I was named Eileen Regina Edwards: Eileen, after my mother's Irish-born grandmother, Eileen Morrison; and Regina, after my biological father's mother, whom we called Grandma Edwards. #2 I had a difficult childhood. My mother, Sharon May Morrison, had a difficult life. When she was sixteen, she lost all of her teeth in an accident at school while crouched behind home plate playing catcher during a softball game. She had to have dentures. I didn't know my father, but I believed my mother when she told me that he didn't want anything to do with me. #3 My mother was a single parent when she had me, and she turned to her mother for support. We moved into my grandmother Eileen's tiny farmhouse just outside of Timmins, in a small district called Hoyle. I remember my grandmother making us Cream of Wheat cereal, which she'd boil to lumpless perfection and serve up with brown sugar and fresh whole milk. #4 I was born in 1960, two years before my sister. shania twain for this moment: The Lower Lights L. D. Jacobson, 2000-07-28 Lake Superior is the largest and coldest of the Great Lakes, a three hundred and fifty mile chasm filled with some of the coldest water in the world. And its angry. The source of its anger is Jimmy Parker, who inherited a lot of money when his parents died and up until now has been very prudent and careful with it. But when he purchases two hundred acres of shoreline property on Lake Superior in Michigans Upper Peninsula, he takes a chance to fulfill a childhood dream. He gets much, much more. His purchase is laughed at by his brother, and questioned by his best friend, Gwen. But Jimmy has never felt more positive about anything in his life. On that property, on a hillside west of the village of Grand Marais, Michigan, lies the remains of an old lighthouse. Once a symbol of hope to those who had lost their way on the cold lake, the building has been reduced to a forgotten collection of crumbled mortar and broken glass. Stories of the original lighthouse keeper still filter through the community. Stories of a man obsessed with the responsibility of tending the light. Of a man who didnt just live inside the lighthouse, but became a part of it. And then Jimmy decides to have it rebuilt. Once he does that, he unwittingly jumps into a centuries old war between the fury of the lake, and one mans determination to defy it. Shortly after the rebuilding is complete the lighthouse shines again. And once again a vessel lost on Lake Superior is brought home safely. Except the vessel is the Lucerne. And it sank in 1886. Soon other vessels come ashore in response to the lighthouses call: The Thomas Wilson, which went down after a collision with another ship in 1902; the Hudson, a freighter that took 24 men to the bottom of the lake with her in 1901. The lake is losing its prized trophies to the light along the shore. Jimmy finds himself on the front line of a grudge match between the lighthouse and the lake. A tug of war between the light of promise, and the darkness that is the bottom of Lake Superior. Now with the aid of the local historian, Jimmy is scrambling to find a journal once kept by the original lighthouse keeper. If he can find it, he might better understand the spirit of the man who once tended the light, and why that spirit rages on all these years later. But hed better do it fast. Because with each passing day more and more people are drawn to Grand Marais, pulled in for some unknown reason to the shoreline where the old ships are resting. They arrive in cars and motorhomes, in groups or by themselves. They arrive not looking for answers, but for some final conclusion to the tragedies that have marked their own lives. Tragedies that are inexplicably linked with the force that is Lake Superior. As they race to find the old journal, Jimmys relationship with Gwen undergoes a transformation. And suddenly seeing this thing to the end doesnt seem as enticing without her with him. He feels that the lighthouse is his responsibility. That its now his watch. But it wont be easy. His opponent is the largest body of fresh water in the world. A body of water so cold death results in minutes. One that can lull you to sleep with serene calm one minute, then lash out with frightening authority the next. An opponent without eyes Jimmy can see or a voice that he can hear, but one with an unearthly fury that only grows as each ship rises. An opponent whose anger is unleashed in the explosiveness of its assault on the shoreline. And an opponent who waits, patiently and menacingly, for Jimmy to make a mistake. Because if he does, then the lake will welcome him, as it has thousands of others, into the Graveyard of the Great Lakes. Authors Note The village of Grand Marais is very much real, and very much a part of my life. So is t
