the hating game ebook: *Summary of Sally Thorne's The Hating Game* Everest Media, 2022-02-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Love and hate are both intense emotions. They are similar in that they consume you and take over your life, but they are different in that love is something you choose, while hate is something you don't want. #2 The author hates Joshua Templeman, and for good reason. She is constantly harassed by him, and has no privacy. #3 The author used to work in a publishing house, and even dreamed of being a publisher herself. She now works in a different publishing house, and even though she used to dream of being a publisher, she now realizes that she can't let Joshua win. #4 The author and her colleague, Joshua, were matched perfectly in terms of work style. She is a Gamin who loves to sit down and discuss things face to face, while he is a Finisher who excels at working via email. They were matched perfectly in terms of work style, but completely opposed in terms of work goals.

the hating game ebook: Kathryn Dance eBook Boxed Set Jeffery Deaver, 2012-05-01 Get on the case with Kathryn Dance. Three novels featuring California Bureau of Investigations body language expert Agent Kathryn Dance from internationally bestselling suspense master and seven-time Edgar Award nominee Jeffery Deaver, plus an excerpt from the next Kathryn Dance novel, *XO* (publishing June 2012). The Cold Moon On a freezing December night, with a full moon hovering over New York City, two people are brutally murdered. The death scenes are marked by eerie, matching calling cards: moon-faced clocks that investigators fear ticked away the victims' last moments on earth. Renowned criminologist Lincoln Rhyme immediately identifies the clock distributor and has the chilling realization that the killer—who has dubbed himself the Watchmaker—has more murders planned in the hours to come. With Rhyme's longtime love Amelia Sachs now busy as the lead detective on a homicide case of her own, it will take the expertise of Agent Kathryn Dance to stop the Watchmaker killings and unravel the trail of a diabolical criminal masterwork in the making. The Sleeping Doll Daniel Pell, the “Son of Manson,” is serving a life sentence for the brutal murders of the wealthy Croyton family, a crime mirroring those perpetrated by Charles Manson in the 1960s, and that left behind only one survivor: the youngest Croyton daughter, who, because she was in bed hidden by her toys, was dubbed “the Sleeping Doll.” When Agent Kathryn Dance is called in to interrogate Pell in connection with a recent murder, the psychological jousting match that ensues goes terribly wrong, and Pell escapes. But far from simply fleeing, Pell turns on his pursuers—and other innocents—for reasons Dance and her colleagues can't

discern. The only person who can help her find the pattern in Pell's rampage is the now-teenage girl who lay as though asleep through that terrible night. Roadside Crosses The Monterey Peninsula is rocked by fear when a killer begins to leave roadside crosses beside local highways—not in memoriam, but as announcements of his intentions to kill. And he kills in particularly horrific and efficient ways: using personal details about his victims that they've carelessly posted in blogs and on social networking websites. Agent Kathryn Dance traces the leads to Travis Brigham, a troubled teenager whose role in a fatal car accident has inspired vicious attacks against him on a popular blog, The Chilton Report. To get to Brigham, Dance must overcome speechifying politicians, paranoid parents, and the blogger himself, James Chilton, whose willingness to derail the case—and possibly Dance's career—soon forces Dance to take desperate measures. XO (excerpt) Country-pop ingénue Kayleigh Towne's career is reaching new heights with her huge hit single "Your Shadow"—but increased fame is also bringing unwanted attention to the young singer. An innocent exchange with one of her fans, signed with an "XO," leads Kayleigh into a dangerous and terrifying realm of obsession. Despite her clear rejection and threats from lawyers and law enforcers, Edwin Sharp remains convinced that Kayleigh loves him, and he announces he's coming for her. A series of accidents and disturbing phone calls lead Kayleigh to believe her life is in danger, and soon people close to Kayleigh die. Agent Kathryn Dance must stop the stalker—but before long she learns that, like many celebrities, Kayleigh has more than one fan with a mission...
