The Gospels Side by Side: Exploring the Four Accounts of Jesus' Life

the gospels side by side offers a fascinating way to dive deeper into the life, teachings, and ministry of Jesus Christ. By examining the four canonical gospels—Matthew, Mark, Luke, and John—in parallel, readers gain unique insights into the nuances, emphases, and distinct perspectives each author brings. Whether you're a student of the Bible, a theology enthusiast, or simply curious about the story of Jesus, viewing the gospels side by side reveals a richer, more textured understanding of the New Testament narrative.

Why Study the Gospels Side by Side?

Each gospel writer tailored their account to a specific audience and purpose. Studying the gospels side by side lets us compare the similarities and differences, helping to clarify historical events, theological themes, and the overall portrait of Jesus. This method, often called a “parallel gospel study,” is invaluable for anyone seeking a comprehensive view of Jesus' ministry and message.

When you place the texts next to each other, you notice how certain stories appear in all four gospels, while others are unique to just one or two. This can prompt questions like: Why does Matthew include the Sermon on the Mount in detail, while Luke offers a similar but different version called the Sermon on the Plain? Or why does John focus so much on Jesus' divine identity and fewer on parables?

Understanding the Distinctive Voices of the Four Gospels

Matthew: The Gospel of the Jewish Messiah

Matthew's gospel is often seen as a bridge between the Old and New Testaments. Written primarily for a Jewish-Christian audience, Matthew emphasizes Jesus as the fulfillment of Old Testament prophecies. When you read the gospels side by side, Matthew's frequent references to the law, prophets, and genealogies stand out. He presents Jesus as the new Moses and the awaited Messiah who brings a renewed covenant.

One of Matthew's signature features is his structured teaching sections, such as the extensive Sermon on the Mount (chapters 5-7). This portion highlights Jesus' ethical instructions and deepens the moral and spiritual teachings that shaped Christian thought.

Mark: The Gospel of Action and Urgency

Mark's gospel is the shortest and is often considered the earliest written. It portrays Jesus as the suffering servant and Son of God, focusing heavily on his miracles, exorcisms, and the urgency of his mission. When examining the gospels side by side, Mark's fast-paced narrative style becomes clear—he uses the word “immediately” frequently, pushing the story forward with a sense of immediacy.

Mark's account is less concerned with long discourses and more with Jesus' actions. This makes it a gripping read, showing the human emotions of Jesus and the challenges he faced, especially during his passion.

Luke: The Gospel for All People

Luke's gospel is known for its inclusiveness and attention to detail. Written by a physician and historian, Luke presents a well-ordered account aimed at a Gentile audience. When you compare the

gospels side by side, Luke's focus on social justice, compassion for the marginalized, and the role of women stands out.

Unique parables like the Good Samaritan and the Prodigal Son appear only in Luke, emphasizing mercy and forgiveness. Additionally, Luke's narrative includes detailed birth stories and highlights the work of the Holy Spirit throughout Jesus' life.

John: The Gospel of Divine Identity

John's gospel differs significantly from the synoptic gospels (Matthew, Mark, and Luke) in style and content. While the synoptics focus on Jesus' earthly ministry, John emphasizes his divine nature and eternal existence. When you place the gospels side by side, John's poetic language and theological depth create a profound sense of Jesus as the Word made flesh.

John includes extended dialogues and "I am" statements, such as "I am the bread of life" and "I am the way, the truth, and the life." These highlight the spiritual significance of Jesus beyond historical events.

Key Themes That Emerge When Reading the Gospels Side by Side

Exploring the gospels in tandem reveals several important themes that might be less obvious when studying them individually:

- **The Kingdom of God:** Central to Jesus' teaching, this theme is portrayed differently. Matthew emphasizes the kingdom's ethical demands, Mark highlights its power, Luke shows its inclusiveness, and John focuses on eternal life.

- **Jesus' Identity:** Each gospel reveals aspects of who Jesus is—Messiah, Son of God, Savior, and divine Word.
- **Discipleship:** The portrayal of Jesus' followers varies, showing their strengths, weaknesses, and growth.
- **Suffering and Resurrection:** The passion narratives share core elements but differ in detail and emphasis, enriching our understanding of Jesus' death and resurrection.

Practical Tips for Studying the Gospels Side by Side

If you're interested in doing a parallel study of the gospels, here are some helpful pointers to get started:

1. **Choose a Gospel Harmony or Parallel Bible:** These resources align the texts verse by verse, making comparison easier.
2. **Focus on Specific Stories or Teachings:** Pick familiar stories like the feeding of the 5,000 or the parables to see how each gospel presents them.
3. **Note Differences in Detail:** Pay attention to names, locations, and wording, as these can reveal theological intentions.
4. **Reflect on Audience and Purpose:** Remember each gospel writer's background and target community to understand why certain elements are emphasized.
5. **Use Commentaries and Study Guides:** These can provide historical context and clarify difficult

passages.

How Modern Readers Benefit from the Gospels Side by Side

Reading the gospels side by side isn't just an academic exercise; it offers spiritual and practical benefits. For one, it deepens faith by showing the multifaceted nature of Jesus' life and mission. It also encourages critical thinking about textual differences and invites readers to engage with the Bible more actively.

Moreover, this approach helps believers appreciate the diversity within the Christian tradition and the richness of biblical storytelling. It can be especially meaningful in group studies or sermons, where different gospel perspectives spark lively discussions and fresh insights.

By embracing the gospels side by side, readers cultivate a well-rounded view that honors both the unique voices of each gospel writer and the unified message they collectively proclaim.

Exploring the four gospels side by side opens a window into the heart of the Christian faith, revealing layers of meaning and a dynamic portrait of Jesus that has captivated readers for centuries. Whether approached devotionally or academically, this method invites a deeper encounter with the stories that continue to shape millions of lives worldwide.

Frequently Asked Questions

What does viewing the Gospels side by side help readers understand?

Viewing the Gospels side by side helps readers compare and contrast the narratives, events, teachings, and perspectives of Matthew, Mark, Luke, and John, providing a more comprehensive understanding of Jesus' life and ministry.

Which Gospel is usually placed first in a side-by-side comparison and why?

The Gospel of Matthew is usually placed first because it is traditionally considered the first Gospel written and it provides a strong link to Old Testament prophecies, making it foundational for understanding the other Gospels.

How do the synoptic Gospels differ from the Gospel of John in side-by-side comparisons?

The synoptic Gospels—Matthew, Mark, and Luke—share many similar stories and a chronological narrative, whereas the Gospel of John offers a more theological and reflective perspective with unique content not found in the synoptics.

What is a common method used to present the Gospels side by side?

A common method is the use of a harmony or parallel gospel, where verses from each Gospel are aligned in columns according to the same event or teaching, facilitating direct comparison.

Are there significant differences in the accounts of Jesus' birth when comparing the Gospels side by side?

Yes, Matthew and Luke provide detailed birth narratives with different emphases and characters, while Mark and John do not include birth stories, highlighting different theological focuses.

How does the portrayal of Jesus' miracles vary in a side-by-side Gospel comparison?

While many miracles are shared among the Gospels, some are unique to certain ones, and the emphasis or details can vary, reflecting the distinct audiences and theological intentions of each Gospel writer.

Why is it important to consider the audience when studying the Gospels side by side?

Each Gospel was written for a specific audience with unique cultural and religious backgrounds, so comparing them side by side reveals how the message of Jesus was tailored to different communities.

Can side-by-side Gospel comparisons reveal contradictions?

Yes, side-by-side comparisons sometimes reveal differences in details or sequence of events, which scholars study to understand the distinct perspectives and purposes of each Gospel writer rather than outright contradictions.

What tools or resources are recommended for studying the Gospels side by side?

Resources such as Gospel harmonies, parallel Bible editions, study Bibles with cross-references, and scholarly commentaries are recommended to facilitate effective side-by-side study of the Gospels.

Additional Resources

The Gospels Side by Side: An Analytical Comparison of the Four Canonical Narratives

the gospels side by side offer a unique perspective on the life, teachings, death, and resurrection of Jesus Christ, presenting both overlapping and distinct narratives that have captivated scholars,

theologians, and believers for centuries. By examining the four canonical gospels—Matthew, Mark, Luke, and John—in parallel, one can discern their individual emphases, theological intentions, and historical contexts, shedding light on how early Christian communities understood and communicated the story of Jesus.

Understanding the Gospels: Context and Composition

The four gospels, written between approximately 65 and 100 CE, serve as primary sources for the New Testament, each reflecting its author's unique viewpoint and audience. When placing the gospels side by side, it becomes evident that while they share core elements—such as Jesus' baptism, ministry, crucifixion, and resurrection—they diverge in details, chronology, and thematic focus. These differences are not mere inconsistencies but rather deliberate narrative choices shaped by theological agendas and historical circumstances.

Synoptic Gospels versus the Gospel of John

The gospels of Matthew, Mark, and Luke are collectively known as the Synoptic Gospels due to their similar structure, content, and perspective. They frequently recount parallel events, often using shared source material, most notably the hypothesized Q source, which is believed to contain sayings of Jesus. Mark, generally considered the earliest gospel, serves as a narrative framework for both Matthew and Luke, who expand upon and adapt Mark's account.

In contrast, the Gospel of John stands apart with its distinctive style and theological depth. John's gospel emphasizes Jesus' divine identity and uses symbolic language and extended discourses, differing significantly in content and chronology from the Synoptics. When analyzing the gospels side by side, this contrast highlights the multifaceted nature of early Christian testimony and belief.

Comparative Themes and Narrative Features

Examining the gospels side by side reveals key thematic and narrative differences that inform the reader's understanding of Jesus and his mission.

Portrayal of Jesus' Identity

- **Mark:** Presents Jesus as the suffering Messiah and Son of God, focusing on his human emotions and the secrecy surrounding his identity (the Messianic Secret).
- **Matthew:** Emphasizes Jesus as the Jewish Messiah and fulfillment of Old Testament prophecy, highlighting his teachings on the Kingdom of Heaven.
- **Luke:** Portrays Jesus as the Savior for all people, with particular attention to the marginalized and social justice.
- **John:** Depicts Jesus as the pre-existent Word (Logos) incarnate, emphasizing his divine nature and intimate relationship with the Father.

Structure and Chronology

While the Synoptics share a broadly similar structure—beginning with Jesus' baptism, followed by his Galilean ministry, journey to Jerusalem, passion, and resurrection—John's gospel rearranges events and omits some elements found in the others. For example, John does not include the baptism narrative or the institution of the Lord's Supper as presented in the Synoptics. Instead, it introduces unique episodes such as the "Wedding at Cana" and the extended "Farewell Discourse."

Teaching and Miracles

The gospels side by side also differ in the selection and presentation of Jesus' teachings and miracles:

- Matthew and Luke include extensive collections of Jesus' sayings, such as the Sermon on the Mount (Matthew) and the Sermon on the Plain (Luke).
- Mark's gospel offers a more concise account with an urgent tone, focusing on the deeds rather than detailed teachings.
- John's gospel prioritizes long theological discourses and fewer but highly symbolic miracles, referred to as "signs," to demonstrate Jesus' divine authority.

Why Compare the Gospels Side by Side?

Comparing the gospels side by side serves multiple purposes for both academic and devotional readers:

1. Identifying Harmonies and Differences

A side-by-side comparison allows readers to identify where the gospels agree and where they diverge. For instance, the resurrection narrative appears in all four but with variations in the women who visit the tomb, the number of angels present, and Jesus' post-resurrection appearances. These differences can be studied to gain insights into each author's theological emphasis and community needs.

2. Enhancing Biblical Literacy and Interpretation

Understanding the nuances among the gospels fosters a richer interpretation of the New Testament. Recognizing that Matthew's genealogy traces Jesus' lineage to Abraham, emphasizing Jewish

heritage, while Luke traces it back to Adam, universalizing Jesus' significance, deepens comprehension of the text's layered meanings.

3. Informing Theological Reflection

Each gospel contributes uniquely to Christian theology. Side-by-side analysis reveals how the early church wrestled with Jesus' identity—Messiah, Son of God, Savior—and how these portrayals shape Christian doctrine today.

Tools and Techniques for Comparing the Gospels

Modern biblical scholarship has developed various tools and resources to facilitate gospel comparison:

Parallel Gospel Synopses

These side-by-side textual arrangements place corresponding passages from each gospel in adjacent columns, making it easier to spot similarities and differences. For example, the “Fourfold Gospel Synopsis” is widely used in academic settings.

Harmonization Attempts

Some scholars and translators create harmonized versions of the gospels, blending narratives into a single chronological story. While these can clarify sequence, they sometimes obscure the distinct theological voices of each gospel.

Commentaries and Critical Editions

Annotated editions and commentaries often include comparative notes, historical background, and linguistic analysis that illuminate the nuances between the gospels.

Challenges in Side-by-Side Gospel Analysis

Despite its benefits, comparing the gospels side by side presents certain challenges:

- **Variations in Language and Style:** Differences in Greek vocabulary and literary style can affect interpretation and make direct comparison complex.
- **Theological Bias:** Each gospel writer's theological agenda influences which events and teachings are included or emphasized, requiring readers to consider the purpose behind the text.
- **Chronological Discrepancies:** The order of events sometimes varies, complicating efforts to create a unified timeline.

These challenges underscore the importance of a nuanced, context-aware approach when analyzing the gospels side by side.

Implications for Modern Readers and Scholars

For contemporary audiences, the gospels side by side offer a multifaceted portrait of Jesus that resists simplification. This pluralistic approach encourages critical engagement and appreciation for the

diversity within early Christian traditions. Moreover, it invites dialogue across different Christian denominations that may prioritize one gospel's perspective over another.

By embracing the complexity revealed through side-by-side comparison, readers can cultivate a deeper, more informed faith experience and a scholarly appreciation for the historical Jesus and the evolving Christian message.

The gospels side by side continue to be a fertile ground for theological reflection, historical inquiry, and personal devotion, illustrating the enduring power and richness of these foundational texts.

the gospels side by side: Matthew Mark Luke and John Side by Side David Reed, 2017-11-08 A

DISCIPLE IN THE GARDEN of Gethsemane cuts off the ear of the high priest's servant according to all four Gospels. But only John tells us the servant's name, and that it was Peter who wielded the sword. And only Luke tells us that Jesus healed the wound. This book allows you to see all of this at a glance. THE FOUR GOSPELS are presented here in parallel columns, in roughly chronological order, with corresponding passages side by side. Among the differences that set this work apart from others are its use of the World English Bible, its copyright-free status, and its readable arrangement of the text. THE WORLD ENGLISH BIBLE, which provides the Gospel texts used in this book, is a copyright-free modern English translation. Editor DAVID A. REED served for a decade as a contributing editor of Dr. Walter Martin's Christian Research Journal and has taught at Spurgeon's annual School of Theology at London's Metropolitan Tabernacle. He has authored twenty books on Bible topics. Reed is pastor of Immanuel Baptist Church in New Bedford, Massachusetts.

the gospels side by side: KJV Gospel Parallel Justin Bellville, 2017-10 This is a side by side comparisons of the four gospels as recorded in the King James Bible with support from passages in the Old Testament.

the gospels side by side: Gospel Parallels: A Side-by-Side Synopsis of Matthew, Mark, Luke, and John Nigel Huerta, 2025-04-28 This unique resource presents the four Gospels in a way that allows you to experience their remarkable harmony and distinct perspectives. The entire texts of Matthew, Mark, Luke, and John are arranged in parallel columns, revealing the fascinating nuances and shared narrative threads of Jesus' life, teachings, death, and resurrection. Imagine effortlessly comparing how each Gospel writer portrays the Sermon on the Mount or the events of the Last Supper. See for yourself the distinct emphasis each Gospel places on Jesus' miracles, parables, and interactions with his disciples. This illuminating presentation unlocks a deeper understanding of the Gospels, whether you're a seasoned scholar seeking fresh insights or a new believer exploring the foundations of your faith. Discover the richness and depth of the Gospel message in a whole new light.

the gospels side by side: The Gospels Compared J. Poynton, 1900

the gospels side by side: Gospel Parallels, NRSV Edition Burton H. Throckmorton, 2021-01-19 A classic since 1949, Gospel Parallels presents Matthew, Mark, and Luke printed side-by-side for easy and enlightening comparative study. Using a parallel arrangement of columns, Gospel Parallels highlights differences and similarities in language and chronology between the first three Gospels. This unique reference tool will benefit anyone interested in examining the life, death, and resurrection of Jesus. Preachers will find this work useful for creating a complete picture of the life of Christ. Students of the English Bible will use it to come to their own conclusions about the variations in Matthew, Mark, and Luke. And advanced scholars will use the scholarly apparatus to study the textual variations in the earliest known Greek and Latin Manuscripts of the Gospels. Features: Easy-to-follow system of comparison Textual notes for in-depth study of biblical manuscripts Noncanonical parallels to the Gospel text Text from the New Revised Standard Version of the Bible This 5th edition features revised and updated textual notes based on the NRSV, enlarged type size, an all-new page design, and an improved system of comparison.

the gospels side by side: The Gospels Rose Publishing, 2007-09 Gospels: Lost and Found Who really wrote the Gospels? Was it really Matthew, Mark, Luke, and John? Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim? Were the gospels written so long after Jesus' death and resurrection that they cannot be relied upon? Were there gospels that were included in the New Testament -- and later removed? Why were these four books chosen and not others? 14 panels, fits inside most Bibles, Pamphlet is 8.5 x 5.5 inches and unfolds to 38 inches long Gospels: Lost and Found gives solid reasons to trust the New Testament writings, and provides answers to Bart Ehrman's book Misquoting Jesus: The Story Behind Who Changed the Bible and Why. Author Timothy Paul Jones, Ph.D., shows where the critics are incorrect and provides us with a logical, well-reasoned arguments for believing that Jesus lived, died, and rose again--according to the Scriptures. Now is the time to discuss textual criticism, because critics are bringing this to the public debate and claiming that the Bible cannot be trusted.

It is important help Christians become better informed -- ready to defend the faith. Dr. Jones' interest in this topic began many years ago when he came across arguments against the Bible. At first his faith was badly shaken and he wondered if he still believed in the Bible. But as he researched more he found answers. In just fourteen concise pages, Dr. Jones shows the errors in critics' logic and facts --and does it in an easy-to-understand style. Dr. Jones, professor at Southern Baptist Theological Seminary, has received the Baker Book House Award for excellence in theological scholarship. He is author of *Answers to the Da Vinci Code* and *Christian History Made Easy*. Click [HERE](#) to see more comments from top scholars on Dr. Jones's work, including his book length discussion on this topic published by InterVarsity Press, *Misquoting Truth* Or enter into your browser: <http://www.ivpress.com/cgi-ivpress/book.pl/review/code=3447>

the gospels side by side: *The Gospels and Christian Life in History and Practice* Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009-06-15 *The Gospels And Christian Life* reads the four canonical Gospels as handbooks for religious formation through communal practices. The book focuses on the communities that produced each gospel, the dynamic energy each gospel displays for creating and sustaining community life, the different interpretations of the person of Jesus, and the different systems of organization and leadership each gospel promulgated. The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe. Each gospel has an imaginative portal, an introductory chapter introducing the necessary background for understanding the social, intellectual, and religious setting for each gospel. Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community's practices. Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community, its unique practices, and the way people were trained to become members of it. This book is aimed at undergraduate and graduate teachers and students, pastors, and the general audience eager for new ways to understand the New Testament.

the gospels side by side: *Studies in the Gospels* James DeWolf Perry, 1925

the gospels side by side: *The Gospel* Jongwoo Han, 2016-07-15 This book merges and harmonizes the four Gospels of Matthew, Mark, Luke, and John into one. This unified version, which I call *The Gospel*, is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry. I consolidated these sources by identifying common denominators among them as well as parts that are unique to each, and then interweaving it all into a single narrative, using only original texts. This integrated version may offer greater incentive to our youth, laymen, and non-believers as well as professionals to read and learn more about what Jesus did and taught. (Acts 1:1). In the past, there have been many attempts to make the four Gospels easier for readers, often displaying similar episodes in parallel columns, in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another; however, in regard to the text itself, previous books do not rise to the level of precision and completeness that is achieved here. Answering this need for a clear chronological telling of The Story of Jesus, this book unifies every account of the four Gospels into a single story, without omitting or compromising any part. On a given topic in Jesus ministry, this book uses as its base whichever gospel is the greatest common denominator, consolidates identical or similar parts from other Gospels, and integrates the unique and different elements of each book into a single story.

the gospels side by side: *The Four Witnesses: Being a Harmony of the Gospels on a New Principle*. By Dr. Isaac Da Costa ... Translated [from the Dutch] by David Dundas Scott , 1851

the gospels side by side: *CSB Harmony of the Gospels* Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 *CSB Harmony of the Gospels* is a synchronized reading of the Gospels based on the work of John A. Broadus and A.T. Robertson with each Gospel writer's account of events side-by-side. In addition to the harmonious layout, articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus. *CSB Harmony of the Gospels* features the highly readable, highly reliable

text of the Christian Standard Bible® (CSB). The CSB captures the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

the gospels side by side: The GOSPELS in HARMONY Complete Consolidation and KJV Side by Side: Volume V Dale LOVERCHECK, 2017-09-13 One comprehensive story is presented in each of Volumes I-VII, rather than the four partial stories presented by the four Gospels. All of the verses of the four Gospels are arranged chronologically and in the order presented in the Gospels in each volume. The entire factual and verbal content of the four gospels is retained in each volume. Volumes I, 1A and II result from progressively omitting redundancy to consolidate the four stories into one seamless, ordered, complete, concise story of Jesus. The result is something I wanted to see. I trust that you will be blessed. The Single Story, Volumes I and 1A, is easy to read. One concise story flows from the entire content of the four Gospels. The Complete Consolidation, Volume II, is for readers wanting to refer to the corresponding verses in their bible. Volumes I, 1A and II are identical, except that there over 300 heading lines with their verse references in Volume II. While, Volumes I and 1A have only 30 heading lines, each without verse references. And, Volume 1A adds over 50 graphical depictions for various gospel settings. More headings and verse references are helpful for study, but, they can slow the flow of the story. Each of these volumes is insightful, and exceptionally easy to read, compared with trying to find and parse the combined meaning of the corresponding dispersed verses from four separate Gospels. Volume III has most of the facts consolidated for most of the events from all four Gospels. Volume IV has all of the verses presented chronologically and grouped by each events from all four Gospels. Volumes III and IV show the progression from four sets of verses from four Gospels to one harmonized story. Redundancy is completely omitted in Volumes I, 1A and II. The similarity to original separate verses increases, and redundancy progressively increases, as you move from Volume III to Volume IV. Each step in this progression is readily validated by side by side comparison with the corresponding KJV verses in Volumes V, and with the corresponding WEB verses in VI, and VII. Series of Volumes: Volume I The Gospels in Harmony, Single Story Volume IA The Gospels in Harmony, Single Story with Pictorial Graphics Volume II The Gospels in Harmony, Complete Consolidation, Volume III The Gospels in

Harmony, Major Consolidation, Volume IV The Gospels in Harmony, Intermediate Consolidation, Volume V The Gospels in Harmony, Complete Consolidation & KJV Verses side by side. Volume VI The Gospels in Harmony, Major Consolidation & WEB Verses side by side, Volume VII The Gospels in Harmony, Intermediate Consolidation & WEB Verses side by side, [As of the date of this publication, Volume VI is not yet published.] Heading lines with Footnotes of related verses Pictorial verse references & comments Graphics Volume I Single Story 30 NONE NONE Volume IA Single Story with Pictorial Graphics 30 NONE OVER 50 Volume II Complete OVER 300 NONE NONE Volume III Major OVER 300 OVER 90 NONE Volume IV Intermediate OVER 300 OVER 90 NONE side by side with KJV or WEB verses Volume V Complete KJV OVER 300 NONE NONE Volume VI Major WEB OVER 300 OVER 90 NONE Volume VII Intermediate WEB OVER 300 OVER 90 NONE INTRODUCTION All of the wording from all four Gospels, is formed into one comprehensive story in each volume of The Gospels in Harmony. The events, details and sequence of the story of Jesus are enriched with meaning gleaned from all of the Gospels in each volume of The Gospels in Harmony.
