Finish This by Keri Smith: Unlocking Creativity Through Interactive Journaling

finish this by keri smith is more than just a phrase; it's an invitation to dive into a world where creativity meets self-expression in the most playful and freeing ways. Keri Smith, an acclaimed author and illustrator, has revolutionized the idea of journaling and creativity with her innovative books that encourage readers to engage, experiment, and ultimately "finish" projects that challenge traditional thinking. Among her popular works, "Finish This" stands out as a perfect gateway for anyone looking to break free from creative blocks and embrace a more spontaneous, hands-on approach to art and writing.

If you're curious about what makes finish this by keri smith so impactful, or if you want tips on how to use her techniques to boost your creativity, this article will guide you through the essence of her work, its benefits, and how you can start your own journey of creative discovery.

What Is Finish This by Keri Smith?

At its core, finish this by keri smith is an interactive, prompt-based journal designed to inspire readers to complete unfinished thoughts, drawings, and ideas. Unlike traditional journals or sketchbooks, it doesn't provide a blank slate but rather a series of incomplete sketches, sentences, or concepts that require the user's input to come alive. This method allows for a collaborative creative process between the author's prompts and the user's imagination.

Keri Smith's approach is rooted in the idea that creativity thrives when given permission to be imperfect, messy, and spontaneous. By encouraging people to "finish" her suggestions rather than starting from scratch, she removes the intimidation factor often associated with creative projects. The result is a journal that feels less like homework and more like a playground.

The Philosophy Behind the Book

Keri Smith believes that everyone has a creative spark, but many hesitate to express it fully due to fear of judgment or failure. Finish this by keri smith taps into the therapeutic and liberating power of art and writing, focusing on process rather than product. The book encourages embracing mistakes and imperfections, reminding readers that creativity is a journey filled with unexpected discoveries.

This philosophy aligns with broader trends in creative education and art therapy, where the act of creating is celebrated for its emotional and cognitive benefits, rather than the final outcome alone.

How Finish This by Keri Smith Encourages Creativity

If you've ever stared at a blank page feeling stuck, finish this by keri smith offers a refreshing alternative. The prompts and partial images act as a springboard, jumpstarting your imagination. Here's how the book fosters creativity:

1. Breaking the Blank Page Syndrome

Starting a new journal or art project can be intimidating. The pressure to create something "good" can cause creative paralysis. By providing incomplete prompts, Keri Smith removes the pressure to generate ideas from thin air. Instead, you're invited to jump in wherever you feel inspired, making creativity more accessible.

2. Encouraging Experimentation and Play

The prompts are deliberately open-ended, encouraging experimentation with different materials, styles, and ideas. Whether you want to use colored pencils, collage, or simply write, the book supports playful exploration. This playful approach helps tap into your subconscious, often leading to surprising and joyful creations.

3. Making Creativity a Habit

Because the book is designed for daily or regular interaction, it helps establish a creative routine. Even spending just a few minutes a day "finishing" a prompt can build momentum, making creativity a consistent part of your life.

Exploring the Unique Features of Finish This by Keri Smith

What sets finish this by keri smith apart from other art or writing journals? Several unique features make it a favorite among artists, writers, and creative enthusiasts.

Partial Illustrations and Incomplete Sentences

Unlike traditional journals that start blank, this book presents you with partial drawings or sentences that beg for completion. This technique invites you to contribute your personal touch, blending your style with Keri Smith's initial ideas.

Integration of Multiple Creative Disciplines

Finish this by Keri Smith blurs the lines between writing, drawing, doodling, and collage. This multi-disciplinary approach caters to different creative preferences and encourages you to experiment beyond your comfort zone.

Open-Ended Prompts

The prompts avoid prescribing specific outcomes. For example, a prompt might show an unfinished face or a half-written sentence, leaving you free to imagine and complete it in any way you want. This open-endedness fosters originality and personal expression.

How to Get the Most Out of Finish This by Keri Smith

If you've picked up Finish This by Keri Smith or are considering it, here are some practical tips to enhance your experience and unlock your creative potential.

Create a Comfortable Creative Space

Find a quiet, comfortable spot where you can focus without distractions. Gather your favorite art supplies—whether it's pens, markers, paints, or collage materials—and have them ready. A pleasant environment encourages relaxation and openness.

Embrace Imperfection

Remember, the goal isn't to produce museum-quality art but to engage with your creativity freely. Allow yourself to make mistakes, scribble wildly, or write nonsense. This freedom is where the magic happens.

Set Aside Regular Time

Try dedicating a few minutes daily or several times a week to work on the book. Consistency helps build creative momentum and makes it easier to overcome creative blocks.

Share and Connect

Consider sharing your creations with friends or online communities interested in Keri Smith's work. Engaging with others can provide inspiration, encouragement, and new perspectives.

The Impact of Keri Smith's Creative Approach

Keri Smith's finish this philosophy has inspired countless artists, writers, and creatives around the world. Beyond simply completing a journal, her work promotes mental well-being, mindfulness, and self-discovery. In a fast-paced world, taking time to interact with a creative project like finish this by keri smith offers a valuable pause—a chance to reconnect with your inner self through art.

Many educators and therapists use her books as tools for fostering creativity and emotional expression, further highlighting the universal appeal and transformative potential of her approach.

Encouraging Mindfulness Through Art

The act of focusing on prompts and responding with art or words naturally cultivates mindfulness. This meditative quality helps reduce stress and promotes focus, making finish this by keri smith not only a creative outlet but also a tool for mental clarity.

Building Confidence in Creativity

By gently guiding users to finish incomplete ideas, Keri Smith's work helps build creative confidence. This can spill over into other areas of life, encouraging people to embrace challenges and think outside the box.

Other Notable Works by Keri Smith

If you find finish this by keri smith intriguing, you might want to explore her other creative journals and books, which follow similar principles of interactive engagement and playful experimentation.

- **Wreck This Journal:** Perhaps her most famous work, encouraging readers to creatively destroy and rebuild a journal.
- **Mess:** A book that invites you to embrace chaos and imperfection in your creative process.
- **How to Be an Explorer of the World:** A guide that turns everyday surroundings into spaces of wonder and discovery.

Each of these books complements the finish this by keri smith experience by offering different ways to interact with creativity and self-expression.

Exploring finish this by keri smith is like opening a door to endless creative possibilities. Whether you're an experienced artist or someone who feels creatively stuck, the book's unique prompts and philosophy provide a refreshing, liberating way to engage with your imagination. So grab your favorite pens or paints, and start finishing—because sometimes, the best way

to begin is to complete what's already started.

Frequently Asked Questions

What is 'Finish This' by Keri Smith about?

'Finish This' by Keri Smith is an interactive journal that encourages creativity by prompting readers to complete unfinished drawings, stories, and ideas, allowing for personal expression and imaginative exploration.

Who is Keri Smith, the author of 'Finish This'?

Keri Smith is an author and illustrator known for her creative and interactive books that inspire creativity, play, and artistic experimentation, including popular titles like 'Wreck This Journal' and 'Finish This'.

How does 'Finish This' differ from other books by Keri Smith?

While many of Keri Smith's books focus on destruction and deconstruction, 'Finish This' specifically invites readers to complete incomplete prompts and images, fostering creativity through completion and personal interpretation.

What age group is 'Finish This' suitable for?

'Finish This' is suitable for a wide range of ages, from teenagers to adults, as it encourages creative thinking and artistic expression regardless of skill level.

Can 'Finish This' be used as a tool for art therapy?

Yes, 'Finish This' can be used as a creative outlet in art therapy, helping individuals express emotions and thoughts through completing prompts and engaging in creative tasks.

Are there any digital versions of 'Finish This' available?

As of now, 'Finish This' is primarily available in physical book format, with no official digital or eBook versions widely released.

What materials do I need to complete the activities in 'Finish This'?

To complete 'Finish This,' you typically need basic art supplies such as pens, pencils, markers, and possibly paints or collage materials, depending on how you choose to engage with the prompts.

Is 'Finish This' designed for group activities or individual use?

'Finish This' can be used both individually and in group settings, making it versatile for personal creativity or collaborative creative workshops.

Where can I purchase 'Finish This' by Keri Smith?

You can purchase 'Finish This' by Keri Smith at major bookstores, online retailers like Amazon, and sometimes directly through the publisher's website.

What are some benefits of using 'Finish This' regularly?

Using 'Finish This' regularly can enhance creativity, reduce stress, improve problem-solving skills, and encourage mindfulness by engaging in artistic and imaginative exercises.

Finish This by Keri Smith: A Creative Exploration of Imperfection and Interaction

finish this by keri smith is more than just a book title; it represents a unique approach to creativity that challenges traditional notions of completion and perfection. Keri Smith, renowned for her interactive and unconventional art books, invites readers to become co-creators through the concept of “finishing” the work themselves. This book is part of Smith’s broader oeuvre that encourages active participation, self-expression, and the embrace of imperfection.

Examining "Finish This" within the context of creative literature and interactive journals reveals its distinct place in the contemporary art and self-help landscape. The book’s format blurs the boundaries between author and reader, artist and audience, making it a compelling study in participatory creativity.

Understanding “Finish This” by Keri Smith

Keri Smith’s “Finish This” is structured as an open-ended journal that prompts users to complete incomplete drawings, stories, or ideas. Unlike conventional books that deliver a fixed narrative or artwork, this volume offers fragments and seeds of creativity, encouraging readers to use their imagination to build upon them.

The concept addresses a psychological and artistic phenomenon where the act of finishing is often hindered by fear, doubt, or perfectionism. By providing only partial content, Smith removes the pressure of starting from scratch and fosters a sense of ownership over the creative process.

The Interactive Nature of the Book

One of the defining features of “Finish This” is its interactive layout. Each page presents an unfinished drawing, phrase, or prompt, inviting readers to add their own interpretations and elements. This hands-on approach transforms the reader into an active participant rather than a passive consumer.

This format aligns with trends in art therapy and creativity workshops, where open-ended prompts are used to unlock personal expression. Unlike guided journals with strict instructions, “Finish This” offers freedom within a loose framework, making it accessible to people with varying artistic skills.

Integration of Imperfection and Play

Keri Smith’s philosophy often embraces imperfection as an essential component of creativity. “Finish This” continues this ethos by encouraging spontaneous, imperfect, and playful contributions from readers. The unfinished nature of the pages reduces anxiety around creating “perfect” art or prose, promoting experimentation.

This approach resonates with educational theories that emphasize the importance of process over product, cultivating resilience and originality. The book’s design subtly teaches that the value lies in engagement and exploration rather than polished outcomes.

Comparative Analysis: “Finish This” vs. Other Interactive Books

Within the genre of interactive and creative journals, “Finish This” holds a distinctive position. Comparing it to other works by Keri Smith, such as “Wreck This Journal” or “How to Be an Explorer of the World,” highlights both similarities and unique contributions.

- **Wreck This Journal:** Focuses on destruction and transformation of the book itself to stimulate creativity.
- **How to Be an Explorer of the World:** Encourages observation and documentation of the environment.
- **Finish This:** Centers on completion and collaboration between author and reader through unfinished prompts.

Unlike “Wreck This Journal,” which sometimes requires physical interaction with the book’s material, “Finish This” primarily engages mental and creative faculties, making it more suitable for those who prefer drawing, writing, or conceptual thinking without necessarily defacing pages.

Target Audience and Accessibility

"Finish This" appeals to a broad audience, including artists, writers, students, educators, and casual creative hobbyists. Its lack of complexity and open-ended prompts make it accessible to beginners while still engaging for more experienced creatives.

Furthermore, the book's design allows it to be used in various settings—from solitary reflection to group workshops or classroom activities—enhancing its versatility. The balance between guidance and freedom supports different learning styles and artistic preferences.

Pros and Cons of "Finish This" by Keri Smith

When assessing "Finish This," it is important to consider both its strengths and potential limitations as an interactive creative tool.

- **Pros:**

- Encourages active participation and creativity.
- Reduces fear of imperfection, fostering confidence.
- Versatile for multiple audiences and settings.
- Offers a fresh perspective on collaboration between reader and author.

- **Cons:**

- May feel too open-ended for readers seeking more structure.
- Less appeal for those who prefer traditional, completed works.
- Requires self-motivation to engage deeply with prompts.

These considerations indicate that while "Finish This" is an innovative and liberating creative tool, it may not satisfy all readers' preferences, particularly those who favor linear narratives or definitive artistic products.

SEO Keywords Integration and Relevance

In analyzing the relevance of "finish this by keri smith," incorporating related keywords such as "interactive journal," "creative prompts," "art therapy book," and "participatory creativity" is essential. These terms resonate with the book's core themes and increase discoverability for users

searching for creative engagement tools or art-based self-help resources.

Moreover, phrases like “embracing imperfection in art,” “collaborative art projects,” and “creative completion exercises” naturally connect with the book’s content and appeal to niche audiences interested in artistic development and psychological creativity techniques.

Impact and Reception in the Creative Community

Since its release, “Finish This” has garnered attention among artists, educators, and mental health professionals who recognize the value of its participatory design. Reviews often highlight its ability to break creative blocks and inspire new ideas.

In educational contexts, the book serves as a resource for encouraging students to explore personal narratives and artistic styles. Therapists appreciate its potential as a non-threatening medium for expression and emotional processing.

While it might not achieve mainstream bestseller status like some traditional novels, “Finish This” occupies a respected place in creative and therapeutic literature, continuously influencing how people engage with art and storytelling.

The ongoing dialogue generated by the book extends beyond its pages, as users share their completed works online, creating a dynamic community of co-creators and reinforcing Keri Smith’s vision of art as an evolving, collective experience.

In light of these factors, “finish this by keri smith” exemplifies a modern approach to creativity—one that values process, imperfection, and collaboration. It invites readers not only to finish a book but to reconsider what it means to create and complete something in an increasingly participatory world.

finish this by keri smith: *The Rhetoric of the Page* Laurie Maguire, 2020-11-03 This

wide-ranging and entertaining book explores blank space from incunabula to Google books. Blanks are a paradox—simultaneously nothing and something, gesturing to what was once there or might be there. They are also a creative opportunity for readers as well as writers: readers respond to what is not there and writers come to anticipate that response. Thus, blank space develops literary and ludic applications. Each chapter focuses on one typographical form of what is not there on the page: physical gaps (Chapter One), marks of incompleteness such as &c (Chapter Two), and the asterisk as a stand-in for things that cannot be said (Chapter Three). By looking at the early-modern page as a visual unit as well as a verbal unit, this volume shows how the relationship between textual layout and textual content is as productive for writers as it is for readers. Mise-en-page influences readers in the same way that rhetoric influences readers. It is thus possible to speak of 'the rhetoric of the page'.

finish this by keri smith: Finish This Book Keri Smith, 2011 Dear Reader, One dark and stormy night, I found some strange scattered pages abandoned in a park... I collected and assembled them, trying to solve the mystery of this unexpected discovery, and I am now passing the task on to you. This title helps you continue the research and provide the content.

finish this by keri smith: Wreck This Journal Keri Smith, 2010-10 Think of Keri Smith's Wreck This Journal as the anarchist's Artist's Way - the book for those who've always wanted to draw outside the lines but were afraid to do it. For anyone who's ever wished to, but had trouble starting, keeping, or finishing a journal or sketchbook comes Wreck This Journal, an illustrated book featuring a subversive collection of suggestions, asking readers to muster up their best mistake - and mess-making abilities to fill the pages of the book (and destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in 'destructive' acts - poking holes through pages, adding photos and defacing them, painting with coffee, colouring outside the lines, and more - in order to experience the true creative process. With Keri Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. Bestselling author Keri Smith is a freelance illustrator by trade, and has illustrated for the Washington Post, The New York Times, Ford Motor Company, People, The Body Shop and Hallmark. She is the author of Wreck This Journal, How to be an Explorer of the World and Mess: The Manual of Accidents and Mistakes. She lives in Canada.

finish this by keri smith: Fictionality and Multimodal Narratives Torsa Ghosal, Alison Gibbons, 2023 Fictionality and Multimodal Narratives interrogates the multimodal relationship between fictionality and factuality. The contemporary discussion about fictionality coincides with an increase in anxiety regarding the categories of fact and fiction in popular culture and global media. Today's media-saturated historical moment and political climate give a sense of urgency to the concept of fictionality, distinct from fiction, specifically in relation to modes and media of discourse. Torsa Ghosal and Alison Gibbons explicitly interrogate the relationship of fictionality with multimodal strategies of narrative construction in the present media ecology. Contributors consider the ways narrative structures, their reception, and their theoretical frameworks in narratology are influenced and changed by media composition-particularly new media. By accounting for the relationship of multimodal composition with the ontological complexity of narrative worlds, Fictionality and Multimodal Narratives fills a critical gap in contemporary narratology-the discipline that has, to date, contributed most to the conceptualization of fictionality--

finish this by kerri smith: *Dynamic Perspectives on Creativity* Ronald A. Beghetto, Giovanni Emanuele Corazza, 2019-01-17 This edited volume provides a venue for scholars whose work challenges the typical, static conceptions, and methods of studying creativity. More specifically, the book will serve as an effort to introduce more dynamic definitions, conceptions, and approaches for studying creativity in the context of educational practice. By doing so, it feeds the strong contemporary need for more dynamic conceptions of creativity in educational settings. This is particularly important given the fast evolution of modern society and the widespread consensus that efforts to develop creative potential should be democratized -- extending well beyond the boundaries of the gifted subset and the walls of the classroom. This work recognizes that more dynamic perspectives on creativity are necessary for understanding its complexity, value, and meaning in educational contexts.

finish this by kerri smith: *Free Range Learning* Laura Weldon, 2012-07-23 With more kids at home now . . . here is a book for parents, family members and friends who want to maximize this time for a deeper learning experience for their children and themselves. *Free Range Learning* will encourage and excite those who want their children to reap important benefits from this period of “sheltering in place,” learning at home. This is a book for anyone simply wanting some fresh ideas at this time, or those who wonder if a commitment to ongoing homeschooling might actually result in longer term benefits! The material in this book is backed by scientific and educational studies, along with the testimonies of scores of parents and kids from around the world. The work here is applicable for young people from pre-school through high school. Studies indicate that adults who were homeschooled are: * More likely to vote, volunteer and be involved in their communities than graduates of conventional schools. * Read more books than average. * More likely to have taken college level courses than the population as a whole. * Tend to be independent and self-reliant. Children are naturally “free range” learners. They build knowledge and skills naturally, within the full spectrum of their daily lives, while observing, exploring and pursuing their interests. This book guides any parent or educator in assisting that process.

finish this by kerri smith: *Cultivating Strong Girls* Nancy Evans, 2018-04-10 An essential how-to book for youth services librarians who are interested in effecting social change and offering a dynamic, relevant program for girls. *Cultivating Strong Girls: Library Programming That Builds Self-Esteem and Challenges Inequality* gives youth services librarians practical guidance on how to offer programming that will support the engagement, growth, and achievement of girls. The program plans are simple enough to be applied by everyone who works with girls. Presenting this type of programming allows librarians to build meaningful relationships, have a positive impact on patrons and in the community, and follow programming guidelines outlined in the Young Adult Library Services Association's report, *The Future of Library Services for and with Teens: A Call to Action*. With gender bias, inequality, and low self-esteem issues still at the forefront for women and girls, public library programming that addresses these topics fills a genuine need. This step-by-step guide to running a Strong Girls School program supplies material broken down into six sessions. Detailed yet easy-to-follow instructions and tips ensure that the program can be implemented in libraries or classrooms. Written by an experienced young adult librarian who has tested and refined these strategies in the real world, the book offers direction for related crafts, recommended resources, and extension activities, including peer mentoring or community service opportunities.

finish this by kerri smith: *What the Eye Hears* Brian Seibert, 2015-11-17 The first authoritative history of tap dancing, one of the great art forms—along with jazz and musical comedy—created in

America. Finalist for the National Book Critics Circle Award in Nonfiction Winner of Anisfield-Wolf Book Award An Economist Best Book of 2015 What the Eye Hears offers an authoritative account of the great American art of tap dancing. Brian Seibert, a dance critic for The New York Times, begins by exploring tap's origins as a hybrid of the jig and clog dancing and dances brought from Africa by slaves. He tracks tap's transfer to the stage through blackface minstrelsy and charts its growth as a cousin to jazz in the vaudeville circuits. Seibert chronicles tap's spread to ubiquity on Broadway and in Hollywood, analyzes its decline after World War II, and celebrates its rediscovery and reinvention by new generations of American and international performers. In the process, we discover how the history of tap dancing is central to any meaningful account of American popular culture. This is a story with a huge cast of characters, from Master Juba through Bill Robinson and Shirley Temple, Fred Astaire and Ginger Rogers, and Gene Kelly and Paul Draper to Gregory Hines and Savion Glover. Seibert traces the stylistic development of tap through individual practitioners and illuminates the cultural exchange between blacks and whites, the interplay of imitation and theft, as well as the moving story of African Americans in show business, wielding enormous influence as they grapple with the pain and pride of a complicated legacy. What the Eye Hears teaches us to see and hear the entire history of tap in its every step. "Tap is America's great contribution to dance, and Brian Seibert's book gives us—at last!—a full-scale (and lively) history of its roots, its development, and its glorious achievements. An essential book!" —Robert Gottlieb, dance critic for The New York Observer and editor of Reading Dance "What the Eye Hears not only tells you all you wanted to know about tap dancing; it tells you what you never realized you needed to know. . . . And he recounts all this in an easygoing style, providing vibrant descriptions of the dancing itself and illuminating commentary by those masters who could make a floor sing." —Deborah Jowitt, author of Jerome Robbins: His Life, His Theater, His Dance and Time and the Dancing Image

She was immediately smitten with what the World Wide Web could do. Later, while attending the UN Fourth World Conference on Women in Beijing, China, in 1995, Leeke found herself in an Internet café, where she experienced an interaction that changed her life. Over time, through interactions and conversations both online and in-person, Leeke developed the concept of digital sisterhood. Embracing this revolutionary concept led to a complete career reinvention that finally allowed her to embrace her enormous creative spirit. She found in her digital sisters true sheroes and virtual mentors. Her blogging and social media adventures highlight the lessons she learned in the process, the reasons she launched the Digital Sisterhood Network, and the experiences that caused her to adopt what she terms the fierce living commitments. In her memoir, Leeke details her journey, sharing experiences and insights helped her and her digital sisters use the Internet as a self-discovery tool and identifying leadership archetypes that shaped her role as a social media leader.

finish this by keri smith: Fieldwork for Human Geography Richard Phillips, Jennifer Johns, 2012-03-28 A highly readable and superbly fun guide to the why and how of doing fieldwork in human geography... I recommend it highly to any geographer-wannabes and practicing-geographers. The latter group, including myself, might well rediscover the fun of doing geography. - Professor Henry Yeung, National University of Singapore An excellent introduction to the art and science of

fieldwork. It makes clear that fieldwork is not just about getting out of the classroom and gaining first-hand experience of places, it is about instilling passion about those places. - Professor Stuart C. Aitken, San Diego State University An indispensable guide to fieldwork that will enrich the practice of geography in a myriad of different ways. In particular, the diverse materials presented here will encourage students and academics alike to pursue new approaches to their work and instil a greater understanding of the conceptual and methodological breadth of their discipline. - Professor Matthew Gandy, University College London If fieldwork is an indispensable component of geographical education then this book is equally essential to making the most of fieldwork...This book gives students the tools to realise the full potential of what, for many, is the highlight of their geography degree. - Professor Noel Castree, Manchester University Fieldwork is a core component of Human Geography degree courses. In this lively and engaging book, Richard Phillips and Jennifer Johns provide a practical guide to help every student get the most out of their fieldwork. This book: Encourages students to engage with fieldwork critically and imaginatively Explains methods and contexts Links the fieldwork with wider academic topics. It looks beyond the contents of research projects and field visits to address the broader experiences of fieldwork: working in groups, understanding your ethical position, developing skills for learning and employment and opening your eyes, ears and minds to the wider possibilities of your trip. Throughout the book, the authors present first person descriptions of field experiences and predicaments, written by fieldtrip leaders and students from around the world including the UK, Canada, Singapore, Australia and Africa.

finish this by kerri smith: Hard to Love Briallen Hopper, 2019-02-05 A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples, from a laser-precise new voice. Sometimes it seems like there are two American creeds, self-reliance and marriage, and neither of them is mine. I experience myself as someone formed and sustained by others' love and patience, by student loans and stipends, by the kindness of strangers. Briallen Hopper's *Hard to Love* honors the categories of loves and relationships beyond marriage, the ones that are often treated as invisible or seen as secondary--friendships, kinship with adult siblings, care teams that form in times of illness, or various alternative family formations. She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back. She draws from personal experience, sharing stories about her loving but combative family, the fiercely independent Emerson scholar who pushed her away, and the friends who have become her invented or found family; pop culture touchstones like the Women's March, John Green's *The Fault in Our Stars*, and the timeless series *Cheers*; and the work of writers like Joan Didion, Gwendolyn Brooks, Flannery O'Connor, and Herman Melville (*Moby-Dick* like you've never seen it!). *Hard to Love* pays homage and attention to unlikely friends and lovers both real and fictional. It is a series of love letters to the meaningful, if underappreciated, forms of intimacy and community that are tricky, tangled, and tough, but ultimately sustaining.
