

calderon de la barca life is a dream

Calderón de la Barca Life Is a Dream: Exploring a Timeless Masterpiece

calderon de la barca life is a dream stands as one of the most profound and celebrated works in the realm of Spanish Golden Age literature. Written by Pedro Calderón de la Barca in the early 17th century, this philosophical play delves deep into themes of reality, illusion, free will, and destiny. Its enduring appeal lies not only in its poetic brilliance but also in the universal questions it raises about human existence and the nature of life itself.

Understanding the significance of Calderón de la Barca's "Life Is a Dream" requires an exploration of both the historical context in which it was written and the philosophical ideas it presents. This article aims to guide you through the intricacies of the play, its themes, characters, and its lasting impact on literature and theater.

Historical and Cultural Context of Calderón de la Barca's Life Is a Dream

To fully appreciate "Life Is a Dream," it's important to consider the cultural and historical background of Spain during Calderón's lifetime. The early 1600s marked the Spanish Golden Age, a period of flourishing art, literature, and intellectual inquiry. Calderón de la Barca was a prominent playwright and poet during this era, often regarded as one of Spain's greatest dramatists.

The play was first performed in 1635, a time when Spain was grappling with political and religious upheaval. The Catholic Church held significant influence, and questions about fate, divine will, and human agency were hotly debated topics. These discussions heavily influenced Calderón's writing, as "Life Is a Dream" reflects deep philosophical questions about the tension between destiny and free will.

Pedro Calderón de la Barca: The Man Behind the Masterpiece

Pedro Calderón de la Barca was a multifaceted figure – a soldier, playwright, and priest. His works often explored existential themes, balancing religious doctrine with humanist philosophy. "Life Is a Dream" is arguably his most famous play, showcasing his poetic skill and philosophical depth.

Calderón's background as a soldier and his later religious vocation influenced his dramatic style. His plays often dramatize moral dilemmas and metaphysical questions, making "Life Is a Dream" a perfect example of his signature approach.

Plot Overview of Life Is a Dream

At its core, "Life Is a Dream" tells the story of Segismundo, a prince imprisoned from birth because of a prophecy that he would bring disaster to the kingdom. His father, King Basilio, keeps him locked away in a tower, isolated from the world.

The play begins when Basilio decides to test whether Segismundo can be a just and wise ruler by temporarily releasing him, only to return him to captivity afterward. Segismundo's experience of freedom and subsequent imprisonment leads him to question what is real and what is illusion.

The Central Themes Explored

"Life Is a Dream" masterfully intertwines several key themes:

- **Reality vs. Illusion:** The play's most famous line, "What is life? A frenzy. What is life? An illusion, a shadow, a fiction," encapsulates the idea that life itself might be no more than a dream.
- **Free Will and Fate:** Segismundo struggles with the prophecy that dictates his life, raising questions about whether humans can shape their destiny or are bound by fate.
- **Power and Responsibility:** The burden of leadership and the qualities needed to govern wisely are explored through Segismundo's transformation.
- **Redemption and Forgiveness:** The play ends on a hopeful note, emphasizing the possibility of change and forgiveness.

Philosophical Insights in Calderón de la Barca's Life Is a Dream

One of the reasons "Life Is a Dream" remains relevant today is its exploration of philosophical questions that transcend time and culture. Calderón invites the audience to ponder the nature of existence and the limits of human understanding.

Life as a Dream: Metaphor and Meaning

The metaphor of life as a dream challenges our perception of reality. Calderón suggests that human experiences, emotions, and even suffering might be fleeting and insubstantial. This idea echoes earlier philosophical traditions, such as those found in Eastern philosophies and Western skepticism.

By portraying Segismundo's life as potentially a dream, the play encourages

introspection about what is truly real. It raises the unsettling possibility that our lives may be impermanent and that our judgments about good and evil, success and failure, may be illusory.

The Role of Free Will in a Predetermined World

Another compelling aspect of "Life Is a Dream" is its exploration of free will within the constraints of prophecy and fate. Segismundo is trapped by a prediction about his future, yet he must decide how to respond to that destiny.

Calderón does not provide easy answers but suggests that while fate may influence circumstances, individuals still possess the moral agency to choose their actions. This nuanced view challenges deterministic philosophies and invites audiences to consider their own responsibility in shaping their lives.

Literary and Theatrical Significance

Beyond its philosophical themes, Calderón de la Barca's "Life Is a Dream" is celebrated for its poetic language, dramatic structure, and influence on world literature.

Innovative Use of Symbolism and Imagery

The play is rich with symbolic elements, from Segismundo's imprisonment symbolizing ignorance and limitation to the use of light and darkness to represent knowledge and illusion. The dream motif itself is a powerful literary device that enhances the play's thematic complexity.

Influence on Later Writers and Adaptations

"Life Is a Dream" has inspired countless adaptations and interpretations around the world. Writers, philosophers, and directors have drawn on its themes to explore similar questions about reality and identity.

Notable adaptations include modern theatrical productions, films, and even operas, each bringing new perspectives to Calderón's timeless narrative. Its influence can be seen in works by playwrights such as Shakespeare and later existentialist thinkers.

Why Calderón de la Barca's Life Is a Dream Still Matters Today

In an age dominated by rapid technological change and shifting cultural landscapes, the questions raised in "Life Is a Dream" remain strikingly relevant. The play's exploration of reality versus illusion resonates in

discussions about virtual realities, social media, and the nature of consciousness.

Moreover, the themes of free will, identity, and moral responsibility continue to inspire reflection on personal and societal levels. Calderón's work encourages us to think critically about the roles we play in our own lives and the world around us.

Tips for Engaging with Life Is a Dream

If you're new to Calderón de la Barca's masterpiece, here are some ways to deepen your understanding and appreciation:

- **Read Different Translations:** The lyrical quality of the original Spanish is challenging to capture fully. Exploring various translations can offer fresh insights.
- **Watch Performances:** Theater productions bring the play's emotional and philosophical dimensions to life, offering nuanced interpretations.
- **Reflect on Personal Meaning:** Consider how the play's themes relate to your own experiences of reality, choice, and destiny.
- **Discuss with Others:** Engaging in conversations or study groups can help uncover new angles and deepen your appreciation.

Calderón de la Barca's "Life Is a Dream" is more than a historical artifact; it is a living work that continues to challenge and inspire audiences centuries after its creation. Its poetic beauty and profound questions invite each generation to dream anew and reflect on the mysterious nature of life itself.

Frequently Asked Questions

What is the central theme of Calderón de la Barca's 'Life is a Dream'?

The central theme of 'Life is a Dream' is the conflict between reality and illusion, exploring the nature of human existence, free will, and destiny.

Who is the protagonist of 'Life is a Dream' by Calderón de la Barca?

The protagonist is Segismundo, a prince who has been imprisoned since birth due to a prophecy about his future.

How does 'Life is a Dream' reflect Baroque literary

characteristics?

'Life is a Dream' reflects Baroque traits through its complex metaphors, philosophical depth, exploration of illusion versus reality, and dramatic intensity.

What role does fate versus free will play in 'Life is a Dream'?

The play debates fate and free will, questioning whether Segismundo's actions are determined by prophecy or if he can choose his own path.

When was 'Life is a Dream' written and by whom?

'Life is a Dream' was written in 1635 by the Spanish playwright Pedro Calderón de la Barca.

What is the significance of the title 'Life is a Dream'?

The title suggests that life itself is transient and illusory, emphasizing the theme that reality may be no more than a dream, urging reflection on the nature of existence.

How does Segismundo's character develop throughout 'Life is a Dream'?

Segismundo evolves from a confused and angry prisoner to a thoughtful individual who learns to control his impulses and accept his destiny with wisdom.

What philosophical questions does 'Life is a Dream' raise?

The play raises philosophical questions about reality, identity, fate, free will, and the meaning of life, challenging audiences to consider what is truly real.

Additional Resources

Calderón de la Barca's *Life is a Dream*: A Timeless Exploration of Reality and Illusion

calderon de la barca life is a dream stands as one of the most profound and enduring works in Spanish Golden Age literature. Written by Pedro Calderón de la Barca in the early 17th century, this philosophical play delves into themes of destiny, free will, and the nature of human existence through a compelling narrative that continues to captivate scholars, theater enthusiasts, and readers worldwide. As a cornerstone of Baroque drama, *Life is a Dream* (*La vida es sueño*) challenges audiences to confront the blurred boundaries between reality and illusion, making it a timeless piece that resonates across cultures and epochs.

Contextual Background of Calderón de la Barca's Life is a Dream

Pedro Calderón de la Barca, a prolific playwright and poet, wrote *Life is a Dream* around 1635, during Spain's Siglo de Oro, a period marked by flourishing arts and literature. The era's cultural fabric, woven with religious fervor, political upheaval, and philosophical inquiry, deeply influenced Calderón's work. *Life is a Dream* reflects the tension between human reason and divine providence, embodying the Baroque preoccupation with appearance versus reality—a duality that permeates much of Calderón's oeuvre.

This play is often categorized as a philosophical allegory, dramatizing the existential questions of identity, freedom, and the illusionary nature of life. The plot centers on Segismundo, a prince imprisoned from birth due to a prophecy that he would bring disaster to the kingdom. When temporarily released, Segismundo grapples with the harsh truths of his existence, only to be returned to captivity, left questioning whether his experiences were real or mere dreams.

The Historical and Literary Significance

Life is a Dream stands out not only for its thematic depth but also for its innovative dramatic structure. Calderón de la Barca employs a blend of classical and contemporary elements, integrating the morality play tradition with complex character psychology. The play's philosophical underpinnings draw heavily from Renaissance humanism and the emerging scientific thought of the time, reflecting a profound engagement with questions about human nature and destiny.

Furthermore, *Life is a Dream's* exploration of illusion aligns it with other masterpieces of the Spanish Golden Age, such as Lope de Vega's works, but Calderón's approach is distinguished by its intense metaphysical focus. The play's enduring influence extends beyond Spain, inspiring adaptations and interpretations in various artistic forms, including opera, ballet, and cinema.

Analyzing Themes and Philosophical Underpinnings

At the heart of Calderón de la Barca's *Life is a Dream* lies an intricate meditation on the nature of reality. The recurring motif that "life itself is a dream" invites audiences to question the validity of sensory experience and the essence of existence.

Reality versus Illusion

One of the most discussed themes is the fluid boundary between reality and illusion. Segismundo's imprisonment and subsequent release thrust him into a liminal state where he cannot discern whether his newfound freedom and power are authentic or illusory. This ambiguity serves as a metaphor for human

experience, suggesting that life's pleasures and sufferings may be transient and deceptive.

This theme resonates with philosophical skepticism, paralleling ideas found in works by Descartes and later existentialists who interrogate the certainty of knowledge and the reliability of perception. Calderón's portrayal of Segismundo's internal conflict dramatizes this philosophical skepticism, making abstract concepts accessible through theatrical expression.

Fate, Free Will, and Moral Responsibility

Life is a Dream also grapples with the tension between destiny and autonomy. The prophecy that condemns Segismundo to imprisonment raises questions about predetermination and whether individuals can escape their fates. Segismundo's struggle to assert his free will in the face of prophecy reflects a universal human dilemma.

Calderón de la Barca suggests that while fate may impose constraints, moral responsibility arises from the choices individuals make within those boundaries. This nuanced view complicates simplistic notions of fatalism and encourages audiences to reflect on their own capacity for self-determination.

The Role of Enlightenment and Knowledge

Throughout the play, knowledge functions as both a liberating and destabilizing force. Segismundo's awakening to the realities of the world and his own identity brings empowerment but also existential crisis. The revelation that his experiences may be a dream challenges his understanding of self and reality.

This duality reflects Baroque concerns with the limits of human reason and the search for truth amid uncertainty. Calderón's work thus becomes a meditation on enlightenment, portraying knowledge as a double-edged sword that can illuminate and confound simultaneously.

Character Analysis: The Complexity of Segismundo

Segismundo, as the protagonist, embodies the play's central philosophical tensions. His character arc—from ignorance and rage to self-awareness and acceptance—mirrors the journey from illusion to insight.

Segismundo's Psychological Development

Initially imprisoned and deprived of social interaction, Segismundo is depicted as primal and volatile, shaped by isolation and fear. His violent outbursts upon release reveal a man unaccustomed to freedom and power, illustrating the corrupting potential of unbridled emotion.

As the narrative progresses, Segismundo's introspection deepens. He begins to

question the nature of his existence, contemplating his dreams and reality. This self-reflection marks a pivotal transformation, highlighting the human capacity for growth despite adverse circumstances.

Supporting Characters and Their Symbolism

The other characters, such as King Basilio and Rosaura, serve to advance the thematic concerns of the play. King Basilio's decision to imprison his son reflects the tension between political pragmatism and moral responsibility, while Rosaura's quest for justice underscores themes of honor and identity.

Together, these characters create a dynamic interplay that enriches the narrative's exploration of power, fate, and human dignity.

Calderón de la Barca Life is a Dream in Contemporary Context

Despite being written nearly 400 years ago, Life is a Dream remains relevant in contemporary discussions about reality, perception, and freedom. Its philosophical inquiries anticipate modern debates in psychology, existentialism, and even quantum physics, where the nature of reality is continually questioned.

Modern Adaptations and Interpretations

The play has inspired numerous adaptations worldwide, from theatrical revivals to film versions that reinterpret its themes for new audiences. These adaptations often emphasize the universality of Calderón's message, highlighting how questions of identity and illusion remain central to the human condition.

Educational and Cultural Impact

Life is a Dream is frequently studied in academic settings due to its rich thematic content and historical significance. It serves as an essential text for understanding Baroque literature and Spanish cultural heritage, while also offering fertile ground for cross-disciplinary analysis involving philosophy, literature, and theater studies.

Key Features and Literary Devices in Life is a Dream

Calderón de la Barca's craftsmanship shines through his use of language, symbolism, and dramatic devices that deepen the play's impact.

- **Symbolism:** The recurring imagery of dreams and imprisonment symbolizes

the constraints placed on human perception and freedom.

- **Metaphor:** Life as a dream functions as an extended metaphor questioning the certainty of existence.
- **Dramatic Irony:** The audience's awareness of Segismundo's true identity contrasts with the ignorance of other characters, enhancing tension.
- **Poetic Language:** Calderón's eloquent verse enhances the philosophical tone and emotional weight of the dialogue.

These literary techniques contribute to the play's enduring appeal and its capacity to provoke reflection on profound existential issues.

Throughout Calderón de la Barca's *Life is a Dream*, the intricate interplay of narrative, philosophy, and poetic artistry crafts a compelling exploration of human existence. The work's enduring resonance underscores its significance not only as a masterpiece of Spanish literature but also as a universal inquiry into the mysteries of life and consciousness.

calderon de la barca life is a dream: Life Is a Dream Pedro Calderon de la Barca, 2006-12-26 The masterwork of Spain's preeminent dramatist—now in a new verse translation *Life Is a Dream* is a work many hold to be the supreme example of Spanish Golden Age drama. Imbued with highly poetic language and humanist ideals, it is an allegory that considers contending themes of free will and predestination, illusion and reality, played out against the backdrop of court intrigue and the restoration of personal honor. In the mountainous barrens of Poland, the rightful heir to the kingdom has been imprisoned since birth in an attempt by his father to thwart fate. Meanwhile, a noblewoman arrives to seek revenge against the man who deceived and forsook her love for the prospect of becoming king of Poland. Richly symbolic and metaphorical, *Life Is a Dream* explores the deepest mysteries of human experience. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

calderon de la barca life is a dream: *Life is a Dream* Pedro Calderón de la Barca, John Richardson, 2021-02-08 A new English translation of Calderón de la Barca's classic Seventeenth

Century Spanish play, *La vida es sueño*

calderon de la barca life is a dream: Life Is a Dream Pedro Calderon de la Barca, 2017-07-21 *Life Is a Dream* (Spanish: *La vida es sueño*) is a play by Pedro Calderón de la Barca. It was first published in 1635. The play is a philosophical allegory regarding the human situation and the mystery of life. It has been described as the supreme example of Spanish Golden Age drama. The story focuses on the fictional Segismundo, Prince of Poland, who has been imprisoned in a tower by his father, King Basilio, following a dire prophecy that the prince would bring disaster to the country and death to the King. Basilio briefly frees Segismundo, but when the prince goes on a rampage, the king imprisons him again, persuading him that it was all a dream.

calderon de la barca life is a dream: Life Is a Dream Pedro Calderón de la Barca, 2019-01-21 Of all Calderon's works, *Life is a Dream* may be regarded as the most universal in its theme. It seeks to teach a lesson that may be learned from the philosophers and religious thinkers of many ages—that the world of our senses is a mere shadow, and that the only reality is to be found in the invisible and eternal. The story which forms its basis is Oriental in origin, and in the form of the legend of Barlaam and Josaphat was familiar in all the literatures of the Middle Ages. Combined with this in the plot is the tale of Abou Hassan from the *Arabian Nights*, the main situations in which are turned to farcical purposes in the Induction to the Shakespearean *Taming of the Shrew*. But with Calderon the theme is lifted altogether out of the atmosphere of comedy, and is worked up with poetic sentiment and a touch of mysticism into a symbolic drama of profound and universal philosophical significance.

calderon de la barca life is a dream: Life Is a Dream Pedro De La Barca, 2017-11-21 *Life is a Dream* by Pedro Calderon De La Barca. *Life Is a Dream* is a Spanish-language play by Pedro Calderón de la Barca. First published in 1635, it is a philosophical allegory regarding the human situation and the mystery of life. The play has been described as the supreme example of Spanish Golden Age drama. The story focuses on the fictional Segismundo, Prince of Poland, who has been imprisoned in a tower by his father, King Basilio, following a dire prophecy that the prince would bring disaster to the country and death to the King. Basilio briefly frees Segismundo, but when the prince goes on a rampage, the king imprisons him again, persuading him that it was all a dream. Pedro Calderon de la Barca was born in Madrid, January 17, 1600, of good family. He was educated at the Jesuit College in Madrid and at the University of Salamanca; and a doubtful tradition says that he began to write plays at the age of thirteen. His literary activity was interrupted for ten years, 1625-1635, by military service in Italy and the Low Countries, and again for a year or more in Catalonia. In 1637 he became a Knight of the Order of Santiago, and in 1651 he entered the priesthood, rising to the dignity of Superior of the Brotherhood of San Pedro in Madrid. He held various offices in the court of Philip IV, who rewarded his services with pensions, and had his plays produced with great splendor. He died May 5, 1681. At the time when Calderon began to compose for the stage, the Spanish drama was at its height. Lope de Vega, the most prolific and, with Calderon, the greatest, of Spanish dramatists, was still alive; and by his applause gave encouragement to the beginner whose fame was to rival his own.

calderon de la barca life is a dream: Life's a Dream (La Vida Es Sueño) Pedro Calderón de la Barca, 2004-08-15 Co-Winner of the 2004 Colorado Endowment for the Humanities Publication Prize. A beautiful and haunting tale of love, betrayal, knowledge, and power, *Life's a Dream* (*La vida es sueño*, 1636) is the best known and most widely admired play of Catholic Europe's greatest dramatist, Pedro Calderón de la Barca. Calderón's long life (1600-1681) witnessed both the pinnacle and collapse of Spanish political power as well as the great flowering of Spanish classical literature. Despite its longtime place atop the Hispanic canon, Calderón's masterpiece remains relatively unknown by general readers outside the Spanish-speaking world. Michael Kidd's new prose translation aims to correct this deficiency by rendering the play into a transparent, modern American idiom that preserves the beauty and complexity of Calderón's Baroque Spanish. The result is a highly readable and adaptable text that is enhanced by a generous selection of supporting materials, including a thorough critical introduction and glossary.

calderon de la barca life is a dream: Life Is a Dream PEDRO. CALDERON DE LA BARCA, Edward Fitzgerald, 2025-03-28 Explore the depths of fate and free will in Pedro Calderon de la Barca's profound drama, *Life Is A Dream*. A cornerstone of the Spanish Golden Age, this classical work of literature grapples with timeless philosophical questions. Through powerful storytelling and rich language, Calderon de la Barca crafts a compelling narrative that continues to resonate with audiences centuries later. A quintessential example of European drama, *Life Is A Dream* examines themes of destiny, choice, and the very nature of reality. This meticulously prepared print edition offers readers an opportunity to engage with a pivotal work of dramatic literature, providing insight into both its historical context and its enduring relevance. Delve into a world where the line between illusion and truth blurs, and ponder the profound questions at the heart of the human experience. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. calderon de la barca life is a dream: *Modernism, Rubén Darío, and the Poetics of Despair* Alberto Acereda, Rigoberto Guevara, 2004 *Modernism, Ruben Darío, and the Poetics of Despair* presents a detailed study of a neglected facet of Ruben Darío, and in general, of Hispanic Modernism: metaphysical and existential dimensions as preludes to Modernity. Alberto Acereda and J. Rigoberto Guevara approach the life and death issues in Darío works with special emphasis on his poetry. The authors demonstrate how the Nicaraguan poet takes the first steps towards poetic modernity. The tragic component of Darío works are examined in the light of Nineteenth Century philosophy, especially the work of Arthur Schopenhauer. Various thematic proposals are also formulated for the study of the works of Ruben Darío.

But with Calderon the theme is lifted altogether out of the atmosphere of comedy, and is worked up with poetic sentiment and a touch of mysticism into a symbolic drama of profound and universal philosophical significance. (Introductory note)

calderon de la barca life is a dream: The Theater of Truth William Egginton, 2009-12-17 The

Theater of Truth argues that seventeenth-century baroque and twentieth-century neobaroque aesthetics have to be understood as part of the same complex. The Neobaroque, rather than being a return to the stylistic practices of a particular time and place, should be described as the continuation of a cultural strategy produced as a response to a specific problem of thought that has beset Europe and the colonial world since early modernity. This problem, in its simplest philosophical form, concerns the paradoxical relation between appearances and what they represent. Egginton explores expressions of this problem in the art and literature of the Hispanic Baroque, new and old. He shows how the strategies of these two Baroque emerged in the political and social world of the Spanish Empire, and how they continue to be deployed in the cultural politics of the present. Further, he offers a unified theory for the relation between the two Baroque and a new vocabulary for distinguishing between their ideological values.

calderon de la barca life is a dream: Life Is a Dream Pedro de la Barca, 2017-01-03 Life is a Dream by Pedro Calderon de la Barca Classic Drama Translated by Edward Fitzgerald Life Is a Dream is a Spanish-language play by Pedro Calderon de la Barca. First published in 1635 (or possibly in early 1636), it is a philosophical allegory regarding the human situation and the mystery of life. The play has been described as the supreme example of Spanish Golden Age drama. The story focuses on the fictional Segismundo, Prince of Poland, who has been imprisoned in a tower by his father, King Basilio, following a dire prophecy that the prince would bring disaster to the country and death to the King. Basilio briefly frees Segismundo, but when the prince goes on a rampage, the king imprisons him again, persuading him that it was all a dream. Pedro Calderon de la Barca was born in Madrid, January 17, 1600, of good family. He was educated at the Jesuit College in Madrid and at the University of Salamanca; and a doubtful tradition says that he began to write plays at the age of thirteen. His literary activity was interrupted for ten years, 1625-1635, by military service in Italy and the Low Countries, and again for a year or more in Catalonia. In 1637 he became a Knight of the Order of Santiago, and in 1651 he entered the priesthood, rising to the dignity of Superior of the Brotherhood of San Pedro in Madrid. He held various offices in the court of Philip IV, who rewarded his services with pensions, and had his plays produced with great splendor. He died May 5, 1681. At the time when Calderon began to compose for the stage, the Spanish drama was at its height. Lope de Vega, the most prolific and, with Calderon, the greatest, of Spanish dramatists, was still alive; and by his applause gave encouragement to the beginner whose fame was to rival his own. The national type of drama which Lope had established was maintained in its essential characteristics by Calderon, and he produced abundant specimens of all its varieties. Of regular plays he has left a hundred and twenty; of Autos Sacramentales, the peculiar Spanish allegorical development of the medieval mystery, we have seventy-three; besides a considerable number of farces. The dominant motives in Calderon's dramas are characteristically national: fervid loyalty to Church and King, and a sense of honor heightened almost to the point of the fantastic. Though his plays are laid in a great variety of scenes and ages, the sentiment and the characters remain essentially Spanish; and this intensely local quality has probably lessened the vogue of Calderon in other countries. In the construction and conduct of his plots he showed great skill, yet the ingenuity expended in the management of the story did not restrain the fiery emotion and opulent imagination which mark his finest speeches and give them a lyric quality which some critics regard as his greatest distinction.

calderon de la barca life is a dream: *Fragments* Pedro Blas Gonzalez, 2005 Eschewing hair-splitting for the sport of it, González takes a fresh look at the notion of subjectivity and the nature of the self in seven essays. With reference to Camus, Cocteau, Gabriel Marcel, Ortega and Enrique Anderson Imbert, he explores diverse topics from the aesthetic vision and moral courage to the absurd. His nuanced and sensitive writing draws the reader on an introspective journey through a portal that subtly shifts the perception of human reality.
