the meaning of marriage ebook: *The Meaning of Marriage* Timothy Keller, Kathy Keller, 2011-11-01 "Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted." —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. *The Meaning of Marriage* offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.

the meaning of marriage ebook: Homosexuality FAQs - A Christian Perspective eBook Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue. It exists since the ancient time despite the suppression by tradition and culture. It started to surface in recent years as technology and media have developed in racing speed. The society has become more open and acceptive to the topic; people started to reflect on the traditional thinking on human relationship; voices and discussions regarding homosexuality are getting common. The word "homosexuality" which merely means same sex relationship in the past has

evolved to LGBTQ which covers Lesbians, Gays, Bisexuals, Transgenders and Queers nowadays. Although there are more discussions, do we truly understand LGBTQ? How should we discern the right and wrong? From Christian perspective, how should we see it and live with its community? Does the Bible provide us the answer? In the past, when religions are confronted by issues of homosexuality and LGBTQ, they would quickly jump into a conclusion such as “sin”, “against the nature”, “promiscuity”, “unclean” etc. On one hand, religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community; on the other hand, media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ, so that people or religious bodies who hold different point of views may be labeled as “conservative”, “old-fashioned”, “traditional”, “conventional” etc. Over time, a gap has formed between LGBTQ and religious communities. Nevertheless, before we decide between the right and wrong, or give people a label of unrighteousness, could we jump out of the endless quarrel, opposition, or criticism? Could we adjust our perspective to understand, to observe and to contemplate the matter, so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God? “Homosexuality FAQs – A Christian Perspective” is a wonderful guide for Churches. It helps readers to understand the issue more comprehensively, find out the viewpoints of the Bible, and learn how to reach out and serve LGBTQ community. This book clears doubts and confusions on LGBTQ through 10 questions in the first section. It tries to rebut general arguments from objective and scientific perspective. In the second section, it discusses LGBTQ from biblical perspective through 16 questions. Lastly, the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue. Each answer begins with “quick response” to give readers the key concept, then followed by elaboration and more supplementary information. This structure is clear and easy to follow. What I appreciate the most is that it does not merely lay out a pile of data and evidence, but also shares ministry tips at the end of some answers, so that readers can break through the frame of merely knowledge, thinking and critique; and more important they can learn how to bridge the gap between the LGBTQ and us, counsel and serve LGBTQ community. Whether you want to know more the issue or feel the burden to serve the LGBTQ community, this book is worth to read. the meaning of marriage ebook: Women, Leadership, and the Bible Natalie R. Wilson Eastman, 2014-05-16 What do you believe about women's roles in church leadership? Should women lead groups that include men? Should women preach? Should women be ordained? More importantly, why do you believe what you believe? Plenty of books exist telling women what to think; precious few help women think for themselves, particularly about theological issues. Women, Leadership, and the Bible helps women learn to interpret the Bible and discern for themselves answers to their questions about women's roles in the church, along with any other issue they may face in life. In straightforward, plain language, Dr. Natalie Eastman introduces women to a five-step, easy-to-follow process for studying the Bible and interpreting what they study. [NOTE to designer: if there is not enough space on the back cover then cut the following section in italics] This book encourages women that they can think for themselves and can analyze significant theological issues, despite any hesitations they may have, any conflict surrounding an issue, or any lack of theological training. By the time readers finish this book, they will have a biblically defensible, theologically reasoned, and thoroughly discerned understanding of what they believe Scripture says about women's roles and how that understanding could play out within the church. No longer will they feel as though they have nothing to contribute when the subject of women's roles--or any other of life's theological questions--arises.

the meaning of marriage ebook: *Compared to her...* Sophie de Witt, 2012-10-01 Reveals the causes and effects of destructive comparisons, and shows how knowing Christ is the key to real contentment. I am a recovering Compulsive Comparison Syndrome sufferer. It causes me to feel envy, despair, pride and superiority. It cuts away at my relationship with God, with my loved ones, and with myself. It has promised me contentment, and yet robbed me of it. And although I don't know you at all, I'm fairly sure you have CCS, too. That's not meant to sound rude. It's just that I've rarely met a woman who doesn't struggle with it. This book is about how to spot this syndrome and its effects in your life; the view of life that causes it; how the gospel treats it; and how you can move beyond it to live a life of true, lasting contentment.

the meaning of marriage ebook: *The So Called Same-Sex Marriage, Sweet But The Most Horrific Enemy* Hea Sook Son, 2015-10-09 Chief Justices argued that same-sex marriage had nothing to do with the Constitution. Four Justices including Chief Justice clearly opposed it. It is very shocking and disgraceful in US history that the so called same-sex marriage was legalized nationwide. It is frightening, that the court's decision under Obama's administration did very cruel things to good Americans who have good morality and honesty as what they believe to be true

according to their religious beliefs. The bakers were forced to give up their Christian belief, being forced to make cake for gay wedding. Clearly this was in violation of their moral conscience and religious belief. They forced admirable Americans to involve themselves in what they feel is the twisted and the immoral. We were terrified and shocked how things like this could happen in America, the land of freedom and democracy; not of dictatorship or communism. We had never imagined it before. Something terribly wrong is going on in America. Something horrible is going on, intentionally or unintentionally, among the American people and Christians. The freedom of good Americans is being crushed. It will ultimately diminish and demolish the Americans sometime in the future, weakening America, bit by bit, every day. Certainly, I think that Americans, all of us, love our nation America. We all care about the future fate of America. I ask: Do you know the consequence of the so called same-sex marriage? Do you know what will happen in your nation when you and many Americans are in same-sex marriage? Do you see the future of America? America is in a big Crisis. Same-sex marriage is sweet, but the most horrific enemy to America. Keywords: Marriage, Same-Sex Marriage, Silent War, Human Extinction, Sweet, Horrific Enemy, Gay, Lesbian, America, Confusion, LGBT.
