

black history month poster project

Black History Month Poster Project: Celebrating Heritage Through Creative Expression

black history month poster project is an exciting and meaningful way to engage students, communities, and organizations in honoring the rich legacy of African American history and culture. This creative endeavor not only encourages artistic skills but also fosters a deeper understanding and appreciation of the significant contributions made by Black individuals throughout history. Whether you're a teacher planning classroom activities, a community leader organizing events, or a student eager to learn more, a Black History Month poster project can be a powerful tool for education and celebration.

Why a Black History Month Poster Project Matters

Engaging in a black history month poster project can be much more than just crafting an art piece; it becomes an educational journey. Black History Month, observed every February in the United States and Canada, is dedicated to recognizing the impact of Black leaders, innovators, artists, and activists. A poster project helps bring these stories to life visually, making history accessible and memorable.

Through this project, participants can explore themes like civil rights, cultural achievements, historical milestones, and influential figures. It allows creativity to intersect with history, making learning dynamic and interactive. Moreover, posters can be displayed in schools, libraries, or community centers, sparking conversations and raising awareness among diverse audiences.

Planning Your Black History Month Poster Project

Successful black history month poster projects start with thoughtful planning. Here are some key steps to consider:

Selecting a Theme or Focus

Choosing a central theme can guide the research and design process. Possible themes include:

- **Trailblazers in Black History:** Highlighting pioneers in various fields like science, politics, arts, and sports.
- **The Civil Rights Movement:** Showcasing major events and figures who fought for equality.
- **Black Cultural Heritage:** Exploring traditions, music, literature, and art.
- **Unsung Heroes:** Bringing lesser-known but impactful Black individuals to the spotlight.

Having a clear theme helps participants narrow their focus and create cohesive, impactful posters.

Research and Gathering Information

Accurate and compelling content is the backbone of any educational poster. Encourage participants to use reliable sources such as books, documentaries, and reputable websites dedicated to Black history. Incorporating quotes, dates, and interesting facts can enrich the poster's narrative and provide educational value.

Design Elements and Creativity

The visual aspect is crucial in a poster project. Consider these design tips:

- **Color Scheme:** Use colors that resonate with Black culture and history, such as red, black, green, and gold, or choose colors that complement the theme.
- **Typography:** Clear, bold fonts help important messages stand out.
- **Imagery:** Include portraits, symbols like the Pan-African flag, or pictures representing the theme.
- **Balance:** Mix text and images harmoniously to avoid clutter.

Encouraging unique artistic expression ensures each poster has its own voice while honoring the subject matter.

Incorporating Educational Objectives

A black history month poster project can seamlessly align with curriculum goals in social studies, history, and art classes. Here's how:

Enhancing Historical Understanding

By researching and depicting historical figures or events, participants deepen their knowledge of Black history. This active engagement helps reinforce key concepts and timelines, making history tangible rather than abstract.

Developing Critical Thinking

Choosing which stories to highlight and how to present them encourages critical evaluation of historical narratives. Students learn to analyze sources, question biases, and appreciate diverse perspectives within Black history.

Promoting Cultural Awareness and Inclusivity

Creating posters that celebrate Black history fosters empathy and respect for cultural diversity. It can serve as a conversation starter about social justice, equality, and the ongoing struggle for civil rights, promoting inclusivity within the classroom or community.

Tips for Making Your Black History Month Poster Project Stand Out

Whether you're organizing a school competition or a community display, these tips can make your project truly impactful:

- **Highlight Personal Stories:** Focusing on individual narratives can make history relatable and inspiring.
- **Use Mixed Media:** Incorporate different materials like fabric, collage elements, or digital art to add texture and depth.
- **Involve the Community:** Invite local Black leaders, artists, or historians to contribute or judge the project, creating authentic connections.
- **Promote Interactive Components:** Add QR codes linking to videos, interviews, or additional resources for viewers to explore more.
- **Encourage Diversity in Subjects:** Cover a wide range of topics, from historical events to contemporary achievements in science, sports, and the arts.

Examples of Inspiring Black History Month Poster Projects

Looking at creative examples can spark ideas and motivate participants. Here are some concepts that have worked well in the past:

Celebrating Black Inventors

A poster highlighting inventors like George Washington Carver, Madam C.J. Walker, or Garrett Morgan can showcase innovation and perseverance. Including illustrations of their inventions alongside brief biographical notes makes the poster informative and visually appealing.

Honoring Civil Rights Icons

Posters featuring Martin Luther King Jr., Rosa Parks, or Malcolm X often include powerful quotes and imagery from protests or speeches. This type of project emphasizes the importance of activism and social change.

Spotlighting Black Artists and Musicians

Featuring influential figures such as Langston Hughes, Maya Angelou, Nina Simone, or Duke Ellington allows a celebration of cultural impact and artistic expression. Incorporating lyrics, poems, or artwork samples can enrich the content.

Resources to Support Your Black History Month Poster Project

Having access to quality resources can make research and design easier:

- **Online Archives:** Websites like the National Museum of African American History and Culture offer extensive collections.
- **Educational Platforms:** Scholastic and Teaching Tolerance provide lesson plans and project ideas.
- **Books and Biographies:** Titles such as “Hidden Figures” or “The Souls of Black Folk” offer rich material.
- **Art Supplies:** Stock up on poster boards, markers, paints, and collage materials to encourage creativity.

Utilizing these tools ensures the project is both informative and artistically vibrant.

Engaging in a black history month poster project opens doors to learning, creativity, and cultural appreciation. By blending historical knowledge with artistic expression, participants gain a deeper connection to the stories and achievements that have shaped Black history. It becomes a celebration not only of the past but also of the ongoing journey toward equality and recognition.

Frequently Asked Questions

What is the purpose of a Black History Month poster project?

The purpose of a Black History Month poster project is to educate and raise awareness about the contributions, history, and culture of Black individuals and communities throughout history.

What are some key themes to include in a Black History Month poster project?

Key themes to include are influential Black leaders, historical events, cultural achievements, civil rights movements, and the celebration of Black identity and heritage.

How can students make their Black History Month posters more impactful?

Students can use powerful images, quotes from notable Black figures, vibrant colors, and informative text to create visually appealing and educational posters that engage viewers.

What age groups can participate in a Black History Month poster project?

Black History Month poster projects can be adapted for all age groups, from elementary school students creating simple posters to high school and college students producing detailed and research-based works.

Where can students find reliable information for their Black History Month posters?

Students can use reputable sources such as history books, educational websites, online archives, documentaries, and museum collections dedicated to Black history and culture.

How can technology be incorporated into a Black History Month poster project?

Technology can be used to design digital posters using graphic design software, create interactive presentations, or include QR codes that link to additional multimedia resources about Black history.

What are some notable figures to feature in a Black History Month poster?

Notable figures include Martin Luther King Jr., Harriet Tubman, Malcolm X, Rosa Parks, Maya Angelou, Barack Obama, and many other influential Black leaders, artists, and activists.

How can a Black History Month poster project promote inclusivity and understanding?

By highlighting diverse stories and contributions within the Black community, the project fosters respect, empathy, and a deeper understanding of Black history and its impact on society.

Additional Resources

Black History Month Poster Project: A Vital Educational and Cultural Initiative

black history month poster project has become a prominent educational tool and cultural initiative aimed at celebrating the achievements, history, and contributions of African Americans throughout history. This project not only enriches students' understanding of Black heritage but also fosters a broader societal appreciation for diversity and inclusion. As schools, community organizations, and institutions increasingly adopt this project, it warrants a closer look at its impact, execution, and challenges in the broader context of cultural education.

Understanding the Black History Month Poster Project

The black history month poster project is designed to engage participants—often students—in creating visual representations that highlight significant figures, events, and themes related to Black history. These posters serve as both educational materials and celebratory displays during Black History Month each February. By combining research, creativity, and presentation, the project offers a multifaceted approach to learning that goes beyond traditional textbook methods.

The project encourages in-depth exploration of key historical figures such as Martin Luther King Jr., Harriet Tubman, Rosa Parks, and lesser-known but equally influential individuals like Claudette Colvin or Bayard Rustin. Additionally, the posters often incorporate important events like the Harlem Renaissance, the Civil Rights Movement, and the ongoing struggles and triumphs of Black communities in America.

Educational Benefits and Learning Outcomes

One of the primary advantages of the black history month poster project lies in its educational versatility. It supports a variety of learning objectives, including:

- **Research Skills:** Students must investigate credible sources, analyze information, and synthesize their findings into concise visual content.
- **Critical Thinking:** Choosing which historical figures or events to feature requires evaluative judgment about significance and impact.
- **Artistic Expression:** The creative aspect promotes engagement and allows learners to express historical narratives visually, making the content more memorable.

- **Collaboration:** When done in groups, the project fosters teamwork and communication skills.

Educators often report increased student enthusiasm and retention of historical content when using poster projects compared to more passive instructional methods. The tactile and visual elements cater to diverse learning styles, making the history accessible to a broader range of students.

Implementation Strategies for Effective Poster Projects

Executing a successful black history month poster project involves thoughtful planning and resource allocation. Educators and coordinators must balance historical accuracy with creative freedom while ensuring inclusivity and relevance.

Selecting Themes and Topics

Choosing the focus of the poster is a critical first step. Common approaches include:

- **Individual Biographies:** Highlighting the life and achievements of a particular figure.
- **Historical Events:** Depicting key moments that shaped Black history.
- **Thematic Posters:** Exploring broader topics such as Black inventors, artists, or social movements.

Providing a curated list of options can guide students while allowing room for personal interest and exploration. This method supports differentiated learning and can help avoid superficial treatment of complex subjects.

Incorporating Technology and Multimedia

Modern adaptations of the black history month poster project increasingly integrate digital tools to enhance presentation and research. Digital posters created with platforms like Canva or Adobe Spark enable students to experiment with multimedia elements such as embedded videos, interactive timelines, and hyperlinks to external resources. This not only modernizes the project but also prepares students with digital literacy skills critical in contemporary education.

Assessment and Feedback

Evaluating the project requires clear rubrics that address both content accuracy and creative execution. Criteria might include:

- Depth of research and historical accuracy
- Creativity and originality
- Clarity and organization of information
- Visual appeal and design quality
- Presentation skills (if applicable)

Providing constructive feedback encourages students to refine their understanding and presentation abilities, turning the poster project into a formative learning experience.

Challenges and Considerations

Despite its numerous benefits, the black history month poster project is not without challenges. Awareness of these issues helps educators and organizers implement the project with sensitivity and effectiveness.

Risk of Oversimplification

One significant concern is the potential oversimplification of complex historical narratives. Condensing intricate lives and events into a poster format can inadvertently reduce nuanced stories to stereotypes or incomplete accounts. Educators must emphasize critical engagement with sources and encourage deeper exploration beyond the poster's surface.

Resource Disparities

Schools and communities vary widely in access to research materials, art supplies, and technology. This disparity can affect the quality and depth of the posters produced. Offering equitable resources and alternative project formats can help mitigate these issues and ensure all participants benefit equally.

Cultural Sensitivity and Representation

Care must be taken to represent Black history authentically and respectfully, avoiding tokenism or cultural appropriation. Involving Black educators, community leaders, or historians in project planning and review can enhance cultural accuracy and relevance.

Comparing Black History Month Poster Projects Across Educational Levels

The scope and complexity of the black history month poster project naturally vary depending on the age group and educational level involved.

Elementary School Approaches

At the elementary level, posters often focus on simple biographical sketches or basic historical facts. The visual aspect dominates, with colorful illustrations and straightforward text. This approach introduces young learners to Black history in an accessible manner, fostering early awareness and respect.

Middle and High School Projects

Older students engage in more sophisticated research and analysis, incorporating primary sources and multiple perspectives. The poster projects can become part of broader interdisciplinary curricula, linking history with literature, social studies, and art. High school students might also incorporate multimedia elements or oral presentations, enriching the learning experience.

Postsecondary and Community-Based Initiatives

In higher education or community settings, black history month poster projects may take on a more activist or scholarly tone, addressing contemporary issues such as systemic racism, social justice, and Black cultural contributions globally. These projects often serve as conversation starters or advocacy tools, reflecting a mature engagement with Black history.

The Role of Black History Month Poster Projects in Promoting Diversity and Inclusion

Beyond educational objectives, the black history month poster project plays a critical role in fostering diversity and inclusion within schools and communities. By highlighting stories that are often marginalized in mainstream narratives, these projects challenge dominant historical perspectives and promote a more inclusive understanding of American history.

The public display of these posters during Black History Month invites dialogue and reflection among peers, educators, and visitors. This visibility helps normalize conversations about race, identity, and cultural heritage, contributing to a more empathetic and informed community.

In conclusion, the black history month poster project stands as a meaningful and dynamic educational tool. When thoughtfully executed, it offers rich opportunities for research, creativity,

and cultural engagement, while also navigating challenges related to representation and equity. As interest in inclusive education continues to grow, such projects will remain essential in honoring and understanding Black history's profound impact on society.

black history month poster project: Racism Untaught Lisa E. Mercer, Terresa Moses, 2023-10-03 A powerful and proven guidebook that shows organizations how to recognize racism in designed artifacts, systems, and experiences—and how to replace them with anti-racist design solutions. Anti-racist design interventions can be difficult. Well-intentioned conversations can fuel tensions, activate racialized trauma, and lead to misunderstandings, especially in spaces not typically focused on diversity, equity, and inclusion. Even when progress is made, white supremacy culture can resurface. We need anti-racist guidelines and approaches that lay bare racialized systems of oppression and fundamentally disrupt their replication. In *Racism Untaught*, Lisa E. Mercer and Terresa Moses, two veteran anti-racist educators, deliver this exact approach. Mercer and Moses provide a step-by-step guide to anti-racist interventions in academic, business, and community settings that benefits all participants. Adapted from their successful workshop series and filled with concrete examples and ample case studies, their book teaches participants how to analyze design—and reimagine racialized artifacts, systems, and experiences guided by anti-oppressive principles. They demonstrate how to examine positionality within the context of racism and oppression; help us understand how design can reinforce and perpetuate oppression; and reveal the unique relationship among equity, ethics, and responsibility that constitutes the core value of an anti-racist design discipline. In *Racism Untaught*, Mercer and Moses provide the framework we need to unlearn racialized design practices and move more generatively toward collective liberation. With a foreword by renowned designer Cheryl D. Miller, *Racism Untaught* is a valuable tool for anyone who wants to help themselves and their organization create an actionable and inclusive plan to dismantle racial oppression and instead realize equitable, anti-racist, and liberatory design.

black history month poster project: An Anthology of Blackness Terresa Moses, Omari Souza, 2023-10-31 An adventurous collection that examines how the design field has consistently failed to attract and support Black professionals—and how to create an anti-racist, pro-Black design industry instead. *An Anthology of Blackness* examines the intersection of Black identity and practice, probing why the design field has failed to attract Black professionals, how Eurocentric hegemony impacts Black professionals, and how Black designers can create an anti-racist design industry. Contributing authors and creators demonstrate how to develop a pro-Black design practice of inclusivity, including Black representation in designed media, anti-racist pedagogy, and radical self-care. Through autoethnography, lived experience, scholarship, and applied research, these contributors share proven methods for creating an anti-racist and inclusive design practice. The contributions in *An Anthology of Blackness* include essays, opinion pieces, case studies, and visual narratives. Many contributors write from an intersectional perspective on race, gender, sexuality, ethnicity, and ability. Each section of the book expands on community-driven concerns about the state of the design industry, design pedagogy, and design activism. Ultimately, this articulated intersection of Black identity and Black design practice reveals the power of resistance, community, and

solidarity—and the hope for a more equitable future. With a foreword written by design luminary Elizabeth (Dori) Tunstall, *An Anthology of Blackness* is a pioneering contribution to the literature of social justice. Contributors Kprecia Ambers, Jazmine Beatty, Anne H. Berry, John Brown VI, Nichole Burroughs, Antionette D. Carroll, Jillian M. Harris, Asher Kolieboi, Terrence Moline, Tracey L. Moore, Lesley-Ann Noel, Pierce Otlhogile-Gordon, Jules Porter, Stacey Robinson, Melanie Walby, Jacinda N. Walker, Kelly Walters, Jennifer White-Johnson, Maya Aduba Williams, S. Alfonso Williams

black history month poster project: *Teaching Ancient Egypt in Museums* Jen Thum, Carl Walsh, Lissette M. Jiménez, Lisa Saladino Haney, 2024-02-13 *Teaching Ancient Egypt in Museums: Pedagogies in Practice* explores what best practices in museum pedagogy look like when working with ancient Egyptian material culture. The contributions within the volume reflect the breadth and collaborative nature of museum learning. They are written by Egyptologists, teachers, curators, museum educators, artists, and community partners working in a variety of institutions around the world—from public, children's, and university museums, to classrooms and the virtual environment—who bring a broad scope of expertise to the conversation and offer inspiration for tackling a diverse range of challenges. Contributors foreground their first-hand experiences, pedagogical justifications, and reflective teaching practices, offering practical examples of ethical and equitable teaching with ancient Egyptian artifacts. *Teaching Ancient Egypt in Museums* serves as a resource for teaching with Egyptian collections at any museum, and at any level. It will also be of great interest to academics and students who are engaged in the study of museums, ancient Egypt, anthropology, and education.

black history month poster project: *Film Blackness* Michael Boyce Gillespie, 2016-08-25 *In Film Blackness* Michael Boyce Gillespie shifts the ways we think about black film, treating it not as a category, a genre, or strictly a representation of the black experience but as a visual negotiation between film as art and the discursivity of race. Gillespie challenges expectations that black film can or should represent the reality of black life or provide answers to social problems. Instead, he frames black film alongside literature, music, art, photography, and new media, treating it as an interdisciplinary form that enacts black visual and expressive culture. Gillespie discusses the racial grotesque in Ralph Bakshi's *Coonskin* (1975), black performativity in Wendell B. Harris Jr.'s *Chameleon Street* (1989), blackness and noir in Bill Duke's *Deep Cover* (1992), and how place and desire impact blackness in Barry Jenkins's *Medicine for Melancholy* (2008). Considering how each film represents a distinct conception of the relationship between race and cinema, Gillespie recasts the idea of black film and poses new paradigms for genre, narrative, aesthetics, historiography, and intertextuality.

black history month poster project: *How to Look at Student Work to Uncover Student Thinking* Susan M. Brookhart, Alice Oakley, 2021-04-07 Are you picking up all your students' work is trying to tell you? In this book, assessment expert Susan M. Brookhart and instructional coach Alice Oakley walk teachers through a better and more illuminating way to approach student work across grade levels and content areas. You'll learn to view students' assignments not as a verdict on right or wrong but as a window into what students got and how they are thinking about it. The insight you'll gain will help you * Infer what students are thinking, * Provide effective feedback, * Decide on next instructional moves, and * Grow as a professional. Brookhart and Oakley then guide teachers through the next steps: clarify learning goals, increase the quality of classroom assessments, deepen your content and pedagogical knowledge, study student work with colleagues, and involve students in the formative learning cycle. The book's many authentic examples of student work and teacher insights, coaching tips, and reflection questions will help readers move from looking at student work for correctness to looking at student work as evidence of student thinking.

black history month poster project: *Wisconsin Library Bulletin*, 1981

black history month poster project: *Handbook of Black Librarianship* Andrew P. Jackson, Marva L. DeLoach, Michele Fenton, 2024-12-15 Winner of the BCALA 2025 Literary Award for Outstanding Contribution to Publishing As Dr. Josey and Ms. DeLoach wrote in their Introduction to the second edition of *The Handbook of Black Librarianship*: "In designing the second edition of *The*

Handbook of Black Librarianship, the editors felt that this work should be a reference tool related to the various aspects of African Americans in librarianship and their work in libraries." That first edition covered issues faced by black library professionals in the various fields of librarianship; organizations formed; black library collections and books; resources and other areas of progress. The second edition, published twenty-three years later, highlighted more current events in Black librarianship: early and contemporary library organizations, vital issues, African American resources, discussions on and about librarianship, a focus on health librarianship, and information resources and education. It has now been another twenty-two years since the last edition and time to reflect on "various aspects of African Americans" in our profession as well as the advancements over the past two and a half decades and to review those issues African Americans still face and how modern technological advancements have impacted our profession and the lives of Black librarians. This third edition's coverage includes: Pioneers and Landmark Episodes; A Chronology of Events in Black Librarianship; African American Forerunners in Librarianship; Modern Day Black Library Organizations; Vital Issues in Black Librarianship; Library Service to Our Communities; Library Technology and Black Librarianship; Pearls from Our Retirees; Issues in Diversity, Inclusion and Multiculturalism; African Library Resources and Education; Banned Books; and Significant Books and Periodicals for Black Collections

black history month poster project: Pro-Blackness in Early Childhood Education Gloria Swindler Boutte, Jarvis J. Jackson, Saudah N. Collins, Janice R. Baines, Anthony Broughton, George Lee Johnson, 2024 This book provides evidence-based curriculum examples, pedagogies, and resources; demonstrates how teachers can achieve Pro-Black teaching while also addressing curricular standards; and explains the benefit of Pro-Black teaching for all children--

black history month poster project: Black Portsmouth Mark Sammons, Valerie Cunningham, 2004 Few people think of a rich Black heritage when they think of New England. In the pioneering book *Black Portsmouth*, Mark J. Sammons and Valerie Cunningham celebrate it, guiding the reader through more than three centuries of New England and Portsmouth social, political, economic, and cultural history as well as scores of personal and site-specific stories. Here, we meet such Africans as the likely negro boys and girls from Gambia, who debarked at Portsmouth from a slave ship in 1758, and Prince Whipple, who fought in the American Revolution. We learn about their descendants, including the performer Richard Potter and John Tate of the People's Baptist Church, who overcame the tragedies and challenges of their ancestors' enslavement and subsequent marginalization to build communities and families, found institutions, and contribute to their city, region, state, and nation in many capacities. Individual entries speak to broader issues--the anti-slavery movement, American religion, and foodways, for example. We also learn about the extant historical sites important to Black Portsmouth--including the surprise revelation of an African burial ground in October 2003--as well as the extraordinary efforts being made to preserve remnants of the city's early Black heritage.

black history month poster project: The Black Girl Next Door Jennifer Baszile, 2009-01-13 Traces the author's coming-of-age in an exclusive white California suburb in the 1970s and 1980s, describing the prejudices that minimized her family's achievements and her struggles to define herself as the black girl next door in light of her parents' dreams.

black history month poster project: The Social Studies Professional , 2001

black history month poster project: *Red, White, and Black* Robert L. Woodson, Sr., 2021-05-11 In the rush to redefine the place of black Americans in contemporary society, many radical activists and academics have mounted a campaign to destroy traditional American history

and replace it with a politicized version that few would recognize. According to the new radical orthodoxy, the United States was founded as a racist nation—and everything that has happened throughout our history must be viewed through the lens of the systemic oppression of black people. Rejecting this false narrative, a collection of the most prominent and respected black scholars and thinkers has come together to correct the record and tell the true story of black Americans in all its complexity, diversity of experience, and poignancy. Collectively, they paint a vivid picture of black people living the grand American experience, however bumpy the road may be along the way. But rather than a people apart, blacks are woven into the united whole that makes this nation unique in history. Featuring Essays by: John Sibley Butler Jason D. Hill Coleman Cruz Hughes John McWhorter Clarence Page Wilfred Reilly Shelby Steele Carol M. Swain Dean Nelson Charles Love Rev. Corey Brook Stephen L. Harris Harold A. Black Stephanie Deutsch Yaya J. Fanusie Ian Rowe John Wood, Jr. Joshua Mitchell Robert Cherry Rev. DeForest Black Soaries, Jr.

black history month poster project: The Social Emotional Classroom Anna-Lisa Mackey, Melissa Ragan, 2022-07-19 Learn to implement powerful new learning techniques in your classroom experience In *The Social Emotional Classroom*, celebrated educators and authors Anna-Lisa Mackey and Melissa Ragan deliver an insightful, rigorous, and accessible treatment of social emotional learning in education. Using research from the Theory of Constructed Emotion, the authors highlight the relationship between the new view of neurobiology and Social Emotional Learning. The book connects five key competencies, including self-awareness, social awareness, self-management, responsible decision-making, and relationship skills, to this new understanding of the brain. You'll also learn from: Teacher stories included in each chapter The inclusion of over two decades worth of experience and research in the field of social and emotional learning Instructions and guides for educators to embed social and emotional learning into their everyday practices Perfect for K-12 educators, principals, superintendents, and other education leaders, *The Social Emotional Classroom* will also earn a place in the libraries of parents and caregivers who are responsible for young people's day-to-day learning.

black history month poster project: Positioning Your Museum as a Critical Community Asset Robert P. Connolly, Elizabeth A. Bollwerk, 2016-11-10 In this how-to guide, practitioners at cultural heritage venues share their experiences in building sustainable relationships with their geographic and demographic communities. The volume includes practical discussions of activity types that museums can employ to build relationships with their communities including education, advocacy, co-creative, while serving as a community asset and resource. Case studies include direct application of successes and lessons learned with an emphasis on small to medium sized institutions with limited staff and budgets. Highlights include: Thematic discussions on topics such as building an advocacy network between the museum and community; developing cultural heritage institutions as critical and essential components of educational systems; museum response to community expressed needs through a co-creative approach; the varied means for developing community members as cultural heritage stakeholders; and positioning the cultural heritage institution as an integral community asset. Twenty case studies directly apply the thematic discussions in small to medium-sized museum contexts. Extensive list of resources including digital links to forms, workbooks, and guides produced in the case studies. A list of national organizations and an extensive bibliography on community museum engagement. Specifically addressed to smaller institutions with limited budgets and limited or no full-time staff, the volume includes cost-effective projects that can be completed for \$1,500 or less.

black history month poster project: Guerrilla Girls: The Art of Behaving Badly Guerrilla Girls, 2020-10-06 *Guerrilla Girls: The Art of Behaving Badly* is the first book to catalog the entire career of the Guerrilla Girls from 1985 to present. The Guerrilla girls are a collective of political feminist artists who expose discrimination and corruption in art, film, politics, and pop culture all around the world. This book explores all their provocative street campaigns, unforgettable media appearances, and large-scale exhibitions. • Captions by the Guerrilla Girls themselves contextualize the visuals. • Explores their well-researched, intersectional takedown of the patriarchy In 1985, a group of

masked feminist avengers—known as the Guerrilla Girls—papered downtown Manhattan with posters calling out the Museum of Modern Art for its lack of representation of female artists. They quickly became a global phenomenon, and the fearless activists have produced hundreds of posters, stickers, and billboards ever since. • More than a monograph, this book is a call to arms. • This career-spanning volume is published to coincide with their 35th anniversary. • Perfect for artists, art lovers, feminists, fans of the Guerrilla Girls, students, and activists • You'll love this book if you love books like Wall and Piece by Banksy, Why We March: Signs of Protest and Hope by Artisan, and Graffiti Women: Street Art from Five Continents by Nicholas Ganz
