Riding the Bus with My Sister: A Memorable Journey of Connection and Discovery

Riding the bus with my sister has always been more than just a means of transportation for us. It's a shared experience filled with laughter, storytelling, and moments of quiet reflection. Whether we're heading to school, visiting friends, or exploring new parts of town, these bus rides have become a cherished routine that brings us closer together. In this article, I want to share what makes riding the bus with my sister such a unique experience, offer some handy tips for making the most of public transit, and reflect on how these simple journeys have enriched our relationship.

The Joys of Riding the Bus with My Sister

There's something special about traveling side by side with a sibling, especially on a bus where the world outside constantly changes. Riding the bus with my sister creates a sense of adventure, even if we're just going around the corner. The shared space and time allow us to catch up on each other's lives, joke around, or sometimes just enjoy the silence together.

Building Stronger Bonds Through Shared Experiences

Public transportation is a unique social environment. Sitting next to my sister on the bus offers a perfect opportunity to strengthen our bond. We chat about everything – from school projects to our favorite TV shows, to dreams for the future. These conversations wouldn't happen as naturally if we were in separate cars or distracted by our phones at home.

The unpredictability of bus rides also adds excitement. We often encounter interesting people or unexpected detours, sparking conversations that wouldn't occur otherwise. These moments help us grow closer and create memories that last far beyond the ride itself.

Learning Patience and Flexibility

Riding the bus with my sister has also taught us valuable life skills. Public transit schedules aren't always perfect, and delays or crowded buses are common. Navigating these challenges together fosters patience and adaptability. We learn to plan ahead, manage our time wisely, and support each other when things don't go as planned.

Tips for Enjoying Your Bus Ride with a Loved One

If you're thinking about taking a bus trip with a sibling or friend, here are some practical tips to ensure your journey is smooth and enjoyable.

Plan Your Route Ahead

Using transit apps or online maps before your trip can help you figure out the best routes, bus numbers, and schedules. Planning reduces stress and avoids confusion, especially in unfamiliar areas. When riding the bus with my sister, we like to check the bus times together, making the experience collaborative and fun.

Bring Snacks and Entertainment

Long rides can get boring, so packing some snacks or small entertainment items makes a big difference. Whether it's sharing a bag of chips or listening to music through shared headphones, these little comforts turn the ride into a mini adventure. Sometimes, we pull out a book or play word games to pass the time.

Stay Safe and Be Mindful

Riding public transportation comes with its own safety considerations. Keep your belongings close, be aware of your surroundings, and avoid distractions when boarding or getting off the bus. Riding the bus with my sister means we look out for each other, making sure we both feel secure throughout the trip.

Exploring the City Together: More Than Just a Ride

One of the best parts about riding the bus with my sister is the chance to explore our city in a new way. Unlike driving where you're focused on the road, being on a bus lets you observe the neighborhoods, people, and daily life around you.

Discovering Hidden Gems

Sometimes, we hop on buses that go through parts of town we don't usually visit. This spontaneous exploration reveals hidden cafes, parks, and shops that become favorite hangouts. Riding the bus with my sister has turned us into little urban explorers, always eager to discover something new.

Appreciating the Environment

Taking public transit together also feels good from an environmental perspective. It reduces our carbon footprint compared to individual car rides. Talking about these choices on the bus has made us more conscious of how we impact the planet and inspired other eco-friendly habits.

Capturing Memories on the Go

Our bus rides often end up being the backdrop for some of our most memorable photos and stories. Whether it's a funny mishap, a breathtaking sunset seen from the window, or a lively street performer we spot along the route, these moments enrich our shared history.

Using Technology to Enhance the Experience

Nowadays, smartphones make it easy to document our journeys. We take selfies, record short videos, or even start a shared travel diary app to keep track of our adventures. Riding the bus with my sister becomes not just a physical trip but a digital scrapbook filled with snapshots of our time together.

Reflecting and Growing Together

Beyond the fun and exploration, these bus rides provide space for reflection. Sometimes, the quiet hum of the engine and the rhythmic stops give us time to talk about deeper topics—our goals, fears, or family matters. It's in these moments that riding the bus with my sister becomes a healing and bonding experience.

Why Public Transit Can Strengthen Family Connections

In a world dominated by fast cars and private spaces, choosing to ride the bus with your sibling can be a refreshing change. It slows down the pace, encourages interaction, and places you in a shared environment away from usual distractions.

Encouraging Communication and Teamwork

Navigating a bus route together requires cooperation—deciding when to get off, managing fares, and staying aware of stops. This teamwork fosters communication skills and mutual understanding, which are essential in any close relationship.

Making Everyday Moments Special

Sometimes, the simplest activities create the strongest bonds. Riding the bus with my sister turns ordinary trips into special memories, reminding us that quality time doesn't always require grand plans or expensive outings.

Whether it's the thrill of catching the bus just in time, sharing an inside joke during the ride, or simply sitting quietly enjoying each other's company, these moments have become priceless.

chapters in our story.

Riding the bus with my sister has transformed a routine part of daily life into an opportunity for connection, discovery, and growth. It's a reminder that sometimes the journey itself is just as important as the destination, especially when shared with someone you love.

Frequently Asked Questions

What are some tips for riding the bus with my sister for the first time?

Plan your route ahead, check the bus schedule, arrive early at the bus stop, and stay close to each other during the ride to ensure a smooth experience.

How can I make riding the bus with my sister more fun?

Bring along some snacks, play games or listen to music together, and use the time to chat and bond while enjoying the ride.

What safety precautions should I take when riding the bus with my sister?

Always stay seated or hold onto a handrail, keep personal belongings secure, be aware of your surroundings, and never get off the bus at an unfamiliar stop alone.

How can riding the bus with my sister help us build a closer relationship?

Spending time together during the ride allows for uninterrupted conversations, shared experiences, and teamwork in navigating public transportation.

What should I do if my sister and I get separated on the bus?

Stay calm, try to find a bus driver or another adult for help, and use a phone to contact each other or a trusted person if possible.

Are there any apps that can help me and my sister when riding the bus?

Yes, apps like Google Maps, Transit, and local transit authority apps provide real-time bus tracking, schedules, and route planning to make bus rides easier.

Additional Resources

Riding the Bus with My Sister: An Analytical Perspective on Public Transit Experience

Riding the bus with my sister offers a unique lens through which to examine the dynamics of public transportation. This shared experience not only highlights the practical aspects of commuting but also reveals the social and emotional nuances that accompany using city buses. In an era where urban mobility is increasingly scrutinized for efficiency, accessibility, and sustainability, understanding the intricacies of riding the bus with a companion—especially a family member—provides valuable insights into the everyday realities of public transit users.

Understanding the Dynamics of Shared Public Transit

When considering the experience of riding the bus with my sister, it is important to explore how traveling together influences the journey. Public transportation is often perceived as a solitary or anonymous activity, yet sharing it with a close companion transforms this perception. The interaction between co-passengers can alleviate stress, foster communication, and enhance safety awareness.

Studies show that individuals traveling with companions tend to report higher satisfaction with transit services compared to solo riders. This is particularly relevant for family members who may use the bus for errands, school runs, or commuting to work. The presence of a familiar person can reduce anxiety associated with route navigation, fare payment, and social interactions on crowded vehicles.

Social Interaction and Emotional Support

The social aspect of riding the bus with my sister cannot be overstated. Conversations during the ride create a buffer against the monotony and unpredictability of public transport. This companionship helps mitigate feelings of vulnerability, especially during early morning or late-night trips when safety concerns are heightened.

Moreover, the shared experience encourages attentiveness to surroundings. Sisters or family members often look out for each other, ensuring that stops are not missed and personal belongings are secure. This heightened vigilance increases the overall sense of security, a significant factor given that transit environments can sometimes be intimidating.

Practical Considerations: Route Planning and Timing

Riding the bus with my sister also brings practical benefits related to planning and timing. Coordinating schedules and routes becomes a joint effort, often leading to more efficient travel. For example, deciding on the most convenient transit lines or transfer points is easier when two perspectives are involved.

Additionally, fare management can be streamlined. Many transit systems offer discounts for multiple

riders or family groups, which can reduce the cost per trip. In cities with integrated ticketing systems, sharing passes or using contactless payment methods together simplifies boarding processes.

Comparing Solo vs. Shared Bus Rides

To appreciate the nuances of riding the bus with my sister, it is useful to contrast this experience with traveling alone. Solo riders often face challenges such as navigation difficulties, safety concerns, and social isolation. Conversely, traveling with a sibling introduces elements of companionship and mutual support.

- **Safety:** Solo riders might feel more vulnerable, especially in less crowded buses or during off-peak hours, whereas having a companion provides a sense of security.
- **Navigation:** Two people can collaborate on reading schedules and identifying stops, reducing the chance of missing a destination.
- **Social Experience:** Riding with a sister often leads to conversations that make the journey more enjoyable and less monotonous.
- **Cost Efficiency:** Some transit systems provide group discounts or family passes that benefit riders traveling together.

However, shared rides also come with potential drawbacks. Coordinating schedules can be challenging, and disagreements over route choices or timing may arise. Additionally, the need to stay together may limit spontaneity compared to solo travel.

Impact on Commute Satisfaction and Stress Levels

Research in urban mobility suggests that emotional well-being during transit significantly affects overall commuter satisfaction. Riding the bus with my sister contributes positively by reducing stress levels associated with uncertainties such as delays, overcrowding, or unfamiliar routes. The psychological comfort gained from companionship can transform the transit experience from a routine necessity into a more engaging and pleasant activity.

Accessibility and Inclusivity Considerations

Another important dimension when exploring the experience of riding the bus with my sister is accessibility. Public transportation systems vary widely in their accommodation of passengers with disabilities, seniors, or families with young children. Having a sibling or family member along can be crucial for those who require assistance boarding, navigating the vehicle, or handling fare payments.

Many modern buses are equipped with features such as low floors, ramps, and priority seating, which facilitate easier access. Traveling with a companion often means that individuals who might otherwise hesitate to use public transit feel empowered to do so. This dynamic underlines the social value of shared travel in promoting inclusivity.

Technological Enhancements and Their Role

Advances in technology have improved the experience of riding the bus with my sister by providing real-time updates, mobile ticketing, and route optimization apps. These tools enable better coordination and reduce uncertainty. For example, smartphone applications allow users to track bus locations and arrival times, making it easier for pairs to synchronize their movements and avoid long waits.

Furthermore, some transit authorities have introduced family-friendly features within their apps, such as alerts for stops tailored to children or elder passengers. Such innovations demonstrate how technology can enhance the social and practical aspects of shared transit journeys.

Environmental and Economic Implications

Choosing to ride the bus together also carries environmental benefits. Public transit reduces the number of individual vehicles on the road, lowering emissions and congestion. When siblings or family members ride together, this effect is amplified compared to separate private car trips.

Economically, bus travel remains one of the most cost-effective ways to commute. Sharing rides with my sister can further decrease individual transportation expenses through shared fares or family discounts. This economic advantage is significant in urban areas where the cost of private vehicle ownership is high due to fuel, maintenance, parking, and insurance.

Challenges in Urban Transit Systems

Despite the benefits of riding the bus with my sister, various challenges persist in many cities. Issues such as overcrowding, inconsistent schedules, and limited route coverage can detract from the experience. These problems sometimes discourage people from using public transit, even when traveling with companions.

Addressing such challenges requires coordinated efforts by transit authorities to improve reliability, safety, and comfort. Enhanced communication about delays, better vehicle maintenance, and inclusive design are critical factors that can make shared bus rides more appealing.

Final Reflections on the Experience

Riding the bus with my sister encapsulates a microcosm of urban public transportation's strengths and weaknesses. The experience underscores the importance of companionship in navigating daily

transit and highlights how social interactions enrich what might otherwise be a mundane activity. It also brings attention to practical considerations such as safety, accessibility, and cost efficiency that influence transit usage.

As cities continue to evolve and public transit systems adapt, recognizing the human element in commuting—embodied in moments like riding the bus with a sibling—can guide improvements. Ultimately, these shared journeys reveal that public transportation is not just about moving from point A to point B, but also about the connections and experiences formed along the way.

riding the bus with my sister: *Riding the Bus with My Sister* Rachel Simon, 2013-03-05 A “heartwarming, life-affirming” memoir of a relationship with an intellectually disabled sibling: “Read this book. It might just change your life” (Boston Herald). Beth is a spirited woman with an intellectual disability who lives intensely and often joyfully, and spends most of her days riding the buses in Pennsylvania. The drivers, a lively group, are her mentors; her fellow passengers, her community—though some display less patience or kindness than others. Her sister, Rachel, a teacher and writer, camouflages her emotional isolation by leading a hyperbusy life. But one day, Beth asks Rachel to accompany her on public transportation for an entire year—and Rachel accepts. This wise, funny, deeply affecting book is the chronicle of that remarkable time, as Rachel learns how to live in the moment, how to pay attention to what really matters, how to change, how to love—and how to slow down and enjoy the ride. Weaving in anecdotes and memories of terrifying maternal abandonment, fierce sisterly loyalty, and astonishing forgiveness, Rachel Simon brings to light a world that is almost invisible to many people, finds unlikely heroes in everyday life, and, without sentimentality, wrestles with her own limitations and portrays Beth as the endearing, feisty, independent person she is. “With tenderness and fury, heartbreak and acceptance . . . Simon comes to the inescapable conclusion that we are all riders on the bus, and on the bus we are all the same.” —Jacquelyn Mitchard, author of *The Deep End of the Ocean*

riding the bus with my sister: Life Stories Maureen O'Connor, 2011-08-23 Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

riding the bus with my sister: Women Directors and Their Films Mary G. Hurd, 2006-11-30 Although women may have found greater film success in the areas of screenwriting, editing, design, and producing, there have been many women whose contributions as directors have been quite significant. In this guide to their careers and films, author Mary Hurd profiles the most noteworthy—from Barbara Kopple and her classic work in the documentary form, to Nora Ephron's insightful retellings of Hollywood's classic stories, to Sophia Coppola's current success in Hollywood. *Women Directors and Their Films* fills an important gap in the literature on the subject, offering a combination of biographical material and film analysis that effectively summarizes and encapsulates the life's work of these very different, very talented women. The selection includes women of the studio age (Ida Lupino, Dorothy Arzner), contemporary mainstream directors (Amy Heckerling, Nora Ephron), independents (Mary Harron, Nancy Savoca), documentarians (Barbara Kopple), experimental filmmakers (Maya Deren), and an assortment of acclaimed international filmmakers (Jane Campion, Agnes Varda). Profiles of the directors contain both biographical and critical segments. The first, biographical section provides a basic outline of the subject's life and career; the second offers a discussion of the director's films, featuring comments on the narrative, themes, visual techniques and style, and possible critical approaches to the work. Each chapter also includes a complete filmography and brief bibliography.

riding the bus with my sister: Movies Made for Television Alvin H. Marill, 2010-10-11 In 2005, Scarecrow published *Movies Made for Television, 1964-2004*, a five-volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964. These books provided a comprehensive listing of every television film and mini-series, detailing each film's original network, airdate, and length of broadcast. In this latest volume, Marill adds another five years of television films, providing information for an additional 400 works produced between 2005 and 2009. Along with a brief summary, entries also include extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing. With a chronology of the films, an appendix of movies adapted from other sources, and separate indexes for actors and directors, *Movies Made for Television, 2005-2009* is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture.

riding the bus with my sister: Occupational Therapy in Mental Health Catana Brown, Virginia C Stoffel, Jaime Munoz, 2019-02-05 This revision of a well-loved text continues to embrace the confluence of person, environment, and occupation in mental health as its organizing theoretical model, emphasizing the lived experience of mental illness and recovery. Rely on this groundbreaking text to guide you through an evidence-based approach to helping clients with mental health disorders on their recovery journey by participating in meaningful occupations. Understand the recovery process for all areas of their lives—physical, emotional, spiritual, and mental—and know how to manage co-occurring conditions.

riding the bus with my sister: Don't Judge Me! Luis Neftaly Flores, 2023-10-20 Dan Rather of CBS News calls it *The Killing Fields of America*, but little do they know about the dreams those kids had. Somehow I escaped the destruction these kids were about to get into, so I could tell my side of the story that ruined so many lives forever. I myself was blinded by the powers of darkness. We had a code and believed in death before dishonor. As I matured, I realized how there is no honor six feet under and how you're forgotten after a few decades behind bars, all because we lived by a code that was a lie. We tend to blame the man with the power to lock us up and throw away the key, but we forget who made a choice to follow that code that gave that man the power. As we sit in our cells wondering, Why me? Why me? I remember there is no honor in a lie. There is a way which seems right unto men, but at the end, it brings forth destruction. (Proverbs 16:25) There is an evil, which I have seen under the sun, and I lie heavily upon men. (Ecclesiastes 6:1) Nothing is truly learned until it is truly lived. (Deepak Chopra)

riding the bus with my sister: Living Intentionally Viterose Van Huis, 2023-08-29 From an early age, we are influenced by many different voices that constantly suggest how to be more beautiful, healthy, and wealthy, making it challenging for us to set clear intentions for ourselves.

Living intentionally means living a life of knowing who we are. We don't have a life; we are life. All we need to do is trust our intentions and the enabling force that powers our intentions. In an inspiring guide, Elaine Van Huis shares insight into a multitude of life experiences both in Barbados and the United States as she learned the value of setting intentions and maintaining a positive mindset to achieve her goals—even during challenging times. As she reveals how she transformed into a wife, mother, and more, Elaine leads others through her lessons learned on her evolutionary journey as she attempted to stay present, visualize the best possible outcome to every situation, intentionally grow old, and move away from misguided and negative intentions. Living Intentionally shares the personal experiences of a lifelong learner who has navigated the twists and turns of life with purpose, grace, and peace to help others do the same. "This easily digested read is so important since it makes clear how this power we have in our own minds answers our collective human failure to reduce conflict and achieve more harmony in our world today." —Richard Harrison

riding the bus with my sister: The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.

riding the bus with my sister: Outstanding Books for the College Bound Angela Carstensen (Ed), Young Adult Library Services Association, 2011-05-27 Connecting teens to books they'll truly enjoy is the aim of every young adult librarian, and the completely revamped guide *Outstanding Books for the College Bound* will give teen services staff the leg up they need to make it happen. Listing nearly 200 books deemed outstanding for the college bound by the Young Adult Library Services Association (YALSA), this indispensable resource Examines how the previous lists in the series were developed, and explains the book's new layout Features engaging, helpful book descriptions useful for readers' advisory Offers programming tips and other ideas for ways the lists can be used at schools and public libraries Includes indexes searchable by topic, year, title, and author More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

riding the bus with my sister: Letters to Sam Dr. Dan Gottlieb, 2009-10-13 When his grandson was born, Daniel Gottlieb began to write a series of heartfelt letters that he hoped Sam would read later in life. He planned to cover all the important topics—dealing with your parents, handling bullies, falling in love, coping with death—and what motivated him was the fear that he might not live long enough to see Sam reach adulthood. You see, Daniel Gottlieb is a quadriplegic—the result of a near-fatal automobile accident that occurred two decades ago—and he knows enough not to take anything for granted. Then, when Sam was only 14 months old, he was diagnosed with Pervasive Developmental Disability, a form of autism, and suddenly everything changed. Now the grandfather and grandson were bound by something more: a disability—and Daniel Gottlieb's special understanding of what that means became invaluable. This lovingly written, emotionally gripping book offers unique—and universal—insights into what it means to be human.

riding the bus with my sister: Love, Learning Disabilities and Pockets of Brilliance Sara Ryan, 2020-09-21 Find some pockets of brilliance for your practice! Insights and inspiration from families of learning disabled people, who share their lives, challenges and wishes. Discover what

sorts of help will really help the people you support.

riding the bus with my sister: The Art of Straightening Nails Randy Judd, 2017-12-31 The Art of Straightening Nails is a story of hope, conquering self, and regaining lost love. This novel should appeal to anyone who has struggled to reclaim their lives from pains of the past. I was drawn into the story of protagonist, Robert Rhodes, from page one. It is the story of the strength and courage of a growing boy who sees for himself a better future despite a poverty-stricken, neglectful past. The reader cannot help but love the main character and weep for his life's story. Author, Randy Judd, does a masterful job with his character development. This is an amazing story of hope and the unbelievable triumph of the human spirit—Amazon Review Set in the South during the 60's and 70's, the saga follows Robert Rhodes as he reminisces about his life. His childhood had not been a pleasant, innocent experience. Aside from the poverty and endless disappointment his family endured, the boy had also known personal challenges of neglect and abuse. Even as an adult, Robert continues to be fettered by his past. After realizing the source of his lifelong pain, he confronts his past in a dramatic climax to the story. Not until Robert deals with his past, is he able to be emancipated from it. His new freedom allows him to find the love and success he had always sought. The Art of Straightening Nails leaves the reader with hope and empowerment in conquering their own barriers to happiness.

riding the bus with my sister: Encyclopedia of Disability Gary L Albrecht, 2005-10-07 To read some sample entries, or to view the Readers Guide click on Additional Materials in the left column under About This Book. The wide range of coverage distinguishes this particular set, which was designed to bring current knowledge and experience with disability across a wide variety of places, conditions, and cultures to both the general reader and the specialist. Editor Albrecht (University of Illinois at Chicago) and over 500 authors from around the world contributed the more than 800 entries. . . drawing in readers from a wide range of studies and interests and helping them to see disability in an entirely new way. Highly recommended for academic and large public libraries. -- BOOKLIST (star review) Obesity. Heart disease. Vision problems. Asthma. AIDS. Depression. Those maimed by land mines, machetes, bullets, bombs and beatings. These are just a few examples of how disability is becoming an increasingly common experience in our daily lives. Regardless of who we are or where we live, disability is with us. SAGE Reference is proud to announce the five-volume Encyclopedia of Disability. This Encyclopedia represents the first attempt to bring an authoritative reference resource to the many faces of disability. It provides a fascinating entry into the world of disability where minds are expanded, prejudices shattered, and spirits raised. The Encyclopedia answers the question: What is disability and why is it important in my life? An international editorial board of seventy-four editors from the Americas, Europe, Australia, India, Japan, and China, all experts in their own sub-fields of disability, developed these volumes. The result is a multidisciplinary, cross-cultural, and historically grounded resource tool that guides the reader across fields, theories, debates, and practices. Key Features Embraces five volumes that improve the reader's understanding and appreciation of the world of disability: Volumes 1 - 4 cover disability A, including a Reader's Guide, comprehensive bibliography, and index, and Volume 5 contains a wealth of primary source documents in the field of disability Includes contributions from more than 500 world-renowned scholars who have written over 1,000 entries—in a clear, accessible style—with the desire to bring all students, researchers, and interested readers closer to the daily experience of disability Provides print and Web site references to government documents and data that are rich resources to investigate how disability is measured and treated on an international level Includes a chronology to place the concept of disability in a historical context The Encyclopedia of Disability is a must-have reference for all academic libraries, large public libraries, and any social science, medical, legal, or governmental reference collections. Non-governmental organizations, charitable foundations, and law firms will also want to add this set to their collection. Chicago David Mitchell, Univeristy of Illinois at Chicago Trevor Parmenter, University of Sydney, Australia Mairian Scott-Hill, Marsh Hills Cottage Tom Shakespeare, University of Newcastle Sharon Snyder, Univeristy of Illinois at Chicago

riding the bus with my sister: *Reproductive Disruptions* Marcia C. Inhorn, 2007-10-01
Nominated for the 2007 Book Prize by the Council on Anthropology and Reproduction (AAA)
Reproductive disruptions, such as infertility, pregnancy loss, adoption, and childhood disability, are among the most distressing experiences in people's lives. Based on research by leading medical anthropologists from around the world, this book examines such issues as local practices detrimental to safe pregnancy and birth; conflicting reproductive goals between women and men; miscommunications between pregnant women and their genetic counselors; cultural anxieties over gamete donation and adoption; the contested meanings of abortion; cultural critiques of hormone replacement therapy; and the globalization of new pharmaceutical and assisted reproductive technologies. This breadth - with its explicit move from the "local" to the "global," from the realm of everyday reproductive practice to international programs and policies - illuminates most effectively the workings of power, the tensions between women's and men's reproductive agency, and various cultural and structural inequalities in reproductive health.
