds jeered Sitting Bull at Cody's shows. By the early twentieth century, however, black minstrel acts reveled in racial tensions, reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes

before a predominantly white audience. Decades later, Red Foxx and Richard Pryor's profane comedy routines changed American entertainment. The raw ethnic material of Pryor's short-lived television show led to a series of African-American sitcoms in the 1980s that presented common American experiences—from family life to college life—with black casts. Mainstream entertainment has often co-opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries. Social control and respectability vied with the bold, erotic, sensational, and surprising, as entrepreneurs sought to manipulate the vagaries of the market, control shifting public appetites, and capitalize on campaigns to protect public morals. Rock 'n Roll was one such fringe culture; in the 1950s, Elvis blurred gender norms with his androgynous style and challenged conventions of public decency with his sexually-charged performances. By the end of the 1960s, Bob Dylan introduced the social consciousness of folk music into the rock scene, and The Beatles embraced hippie counter-culture. Don McLean's 1971 anthem American Pie served as an epitaph for rock's political core, which had been replaced by the spectacle of hard rock acts such as Kiss and Alice Cooper. While Rock 'n Roll did not lose its ability to shock, in less than three decades it became part of the established order that it had originally sought to challenge. With Amusement for All provides the context to what Americans have done for fun since 1830, showing the reciprocal nature of the relationships between social, political, economic, and cultural forces and the way in which the entertainment world has reflected, refracted, or reinforced the values those forces represent in America.

all in all stacy keach: LIFE , 1969-11-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. all in all stacy keach: **New York Magazine** , 1969-10-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

all in all stacy keach: **Quinn Martin, Producer** Jonathan Etter, 2015-07-11 Quinn Martin was the most innovative and most creative of his kind. He was a man in touch with the future, far more than the times. His characters were not stereotypical characters. His production methods were not stereotypical either. He was unique in a number of ways. That's why his shows did so well--Lynda Day George, guest star on QM's The Fugitive, The FBI, and other shows. Producer of such television shows as The Invaders, Barnaby Jones, The Untouchables, The Streets of San Francisco, Cannon and 12 O'Clock High, Quinn Martin was widely admired for his devotion to his shows, his hands-on approach to the writing, casting and editing of each episode, his interactions with network executives, and the high standards he set for his crew and actors. This detailed study of Martin and his company examines each of his series in detail, from development through cancellation.

all in all stacy keach: **Falling Into Theatre—and Finding Myself** Robert Cohen, 2014-09-19 “Robert Cohen’s Falling Into Theatre is a must-read for all lovers of theatre. Personal and engaging, Dr. Cohen’s reflections on his life as both artist and educator provide the reader with a special journey, a virtual history tour of the American theatre for the past fifty years. His personal experiences are a constant reminder of how love and passion for theatre continue to inspire us and enrich our lives.” —Stacy Keach This engaging memoir is presented as a series of lucky breaks, or surprise turning points in the story that led to Robert Cohen’s dramatic success in theatre arts. In retrospect, it would have been a great surprise had Cohen not ended up in theatre arts, given his early fascination with the stage, his chance at a young age to see original cast productions of Broadway plays, and the influence of his uncle, Marty Goldblatt, a publicist for Columbia Pictures who hobnobbed with celebrities of stage and screen. It was inevitable—Robert Cohen became a man of the theatre, not only as an actor but also working as a director, stage manager, lighting designer,

playwright, translator, drama scholar, theatre educator, and worldwide theatre critic.

all in all stacy keach: *The Stop-Motion Filmography* Neil Pettigrew, 1999-01-01 This is a major McFarland reference work providing in-depth analyses of all puppet animation sequences in every film that has featured the process, including *King Kong* and *Jason and the Argonauts*. The focus is on how effective the sequence was and how it was executed. In addition to the analysis, each entry provides title, year of release, cast and production credits including producer, director, screenplay, director of photography, art director or production designer, music, stop-motion animators, armature builders, puppet makers, stop-motion cameramen, sequence supervisors, and more. Ratings of the film and of the effectiveness of its stop-motion sequences are also given.

They have free access to share, print and post images for personal use.

all in all stacy keach: *Variety TV REV 1991-92 17* Prouty, 1994-03 First published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

all in all stacy keach: *The Westerners* C. Courtney Joyner, 2015-02-12 Actors, writers, directors and producers who helped define the genre offer unique insight about western movies from the early talkies to the present. Interviewed here are Glenn Ford, Warren Oates, Virginia Mayo, Andrew V. McLaglen, Harry Carey, Jr., Julie Adams, A.C. Lyles, Burt Kennedy, Edward Faulkner, Aldo Sambrell, Jack Elam, Andrew J. Fenady, and Elmore Leonard. Movies they discuss include *Red River*, *The Searchers*, *3:10 to Yuma*, *High Noon*, *Bend of the River*, *Rio Bravo*, *The Wild Bunch*, and *The Good, the Bad, and the Ugly*, among many others.

all in all stacy keach: *Embracing Vocation* Dianne C. Luce, 2023-01-04 Revelations on craft from a foundational scholar of Cormac McCarthy Devotees of Cormac McCarthy's novels are legion, and deservedly so. *Embracing Vocation*, which tells the tale of his journey to become one of America's greatest living writers, will be invaluable to scholars and literary critics—and to the many fans—interested in his work. Dianne C. Luce, a foundational scholar of McCarthy's writing, through extensive archival research, examines the first fifteen years of his career and his earliest novels. Novel by novel, Luce traces each book's evolution. In the process she unveils McCarthy's working processes as well as his personal, literary, and professional influences, highlighting his ferocious devotion to both his craft and burgeoning art. Luce invites us to see the fascinating evolution of an American author with a unique vision all his own. Until there is a full-on biography, this study, along with Luce's previous, *Reading the World: Cormac McCarthy's Tennessee Period*, is the finest available portrait of an American genius unfolding.

all in all stacy keach: *Television Westerns* Alvin H. Marill, 2011-06-01 Westerns have featured prominently in films almost since motion pictures were first produced at the end of the nineteenth century and when televisions invaded American homes in the late 1940s and early '50s, Western programs filled the small screen landscape. Throughout the 1950s and well into the 1960s, these shows dominated television with such long-running successes as *Bonanza*, *Wagon Train*, and *Maverick*. And though the genre has fallen on hard times over the years, it has never died, as Hollywood continues to produce films, mini-series, and shows that keep the west alive. In *Television Westerns: Six Decades of Sagebrush Sheriffs, Scalawags, and Sidewinders*, Alvin H. Marill looks at the genre as it was represented from the beginning of television—from the twenty-year run of *Gunsmoke* to the brutal revisionist take of *Deadwood*. This volume encompasses all manifestations of the Western, including such series as *Rawhide*, *The Virginian*, and *The Wild, Wild West*, as well as movies-of-the-week, mini-series, failed pilots, animated programs, documentaries, and even Western-themed episodes of non-Western series that provided their own spin on the genre.

all in all stacy keach: *Main Lines, Blood Feasts, and Bad Taste* Lester Bangs, 2008-12-10 Before his untimely death in 1982, Lester Bangs was inarguably the most influential critic of rock and roll. Writing in hyper-intelligent Benzedrine prose that calls to mind Jack Kerouac and Hunter S. Thompson, he eschewed all conventional thinking as he discussed everything from Black Sabbath

being the first truly Catholic band to Anne Murray's smoldering sexuality. In *Mainlines, Blood Feasts, Bad Taste* fellow rock critic John Morthland has compiled a companion volume to *Psychotic Reactions and Carburetor Dung*, the first, now classic collection of Bangs's work. Here are excerpts from an autobiographical piece Bangs wrote as a teenager, travel essays, and, of course, the music pieces, essays, and criticism covering everything from titans like Miles Davis, Lou Reed, and the Rolling Stones to esoteric musicians like Brian Eno and Captain Beefheart. Singularly entertaining, this book is an absolute must for anyone interested in the history of rock.

all in all stacy keach: Film Quotations Robert A. Nowlan, Gwendolyn W. Nowlan, 2016-04-30
 Certain lines define a movie. Marlene Dietrich in *Morocco*: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in *I'm No Angel*: "I'm very quick in a slow way." Jane Fonda in *California Suite*: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

all in all stacy keach: *New York Magazine* , 1983-01-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
