

army basic training dates 2023 fort jackson

Army Basic Training Dates 2023 Fort Jackson: What You Need to Know

army basic training dates 2023 fort jackson are crucial for anyone preparing to embark on their journey in the United States Army. Fort Jackson, located in South Carolina, stands as the Army's largest basic training installation, welcoming thousands of new recruits every year. Knowing the training schedule helps future soldiers plan appropriately and mentally prepare for the transformative experience ahead.

Whether you're a recruit, a family member, or someone interested in military training, understanding the timeline and key details of Fort Jackson's 2023 basic training dates can provide valuable insights into what to expect during this rigorous phase.

Overview of Army Basic Training at Fort Jackson

Fort Jackson serves as the primary entry point for many Army recruits, offering the famous 10-week Basic Combat Training (BCT) program. This training is designed to teach recruits the fundamental skills necessary to become a soldier, including physical fitness, weapons handling, discipline, and teamwork.

The Importance of Training Dates

The army basic training dates 2023 Fort Jackson schedule is carefully organized to accommodate thousands of recruits while maintaining a consistent training cycle. Recruits receive specific arrival dates, known as "ship dates," which mark the beginning of their Army journey. These dates are assigned based on various factors such as recruitment cycles, available slots, and unit needs.

Understanding these dates helps recruits and their families coordinate travel plans and prepare mentally and physically for the demanding experience ahead.

Army Basic Training Dates 2023 Fort Jackson: Schedule Breakdown

While the exact ship dates can vary slightly depending on recruitment and administrative factors, the training cycles at Fort Jackson follow a predictable pattern throughout the year.

Typical Training Cycle

- ****Arrival and In-Processing****: Recruits arrive at Fort Jackson on their assigned ship dates, usually on a Sunday or Monday. The first few days are spent in administrative processing, medical evaluations, and initial briefings.
- ****Physical Fitness Training (PFT)****: From day one, physical readiness is a priority. Each recruit undergoes physical training, including running, push-ups, and sit-ups to build endurance.
- ****Classroom Instruction and Hands-On Training****: Recruits learn basic military knowledge, first aid, weapons safety, and combat tactics.
- ****Field Training Exercises****: The final weeks focus on applying learned skills in simulated combat environments.
- ****Graduation****: After approximately 10 weeks, recruits participate in a graduation ceremony, marking their transition from civilian to soldier.

Key Dates to Watch in 2023

The Army typically releases batches of ship dates monthly or quarterly for Fort Jackson. While exact dates can be confirmed through a recruiter or official Army channels, here is a rough idea based on previous years' patterns:

- January through March: Ship dates are often scheduled in the first and third weeks of each month.
- April through June: Ship dates continue biweekly, with some adjustments around holidays.
- July through September: Summer months see increased recruitment, so ship dates may occur weekly.
- October through December: Ship dates typically slow down but maintain consistency for year-end graduations.

For recruits, it is crucial to consult with their Army recruiter to get the most accurate and up-to-date ship dates tailored to their enlistment contract.

Preparing for Your Army Basic Training at Fort Jackson

Knowing the army basic training dates 2023 Fort Jackson is just the first step. Proper preparation can make a significant difference in how recruits adapt to the challenges ahead.

Physical Preparation

Basic training is physically demanding. Recruits should start a fitness regimen weeks or even months before their ship date, focusing on cardiovascular endurance, strength training, and flexibility.

- Running: Aim for consistent 1.5 to 2-mile runs to build stamina.
- Calisthenics: Push-ups, sit-ups, and pull-ups are staples of Army physical fitness tests.
- Nutrition: Eating balanced meals supports energy levels and recovery.

Mental and Emotional Readiness

Basic training will push recruits out of their comfort zones. Building mental resilience is just as important as physical fitness. Techniques such as visualization, stress management, and goal setting can be beneficial.

Talking to current or former soldiers about their experiences at Fort Jackson can also provide valuable insights and reduce anxiety.

What to Bring and What to Expect

Upon arrival at Fort Jackson, recruits receive most necessary gear, but it's important to bring essential personal items as outlined by the recruiter. Typically, this includes:

- Identification documents
- Necessary paperwork
- Personal hygiene items (as permitted)
- Comfortable civilian clothes for initial processing

Recruits should also prepare for strict schedules, limited communication with family, and a highly structured environment.

Additional Resources for Army Basic Training Dates 2023 Fort Jackson

Staying informed is key to a smooth transition into Army life. Here are some valuable resources to keep in mind:

- ****Official Army Recruiting Website****: For the latest updates on training schedules and enlistment

procedures.

- **Fort Jackson Official Website**: Provides details on base facilities, training programs, and contact information.
- **Recruiter Communication**: Your assigned recruiter is the best source for personalized ship dates and guidance.
- **Online Forums and Communities**: Websites like RallyPoint or Reddit's r/army offer firsthand accounts and advice from current and former soldiers.

Tips for Family and Supporters

Families often wonder how to best support their loved ones during basic training. Knowing the army basic training dates 2023 Fort Jackson can help families plan visits around graduation and send care packages at appropriate times. Maintaining positive communication before and after training can significantly boost a recruit's morale.

Understanding What Comes After Basic Training

Completing basic training at Fort Jackson is a major milestone, but it's just the beginning. After graduation, soldiers typically move on to Advanced Individual Training (AIT), where they learn the specific skills related to their Military Occupational Specialty (MOS).

The timing of AIT varies based on the MOS and available classes. Some soldiers may remain at Fort Jackson for AIT, while others move to different Army bases.

By keeping track of the army basic training dates 2023 Fort Jackson, recruits can better anticipate their transition phases and prepare accordingly.

The journey through Army basic training is a transformative experience filled with challenges and growth. Understanding the schedule, preparing physically and mentally, and staying connected with support systems can all contribute to a successful start in the United States Army.

Frequently Asked Questions

What are the Army Basic Training dates for Fort Jackson in 2023?

Army Basic Training Dates 2023 Fort Jackson: A Detailed Overview

army basic training dates 2023 fort jackson represent a critical schedule for thousands of new recruits entering the United States Army. Fort Jackson, located in Columbia, South Carolina, serves as one of the largest and most significant Basic Combat Training (BCT) centers for the Army. Understanding the timeline, structure, and logistics of these training dates is essential not only for prospective soldiers but also for families and support networks preparing for the transition. This article offers a comprehensive examination of the 2023 training calendar at Fort Jackson, highlighting key dates, program features, and contextual factors shaping the training experience.

Understanding Fort Jackson's Role in Army Basic Training

Fort Jackson is the Army's premier facility for initial entry training, responsible for transforming civilians into soldiers ready for active duty. The base conducts Basic Combat Training that lasts approximately 10 weeks, focusing on physical conditioning, weapons proficiency, tactical skills, and military discipline. The importance of Fort Jackson in the military training ecosystem cannot be overstated; it trains nearly 50% of all soldiers entering the Army annually.

The 2023 training schedule at Fort Jackson is designed to manage a continuous influx of recruits efficiently while maintaining rigorous standards. Each training cycle begins with in-processing, followed by progressively demanding phases that emphasize physical endurance, mental toughness, and teamwork.

Army Basic Training Dates 2023 Fort Jackson: Schedule and Structure

The Army's official training calendar for 2023 at Fort Jackson follows a consistent cycle with new cohorts starting every two to three weeks. This staggered approach allows for efficient resource use and ensures that instructors can provide adequate attention to each group. Based on publicly available data and recruitment announcements, the following outlines the typical schedule pattern:

Key Training Dates and Enrollment Periods

- **January 2023:** The year begins with the first training cycle starting in the first week, typically around January 2-7.

- **Quarterly Cycles:** New recruit arrivals generally follow a biweekly pattern, with training start dates falling roughly every 14 to 21 days.
- **Peak Training Months:** Summer months (May through August) see an uptick in recruit arrivals, correlating with high enlistment periods post-graduation.
- **Year-End Sessions:** The final training groups for 2023 usually commence in mid to late December, ensuring the base remains operational year-round.

This rolling schedule allows Fort Jackson to process an estimated 70,000 to 80,000 soldiers annually, reflecting its capacity and logistical capabilities.

Phases of Basic Combat Training at Fort Jackson

Understanding the phases within the army basic training dates 2023 Fort Jackson framework is crucial for grasping the overall experience. The 10-week program is divided into three distinct phases:

1. **Red Phase (Weeks 1-3):** The initial phase focuses on indoctrination, discipline, and physical conditioning. Recruits adapt to military life and begin weapons training.
2. **White Phase (Weeks 4-6):** This phase intensifies combat training, including marksmanship, tactical exercises, and field maneuvers.
3. **Blue Phase (Weeks 7-10):** The final phase emphasizes confidence building, advanced combat skills, and culminates in the Warrior Week, a comprehensive test of skills learned.

Each phase is integral to ensuring that soldiers graduate with the necessary competencies to succeed in their military careers.

Factors Influencing 2023 Training Dates at Fort Jackson

Several variables impact the scheduling and execution of army basic training dates 2023 Fort Jackson. These include recruitment demands, military readiness requirements, and broader geopolitical factors.

Recruitment Trends and Impact on Scheduling

Recruitment numbers fluctuate throughout the year and are influenced by economic conditions, military campaigns, and public interest in Army service. For 2023, the Army anticipated steady enlistment rates, maintaining or slightly increasing throughput at Fort Jackson compared to previous years. This steady demand supports a consistent training schedule but requires flexibility to accommodate surges or dips.

COVID-19 and Training Adaptations

Although the bulk of pandemic-related disruptions occurred earlier, 2023 training dates at Fort Jackson still reflected some operational adjustments. These included enhanced health screenings, quarantine protocols for new arrivals, and adjustments to group sizes to reduce transmission risks. Such measures occasionally necessitated minor schedule modifications but did not substantially alter the overall training cadence.

Technological and Curriculum Updates

Fort Jackson has continued modernizing its training approach in 2023, integrating virtual training aids, updated simulators, and revised curricula aligned with current combat doctrines. These enhancements, while improving training quality, also require precise scheduling to ensure all recruits have access to new resources, affecting how training dates and phases are structured.

Comparative Insights: Fort Jackson vs. Other Training Centers

The army basic training dates 2023 fort Jackson schedule can be contrasted with other major Army training installations, such as Fort Benning, Fort Leonard Wood, and Fort Sill. While all centers operate on a roughly similar cycle, Fort Jackson's capacity and throughput are notably higher, resulting in more frequent start dates and larger cohort sizes.

- **Fort Jackson:** Approximately 10 weeks per cycle, start dates every 2-3 weeks, training over 50,000 soldiers annually.
- **Fort Benning:** Focuses on infantry and airborne training, with longer specialized courses following basic training.
- **Fort Leonard Wood:** Known for engineering and military police training, with slightly different schedules due to specialized instruction.

- **Fort Sill:** Primarily artillery training, with basic training integrated for certain MOS (Military Occupational Specialty) paths.

These distinctions underscore Fort Jackson's role as the primary gateway for general Army enlistments and highlight the importance of its 2023 training dates in the broader Army training ecosystem.

Pros and Cons of Training Timing at Fort Jackson in 2023

From a logistical and experiential perspective, the scheduling of army basic training dates 2023 Fort Jackson presents several advantages and challenges.

- **Pros:**

- Regular start dates facilitate planning for recruits and families.
- Year-round training ensures continuous flow of new soldiers.
- Modernized curriculum and facilities enhance training effectiveness.

- **Cons:**

- High throughput can result in crowded facilities during peak months.
- Weather extremes in summer and winter may affect training intensity.
- Ongoing health protocols may add complexity to scheduling and in-processing.

These factors contribute to the overall experience of recruits and the operational success of the training program.

Preparation and Support for Recruits Based on 2023 Dates

Given the regimented schedule of army basic training dates 2023 Fort Jackson, preparation is vital. Recruits and their families should be aware of key timelines, including reporting dates, leave periods, and graduation ceremonies. Adequate preparation involves physical conditioning prior to arrival, mental readiness for military discipline, and logistical arrangements for travel and communication.

Military support services at Fort Jackson also adapt to training dates, offering resources such as counseling, family support programs, and veteran outreach to ensure recruits' successful transition into Army life.

As training continues through 2023, Fort Jackson's ability to balance tradition with innovation will remain central to its mission of producing well-prepared soldiers ready to serve the nation. The careful orchestration of basic training dates ensures that this mission proceeds smoothly, reflecting both the Army's strategic needs and the individual journeys of its newest members.

army basic training dates 2023 fort jackson: Memoirs of a Soldier and an Ambassador for Christ Lloyd C. Glover, 2023-07-17 This is a marvelous book that explores the life story of Lloyd C. Glover, a soldier, and a representative for Christ. This book looks back at the beginning of his relationship with God and the history of his life and how his childhood growing up in a small town in New Jersey was affected by the events of the Viet Nam War, and how his belief in Christ was

strengthen by his assignment as a Christian soldier in the Gulf War while serving in the defense of the Nation of Israel as part of Joint Task Force Patriot Missiles that shot down Saddam Hussein's dreaded Iraqi Scud missiles aimed at the children of Father Abraham, and a year later while serving in the defense of the Kingdom of Saudi Arabia. Come see how God blessed him by turning the Gulf War into a learning environment that allow Sergeant Glover the opportunity to serve as a soldier and a representative for Christ in the Holy Land and to see for himself what it was like visiting and seeing up close the many historical sites in Israel like Capernaum, the Sea of Galilee, Haifa, Tel Aviv, and Jerusalem. The Bible does say that God told Father Abraham "I will bless those that bless you." Amen Lloyd Glover is also a Pastor and Founder of two International Christian websites and an Online Bible training center. Journey with him as he discusses his life after retiring from the United States army and his bible college days at World Harvest Bible College and how his personal relationship with God had anointed him to do the work of the ministry. The purpose of his book is to be a learning tool and a reminder to believers about Jesus' commandment about the Great Commission and to also challenge everyone to see where they fit in as an ambassador and a representative for our Savior. Amen

army basic training dates 2023 fort jackson: A Soldier's Life Edna W. Cummings, 2025-05-08 One woman's extraordinary personal journey in the US military and her triumphant effort to honor her predecessors with the Congressional Gold Medal Looking back on her remarkable career, Retired Army Colonel Edna W. Cummings can justly say that "the odds ain't good, but good stuff happens." Her story is as inspiring as it is improbable, but her memoir is about much more than herself. Chronicling Cummings's unlikely but successful path to leadership roles in the army and afterward, it also tells the story of the 6888th Central Postal Directory Battalion, known as the Six Triple Eight—a trailblazing African American World War II Women's Army Corps unit now the subject of a Netflix film and a Broadway-bound musical—and the grassroots campaign Cummings led to honor them. In 2022, due in large part to Cummings's efforts, the Six Triple Eight was awarded the nation's highest civilian honor—the Congressional Gold Medal. Among the fewer than two hundred recipients, including the crew of Apollo 11 and the Navajo Code Talkers, the Six Triple Eight is the only women's unit to receive this prestigious decoration. In *A Soldier's Life* Colonel Cummings narrates her path from childhood to advocate and how she overcame incredible odds not only for herself but on behalf of those who had come before her.

army basic training dates 2023 fort jackson: *Rwanda's Radical Transformation Since the End of the 1994 Genocide against the Tutsi* Sheriff F. Folarin, 2023-08-07 This book discusses the radical transformation of Rwanda, focusing on the dynamics of its society before and after the genocide against the Tutsis in 1994. Through contextualizing the significant changes experienced by the country, it throws searchlights on a number of other African states facing similar challenges. The author analyses Rwanda's challenges of nationhood after the genocide; the vision and will of the country's leadership; its social programs and strategies for cohesion and national development; the population's resilience; and its growing regional influence in the twenty-first century. Rwandan society is here considered not only through the lens of existing literature on African politics, but also through direct engagement and fieldwork with local populations, scholars and policymakers. In addition, the book weighs in on narratives of survivors and victims of the genocide to understand and present local dispositions to current realities such as reforms, development plans, inclusive policies and programs, and determine how Rwandans deal with historical identity issues and conflicts. This book will be of interest to students, scholars and researchers interested in Rwandan and African politics, peace and conflict studies, security (strategic) studies, and genocide studies.

army basic training dates 2023 fort jackson: *Chasing the Daylight* Joanna Rakowski, 2023-06-07 What is it like to be part of the world's most powerful armed forces at the dawn of the 21st century? Does a military tale have to be about the men going to war? You'll find out here. Joanna is a fragile, romantic, former ballerina. After a painful rift with her beloved friend and mentor, she joins the U.S. Army. Her dream is to become an Intelligence Officer. She faces a formidable task, but she embarks on a four-year journey to accomplish her goal. The story whirls us into the center of the rigorous army training and transports us into the reality that only less than one percent of the U.S. population would ever experience.

army basic training dates 2023 fort jackson: On Heaven's Hill Kim Heacox, 2023-03-21 Finalist for the 2023 Banff Mountain Book Award for Mountain Fiction & Poetry An Anchorage Daily News Favorite Book of 2023 Kim Heacox, author of the National Outdoor Book Award-winning novel *Jimmy Bluefeather*, returns with a new, brilliant novel about family love and the lengths one will go to protect it. A sprawling novel brimming with suspense, ideas and unforgettable characters, *On Heaven's Hill* paints a captivating group portrait of a rebel alliance discovering their true selves in America's most glorious natural landscape. This book will appeal equally to aging idealists reared on Edward Abbey and adventurous kids hooked on Gary Paulsen. Oh, and it's laugh-out-loud funny, too. —Mark Adams, New York Times bestselling author of *Tip of the Iceberg* and *Turn Right at Machu Picchu* Kim Heacox poses the age-old question—what price progress?—with new urgency in *On Heaven's Hill*, his compelling novel of an Alaskan hamlet whose remote location is no defense against big-money development. All that stands in its way is a pack of wolves and the twelve-year-old girl determined to save them. Reminiscent of John Nichols' *The Milagro Beanfield War*, Heacox deftly weaves lyrical tributes to the healing power of nature with a fast-paced plot that builds to a heart-pounding conclusion. —Gwen Florio, author of *Silent Hearts* and the *Lola Wicks* series The small town of Strawberry Flats sits on a remote Alaska coast, peacefully left to itself—until controversial plans for a road and a bridge threaten to upend everything. Former trapper Salt d'Alene never thought he'd find himself in the midst of such a dispute, but he'll do anything to provide the best care for his son Solomon, recently diagnosed with muscular dystrophy. Eleven-year-old Kes Nash just wants her father—back from war in Afghanistan—to be normal again.

And circling the perimeter of the town is a wolf, Silver, and his pack, quietly watching. Told from three alternating perspectives, *On Heaven's Hill* is a vividly powerful story about rediscovering hope and finding new life in the aftermath of trauma. Filled with humor and compassion, it depicts the best of America, a place composed of wildness and kindness.

army basic training dates 2023 fort jackson: Treason From Within Donald T Phillips, 2023-10-03 The First Comprehensive Treatment of the Kennedy Assassination. The US government lied to the American people about President Kennedy's death. But, ironically it was the American people who solved the crime. Over the past half century, hundreds of researchers investigated one or more parts of the murder, often using their own expertise, such as photography, computers, science, medical expertise, and analytical skills. Taken together, their detailed work illuminated what really happened. Author Donald T. Phillips has been following the Kennedy assassination since it happened. This book begins at the end of World War II and concludes when the Warren Commission was formed. Revealed along the way is the truth about the Bay of Pigs, the Cuban Missile Crisis, the ambush in Dealey Plaza, and JFK's fraudulent autopsy. During his two years and eight months in office, President Kennedy prevented the US government from instigating a war that could have involved nuclear weapons in Vietnam, Laos, Berlin, the Soviet Union, and Cuba. He was leading the nation away from armed conflict, ending the Cold War, and setting the stage for a lasting peace with all nations. IN doing so, however, JFK was threatening long-established kopek structures within the government. So on November 22, 1963, in broad daylight, they shot him in the back and blew his brains out. It was a pre-meditated, deliberate, willful act of murder with malice aforethought. And they got away with it. No one who participated in the crime was ever brought to justice. *Treason From Within* answers the questions: Who killed President Kennedy? Why was he killed? How was he killed?

army basic training dates 2023 fort jackson: Atlas/state Data Abstract for the United States , 1996

army basic training dates 2023 fort jackson: The Racial Integration of the American Armed Forces Geoffrey W. Jensen, 2023-02-15 In order to win the Cold War, American presidents embraced the mantra of equality of opportunity to justify racial reform efforts within the US military. The problem was that equality of opportunity never guaranteed acceptance—nor was it designed to. In *The Racial Integration of the American Armed Forces*, Geoffrey W. Jensen clarifies our understanding of the political processes that fundamentally altered the racial composition of the US military. Jensen examines nearly thirty years of military integration that unfolded during the Cold War. America's racial woes were grist for the propaganda mills in Moscow and their integration effort was intended to curb this assault and protect the nation's image during this largely ideological struggle. But integration of the armed forces needed more than just Cold War justification. It also required the willingness of the president to lead. Military integration occurred as the result of the longstanding tradition of Congress to allow the executive branch to control the staffing and composition of the military. While past accounts of the integration of the armed forces have focused on the critical roles played by the burgeoning leadership of the civil rights movement and the Black population, Jensen is the first to emphasize the importance of presidential leadership and their staffs. Jensen contends that understanding the action—and inaction—of Cold War presidents and their administrations matters just as much as understanding the efforts of those outside of Washington and the West Wing, as it was the presidents who were the ones dictating the pace at which reform was carried out. Jensen has carefully situated this story within the milieu of the Cold War, the civil rights movement, and, looming over it all, the emergence of Southern resistance to desegregation in the United States. Desperately committed to upholding and expanding their vision of white supremacy, the South recoiled in horror at the prospect of racially integrating the armed forces. From this vantage point, Jensen shows how the use of Black military personnel during the Cold War, and throughout all American history, was not born solely out of humanistic beliefs or desires to improve the social status of the Black community, but out of the strategic necessity of winning the war at hand.

army basic training dates 2023 fort jackson: *A Professional Foreigner* Edward Marks, 2023-04 Young American Foreign Service officers are accustomed to being teased by friends and relatives as to what they do in the Foreign Legion or the Forest Service. In the United States, unlike in many countries, the role of a professional diplomat is little known or understood. In *A Professional Foreigner* Edward Marks describes his life as an American diplomat who served during the last four decades of the twentieth century, from 1959 to 2001. Serving primarily in Africa and Asia, Marks was present during the era of decolonization in Africa (but always seemed to be at the opposite end of the continent from the hottest developments), was intimately involved in the early days of the U.S. government's antiterrorism programs, observed the unfolding of a nasty and tragic ethnic conflict in one of the most charming countries in the world, and saw the end of the Cold War at UN headquarters in New York. Along the way Marks served as the U.S. ambassador to two African nations. In this memoir Marks depicts a Foreign Service officer's daily life, providing insight into the profession itself and what it was like to play a role in the steady stream of history, in a world of quotidian events often out of the view of the media and the attention of the world. Marks's stories--such as rescuing an American citizen from a house of ill repute in Mexico and the attempt to recruit mongooses for drug intervention in Sri Lanka--are both entertaining and instructive on the work of diplomats and their contributions to the American story.

army basic training dates 2023 fort jackson: *Randy Wood* Daniel Wile, 2023-08-18 In the 1960s and 1970s, Randy Wood was a forerunner in the vintage instrument industry. Known as the instrument repairman to the stars, the list of Wood's clients reads like a Hall of Fame roster: Elvis Presley, Eric Clapton, Johnny Cash, Chet Atkins, Emmylou Harris, Billy Gibbons, Bill Monroe, Keith Richards, Roy Acuff, Ricky Skaggs, and Hank Williams Jr. . . . to name a few. In *Randy Wood: The Lore of the Luthier*, Daniel Wile traces the life and work of a man who quietly influenced a hidden history of bluegrass and country music. In his twenties, Wood vowed to avoid complacency in his work. What started simply as a quest to find fulfillment turned into a career that has shaped a generation of musicians, professional and amateur alike. Through his incredible gift for lutherie, Wood brought cherished pre-WWII instruments back to life, many of which were considered beyond repair. He crafted his own instruments as well, based on what he learned from vintage instruments, and these instruments found their way into the hands of some of the most renowned musicians, thanks in part to Wood's strategic location in Nashville during the resurgence of country music in the 1970s. Humble, unassuming, and unfazed by the presence of celebrities, Wood has spent his life devoted to building and repairing stringed instruments. Wood also built community. After tiring of big-city Nashville, he retreated to the Georgia coast, where his home shop became a hub of bluegrass activity. He eventually opened a new shop near Savannah, where a new generation of friends and strangers can come in, visit, and pick a little. Randy's stories, complemented with those of his friends and family, create a compelling picture of a modest man with a talent for his craft, a genuine care for people, and the courage to follow his passion.

army basic training dates 2023 fort jackson: *More Gentle Heroes* Gary B. Blackburn, 2023-04-26 April 11, The reservoir had growth of tall grass and reeds around the edge and masses of Vietnamese lotus floating on top of the water. A thin layer of fog was suspended over the watery milieu. Emilio could hear frogs croaking as he approached the pond. Handing his M60 to Abbate, the young Marine removed his Ka-Bar knife from its sheath and with knife in hand, slipped into the murky water. He was sure he had seen something stirring among the growth at the water's edge. Moving quietly, De La Garza eased his way around the side of the pond. Feeling his combat boots squish in the soft sticky mud on the bottom of the pool, he barely rippled the water as he moved. Then, without warning the Marine lunged into the reeds, disarming a young Vietnamese man dressed in black and taking him prisoner. As the VC was being brought to shore, he began to

struggle and resist. Abbate and Peterson put down their weapons and waded in to assist hauling the enemy soldier out of the water. Nearing the shore, the man pulled out a hidden grenade and removed the firing pin. Only De La Garza saw him. Yelling Grenade! he threw himself on top of the enemy soldier and grabbed hold of the arm with the grenade, forcing both the man and the grenade back under the deeper water. There was a horrendous blast, knocking down Abbate and Peterson, and filling the pond with a turbulent mixture of mud, blood, and gore. Birds in the surrounding trees screamed in protest, and members of the rifle squad came running in response. Jimmy Huff and the squad doc, Navy corpsman HM3 Sam Lyles were the first to reach the scene.

army basic training dates 2023 fort jackson: *The Cold War: Defense Clandestine Service: Agent Henry Odum* Harry O'Quinn, 2023-10-05 Some people have the ability to understand different languages and learn to speak them quickly. This was the case with Agent Henry Odum. Being exposed to Southern black people at an early age in life taught him to speak the Gullah language and to respect their culture. That exposure placed him in danger of the KKK's vengeance and pushed him to leave home before finishing school. The military quickly realized his potential to become a multilingual intelligence agent. Henry's desire to do the right thing plays a big role in his missions' success. This book is the first in series that tells of Henry's leadership skills and bravery during his missions.
