Into the Woods Vocal Score: Unlocking the Magic of Sondheim's Masterpiece

into the woods vocal score—these words often spark excitement among musical theatre enthusiasts, singers, and directors alike. Stephen Sondheim's beloved musical, "Into the Woods," combines the enchanting narratives of familiar fairy tales with complex, emotional music that challenges and delights performers. Having access to a quality vocal score is essential for anyone looking to truly appreciate or perform this intricate work. Whether you're a seasoned vocalist, a student, or a theatre director, understanding the nuances of the Into the Woods vocal score can enhance your experience with this timeless musical.

What Is the Into the Woods Vocal Score?

The Into the Woods vocal score is a specialized musical book that contains the vocal parts – melody lines, lyrics, and sometimes piano accompaniment – from the musical "Into the Woods." Unlike a full orchestral score, which includes every instrumental part, the vocal score is primarily designed for singers and accompanists. It serves as a critical tool for rehearsals, auditions, and performances, offering a clear roadmap through Sondheim's intricate melodies and harmonies.

Why Choose the Vocal Score?

Many performers and music directors opt for the vocal score because it provides a comprehensive yet accessible way to learn the music. It allows singers to see their individual parts in context with the lyrics and provides the piano reduction of the orchestral accompaniment, which is invaluable for rehearsals when a full orchestra isn't available. Plus, the vocal score often contains helpful annotations, such as dynamics, phrasing, and tempo markings, that guide performers in capturing the emotional depth of the piece.

Exploring the Musical Complexity of Into the Woods

Stephen Sondheim's work is known for its complexity, both musically and thematically. The Into the Woods vocal score reflects this with challenging vocal lines, intricate rhythms, and richly layered harmonies.

Vocal Ranges and Character Diversity

One of the fascinating aspects of the vocal score is how it caters to a wide range of vocal types. Characters like the Baker and the Witch demand strong acting skills combined with vocal prowess in the baritone and mezzo-soprano ranges, respectively. The score includes parts for soprano, alto, tenor, and bass voices, making it a rich resource for ensembles.

This variety allows for dynamic storytelling through music, with the vocal score illustrating how each character's musical motif contributes to the overarching narrative. Learning to interpret these parts through the vocal score can deepen a performer's understanding of character development and emotional nuance.

Musical Themes and Leitmotifs

Into the Woods weaves multiple fairy tales together, which Sondheim mirrors musically by using leitmotifs—recurring musical themes that represent characters or ideas. The vocal score provides the notation for these themes, enabling performers to trace their appearances and transformations throughout the musical. Recognizing and emphasizing these motifs during rehearsal adds layers of meaning to the performance, highlighting Sondheim's genius in musical storytelling.

How to Use the Into the Woods Vocal Score for Practice

Getting the most from the vocal score requires strategic practice and attention to detail.

Effective Sight-Reading and Interpretation

If you're working with the vocal score for the first time, it's helpful to approach it like a storybook. Begin by reading through the lyrics while following the melody to get a sense of narrative flow. Sondheim's music can be rhythmically complex, so practicing sight-reading regularly will improve your ability to navigate syncopations and unexpected key changes.

Once comfortable, focus on interpreting the emotions behind the words. The vocal score often contains performance notes that hint at mood and expression—paying close attention to these can transform a technically correct rendition into a truly moving one.

Collaborating with Accompanists

The piano reduction in the vocal score is indispensable for rehearsals without a full orchestra. Pianists and singers working together can use the score to experiment with tempo and dynamics. Since the vocal score reflects the orchestral arrangement in a condensed form, it enables accompanists to support singers effectively, making musical rehearsals productive and cohesive.

Where to Find the Into the Woods Vocal Score

For those eager to get their hands on the Into the Woods vocal score, there are several options available, both physical and digital.

Official Publishers and Retailers

The vocal score is typically published by major theatrical music publishers such as Hal Leonard or Music Theatre International. Purchasing through official channels ensures you receive a legitimate, high-quality edition complete with all necessary performance notes. Many online retailers offer both new and used copies, providing flexibility for different budgets.

Digital Versions and Sheet Music Apps

In today's digital age, many performers turn to electronic scores accessible through apps like ForScore or Musicnotes. These platforms often provide instant downloads and interactive features such as annotation tools, transposition options, and playback functions. Digital vocal scores make rehearsing on the go much easier, especially for students and busy professionals.

Tips for Directors and Educators Using the Vocal Score

Directors and music educators can gain a lot from working closely with the Into the Woods vocal score during production or class settings.

Breaking Down Scenes and Musical Numbers

The vocal score segments the musical into individual songs and scenes, allowing directors to focus rehearsals on specific sections. This segmentation helps with pacing and ensures that actors understand their musical entrances and exits clearly. Teaching students to use the vocal score encourages independent learning and musical literacy, vital skills for any performer.

Emphasizing Story Through Music

Since *Into the Woods* is narrative-driven, the vocal score is a perfect tool for emphasizing storytelling through song. Directors can use it to demonstrate how musical motifs align with plot points or character emotions. This approach helps performers connect more deeply with the material, resulting in a more authentic and engaging performance.

Understanding the Historical and Theatrical Significance Through the Vocal Score

Beyond its practical uses, the *Into the Woods* vocal score offers insight into the historical context and theatrical innovation of the musical.

Sondheim's Signature Style

Studying the vocal score reveals Sondheim's signature use of complex rhythms, unexpected chord progressions, and lyrical sophistication. These elements set *Into the Woods* apart from many other musicals and highlight why it remains a favorite among theatre aficionados and performers.

Evolution of the Score Across Productions

Different productions sometimes make slight modifications to the vocal score to suit casting or directorial choices. Comparing various editions or annotated scores can be an enlightening exercise for those interested in how the musical evolves over time. It's a reminder that theatre is a living art form, and the vocal score is a snapshot capturing its enduring legacy.

The *Into the Woods* vocal score is much more than a collection of notes and words; it is a gateway to understanding the heart of one of musical theatre's most beloved works. Whether you're singing, directing, or simply studying the art form, the vocal score offers a comprehensive and enriching experience that brings the magic of the woods to life.

Frequently Asked Questions

What is the 'Into the Woods' vocal score?

The 'Into the Woods' vocal score is a published musical score that includes all the vocal parts and piano accompaniment for Stephen Sondheim's musical 'Into the Woods.' It is used by performers and directors for rehearsals and performances.

Where can I buy the 'Into the Woods' vocal score?

You can buy the 'Into the Woods' vocal score from major music retailers such as Musicnotes, Sheet Music Plus, or directly from the publisher, Hal Leonard. It is also available in some bookstores and online marketplaces like Amazon.

Does the 'Into the Woods' vocal score include piano accompaniment?

Yes, the vocal score for 'Into the Woods' typically includes vocal lines for all characters along with piano accompaniment, allowing for rehearsals without a full orchestra.

Is the 'Into the Woods' vocal score suitable for beginners?

The 'Into the Woods' vocal score is designed for performers with some musical background, as Stephen Sondheim's music can be complex. Beginners may find it challenging but can use it with guidance from a vocal coach or music director.

Are there different editions of the 'Into the Woods' vocal score?

Yes, there are different editions of the 'Into the Woods' vocal score, including versions for the original Broadway production and revised editions for later productions or adaptations. Some editions may include additional notes or changes in orchestration.

Can the 'Into the Woods' vocal score be used for school or community theater productions?

Yes, the vocal score is commonly used in school and community theater productions to help singers learn their parts and for piano rehearsal. However, proper licensing and performance rights must be obtained for public performances.

What is the difference between a vocal score and a piano-vocal score for 'Into the Woods'?

In many cases, a vocal score and a piano-vocal score are the same, containing vocal lines with piano accompaniment. However, some vocal scores may include additional conductor's notes or orchestral reductions, whereas piano-vocal scores focus on performance use.

Are there digital versions of the 'Into the Woods' vocal score available?

Yes, digital versions of the 'Into the Woods' vocal score are available for purchase and download from various sheet music websites, allowing performers to access the score on tablets or computers.

Does the 'Into the Woods' vocal score include lyrics and dialogue?

The vocal score usually includes the lyrics integrated with the vocal lines and may include some stage directions or dialogue, but it primarily focuses on the musical parts rather than the full script.

How can I use the 'Into the Woods' vocal score to prepare for an audition?

To prepare for an audition using the 'Into the Woods' vocal score, focus on practicing the vocal lines of your chosen character along with the piano accompaniment, paying attention to the phrasing, dynamics, and expression indicated in the score.

Additional Resources

Into the Woods Vocal Score: An In-Depth Exploration of Stephen Sondheim's Musical Masterpiece

Into the woods vocal score is a critical resource for performers, music directors, and enthusiasts of one of Stephen Sondheim's most celebrated works. This musical intertwines various fairy tale narratives with complex musical arrangements, demanding precision, emotional depth, and vocal versatility from its performers. The vocal score serves as both a practical guide and a window into the intricate layers of composition that define this timeless piece. Exploring the nuances of the Into the Woods vocal score reveals much about the musical's structure, vocal demands, and interpretive possibilities, making it a vital tool for anyone delving into this theatrical work.

Understanding the Into the Woods Vocal Score

The Into the Woods vocal score is not merely a collection of sheet music; it is the foundational document that embodies the musical's narrative and emotional cadence. Unlike a standard piano-vocal score, it provides detailed notations of vocal lines, harmonies, and often includes cues for orchestration that allow performers and conductors to grasp the full scope of the musical. Given the complexity of Sondheim's compositions, the vocal score is indispensable for interpreting the polyphonic textures and rhythmic intricacies that characterize the show.

Structure and Content of the Vocal Score

Typically, the Into the Woods vocal score contains the complete libretto alongside the musical notation for all vocal parts – soprano, alto, tenor, and bass – as well as the piano reduction of the orchestral score. This dual presentation ensures that singers and accompanists can synchronize their performances with precision. The score covers all acts and songs, from the whimsical "Children Will Listen" to the emotionally charged "No One Is Alone," providing a comprehensive resource for study and rehearsal.

Moreover, the vocal score includes annotations on dynamics, phrasing, and articulation that are essential for capturing the dramatic intent behind each song. These markings guide performers in expressing the subtle shifts in tone and mood that Sondheim meticulously crafted. For example, the vocal lines in "Agony" require a blend of humor and operatic intensity, which the score's detailed instructions help convey effectively.

Vocal Challenges and Interpretive Demands

One of the defining features of the Into the Woods vocal score is its demonstration of the musical's vocal complexity. Sondheim's writing often demands a wide vocal range and mastery of rapid lyrical delivery – characteristics that challenge singers to maintain clarity and emotional authenticity simultaneously. The score's articulation marks and breathing indications support performers in navigating these difficulties, particularly in ensemble pieces where timing and harmony are critical.

The vocal score also sheds light on the interpretive flexibility inherent in the work. While some passages require precise execution to maintain narrative coherence, others offer room for performers to inject personal nuances. For instance, the character-driven songs like "Last Midnight" offer opportunities for dramatic expression that go beyond the notes on the page, underscoring the importance of the vocal score as a foundation rather than a strict prescription.

Comparative Insights: Into the Woods Vocal Score vs. Other Musical Scores

When contrasted with vocal scores from other contemporary musicals or classic works, the Into the Woods vocal score stands out for its complexity and sophistication. While many musical theatre scores prioritize accessibility and straightforward melodic lines, Sondheim's composition leans heavily into intricate harmonies and layered vocal textures. This complexity is reflected in the vocal score's detailed notation and demands on performers.

In comparison to other Sondheim scores such as "Sweeney Todd" or "Company," Into the Woods maintains a balance between narrative clarity and musical experimentation. The vocal score supports this balance by providing clear lyricism alongside challenging rhythmic structures, a feature that distinguishes it in the landscape of musical theatre literature.

Physical Formats and Accessibility

The Into the Woods vocal score is available in various formats, including hardcover editions, digital PDFs, and sometimes in combination with orchestral parts. Each format serves different practical needs. Hardcover editions are favored in academic and professional settings for durability and ease of annotation, while digital versions offer portability and searchability, appealing to modern-day performers and educators.

Accessibility is further enhanced by the inclusion of the full libretto, which allows users to study the interplay between text and music. Some editions also contain production notes and insights into the musical's development, enriching the contextual understanding for readers and performers alike.

Practical Applications of the Into the Woods Vocal Score

The vocal score is an essential tool across multiple stages of production and study. For vocalists, it serves as the primary source for learning melodies, rhythms, and lyrics. Music directors rely on it for rehearsing singers and coordinating with orchestras or pianists. Additionally, educators use the score to teach musical theatre techniques, vocal control, and ensemble coordination.

Rehearsal and Performance Preparation

During rehearsals, the vocal score guides performers in mastering their parts individually and within ensembles. Its detailed notations allow singers to anticipate challenging passages and develop strategies for breath control and phrasing. Conductors utilize the score to align vocal entrances, manage tempo changes, and balance dynamics, ensuring a cohesive performance.

Moreover, given the dramatic demands of *Into the Woods*, performers often reference the vocal score to understand character motivations expressed musically. This dual function as a technical and interpretive guide underscores the score's integral role in preparing for live performances.

Educational Value and Analytical Study

Beyond practical use, the *Into the Woods* vocal score is a valuable resource for academic analysis. Music students and scholars examine the score to explore Sondheim's compositional techniques, such as his use of leitmotifs, contrapuntal writing, and harmonic innovation. The vocal score's detailed presentation facilitates such studies by clearly illustrating how vocal lines interact with the narrative and orchestration.

Educators often integrate the score into curricula that focus on musical theatre history, vocal performance, and composition. Its complexity challenges students to engage deeply with the material, fostering skills in sight-reading, musical interpretation, and ensemble collaboration.

Pros and Cons of the Into the Woods Vocal Score

While the vocal score is an invaluable asset, it also presents certain limitations that users should consider.

- **Pros:**

- Comprehensive inclusion of vocal parts and libretto enhances usability.
- Detailed markings support nuanced performance and interpretation.
- Available in multiple formats catering to diverse needs.
- Facilitates both performance preparation and academic study.

- **Cons:**

- The complexity may overwhelm novice performers or casual users.
- Some editions can be expensive or difficult to obtain due to licensing.
- Limited orchestral detail compared to full scores can restrict orchestration understanding.

Despite these drawbacks, the Into the Woods vocal score remains a cornerstone document that significantly enriches the appreciation and execution of the musical.

Exploring the Into the Woods vocal score offers a unique insight into Stephen Sondheim's genius, revealing the meticulous craftsmanship behind the music and lyrics. Whether preparing for a production, studying musical theatre, or simply appreciating the art form, this vocal score is an indispensable companion that brings the enchanting and complex world of Into the Woods to life.

into the woods vocal score: Into the Woods Stephen Sondheim, 1988

into the woods vocal score: Sondheim on Music Mark Eden Horowitz, 2010-09-20 Stephen Sondheim is widely regarded as the most important composer and lyricist of musical theater in the second half of the 20th century. Celebrating his 80th birthday, this new edition of Sondheim on Music finds him in these guided interviews expounding in great depth and detail on his craft. As a natural teacher, thoughtful and opinionated, Sondheim discusses the art of musical composition, lyric writing, the collaborative process of musical theater, and how he thinks about his own work. Where the first edition focused particularly on six shows—Passion, Assassins, Into the Woods, Sunday in the Park with George, Sweeney Todd, and Pacific Overtures—this second edition presents a new chapter that discusses Sondheim's entire career. Several shows that were not discussed previously are explored here, including A Funny Thing Happened on the Way to the Forum, Merrily We Roll Along, Company, Follies, Anyone Can Whistle, and A Little Night Music, as well as thoughts about the recent film adaptation of Sweeney Todd. The book also features an entire chapter on Bounce: the previous incarnation of his latest musical, Road Show. In addition to Sondheim's list of Songs I Wish I'd Written, the songlisting and discography has been greatly expanded and updated to

include all works composed and recorded over the last six years.

into the woods vocal score: The American Musical and the Performance of Personal Identity Raymond Knapp, 2010-06-21 The American musical has long provided an important vehicle through which writers, performers, and audiences reimagine who they are and how they might best interact with the world around them. Musicals are especially good at this because they provide not only an opportunity for us to enact dramatic versions of alternative identities, but also the material for performing such alternatives in the real world, through songs and the characters and attitudes those songs project. This book addresses a variety of specific themes in musicals that serve this general function: fairy tale and fantasy, idealism and inspiration, gender and sexuality, and relationships, among others. It also considers three overlapping genres that are central, in quite different ways, to the projection of personal identity: operetta, movie musicals, and operatic musicals. Among the musicals discussed are Camelot, Candide; Chicago; Company; Evita; Gypsy; Into the Woods; Kiss Me, Kate; A Little Night Music; Man of La Mancha; Meet Me in St. Louis; The Merry Widow; Moulin Rouge; My Fair Lady; Passion; The Rocky Horror Picture Show; Singin' in the Rain; Stormy Weather; Sweeney Todd; and The Wizard of Oz. Complementing the author's earlier work, *The American Musical and the Formation of National Identity*, this book completes a two-volume thematic history of the genre, designed for general audiences and specialists alike.

into the woods vocal score: Show Tunes Steven Suskin, 2010-03-09 Show Tunes fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. Show Tunes is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called a concise skeleton key to the Broadway musical (*Variety*) and a ground-breaking reference work with a difference (*Show Music*)-or, as the *Washington Post* observed, It makes you sing and dance all over your memory. The eagerly anticipated Fourth Edition, updated through May, 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals-including shows that either closed out of town or were never headed for Broadway-and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, Show Tunes is an essential guide for anyone interested in the American musical.

into the woods vocal score: Here for the Hearing Michael Buchler, Gregory John Decker, 2023-05-22 This book offers a series of essays that show the integrated role that musical structure (including harmony, melody, rhythm, meter, form, and musical association) plays in making sense of what transpires onstage in musicals. Written by a group of music analysts who care deeply about musical theater, this collection provides new understanding of how musicals are put together, how composers and lyricists structure words and music to complement one another, and how music helps us understand the human relationships and historical and social contexts. Using a wide range of musical examples, representing the history of musical theater from the 1920s to the present day, the book explores how music interacts with dramatic elements within individual shows and other pieces within and outside of the genre. These essays invite readers to consider issues that are fundamental both to our understanding of musical theater and to the multiple ways we engage with music.

into the woods vocal score: Music Theory Through Musical Theatre John Charles Franceschina, 2015 Music Theory through Musical Theatre provides a way of teaching music theory by way of musical theatre. Not simply a traditional music theory text, the book tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on

preparing students for a professional career.

into the woods vocal score: Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

into the woods vocal score: Arias, Ensembles, & Choruses John Yaffé, David Daniels, 2011-11-17 Conductors John Yaffé and David Daniels have created a one-stop sourcebook for orchestras, opera companies, conductors, and librarians who research and/or prepare programs of vocal excerpts—such as solos, ensembles, and choruses—for concert performance. In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios—more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music, Arias, Ensembles, & Choruses* includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the original work (with page numbers in both full scores and piano-vocal scores), and exact instrumentation. It also lists the publishers that make available the orchestral materials for just the excerpt being programmed, independent of the full parent work. Until now, conductors and orchestra librarians commonly had to first leaf through full scores, searching for one elusive three-minute aria after another, only to then consult multiple publishers' catalogues to compile crucial information on all the excerpts proposed for a concert or recording. This book constitutes a single source for finding that information. In many cases, the individual entries include valuable insider information on common performance practice, including start- and stop-points, transpositions, and conventional cuts. Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts, all categorized by personnel (e.g., duets, trios, quartets, quintets, sextets, choruses) and language (Czech, English, French, German, Italian, Latin, Russian). This book is the ideal tool for the working conductor and orchestral librarian, as well as music program directors at colleges and conservatories, opera companies, and symphony orchestras. As of October 2015, a new printing of this book has occurred to correct errors in the index. A PDF version of the new index is available to previous purchasers of the volume. Please contact Rowman & Littlefield's music editor for assistance.

into the woods vocal score: A Conductor's Guide to Choral-Orchestral Works Jonathan D. Green, 2003 Now in paperback. This innovative survey of large choral-orchestral works written between 1900 and 1972 and containing some English text examines eighty-nine works, from Elgar's *Dream of Gerontius* to Bernstein's *Mass*. For each work, the author provides a biography of the composer, complete instrumentation, text sources, editions, availability of performing materials, performance issues, discography, and bibliographies of the composer and the work. Based upon direct score study, each work has been evaluated in terms of potential performance problems, rehearsal issues, and level of difficulty for both choir and orchestra. When present, solo roles are described. The forty-nine composers represented include Samuel Barber, Arthur Bliss, Benjamin Britten, Henry Cowell, Frederick Delius, R. Nathaniel Dett, Gerald Finzi, Howard Hanson, Roy Harris, Paul Hindemith, Ulysses Kay, Constant Lambert, Peter Mennin, Gunther Schuller, William Schumann, Michael Tippett, Ralph Vaughan Williams, William Walton, and Healey Willan. Written as a field guide for conductors and anyone else involved in programming concerts for choir and orchestra, this text should prove a useful source of new repertoire ideas and an invaluable aid to rehearsal preparation. Cloth edition first published in 1994.

into the woods vocal score: Choral-Orchestral Repertoire Jonathan D. Green, David W. Oertel, 2019-12-05 *Choral-Orchestral Repertoire: A Conductor's Guide, Omnibus Edition* offers an expansive compilation of choral-orchestral works from 1600 to the present. Synthesizing Jonathan D. Green's earlier six volumes on this repertoire, this edition updates and adds to the over 750

oratorios, cantatas, choral symphonies, masses, secular works for large and small ensembles, and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations. Each entry includes a brief biographical sketch of the composer, approximate duration, text sources, performing forces, available editions, and locations of manuscript materials, as well as descriptive commentary, a discography, and a bibliography. Unique to this edition are practitioner's evaluations of the performance issues presented in each score. These include the range, tessitura, and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition. There is also a description of the specific challenges, staffing, and rehearsal expectations related to the performance of each work. Choral-Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles.

into the woods vocal score: The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. "I know the world is filled with troubles and many injustices," he once said. "But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it." All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—"Edelweiss"—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.
