

lakota woman by mary crow dog

****Lakota Woman by Mary Crow Dog: A Powerful Memoir of Identity and Resistance****

lakota woman by mary crow dog is more than just a memoir; it is a vivid, compelling journey into the heart of Native American life, struggle, and resilience. Mary Crow Dog's autobiographical narrative offers readers an intimate look at her experiences growing up as a Lakota woman on the Rosebud Indian Reservation, her involvement with the American Indian Movement (AIM), and her personal evolution amid political upheaval and cultural awakening. This book remains a significant work not only for those interested in Indigenous history but for anyone seeking to understand the complexities of identity, colonialism, and activism.

Understanding the Context of Lakota Woman by Mary Crow Dog

Before diving into the memoir itself, it's important to understand the broader historical and cultural backdrop against which Mary Crow Dog's story unfolds. The Lakota people are part of the Sioux Nation, with a rich heritage that has been deeply affected by centuries of colonization, forced relocation, and systemic oppression. The memoir captures this reality through the lens of Mary's personal experiences, making abstract historical events tangible and deeply human.

Who is Mary Crow Dog?

Mary Crow Dog, born Mary Brave Bird, was a Lakota woman who lived through a transformative era in Native American history. Her narrative includes her childhood on the reservation, her struggles with poverty and abuse, and her eventual rise as a fierce advocate for Indigenous rights. Mary's story is deeply intertwined with the American Indian Movement, which sought justice and sovereignty for Native peoples throughout the 1970s and beyond.

The Significance of the Rosebud Indian Reservation

The Rosebud Indian Reservation in South Dakota is more than a setting; it is a character in the narrative itself. The reservation's unique challenges—such as poverty, cultural loss, and political marginalization—are portrayed with raw honesty. Through Mary's eyes, readers witness how these conditions affect everyday life and fuel the urgency for activism.

Key Themes Explored in Lakota Woman by Mary Crow Dog

Mary Crow Dog's memoir delves into several powerful themes that resonate

deeply with readers and scholars alike. These themes not only reflect her personal journey but also illuminate broader Indigenous experiences.

Identity and Cultural Reclamation

One of the most compelling aspects of the book is Mary's journey toward reclaiming her Lakota identity. Despite the systemic efforts to erase Native cultures through boarding schools and assimilation policies, Mary's narrative is a testament to the persistence of Indigenous traditions. The memoir highlights ceremonies, language, and spiritual practices that serve as anchors for identity and healing.

Resistance and Activism

Lakota Woman is a firsthand account of activism during a critical period for Native rights. Mary Crow Dog's involvement with AIM provides insights into the movement's goals, challenges, and internal dynamics. The book vividly describes key events like the Wounded Knee Occupation of 1973, where Indigenous activists stood up against governmental oppression. Through Mary's perspective, readers gain a nuanced understanding of what it meant to resist and fight for justice.

Personal Struggles and Resilience

Mary's story is not just about political activism; it is also an intimate portrayal of overcoming personal trauma. The memoir candidly discusses issues such as domestic violence, addiction, and the search for self-worth. Her resilience in the face of these hardships adds depth and emotional power to the narrative, helping readers connect on a human level.

Why Lakota Woman by Mary Crow Dog Remains Relevant Today

Decades after its publication, Lakota Woman continues to be a vital resource for understanding Native American history and contemporary issues. Its relevance stems from both its historical insights and its ongoing resonance with themes of social justice and cultural survival.

Educational Importance

Many educators incorporate Lakota Woman into curricula focused on Indigenous studies, American history, and social justice. The memoir's vivid storytelling makes complex historical issues accessible and engaging for students, fostering empathy and critical thinking.

Inspiration for Activism and Healing

Mary Crow Dog's journey inspires readers who are grappling with their own identities or seeking ways to engage in activism. Her story illustrates how personal healing and community advocacy can intertwine, offering a model for holistic empowerment.

Highlighting Women's Voices in Indigenous Narratives

Lakota Woman stands out for centering the experiences of a Native woman, a perspective often marginalized in mainstream historical accounts. By sharing her story, Mary Crow Dog amplifies the voices of Indigenous women and challenges stereotypes.

Tips for Readers Approaching Lakota Woman by Mary Crow Dog

If you're planning to read this important memoir, here are some suggestions to enrich your experience:

- **Familiarize Yourself with Lakota History:** Having a basic understanding of the Sioux Nation and reservation history can deepen your appreciation of the book's context.
- **Reflect on the Role of Activism:** Consider how Mary's story aligns with broader movements for civil rights and social justice, both past and present.
- **Engage with Supplementary Materials:** Explore documentaries, interviews, and other writings by or about Mary Crow Dog and the American Indian Movement for a fuller picture.
- **Approach with Empathy:** The memoir deals with intense personal and political issues; reading with an open heart can make the experience more meaningful.

The Legacy of Lakota Woman by Mary Crow Dog in Literature and Beyond

Lakota Woman has left an indelible mark on Native American literature and activism. Its candid portrayal of life on the reservation and the struggle for Indigenous rights broke barriers and opened doors for future authors to tell their stories unapologetically.

Influence on Indigenous Memoirs

Mary Crow Dog's narrative helped pave the way for a wave of Indigenous memoirs that explore themes of identity, trauma, and resistance. Authors like Louise Erdrich, Sherman Alexie, and Joy Harjo have contributed to this rich literary tradition, inspired in part by trailblazers like Mary.

Impact on Popular Culture

The memoir also influenced the broader cultural conversation about Native American issues. It has been referenced in documentaries, academic works, and even theatrical productions, helping to keep Indigenous stories and struggles in the public eye.

Continuing Conversations on Sovereignty and Rights

As debates about Native sovereignty, land rights, and cultural preservation continue, *Lakota Woman* remains a touchstone for activists and policymakers alike, reminding all of the personal and political stakes involved.

Mary Crow Dog's **Lakota Woman** is a powerful testament to survival, identity, and activism. It invites readers not just to witness history but to engage with it, offering invaluable lessons about the strength found in cultural roots and the enduring fight for justice. Through her story, we gain a deeper understanding of the Lakota people's resilience and the ongoing journey toward healing and empowerment.

Frequently Asked Questions

What is 'Lakota Woman' by Mary Crow Dog about?

'Lakota Woman' is an autobiographical account by Mary Crow Dog that details her experiences growing up as a Native American on the Pine Ridge Reservation, her involvement in the American Indian Movement, and the struggles faced by Indigenous people in the United States.

Who is Mary Crow Dog, the author of 'Lakota Woman'?

Mary Crow Dog, also known as Mary Brave Bird, was a Native American activist, writer, and member of the Sicangu Lakota tribe. She was involved in the American Indian Movement and wrote 'Lakota Woman' to share her personal story and the broader Native American struggle.

Why is 'Lakota Woman' considered an important work in Native American literature?

'Lakota Woman' is significant because it provides an authentic, first-person perspective on the challenges faced by Native Americans, including racism,

poverty, and political activism. It sheds light on Indigenous history and culture from a woman's viewpoint, contributing to a deeper understanding of Native American issues.

What themes are explored in 'Lakota Woman'?

The book explores themes such as identity, resilience, cultural heritage, activism, oppression, and the fight for Native American rights. It also addresses the trauma of boarding schools, the struggle against systemic injustice, and the strength found in community and tradition.

Has 'Lakota Woman' been adapted into other media?

Yes, 'Lakota Woman' was adapted into a television film in 1994, starring Irene Bedard as Mary Crow Dog. The adaptation helped bring wider attention to the story and the issues faced by Native Americans.

Additional Resources

****Lakota Woman by Mary Crow Dog: A Critical Exploration of Identity, Resistance, and History****

lakota woman by mary crow dog stands as a seminal autobiographical work that offers an unfiltered glimpse into the life of a Native American woman navigating the complexities of cultural identity, political activism, and personal trauma. Published in 1990, this memoir captures the struggles and resilience of Mary Crow Dog (later Mary Brave Bird), a member of the Lakota Sioux tribe, during a turbulent era marked by Native American activism and social upheaval. The narrative not only recounts her personal journey but also highlights broader themes relevant to indigenous rights, feminism, and historical memory, positioning the book as an essential text for understanding contemporary Native American experiences.

Contextual Background and Historical Significance

Laying the foundation for a deeper understanding of the memoir, it is important to acknowledge the historical and socio-political context in which Mary Crow Dog's story unfolds. The 1960s and 1970s were periods of intense activism for Native American communities in the United States. The American Indian Movement (AIM), with which Crow Dog was closely associated, sought to challenge systemic injustices including poverty, racial discrimination, and violations of treaty rights. The book provides rare insight into the internal dynamics of AIM as well as the broader indigenous struggle for sovereignty and cultural preservation.

Mary Crow Dog's narrative is situated against the backdrop of events such as the 1973 Wounded Knee Occupation, a pivotal moment in Native American activism. Her firsthand account lends authenticity and nuance to historical events often recounted only in governmental or mainstream media perspectives. By centering the voice of a Lakota woman, the memoir disrupts dominant narratives that frequently marginalize indigenous women's experiences.

Personal Identity and Cultural Reclamation

One of the core themes of **lakota woman by mary crow dog** is the exploration of personal identity intertwined with cultural reclamation. Crow Dog details her upbringing on the Rosebud Indian Reservation in South Dakota, describing the challenges of growing up in a community grappling with poverty and the lingering effects of colonization. The memoir does not shy away from exposing the painful realities faced by many Native American families, including substance abuse and domestic violence.

Yet, it also portrays a powerful journey toward reclaiming Lakota traditions and spirituality. Crow Dog's narrative emphasizes the importance of ceremony, language, and communal ties in forging a resilient identity amid external pressures to assimilate. Her transformation from a troubled youth into a committed activist and cultural advocate underscores the memoir's broader message about the strength inherent in indigenous heritage.

Feminism and the Role of Indigenous Women

A distinguishing feature of **lakota woman by mary crow dog** is its candid examination of gender dynamics within Native communities and activist circles. Crow Dog critiques patriarchal structures both within and outside her tribe, providing valuable insights into the intersection of gender and ethnicity. The memoir foregrounds the often-overlooked contributions and struggles of Native women, who have historically faced compounded marginalization.

The author's experiences with domestic abuse and her subsequent empowerment resonate with feminist discourses, particularly those that emphasize intersectionality. The narrative challenges simplistic portrayals of Native women by highlighting their agency, resilience, and leadership. This perspective enriches contemporary conversations about feminism by incorporating indigenous voices and issues.

Literary Style and Narrative Techniques

Mary Crow Dog employs a straightforward, unembellished prose style that enhances the memoir's immediacy and emotional impact. The writing is raw and direct, eschewing literary flourishes in favor of honesty and clarity. This stylistic choice serves to immerse readers in the visceral realities of Crow Dog's life without romanticizing or sensationalizing trauma.

The memoir is structured chronologically, guiding readers through pivotal moments in Crow Dog's personal development and political engagement. Interwoven with personal anecdotes are reflections on cultural practices, political events, and historical injustices. This blend of personal and political narratives creates a compelling tapestry that situates individual experience within larger social frameworks.

Comparative Perspectives and Reception

When compared to other Native American autobiographies such as Leslie Marmon

Silko's *Ceremony* or Sherman Alexie's *The Lone Ranger and Tonto Fistfight in Heaven*, *lakota woman by mary crow dog* stands out for its unapologetic focus on activism and the lived experience of a woman deeply embedded in the indigenous rights movement. While many indigenous literary works explore cultural identity and spirituality, Crow Dog's memoir uniquely combines these themes with a vivid account of political struggle.

Critical reception of the book has highlighted its importance as both a historical document and a piece of feminist literature. Scholars and readers alike praise its authenticity and the courage with which it confronts difficult subjects. However, some critiques note that the memoir's stark style may challenge readers unfamiliar with Native American histories or activist movements, requiring contextual knowledge to fully appreciate its depth.

Relevance in Contemporary Indigenous Discourse

More than three decades after its publication, *lakota woman by mary crow dog* remains highly relevant in discussions surrounding indigenous sovereignty, cultural survival, and gender justice. The book continues to be used in academic settings, indigenous studies programs, and activist workshops, underscoring its enduring impact.

The memoir's themes resonate with ongoing struggles faced by Native communities, such as the fight against environmental degradation on tribal lands, the pursuit of legal recognition and rights, and efforts to combat gender-based violence. In this way, Crow Dog's story serves as both a historical record and a call to action, inspiring new generations to engage with indigenous issues critically and compassionately.

Key Themes and Takeaways

- **Resistance and Resilience:** The memoir illustrates how personal and collective resistance can foster healing and empowerment.
- **Cultural Identity:** Emphasizes the significance of reclaiming language, spirituality, and traditions in sustaining indigenous identity.
- **Gender and Intersectionality:** Highlights the complex layers of marginalization faced by Native women and their role in activism.
- **Historical Perspective:** Provides an insider's view of pivotal events in Native American history, challenging dominant narratives.

In sum, *lakota woman by mary crow dog* offers a profound and multifaceted account of one woman's journey through adversity, activism, and cultural affirmation. Its continued relevance and powerful storytelling make it a vital resource for anyone seeking to understand the intricate realities of Native American life and resistance.

lakota woman by mary crow dog: *Lakota Woman* Mary Crow Dog, Richard Erdoes, 2014-11-18 The bestselling memoir of a Native American woman's struggles and the life she found in activism: "courageous, impassioned, poetic and inspirational" (Publishers Weekly). Mary Brave Bird grew up on the Rosebud Indian Reservation in South Dakota in a one-room cabin without running water or electricity. With her white father gone, she was left to endure "half-breed" status amid the violence, machismo, and aimless drinking of life on the reservation. Rebelling against all this—as well as a punishing Catholic missionary school—she became a teenage runaway. Mary was eighteen and pregnant when the rebellion at Wounded Knee happened in 1973. Inspired to take action, she joined the American Indian Movement to fight for the rights of her people. Later, she married Leonard Crow Dog, the AIM's chief medicine man, who revived the sacred but outlawed Ghost Dance. Originally published in 1990, *Lakota Woman* was a national bestseller and winner of the American Book Award. It is a story of determination against all odds, of the cruelties perpetuated against American Indians, and of the Native American struggle for rights. Working with Richard Erdoes, one of the twentieth century's leading writers on Native American affairs, Brave Bird recounts her difficult upbringing and the path of her fascinating life.

lakota woman by mary crow dog: *Summary of Mary Crow Dog & Richard Erdoes' Lakota Woman* Everest Media,, 2022-07-17T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 It is not the big, dramatic things that get us down, but just being Indian, trying to hang on to our way of life while being surrounded by a more powerful culture. #2 I am a Sioux from the Rosebud Reservation in South Dakota. I belong to the Burned Thigh, the Brule Tribe, the Sicangu in our language. The Brules were part of the Seven Sacred Campfires, the seven tribes of the Western Sioux known collectively as Lakota. #3 The first Wounded Knee, the massacre, happened in 1891. In 1876, Spotted Tail, the all-powerful chief, had his Indian police keep most of the young men on the reservation. Some of the young bucks managed to sneak out trying to get to Montana, but nothing much is known. #4 I am a small woman, not much over five feet tall, but I can hold my own in a fight. I have white blood in me, and I have always wished to be able to purge it out of me.

lakota woman by mary crow dog: *The Black Elk Reader* Clyde Holler, 2000-06-01 This book includes both new essays and revised versions of classic works by recognized authorities on Black Elk. Clyde Roller's introduction explores his life and texts and illustrates his relevance to today's scholarly discussions. Dale Stover considers Black Elk from a postcolonial perspective, and R. Todd Wise investigates similarities between Black Elk Speaks and the Testimonio (as exemplified by I, Rigoberta Menchu: An Indian Woman in Guatemala). Anthropologist Raymond A. Bucko provides an annotated bibliography and a sensitive guide to the issues surrounding cultural appropriation, a subject also explored through Frances Kaye's engaging reading of Hawthorne's *The Marble Faun*. Classic essays by Julian Rice and George W. Linden are included in the collection as well as Hilda Niehardt's reflections on the 1931 and 1944 interviews with Black Elk. With its unusually broad range of academic disciplines and perspectives, this book shows that Black Elk stands at the intersection of today's scholarly discussions. In addition to scholars of religion, anthropology, multicultural literature, and Native American studies, *The Black Elk Reader* will appeal to a general audience.

lakota woman by mary crow dog: Primary Source Readings in World Religions Jeffrey

Brodd, 2009 Primary Source Readings in World Religions provides your students with the opportunity to read foundational texts from the major world religions. Through understanding other religions we can create an atmosphere of genuine respect and honest discussion. In doing this we can respond to the invitation Pope Benedict XVI extended to all of us when he said, I encourage all religious groups in America to persevere in their collaboration and thus enrich public life with the spiritual values that motivate your action in the world (from Benedict XVI; Meeting with Representatives of Other Religions.) In Primary Source Readings in World Religions you will find portions of the foundational texts and teachings of a wide variety of world religions, including Islam, Shinto, Confucianism, Sikhism, Judaism, Hinduism, Taoism, Christianity, and Buddhism.>

lakota woman by mary crow dog: Native American Women Gretchen M. Bataille, Laurie Lisa, 2003-12-16 This A-Z reference contains 275 biographical entries on Native American women, past and present, from many different walks of life. Written by more than 70 contributors, most of whom are leading American Indian historians, the entries examine the complex and diverse roles of Native American women in contemporary and traditional cultures. This new edition contains 32 new entries and updated end-of-article bibliographies. Appendices list entries by area of woman's specialization, state of birth, and tribe; also includes photos and a comprehensive index.

lakota woman by mary crow dog: Pornography, Sex Work, and Hate Speech Karen Maschke, 2024-11-01 Multidisciplinary focus Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. The law in theory and practice Many of the articles bring race, social, and economic factors into their analyses, observing, for example, that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality and family issues, equal employment and educational opportunities, domestic violence, pornography and sexual exploitation, hate speech, and feminist legal thought. A valuable research and classroom aid, this series provides in-depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women.

lakota woman by mary crow dog: Folklore Forum , 1991

lakota woman by mary crow dog: American Women Activists and Autobiography Heather Ostman, 2021-11-04 American Women Activists and Autobiography examines the feminist rhetorics that emerge in six very different activists' autobiographies, as they simultaneously tell the stories of unconventional women's lives and manifest the authors' arguments for social and political change, as well as provide blueprints for creating tectonic shifts in American society. Exploring self-narratives by six diverse women at the forefront of radical social change since 1900—Jane Addams, Emma Goldman, Dorothy Day, Angela Davis, Mary Crow Dog, and Betty Friedan—the author offers a breadth of perspectives to current dialogues on motherhood, essentialism, race, class, and feminism, and highlights the shifts in situated feminist rhetorics through the course of the

last one hundred years. This book is a timely instructional resource for all scholars and graduate students in rhetorical studies, composition, American literature, women's studies, feminist rhetorics, and social justice.

lakota woman by mary crow dog: Lakhota Rani-Henrik Andersson, David C. Posthumus, 2022-11-17 The Lakḥóta are among the best-known Native American peoples. In popular culture and even many scholarly works, they were once lumped together with others and called the Sioux. This book tells the full story of Lakḥóta culture and society, from their origins to the twenty-first century, drawing on Lakḥóta voices and perspectives. In Lakḥóta culture, “listening” is a cardinal virtue, connoting respect, and here authors Rani-Henrik Andersson and David C. Posthumus listen to the Lakḥóta, both past and present. The history of Lakḥóta culture unfolds in this narrative as the people lived it. Fittingly, *Lakhota: An Indigenous History* opens with an origin story, that of White Buffalo Calf Woman (Ptesanwin) and her gift of the sacred pipe to the Lakḥóta people. Drawing on winter counts, oral traditions and histories, and Lakḥóta letters and speeches, the narrative proceeds through such periods and events as early Lakḥóta-European trading, the creation of the Great Sioux Reservation, Christian missionization, the Plains Indian Wars, the Ghost Dance and Wounded Knee (1890), the Indian New Deal, and self-determination, as well as recent challenges like the #NoDAPL movement and management of Covid-19 on reservations. This book centers Lakḥóta experience, as when it shifts the focus of the Battle of Little Bighorn from Custer to fifteen-year-old Black Elk, or puts American Horse at the heart of the negotiations with the Crook Commission, or explains the Lakḥóta agenda in negotiating the Fort Laramie Treaty in 1851. The picture that emerges—of continuity and change in Lakḥóta culture from its distant beginnings to issues in our day—is as sweeping and intimate, and as deeply complex, as the lived history it encompasses.

lakota woman by mary crow dog: The Hidden 1970s Dan Berger, 2010 The 1970s were a complex, multilayered, and critical part of an era of profound societal change and an essential component of the decade before-several of the most iconic events of the sixties occurred in the ten years that followed. *The Hidden 1970s* explores the distinctiveness of those years, when radicals tried to change the world as the world changed around them. Essays trace the struggles from the 1960s through the 1970s, providing insight into the ways that radical social movements shaped American political culture in the 1970s and the many ways they continue to do so today.

lakota woman by mary crow dog: The Plains Sioux and U.S. Colonialism from Lewis and Clark to Wounded Knee Jeffrey Ostler, 2004-07-05 This volume, first published in 2004, presents an overview of the history of the Plains Sioux as they became increasingly subject to the power of the United States in the 1800s. Many aspects of this story - the Oregon Trail, military clashes, the deaths of Crazy Horse and Sitting Bull, and the Ghost Dance - are well-known. Besides providing fresh insights into familiar events, the book offers an in-depth look at many lesser-known facets of Sioux history and culture. Drawing on theories of colonialism, the book shows how the Sioux creatively responded to the challenges of US expansion and domination, while at the same time revealing how US power increasingly limited the autonomy of Sioux communities as the century came to a close. The concluding chapters of the book offer a compelling reinterpretation of the events that led to the Wounded Knee massacre of December 29, 1890.

lakota woman by mary crow dog: *Listening for Change* M. B. Lang, 2024-05-31 *Listening for Change* challenges those who wish to lead in healing and reconciliation with Native American communities, showing the need to be quiet and listen. Even before the civil rights era and the accompanying American Indian Movement, indigenous Americans have insisted that White America is not listening. Scholars since Vine Deloria Jr. have called out academics for their blindness and deafness to the insights of Indians. M. B. Lang brings an account of her determination to listen to what young Native Americans have been telling the larger culture in which they find themselves. The digital age provided a platform from which a new generation could make itself heard, and Lang has aimed to listen respectfully. *Listening for Change: Letting Native American Voices Unsettle Our Avoidance* reports and recommends, calling for a spiritual hearing that alone may bring change in those who need it most: the listeners.

lakota woman by mary crow dog: Rationales for Teaching Young Adult Literature

Louann Reid, 1999 Twenty-five educators recommend proven novels, nonfiction works, and short story collections that adolescents enjoy.

lakota woman by mary crow dog: Indigenous American Women Devon Abbott Mihesuah, 2003-01-01 Oklahoma Choctaw scholar Devon Abbott Mihesuah offers a frank and absorbing look at the complex, evolving identities of American Indigenous women today, their ongoing struggles against a centuries-old legacy of colonial disempowerment, and how they are seen and portrayed by themselves and others. Mihesuah first examines how American Indigenous women have been perceived and depicted by non-Natives, including scholars, and by themselves. She then illuminates the pervasive impact of colonialism and patriarchal thought on Native women's traditional tribal roles and on their participation in academia. Mihesuah considers how relations between Indigenous women and men across North America continue to be altered by Christianity and Euro-American ideologies. Sexism and violence against Indigenous women has escalated; economic disparities and intratribal factionalism and "culturalism" threaten connections among women and with men; and many women suffer from psychological stress because their economic, religious, political, and social positions are devalued. In the last section, Mihesuah explores how modern American Indigenous women have empowered themselves tribally, nationally, or academically. Additionally, she examines the overlooked role that Native women played in the Red Power movement as well as some key differences between Native women feminists and activists.

lakota woman by mary crow dog: The Human Tradition in America Charles William Calhoun, 2003 Calhoun (history, East Carolina U., Greenville) offers a reader of 19 biographical essays from a series surveying modern US history from the perspective of a diversity of citizens: e.g. a former slave, interned Japanese immigrants, and champions of various causes. Annotation (c) Book News, Inc., Por

lakota woman by mary crow dog: The Making of Sacagawea Donna J. Kessler, Donna Barbie Kessler, 1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured. Sacagawea is one of the most renowned figures of the American West. A member of the Shoshone tribe, she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader, Toussaint Charbonneau. In 1805 Charbonneau joined Lewis and Clark as the expedition's interpreter. Sacagawea was the only woman to participate in this important mission, and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region. Although much has been written about the historical importance of Sacagawea in connection with the expedition, no one has explored why her story has endured so successfully in Euro-American culture. In an examination of representative texts (including histories, works of fiction, plays, films, and the visual arts) from 1805 to the present, Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as a Euro-American legend because her story exemplified critical elements of America's foundation myths-especially the concept of manifest destiny. Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods, including suffrage for women, taboos against miscegenation, and modern feminism.
