just one drop quinn loftis: The Burning Claw Quinn Loftis, 2016-09-10 Jacque's mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn't have to worry about rabid, child-snatching vampires and the carnage they'd caused to so many innocent families. But something kept her here, tethered to this world, something she couldn't quite remember hovered just on the edge of her consciousness, something vital. It wasn't Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn't have it any other way. She could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque's survival? Jacque was starting to remember someone else—someone that depended on her. A brand new life, precious and perfect...her son. Costin's best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant, who had no idea who or what she was, didn't stand a chance.

just one drop quinn loftis: Prince of Wolves Quinn Loftis, 2011-06-29 Jacque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

just one drop quinn loftis: Piercing Silence Quinn Loftis, 2015-06-12 It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates, wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. Six months of peace and quiet...other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn't complaining about that, she spends her time commenting

on how Jacque's butt is getting wider by the minute. Jacque doesn't know it, but the reprieve was about to be over. She and Fane thought his demons had been dealt with, but the nightmares are back and the In-Between is once again ripping a hole inside of her mate. Jacque can't stand to see him hurting. She can't stand knowing that in some way she was responsible for his struggle because she, after all, was the subject of his pain from the In-Between. She'll do anything to stop his turmoil. So she makes a desperate decision to do what she thinks her mate needs, or doesn't need. Others will call it insane. Jen will add her own creative descriptions, including expletives thrown in for added effect. Whatever you call it, Jacque calls it an answer to the darkness that is slowly consuming her mate. She knows that if Fane has any idea of what she has planned, he would chain her to his side. So, naturally she does what any female Canis lupus would do in her shoes--she shuts down the bond and prays that no one gets in her way. She knows he might never forgive her, but then, if her plan works, he won't even remember her name.

Little does she know that flame is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. But Fane isn't the only wolf in town. Just as Fane and Jacque are getting to know each other, a rogue pack appears led by a crazed Alpha. Now, Fane will have to fight, not just for his life, but also for the right to claim Jacque as his own. Females among the Canis Lupus are precious. Their light extinguishes the darkness found within the male werewolves. As the prince of the Elves, it is his duty to protect them. His loyalty has never been in question. But then, he's never met anyone like Cyn before. just one drop quinn loftis: Surrender Quinn Loftis, 2015-09-15 So I just might die a virgin after all. That's what sucks about the end of the world, you just don't plan for it and once it's upon you it's too late. It's been a few weeks since I've had time to actually write anything down, which sucks because more has happened in my life in the past three weeks than it has in all my seventeen, (soon to be eighteen) years. So I'm going to give you a quick recap, because my diary is totally a living breathing thing and really cares...not. Basically we are on the run from Lorsan, the dark elf king, while also looking for the Book of the Elves, which he stole (butt head), while at the same time attempting to shut down the sale of Rapture, a liquid drug the dark elves devised to enslave the human race. If you ask me their goals are a little lofty, but then nobody asked me, and therein lies their problem. But our problems don't end there. On top of trying to get Rapture out of the human realm and taking out Lorsan, we also have to rescue Cassie's parents. Apparently there's a dark elf who is delusional and believes Cassie is his Chosen reincarnated. So naturally he thought

kidnapping her parents would win her heart. Loser. What happen to love notes and flowers? Anyways, now you're caught up, roughly. The point is, life is about as jacked up as it can get at the moment. I would like to be able to give some Braveheart worthy speech and say that we totally got this, but honestly, I have no idea if we can pull this off. ~Elora

just one drop quinn loftis: Forgotten Silence Quinn A. Loftis, 2017-12-15 Filthy. Disgusting. Unworthy trash. The same thoughts keep swirling in Sally's mind. She's broken and no one can fix her--not her friends, try as they might, and not her beautiful mate. She'd thought when Costin had rescued her from Jericho's clutches, broken the spell the rogue werewolf had cast on her, and left the cur lying in bloody pieces on the floor of an Ocean Side bar, that one day she might find some peace. Perhaps, with time, she could forget the horrible things she'd done. Perhaps she could forget how she had betrayed her one true mate. Now, several weeks later, the memories and the nightmares have only grown stronger. Unbeknownst to Sally, though the magical bracelet that erased her memories was destroyed, the magical device deposited something sinister within the girl's mind. Now, in a last ditch effort to find some sort of healing, Sally is being shipped off to her hometown--Coldspring, TX. Little does she know that surprises are awaiting her there that will shake the foundations of all she's ever known. Will these new revelations be the key to eradicating the darkness that has taken root in the healer? Or will the secrets that are uncovered be too much for Sally to bear?

just one drop quinn loftis: Beyond the Veil Quinn Loftis, 2012 Darkness has descended on the Transylvanian Alps. Four packs of the powerful Grey wolves in a rare show of cooperation had joined together here in an effort to help their pack members find true mates. Then they were betrayed by one of their own an Alpha hell-bent on becoming the most powerful of the Canis lupis. And though the wolf's assassination attempt on the currently-reigning Romanian Alpha failed, his plans to get Decebel, the Romanian Beta, out of the picture were coming together even as his treachery was discovered. The wolf fled, leaving destruction, death, and a missing mate behind him. Unbeknownst to the other packs, the wolf has employed a witch to finish the deadly job and help him gain another tool to increase his power.

just one drop quinn loftis: Wolves of Wrath Quinn Loftis, 2017-09-27 Long ago, during the Great Purge, the witches that had grown too many in number and too powerful, were destroyed. The

high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified. So they killed all of the witches, and their creator...or so they thought. But they were wrong. Volcan, the high fae, who had once been a member of their council, until he decided he wanted to be all powerful and created the witches, had bided his time, hiding in the Dark Forest. Now he's back and hell bent on rebuilding his army of witches. Only this time he's set his eyes on the gypsy healers to be the tool from which he creates them. He already has two of the newly found healers, Jewel and Anna, with his blood running in their veins. And though he thinks he's got it all planned out, what Volcan hadn't calculated into his formula of healers + his blood = witches, was the healer's mates, Dalton and Gustavo. Both males are more than ready to sink their teeth into the high fae who has taken their females. With the darkness closing in on all four of them, it is a toss up as to who will succumb to it first. Mean while, the healers and wolves Peri had stashed in the pixie realm are sitting ducks with the Veil between them and the human realm locked. The mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm. Perizada is once again fighting for those who are under her protection, while at the same time trying not to kill them herself. Considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period, it's not certain who will destroy who. The only thing that was certain; none of them was willing to surrender. Throw in a powerful, eccentric Djinn who has suddenly gotten bored and things are guaranteed to get messy. This is the continuation of the story of the five gypsy healers, the fae who protects them and the wolves whose wrath will consume any who come between them.
