

a history of the wife marilyn yalom

****A History of the Wife Marilyn Yalom****

a history of the wife marilyn yalom is a fascinating journey through the life and work of a remarkable scholar, feminist, and historian. Marilyn Yalom is widely recognized for her insightful contributions to the study of women's history, gender roles, and the cultural significance of marriage. Her work has illuminated the experiences of women throughout centuries, particularly focusing on how the institution of marriage shaped their lives. If you're interested in women's history, feminist scholarship, or the social dynamics of marriage, diving into the story of Marilyn Yalom offers a rich perspective.

The Early Life and Academic Foundations of Marilyn Yalom

Marilyn Yalom was born in 1932, a time when the roles and rights of women were drastically different from today. Growing up in a society just beginning to grapple with gender equality, Yalom's early experiences undoubtedly influenced her later academic pursuits. She pursued higher education at Stanford University, where her interest in literature and history took root. This foundation laid the groundwork for what would become a lifelong dedication to exploring women's roles in history and society.

Her academic career blossomed further when she became a professor at Stanford University, specializing in French literature and women's studies. This dual focus allowed her to analyze not just the literary narratives but also the broader cultural and historical contexts that shaped women's identities and their societal positions.

Marilyn Yalom's Contributions to Women's History and Feminist Scholarship

One of the most significant aspects of a history of the wife Marilyn Yalom is her pioneering approach to the history of marriage and women's roles within it. Unlike many historians who treated marriage as a background social institution, Yalom placed it front and center as a critical element in understanding women's lives and gender dynamics.

Exploring the Institution of Marriage

In her groundbreaking book, **A History of the Wife**, Marilyn Yalom delves into the evolution of the concept of wifehood from antiquity to the modern era. She traces how marriage has been a complex institution that often defined women's identities, rights, and social status. The book explores various cultural and historical periods, showing the shifting expectations placed on wives—from property and partnership to motherhood and emotional labor.

Yalom's research highlights how marriage was not just a private arrangement but a social and political contract that reflected and reinforced gender inequalities. She examines

everything from the legal restrictions on wives, their economic dependence, to the idealized notions of femininity and domesticity that have persisted through time.

Feminist Perspectives in Yalom's Work

Marilyn Yalom's scholarship is deeply informed by feminist theory, which seeks to uncover and challenge the patriarchal structures embedded in history. She was among the early voices advocating for a more nuanced understanding of women's experiences, beyond the male-centric narratives that dominated historical discourse.

By focusing on the wife's role, Yalom opened up new avenues for discussing how women's identities were negotiated within marriage and society. She emphasized that wives were not passive subjects but active agents in their own right, navigating complex social expectations and constraints.

The Impact of Marilyn Yalom's Research on Modern Feminist Thought

A history of the wife Marilyn Yalom has influenced not only academic circles but also broader conversations about gender roles, marriage, and women's autonomy. Her work has been cited by scholars in history, gender studies, sociology, and literature, demonstrating the interdisciplinary relevance of her insights.

Changing Perceptions of Marriage and Gender Roles

One of the notable impacts of Yalom's work has been its role in reshaping how marriage is viewed in contemporary society. By revealing the historical contingencies of wifehood, she showed that many of the expectations and stereotypes about wives are socially constructed and not immutable.

This perspective has empowered feminist activists and thinkers to advocate for more equitable partnerships in marriage, highlighting the need for shared responsibilities and respect for women's individuality beyond their roles as wives or mothers.

Educational Influence and Public Engagement

Yalom's books and lectures have reached a wide audience, making complex historical and feminist ideas accessible to the general public. Her ability to weave historical facts with engaging storytelling has helped popularize women's history and encourage more inclusive narratives in education.

Key Themes in Marilyn Yalom's Work on the Wife

To appreciate the depth of a history of the wife Marilyn Yalom offers, it's helpful to outline some recurring themes in her scholarship:

- **The Legal Status of Wives:** Yalom discusses how laws across different cultures and

periods have restricted or defined women's rights within marriage, affecting their property ownership, custody of children, and personal freedoms.

- **Marriage as Economic and Social Contract:** She highlights that marriage often served economic and social purposes, linking families and consolidating wealth and power, rather than being purely about romantic love.
- **Emotional and Psychological Dimensions:** Yalom explores the emotional labor expected of wives and how societal ideals have shaped women's self-perception and mental health within marriage.
- **Cultural Variations:** Her work spans multiple cultures and historical moments, showing both common patterns and unique differences in the experience of wifehood.

Insights from Marilyn Yalom's Exploration of Wifehood

Learning about a history of the wife Marilyn Yalom paints a vivid picture of how deeply marriage has influenced women's lives. Here are some valuable insights drawn from her research:

- **Marriage Is Not Static:** The institution of marriage has evolved considerably, and its meaning continues to change. Understanding its history helps us question current norms and imagine new possibilities.
- **Wives Played Active Roles:** Far from being mere victims of patriarchal systems, many wives exercised agency, negotiated power, and shaped family dynamics.
- **Historical Context Matters:** To truly understand women's experiences, we need to consider the cultural, legal, and economic contexts that framed their lives.
- **Gender Roles Are Constructed:** Many traditional expectations of wives are social constructs that can be challenged and reshaped to promote equality.

Marilyn Yalom Beyond Academia: Her Legacy and Influence

Marilyn Yalom's impact extends beyond her scholarly work. She has been a mentor to many students and a public intellectual who brought women's history to life for diverse audiences. Her writing style, characterized by its clarity and narrative strength, made complex historical topics relatable and compelling.

Her legacy is also evident in how women's studies programs and feminist historiography have grown, partly inspired by her example. Yalom showed that by focusing on women's lived experiences, historians could uncover richer and more inclusive histories that challenge dominant narratives.

Exploring a history of the wife Marilyn Yalom reveals not only the life of an extraordinary scholar but also the broader story of women's struggles and triumphs within marriage. Her work invites us to reconsider the past, question the present, and imagine a future where marriage is a partnership of equals, free from outdated constraints and stereotypes. Whether you are a student of history, a feminist thinker, or simply curious about the cultural fabric of marriage, Marilyn Yalom's contributions offer profound insights and inspiration.

Frequently Asked Questions

What is 'A History of the Wife' by Marilyn Yalom about?

'A History of the Wife' by Marilyn Yalom is a historical novel that reimagines the life of the wife of the Apostle Paul, exploring the role and experiences of women in early Christianity.

Who is the main character in 'A History of the Wife' by Marilyn Yalom?

The main character is the fictional wife of the Apostle Paul, whose story is used to shed light on women's perspectives and roles in the early Christian era.

What themes does Marilyn Yalom explore in 'A History of the Wife'?

The novel explores themes such as gender roles, marriage, power dynamics, religion, and the often overlooked contributions of women in history.

Is 'A History of the Wife' based on historical facts?

While the novel incorporates historical research and context, the story and characters, especially the wife of Paul, are fictionalized to explore possibilities and perspectives not documented in history.

How has 'A History of the Wife' been received by readers and critics?

The book has been praised for its insightful and imaginative portrayal of women's roles in history and early Christianity, with many readers appreciating its feminist perspective and historical depth.

What inspired Marilyn Yalom to write 'A History of the Wife'?

Marilyn Yalom was inspired by her interest in women's history and her desire to give voice to the silenced women of the past, particularly those connected to significant historical and religious figures like the Apostle Paul.

A History of the Wife Marilyn Yalom: Exploring the Life and Legacy of a Renowned Scholar

a history of the wife marilyn yalom reveals a remarkable journey marked by intellectual rigor, feminist scholarship, and a profound impact on the study of women's history and literature. Marilyn Yalom, an American author, historian, and feminist thinker, carved a unique niche in academic circles through her insightful explorations of gender, marriage, and cultural identity. Her contributions extend beyond traditional historiography, blending personal narrative with scholarly inquiry to challenge and enrich our understanding of women's roles across centuries.

This article delves into the life and work of Marilyn Yalom, providing an analytical overview of her career, major publications, and the broader significance of her scholarship. By examining her approach to feminist history and her nuanced treatment of marriage and womanhood, we gain a clearer picture of why Yalom remains an influential figure in contemporary feminist thought and historical studies.

Marilyn Yalom: A Scholarly Portrait

Marilyn Yalom's academic trajectory is characterized by a deep commitment to uncovering the hidden narratives of women throughout history. Born in 1932, she pursued higher education at Stanford University and later at the University of California, Berkeley, where she honed her expertise in French literature and intellectual history. Her scholarly focus evolved to encompass feminist theory and the social history of women, particularly in relation to marriage and Jewish identity.

What distinguishes Yalom's work is her interdisciplinary approach, merging literary analysis with historical context and feminist critique. Her scholarship often challenges patriarchal frameworks by highlighting women's experiences in both private and public spheres. This method not only broadens the scope of historical inquiry but also foregrounds the voices of women historically marginalized or silenced.

Thematic Focus: Marriage and Womanhood

One of the central themes in Marilyn Yalom's oeuvre is the institution of marriage and its implications for women's identity and autonomy. In her acclaimed book, **A History of the Wife**, Yalom traces the evolution of the role of the wife from ancient times to the modern era, revealing how marriage has been both a site of oppression and a locus of agency for women. This work exemplifies her ability to weave together historical data, cultural analysis, and feminist perspectives.

Yalom explores how societal expectations and legal frameworks have shaped the wife's experience, noting variations across cultures and epochs. She highlights how marriage has often defined a woman's social status, economic security, and personal freedom, while also underscoring moments when women navigated and resisted these constraints. Her balanced treatment avoids simplistic binaries; instead, it presents a complex picture of

marriage as a dynamic institution with multifaceted meanings.

Contributions to Feminist Historiography

Marilyn Yalom's scholarship contributes significantly to feminist historiography by expanding the canon to include women's lived realities and challenging the dominance of male-centric narratives. Her work aligns with second-wave feminism's emphasis on uncovering gendered power dynamics but also anticipates more intersectional approaches by considering class, religion, and culture.

Through her meticulous research and accessible writing style, Yalom has made feminist history more approachable to both academic and general audiences. Her books often serve as foundational texts in women's studies courses, demonstrating her influence on education and public understanding of gender history.

Notable Publications and Their Impact

Beyond *A History of the Wife*, Marilyn Yalom authored several influential works that further solidify her legacy:

- *The Amnesiac's Cure: A Memoir of My Mother and Me* – A personal narrative that intertwines memory, family history, and reflections on aging and identity.
- *Birth of the Chess Queen: A History* – An exploration of the chess queen as a cultural symbol, illustrating Yalom's interest in women's representation in various domains.
- *Blodsyster: Kvinnor och makt genom tiderna* (Blood Sisters: Women and Power Through the Ages) – A Swedish edition that underscores her international reach and relevance.

Each publication underscores Yalom's interdisciplinary methodology and her ability to connect historical scholarship with contemporary feminist concerns. Her narrative style, often blending anecdotal evidence with rigorous analysis, makes her work compelling and informative.

Contextualizing Marilyn Yalom's Legacy

Understanding Marilyn Yalom's place within feminist scholarship requires situating her within the broader intellectual movements of the late 20th and early 21st centuries. As feminist historians sought to rewrite history from women's perspectives, Yalom's contributions helped legitimize the study of marriage and domestic life as worthy of scholarly attention.

Her focus on the wife as a historical subject challenged traditional historiographical boundaries, which often relegated women's experiences to the margins. By illuminating the complexities of married life and female identity, Yalom opened new avenues for research and dialogue.

Moreover, her work resonates in contemporary discussions about gender roles, equality, and the evolving definitions of marriage. In an era marked by debates over family structures, women's rights, and cultural norms, Yalom's historical insights provide valuable context and depth.

Pros and Cons of Yalom's Approach

Like any influential scholar, Marilyn Yalom's work has its strengths and limitations:

- **Pros:** Her interdisciplinary approach enriches feminist historiography; accessible writing bridges academia and general readership; thorough research uncovers overlooked narratives.
- **Cons:** Some critics argue that her emphasis on Western cultural frameworks may limit global applicability; occasional reliance on anecdotal evidence might challenge scholarly rigor for some readers.

These critiques notwithstanding, Yalom's overall contribution remains highly regarded for its originality and impact.

Marilyn Yalom's Enduring Influence

Today, Marilyn Yalom's scholarship continues to inspire historians, feminists, and cultural critics alike. Her pioneering efforts to historicize the wife's experience have sparked renewed interest in domestic histories and gender studies. Universities worldwide include her texts in curricula, and her work is frequently cited in academic research on women's history and feminist theory.

Her ability to connect past and present, personal and political, situates her as a bridge figure—someone who helps us understand how the legacies of marriage and womanhood shape contemporary identity and social structures.

As discussions about gender equality and women's rights evolve, Marilyn Yalom's nuanced historical perspective provides both a foundation and a challenge: to recognize the complexity of women's experiences while continuing to advocate for greater understanding and equity.

In tracing a history of the wife Marilyn Yalom, we uncover not just the story of one woman's intellectual journey but also a vital chapter in the ongoing exploration of gender, power,

and human relationships that continues to shape scholarly and public discourse.

a history of the wife marilyn yalom: *History of the Wife* Marilyn Yalom, 2004 How did marriage, considered a religious duty in medieval Europe, become a venue for personal fulfillment in contemporary America? How did the notion of romantic love, a novelty in the Middle Ages, become a prerequisite for marriage today? And, if the original purpose of marriage was procreation, what exactly is the purpose of marriage for women now? Combining a scholar's rigor and a storyteller's craft (San Jose Mercury News), distinguished cultural historian Marilyn Yalom charts the evolution of marriage in the Judeo Christian world through the centuries and shows how radically our ideas about marriage have changed. For any woman who is, has been, or ever will be married, this intellectually vigorous and gripping historical analysis of marriage sheds new light on an institution most people take for granted, and that may, in fact, be experiencing its most convulsive upheaval since the Reformation.

a history of the wife marilyn yalom: *A History of the Breast* Marilyn Yalom, 1997 This engrossing work of original research is the first to consider how the breast has been perceived in the Western world from ancient days to the present - how it has been understood in religion, in the arts, in medicine, in psychoanalysis (by Freud as erotically secondary to the phallus, then by Melanie Klein as the original object of desire).

a history of the wife marilyn yalom: *The Woman as Slave in Nineteenth-Century American Social Movements* Ana Stevenson, 2020-02-03 This book is the first to develop a history of the analogy between woman and slave, charting its changing meanings and enduring implications across the social movements of the long nineteenth century. Looking beyond its foundations in the antislavery and women's rights movements, this book examines the influence of the woman-slave analogy in popular culture along with its use across the dress reform, labor, suffrage, free love, racial uplift, and anti-vice movements. At once provocative and commonplace, the woman-slave analogy was used to exceptionally varied ends in the era of chattel slavery and slave emancipation. Yet, as this book reveals, a more diverse assembly of reformers both accepted and embraced a woman-as-slave worldview than has previously been appreciated. One of the most significant yet controversial rhetorical strategies in the history of feminism, the legacy of the woman-slave analogy continues to underpin the debates that shape feminist theory today.

a history of the wife marilyn yalom: *The Secret Lives of Lawfully Wedded Wives* Autumn Stephens, 2011-02-09 Some marriages are made in heaven, and others, quite frankly, are not. This anthology collects the private reflections of 25 well-known women writers, some of whom speak under the liberating cloak of anonymity. They reveal the truth about their marriages, their divorces, and sometimes, their decisions to remain single. The essays here chronicle the highs and lows of romantic relationships, the ebb and flow of love and desire, and the many alternatives to traditional matrimony. With topics ranging from infidelity and true love to orgasms, children, career power struggles, race issues, and aging, these are stories that empower women to make sense of their own lives.

a history of the wife marilyn yalom: *The New Wife* Susan Shapiro Barash, 2004

a history of the wife marilyn yalom: Birth of the Chess Queen Marilyn Yalom, 2004 The queen, now the most potent piece on the board, surprisingly did not exist in the early days of chess in India, Persia and the Near East. She was born around 1000 AD in Europe, but by 1497, when Isabella of Castile ruled over Spain and much of the New World, she had come to rule the game. Yalom traces her history.

a history of the wife marilyn yalom: The Lost Apostle, Paperback Reprint Rena Pederson, 2008-04-11 In *The Lost Apostle* award-winning journalist Rena Pederson investigates a little known subject in early Christian history—the life and times of the female apostle Junia. Junia was an early convert and leading missionary whose story was “lost” when her name was masculinized to Junias in later centuries. *The Lost Apostle* unfolds like a well-written detective story, presenting Pederson’s lively search for insight and information about a woman some say was the first female apostle.

a history of the wife marilyn yalom: The Lost Apostle Rena Pederson, 2007-06-15 In *The Lost Apostle* award-winning journalist Rena Pederson investigates a little known subject in early Christian history—the life and times of the female apostle Junia. Junia was an early convert and leading missionary whose story was “lost” when her name was masculinized to Junias in later centuries. *The Lost Apostle* unfolds like a well-written detective story, presenting Pederson’s lively search for insight and information about a woman some say was the first female apostle.

a history of the wife marilyn yalom: After Marriage in the Long Eighteenth Century Jenny DiPlacidi, Karl Leydecker, 2017-12-14 This book examines the intersections between the ways that marriage was represented in eighteenth-century writing and art, experienced in society, and regulated by law. The interdisciplinary and comparative essays explore the marital experience beyond the ‘matrimonial barrier’ to encompass representations of married life including issues of spousal abuse, parenting, incest, infidelity and the period after the end of marriage, to include annulment, widowhood and divorce. The chapters range from these focuses on legal and social histories of marriage to treatments of marriage in eighteenth-century periodicals, to depictions of married couples and families in eighteenth-century art, to parallels in French literature and diaries, to representations of violence and marriage in Gothic novels, and to surveys of same-sex partnerships. The volume is aimed towards students and scholars working in the long eighteenth century, gender studies, women’s writing, publishing history, and art and legal historians.

a history of the wife marilyn yalom: Sex and Death in Eighteenth-Century Literature Jolene Zigarovich, 2013-05-02 This book discusses sex and death in the eighteenth-century, an era that among other forms produced the Gothic novel, commencing the prolific examination of the century’s shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined. By bringing together various viewpoints and historical relations, the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality. It not only provides part of the needed discussion of the relationship between sex, death, history, and eighteenth-century culture, but is a forum in which the ideas of several well-respected critics converge, producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen. As the contributors demonstrate, eighteenth-century anxieties over mortality, the body, the soul, and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works. By depicting the necrophilic tendencies of libertines and rapacious villains, the fetishizing of death and mourning by virtuous heroines, or the fantasy of preserving the body, these authors demonstrate not only the tragic results of sexual play, but the persistent fantasy of necro-erotica. This book shows that within the eighteenth-century culture of profound modern change, underworkings of death and mourning are often eroticized; that sex is often equated with death (as punishment, or loss of the self); and that the sex-death dialectic lies at the discursive center of normative conceptions of gender, desire, and social power.

a history of the wife marilyn yalom: Radical Womanhood Carolyn McCulley, 2008-10-01 Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. *RadicalWomanhood* seeks to equip new

believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

a history of the wife marilyn yalom: *The Alchemy of Divorce* Lana Foladare, M.A., C.P.C.C., 2011-08-30 After reading *The Alchemy of Divorce: Embracing the Journey from Heartbreak to Hope*, you will be inspired to move through each step of your divorce, creating positive outcomes. You will:

- Learn how to move positively through your grief and reclaim your life path.
- Rediscover the joy of being on your own, even if it's what you're most afraid of now.
- Raise your self-esteem and resist dwelling in depression.

Lana Foladare, MA, CPCC is a dynamic speaker, relationship coach, and single parent who worked through her own painful divorce in 2005. She has made it her mission to help other women journeying through divorce to regain their solid footing and create a life truly worth living. She combines her knowledge of psychology, intuitive gifts, and coaching, to help her clients live their soul's purpose. She can be reached at: www.DivorceSupportCoach.com.

a history of the wife marilyn yalom: *The Children of Divorce (Youth, Family, and Culture)* Andrew Root, 2010-08-01 Why does divorce cause so much strain and long-term distress for children of all ages? Andrew Root, a recognized authority on youth ministry and a child of divorce himself, explains that divorce causes children to question their core identity. Since a child is the product of the union of a mother and father, when that union ends, he or she experiences a baffling sense of loss of self--a loss of his or her very sense of being. Root redirects efforts for assisting children of divorce to first address this fundamental experience. This unique book examines the impact of divorce not only from a theological and spiritual perspective but also from a young person's perspective. It will benefit those who have experienced divorce and those who minister to children of divorce.

a history of the wife marilyn yalom: *Marriage* Rebecca Stefoff, 2007 Focuses on the pros and cons of marriage in the United States--including covenant marriages, same-sex unions, and the effect of divorce on kids--through personal stories, opinions, and scholarly studies. Provides a historical look at marriage and includes

a history of the wife marilyn yalom: *As Long as We Both Shall Love* Karen M. Dunak, 2016-04-05 In *As Long as We Both Shall Love*, Karen M. Dunak provides a nuanced history of the American wedding and its celebrants. Blending an analysis of film, fiction, advertising, and prescriptive literature with personal views from letters, diaries, essays, and oral histories, Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer culture, media, and the marketplace in America.

a history of the wife marilyn yalom: *IBSS: Sociology: 2002 Vol.52* Compiled by the British Library of Political and Economic Science, 2004-03-01 First published in 1952, the International Bibliography of the Social Sciences (anthropology, economics, political science, and sociology) is well established as a major bibliographic reference for students, researchers and librarians in the social sciences worldwide. Key features

- * Authority: Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced. Articles and books are selected on merit by some of the world's most expert librarians and academics.
- * Breadth: today the IBSS covers over 2000 journals - more than any other comparable resource. The latest monograph publications are also included.
- * International Coverage: the IBSS reviews scholarship published in over 30 languages, including publications from Eastern Europe and the developing world.
- * User friendly organization: all non-English titles are word sections. Extensive author, subject and place name

indexes are provided in both English and French. Place your standing order now for the 2002 volumes of the the IBSS Anthropology: 2002 Vol.48 December 2003: 234x156: Hb: 0-415-32634-6: £195.00 Economics: 2002 Vol.51 December 2003: 234x156: Hb: 0-415-32635-4: £195.00 Political Science: 2002 Vol.51 December 2003: 234x156: Hb: 0-415-32636-2: £195.00 Sociology: 2002 Vol.52 December 2003: 234x156: Hb: 0-415-32637-0: £195.00

a history of the wife marilyn yalom: Mr. Right Now Rachel Safier, 2004-03-11 From the author of *There Goes the Bride*, here is book that talks to women about a new approach to life—being single and thoroughly enjoy it! Rather than focusing on Mr. Right, women should use their dating experiences as a developmental process, a learning experience, a way of growing and maturing and deciding what you really want. Women can learn from Mr. Puppy Love, Mr. First Boyfriend, Mr. Swashbuckling Adventure, Mr. Sex, Mr. Serious Intellectual, Mr. Money, Mr. Best Friend, and others. Each chapter concludes with a section called *Been There, Learned This* which lists the specific learning experiences and lessons accomplished from each dating and relationship experience. The book is sharp, energetic, often humorous, and always on the mark.

a history of the wife marilyn yalom: Just Kiss Me and Tell Me You Did the Laundry Karen Bouris, 2004-04-17 Provides discussion questions, exercises, and negotiation strategies for couples, suggesting ways in which household and child-care responsibilities can be more equally shared, in a guide to enabling a more balanced and openly communicative marriage. Original. 30,000 first printing.

a history of the wife marilyn yalom: Beyond (Straight and Gay) Marriage Nancy D. Polikoff, Michael Bronski, 2008-02-01 The debate over marriage equality for same-sex couples rages across the country. *Beyond (Straight and Gay) Marriage* boldly moves the discussion forward by focusing on the larger, more fundamental issue of marriage and the law. The root problem, asserts law professor and LGBT rights activist Nancy Polikoff, is that marriage is a bright dividing line between those relationships that legally matter and those that don't. A woman married to a man for nine months is entitled to Social Security survivor's benefits when he dies; a woman living for nineteen years with a man or woman to whom she is not married receives nothing. Polikoff reframes the debate by arguing that all family relationships and households need the economic stability and emotional peace of mind that now extend only to married couples. Unmarried couples of any sexual orientation, single-parent households, extended family units, and myriad other familial configurations need recognition and protection to meet the concerns they all share: building and sustaining economic and emotional interdependence, and nurturing the next generation. Couples should have the choice to marry based on the spiritual, cultural, or religious meaning of marriage in their lives, asserts Polikoff. While marriage equality for same-sex couples is a civil rights victory, she contends that no one should have to marry in order to reap specific and unique legal results. A persuasive argument that married couples should not receive special rights denied to other families, Polikoff shows how the law can value all families, and why it must.

a history of the wife marilyn yalom: A Sword between the Sexes? Mary Stewart Van Leeuwen, 2010-02-01 What did C. S. Lewis really think about gender roles? In this book, a widely recognized expert on male and female roles evaluates Lewis's understanding and presentation of gender, revealing that he ended his life thinking differently about gender than many of his followers assume. This is the first book to provide a close examination of Lewis's thought on gender and what it means for today. It addresses the tension between faith and science and offers insight into the continuing debate over gender relations, egalitarianism, and complementarianism. The book will appeal to readers of C. S. Lewis and those who are interested in gender issues.
