Anne Lamott on Writing: Wisdom from a Beloved Literary Voice

anne lamott on writing has become a beacon of inspiration for countless writers navigating the often challenging and mysterious landscape of creativity. Known for her candid, humorous, and deeply human reflections on the craft, Lamott offers more than just technical advice—she provides a compassionate guide that embraces the messy, imperfect process of putting words on the page. Whether you're a novice struggling with your first draft or an experienced author facing writer's block, her insights resonate with an authenticity that encourages perseverance, vulnerability, and joy.

The Heart of Anne Lamott on Writing

Anne Lamott's approach to writing is rooted in honesty and self-compassion. In her seminal work, **Bird by Bird**, she demystifies the writing process, reminding us that great writing doesn't emerge fully formed; it is built piece by piece, "bird by bird." This metaphor captures the essence of her philosophy—writing is a slow, sometimes frustrating journey that demands patience and kindness toward oneself.

Lamott doesn't sugarcoat the difficulties of writing. She openly discusses the insecurities, doubts, and fears that plague writers, making her advice relatable and comforting. Her style is conversational, often laced with humor, which helps to dismantle the intimidating aura that surrounds the idea of being a "real" writer.

Embracing the "Shitty First Draft"

One of Anne Lamott's most famous contributions to writing advice is her concept of the "shitty first draft." She insists that every writer must allow themselves to write badly at first because perfectionism can paralyze creativity. The initial draft is a raw, unpolished outpouring of ideas—an essential step where writers give themselves permission to be imperfect.

This idea is liberating. It shifts the focus from producing flawless prose on the first try to simply getting the story or message down. According to Lamott, the magic happens in later drafts when the writer revisits their work with fresh eyes, refining and shaping the narrative. By normalizing the messy beginnings of writing, she encourages writers to silence their inner critics and embrace the process.

Anne Lamott on Writing Discipline and Routine

While Lamott celebrates the spontaneity of creativity, she also acknowledges the importance of discipline. Writing, she believes, is a commitment that requires showing up regularly, even when inspiration is scarce.

Making Time for Writing

Anne Lamott advises writers to carve out dedicated time for writing, treating it as a vital activity rather than an optional hobby. She suggests setting realistic goals and establishing routines that work with one's lifestyle. For some, this might mean waking up early to write; for others, it could be late-night sessions or weekend marathons.

Her emphasis on routine underscores the reality that waiting for perfect conditions or sudden inspiration can lead to endless procrastination. Instead, Lamott champions the idea that persistence and habit are often the keys to unlocking creativity.

Writing as a Spiritual Practice

In many of her essays and talks, Lamott hints at writing as a form of spiritual practice—a way to connect with deeper truths and to heal oneself. She encourages writers to view their work as an act of faith, where vulnerability becomes a bridge to authentic expression.

This perspective transforms writing from a mere task into a meaningful journey. It also helps to frame the struggles and setbacks as opportunities for growth rather than failures, fostering resilience and deeper engagement with the craft.

Insights into Character and Storytelling from Anne Lamott

Anne Lamott's reflections on storytelling reveal her deep understanding of human nature and the art of creating compelling narratives. She emphasizes that characters should be flawed, relatable, and alive, mirroring real people's complexities.

Writing Truthfully About Characters

Lamott encourages writers to dig beneath surface-level descriptions to uncover the emotional truth of their characters. This means embracing imperfection, contradictions, and even ugliness to create fully realized individuals who resonate with readers.

According to her, honest character portrayal invites empathy and connection, which are the heart of memorable stories. She also warns against idealizing or sanitizing characters, as this can result in flat, unengaging narratives.

The Importance of Detail and Specificity

In her guidance, Anne Lamott highlights the power of detail to bring stories to life. She suggests that specific, concrete images and moments are far more effective than vague generalities. This attention

to detail creates vivid scenes that immerse readers and make the narrative more compelling.

By focusing on particular sensory experiences—what a character sees, hears, smells, or feels—writers can evoke strong emotional responses and enhance the authenticity of their work.

Encouragement for Writers Facing Challenges

Writing can be a lonely and daunting endeavor, and Anne Lamott's voice often serves as a reassuring companion for those grappling with self-doubt, fear, or creative blocks.

Dealing with Fear and Self-Doubt

Lamott openly discusses the fears that haunt writers, from the terror of being judged to the anxiety of failure. She normalizes these feelings, reminding writers that doubt is a natural part of the creative process rather than a sign of inadequacy.

Her advice is to acknowledge fear without letting it control one's actions. By continuing to write despite discomfort, writers build courage and develop their unique voice.

Finding Joy in the Process

Perhaps one of the most uplifting aspects of Anne Lamott on writing is her insistence on finding joy amid the struggles. She believes that writing, at its best, is a joyful act of discovery and communication.

This joy doesn't mean the absence of difficulty but rather the presence of meaning and connection. By focusing on the pleasure of storytelling and the thrill of creating something new, writers can sustain their motivation and enrich their craft.

Practical Tips from Anne Lamott on Writing

Beyond her philosophical reflections, Anne Lamott offers concrete advice that writers can apply to their daily practice.

- **Write one paragraph at a time:** Breaking down the writing process into manageable chunks prevents overwhelm and encourages steady progress.
- **Keep a writer's notebook:** Jotting down observations, snippets of dialogue, or fleeting ideas helps capture inspiration whenever it strikes.
- **Accept imperfection:** Lamott reminds writers that the goal is not to write perfectly but to write honestly and authentically.

- **Read widely and often:** Exposure to diverse voices and styles enriches a writer's own work and broadens creative horizons.
- **Seek community:** Engaging with other writers through workshops or critique groups provides valuable feedback and emotional support.

These practical strategies, paired with Lamott's empathetic philosophy, create a nurturing environment where writers can thrive.

Anne Lamott on writing remains an enduring source of encouragement and insight for anyone who puts pen to paper or fingers to keyboard. Her blend of humor, honesty, and spiritual depth invites writers to embrace the imperfections of their craft and to build their stories one heartfelt step at a time.

Frequently Asked Questions

Who is Anne Lamott and why is she influential in writing?

Anne Lamott is an acclaimed American novelist and non-fiction writer known for her candid and insightful advice on the craft of writing. She is influential for her honest, humorous, and deeply personal approach to writing and life.

What is Anne Lamott's most famous book on writing?

Anne Lamott's most famous book on writing is 'Bird by Bird: Some Instructions on Writing and Life,' which offers practical advice intertwined with memoir and reflections on the writing process.

What key writing advice does Anne Lamott offer in 'Bird by Bird'?

One of Lamott's key pieces of advice is to write 'shitty first drafts,' emphasizing the importance of getting words down without worrying about perfection, allowing creativity to flow and revisions to come later.

How does Anne Lamott suggest writers overcome self-doubt?

Lamott encourages writers to embrace self-doubt as a part of the creative process and to persist through it by focusing on writing regularly, accepting imperfection, and trusting their voice.

What role does honesty play in Anne Lamott's writing philosophy?

Honesty is central to Lamott's philosophy; she believes writers should be truthful in their work, writing with vulnerability and authenticity to connect deeply with readers.

Does Anne Lamott offer advice on writer's block?

Yes, Lamott advises writers to start writing anything, even if it feels terrible, to break through writer's block and to focus on small, manageable writing goals rather than perfection.

How does Anne Lamott view the relationship between writing and life?

Anne Lamott sees writing as intertwined with life, believing that life experiences fuel writing and that writing can be a means of understanding oneself and the world better.

What is a memorable quote from Anne Lamott about writing?

A memorable quote from Anne Lamott is: 'Almost all good writing begins with terrible first efforts. You need to start somewhere.' This underscores her emphasis on the importance of starting and embracing imperfection.

Additional Resources

Anne Lamott on Writing: Insights from a Literary Voice

anne lamott on writing offers a compelling window into the craft and mindset of one of contemporary literature's most beloved authors. Known for her candid, humorous, and deeply human approach, Lamott's perspectives have resonated with writers and readers alike, shaping discussions around creativity, discipline, and the often messy process of producing meaningful work. Her reflections on writing go beyond mere technique, delving into the emotional and spiritual dimensions of the craft, making her an essential figure for anyone seeking a nuanced understanding of what it means to write authentically.

Anne Lamott's Philosophy on Writing

Lamott's approach to writing is famously pragmatic yet infused with vulnerability. Unlike many writing gurus who emphasize structure or marketability, she centers the process around honesty and perseverance. Her seminal work, **Bird by Bird: Some Instructions on Writing and Life**, has become a cornerstone text for writers precisely because it demystifies the act of writing. Lamott encourages writers to embrace imperfection and to trust the incremental progress of "taking it bird by bird," a metaphor for breaking down overwhelming tasks into manageable parts.

A key feature of Lamott's philosophy is her emphasis on "shitty first drafts." She openly acknowledges that first attempts are often flawed, messy, and unsatisfactory, but insists that they are an indispensable stage of the creative process. This perspective serves as an antidote to the paralysis many writers face when striving for perfection on the first try.

Embracing Vulnerability and Authenticity

One of the standout elements in Anne Lamott on writing is her call for authenticity. She argues that genuine writing springs from an author's willingness to be vulnerable—sharing personal truths, doubts, and failures without pretense. This approach contrasts with the conventional advice often found in writing manuals that focus heavily on technique and stylistic polish.

Lamott's candidness about her own struggles, including addiction and self-doubt, lends credibility and relatability to her advice. Her writing is not just a technical exercise but a form of self-exploration and connection with readers. This emphasis on emotional honesty has influenced countless writers to approach their work with more courage and openness.

Techniques and Practical Advice in Anne Lamott's Writing Guidance

While her philosophy centers on mindset, Lamott also provides concrete strategies for writers. Her teachings balance inspiration with tangible, actionable steps, making her guidance accessible to beginners and experienced authors alike.

Breaking Down the Writing Process

Lamott advocates for compartmentalizing the writing process into stages, which include:

- **Shitty first drafts:** Free writing without self-editing to lay down ideas.
- **Revisions:** Refining, restructuring, and enhancing the draft.
- **Polishing:** Attention to language, tone, and rhythm for final presentation.

By emphasizing the importance of each stage, Lamott helps writers to avoid burnout and frustration, promoting a sustainable workflow.

Writing as a Practice of Discipline and Patience

Anne Lamott underscores the importance of consistent practice, urging writers to set aside dedicated time to write regularly. She dispels the myth of spontaneous inspiration, instead portraying writing as a discipline that requires commitment. Her advice aligns with broader data on creative productivity, which suggests that routine and habit significantly enhance output quality and quantity.

Dealing with Writer's Block and Fear

Anne Lamott on writing often addresses the emotional hurdles writers face. She acknowledges that fear—fear of failure, criticism, or exposure—is a natural part of the process. Her recommendation is to “write anyway,” reinforcing the idea that progress often comes through resistance rather than avoidance. This approach is echoed in psychological studies showing that confronting fears through gradual exposure can reduce anxiety and improve performance.

Anne Lamott Compared to Other Writing Mentors

In the landscape of writing advice, Lamott occupies a unique space. Unlike more technical experts such as Stephen King or Natalie Goldberg, who emphasize narrative structure or freewriting respectively, Lamott integrates spiritual and emotional dimensions into her counsel. This holistic view makes her work appealing to writers seeking more than just formulaic guidance.

Her style is conversational and accessible, often laced with humor and self-deprecation, contrasting with the sometimes formal tone of other writing authorities. This relatability has helped her build a dedicated following and influence a broad demographic of writers.

Pros and Cons of Lamott's Approach

- **Pros:**

- Encourages honesty and vulnerability, fostering authentic writing.
- Demystifies the writing process, reducing intimidation.
- Offers practical, incremental strategies that promote productivity.
- Addresses emotional and psychological aspects of writing.

- **Cons:**

- Less focus on structural or technical writing skills may leave gaps for some writers.
- Her spiritual and personal approach might not resonate with everyone.
- Advice is sometimes anecdotal, lacking empirical backing.

The Impact of Anne Lamott on Contemporary Writing Culture

Anne Lamott's influence extends beyond her books to workshops, lectures, and online communities where writers seek guidance. Her advocacy for writing as a tool for healing and self-realization has contributed to a broader cultural acceptance of writing as a means of personal growth rather than just commercial output.

Moreover, in an era where content production is often driven by metrics and algorithms, Lamott's insistence on authenticity offers a counter-narrative that values depth and sincerity. This has implications for SEO content creators and bloggers, who can draw from her principles to create more engaging and trustworthy material.

Anne Lamott's Legacy in the Digital Age

As digital platforms democratize publishing, the volume of written content has skyrocketed. Lamott's guidance on maintaining integrity and embracing imperfection serves as a timely reminder for content creators to prioritize quality and voice over quantity. Her encouragement to write "shitty first drafts" aligns well with iterative content development processes common in digital marketing and blogging.

Writers navigating the complexities of online visibility and audience engagement can find solace in Lamott's teachings, which emphasize that perseverance and genuine expression ultimately resonate more deeply than superficial polish.

Exploring anne lamott on writing thus reveals a rich tapestry of advice that balances the technical, emotional, and philosophical dimensions of the craft. Her work continues to inspire writers to approach their art with patience, honesty, and courage, ensuring that the act of writing remains a profoundly human endeavor.

anne lamott on writing: *Bird by Bird* Anne Lamott, 2020-01-02 *Bird by Bird* is the bible of writing guides – a wry, honest, down-to-earth book that has never stopped selling since it was first published in the United States in the 1990s. Bestselling novelist and memoirist Anne Lamott distils what she's learned over years of trial and error. Beautifully written, wise and immensely helpful, this is the book for all serious writers and writers-to-be.

anne lamott on writing: Bird by Bird: Some Instructions on Writing and Life Anne

Lamott, 1995 Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.' From the Trade Paperback edition.

anne lamott on writing: Writing Alone, Writing Together Judy Reeves, 2010-10-06 The lonely life of a writer need not be. There are ways to break that isolation and find encouragement and support within groups of like-minded people. Sections in Writing Alone, Writing Together include Writing Practice Groups, Creating Writing Prompts, Group Leadership, and even What to Do with the Bores, Whiners, Control Junkies, and Thugs. Whether the group is oriented toward writing the great American novel or a family memory book, this useful book offers an array of effective techniques to help writers achieve their goals.

anne lamott on writing: The Swirl and Swing of Words: Embracing the Writing Life Meredith Allard, 2024-10-22 Some of us are compelled to share our creative visions through the written word. If we want to stay true to our dreams of being writers, then we should embrace the writing life. Embracing the writing life means giving into the joys and the challenges of our chosen art form. Embracing the writing life means living fully, being present in the moment, and finding meaning in the smallest things. This is how we fill our creative well, after all--with life. Whether you are new to writing or have many years under your belt, embracing the writing life may be the best thing you can do for yourself as a creative person, and a human being.

anne lamott on writing: Detox Your Writing Pat Thomson, Barbara Kamler, 2016-02-26 There are a number of books which aim to help doctoral researchers write the PhD. This book offers something different - the scholarly detox. This is not a faddish alternative, it's not extreme. It's a moderate approach intended to gently interrupt old ways of doing things and establish new habits and orientations to writing the PhD. The book addresses the problems that most doctoral researchers experience at some time during their candidature - being unclear about their contribution, feeling lost in the literature, feeling like an imposter, not knowing how to write with authority, wanting to edit rather than revise. Each chapter addresses a problem, suggests an alternative framing, and then offers strategies designed to address the real issue. Detox Your Writing is intended to be a companionable work book - something doctoral researchers can use throughout their doctorate to ask questions about taken-for-granted ways of writing and reading, and to develop new and effective approaches. The authors' distinctive approach to doctoral writing mobilises the rich traditions of linguistic scholarship, as well as the literatures on scholarly identity formation. Building on years of expertise they place their emphasis both on tools and techniques as well as the discursive practices of becoming a scholar. The authors provide a wide repertoire of strategies that doctoral researchers can select from, rather than a linear lock step progression through a set of exercises. The book is a toolkit but a far from prescriptive one. It shows that there are many routes to developing a personal academic voice and identity and a well-crafted text. With points for reflection alongside examples from a broad range of disciplines, the book offers thinking tools, writing tools, linguistic tools, and reading tools which are relevant to all stages of doctoral research. This practical text can be used in all university doctoral training and composition and writing courses. However, it is not a dry how-to-do-it manual that ignores debates or focuses solely on the mechanical at the expense of the lived experience of doctoral research. It provides a practical, theorised, real-world, guide to postgraduate writing.

anne lamott on writing: Writing with Research Kristen B. Neuschel, Ann Marie Rasmussen, 2025-05-20 Writing with Research offers readers practical guidance for managing writing and research as combined tasks. Kristen B. Neuschel and Ann Marie Rasmussen bring expert advice from their extensive experience as writers, researchers, and teachers, making this an indispensable, user-friendly guide to research-based writing. This book describes how to launch writing and researching together and how to continue the work as an iterative, not linear, process. It explores

the challenges of finding time for writing and research, and offers tips on how to make progress, even in short writing and researching sessions. It describes the steps necessary for responsible research in the contemporary digital environment, including the role Artificial Intelligence might play and how to map arguments as they emerge through writing. This book offers readers the tools to confront stumbling blocks like procrastination. It shows the benefits of building writing communities and how to make use of feedback at various stages of a project. The short and easily digestible chapters make this a go-to resource for a wide audience, from students, professors, and scientists to professionals. Writing with Research helps all researchers find the resources they need to be successful and encourages them to think of themselves as writers, now and into the future.

anne lamott on writing: *Writing Manuals for the Masses* Anneleen Masschelein, Dirk de Geest, 2020-12-15 This open access collection of essays examines the literary advice industry since its emergence in Anglo-American literary culture in the mid-nineteenth century within the context of the professionalization of the literary field and the continued debate on creative writing as art and craft. Often dismissed as commercial and stereotypical by authors and specialists alike, literary advice has nonetheless remained a flourishing business, embodying the unquestioned values of a literary system, but also functioning as a sign of a literary system in transition. Exploring the rise of new online amateur writing cultures in the twenty-first century, this collection of essays considers how literary advice proliferates globally, leading to new forms and genres.

anne lamott on writing: *Meditation, Writing Can Help You Attain Enlightenment* Pankaj Kumar, 2023-11-08 This book is easy to understand and is intended to help you attain enlightenment as well as fulfil your duties towards your loved ones and society at large. It discusses the essential teachings of different religions, the basics of psychology and the principles of personal growth. The book will enable you to think over issues concerning your life and come to your own conclusions, so that you can accept what appeals to you and reject others. Mantra meditation and journal writing are key practices discussed throughout the book with a chapter devoted to each. Then there are suggestions for improving family life, education of children, personal growth, the quality of sleep and how to cope with the evil that exists in the world. One chapter helps you to understand how journalists work. The section on mental health is meant to be informational and is not a substitute for professional care. The book is an elaboration and refinement of the author's first book 'Striving to Attain Enlightenment.'

anne lamott on writing: *The Writing Frame of Mind* Anne Lamott, 2019-10-29 A Vintage Shorts selection. • To the enormous challenges of being a writer, Anne Lamott offers invaluable advice and encouragement, which more than a million scribes and scribblers of all ages and abilities have been inspired by for a quarter century. In this selection from her essential volume, *Bird by Bird*, Lamott tenderly recommends and outlines the qualities that every writer should learn to hone: intuition, attention, morality, and more. An ebook short.

anne lamott on writing: *Writing Theologically* Eric D. Barreto, 2015-03-19 Of course, by writing we refer to the kinds of reflections, essays, and exams students will have to complete in the seminary classroom. But writing also encompasses the many modes of communication and self-discovery that creative expression can unlock. *Writing Theologically* introduces writing not just as an academic exercise but as a way for students to communicate the good news in rapidly changing contexts, as well as to discover and craft their own sense of vocation and identity. Most important will be guiding students to how they might begin to claim and hone a distinctive theological voice that is particularly attuned to the contexts of writer and audience alike. In a collection of brief, readable essays, this volume, edited by Eric D. Barreto, emphasizes the vital skills, practices, and values involved in writing theologically. That is, how might students prepare themselves to communicate effectively and creatively, clearly and beautifully, the insights they gather during their time in seminary? Each contribution includes practical advice about best practices in writing theologically; however, the book also stresses why writing is vital in the self-understanding of the minister, as well as her or his public communication of the good news.

anne lamott on writing: *Almost Everything* Anne Lamott, 2019-11-07 Despair and uncertainty

surround us: in the news, in our families, and in ourselves. But even when life is at its bleakest, Anne Lamott shows how we can rediscover the hope and wisdom that are buried within us and that can make life sweeter than we ever imagined. Divided into short chapters that explore life's essential truths, *Almost Everything* pinpoints these moments of insight and, with warmth and humour, offers a path forward.

anne lamott on writing: *Making Progress in Writing* Eve Bearne, 2003-08-29 Children's achievements in writing lag behind their achievements in reading, speaking and listening. National tests are beginning to expose this gap and inevitably, it is raising concerns. The issue is not without controversy but regardless of the politics of the situation, national progress in children's writing is both needed and possible. This new book from Eve Bearne makes a valuable contribution towards helping teachers close this gap. Uniquely, it follows the structure of the National Literacy Strategy, whilst examining key areas such as bridging KS2 and KS3 writing, and writing skills beyond the Literacy Hour. Such a structure makes the book incredibly practical and easy to use, providing essential information for both practitioners and academics.

anne lamott on writing: *A Cup of Comfort for Writers* Colleen Sell, 2007-09-01 As every writer knows, keeping the faith isn't always easy. On those days when you find yourself literally at a loss for words, you may long for a little writer's TLC. In *A Cup of Comfort for Writers*, you'll meet more than fifty writers who, just like you, have faced down that empty page and won! From a woman who enters an elite writing program at the age of forty, and proceeds to blow the pros away, to a man who wins his wife's hand by writing her countless love letters. Whether you're already published or as yet undiscovered, *A Cup of Comfort for Writers* will inspire you, motivate you, and fuel the fire that keeps you writing.

anne lamott on writing: *Primary Research and Writing* Lynée Lewis Gaillet, Michelle F. Eble, 2015-08-20 Developed for emerging academic writers, *Primary Research and Writing* offers a fresh take on the nature of doing research in the writing classroom. Encouraging students to write about topics for which they have a passion or personal connection, this text emphasizes the importance of primary research in developing writing skills and abilities. Authors Lynée Lewis Gaillet and Michelle F. Eble have built a pedagogical approach that makes archival and primary research interesting, urgent, and relevant to emerging writers. Students are able to explore ways of analyzing their findings and presenting their results to their intended readers. With in-text features to aid students in understanding primary research and its role in their writing, chapters include special elements such as: Communities in Context - Profiles of traditional and digital communities that help students understand the characteristics of communities and group members Profiles of Primary Researchers - Spotlights on professionals, giving an illuminating look into the role primary research plays in real-world research and writing Student Writing - Examples of exemplary student writing that demonstrate how research can be relevant, engaging, and interesting, with annotations. Invention Exercises - Exercises designed to help students locate primary investigation within communities that they already understand or find appealing Writing Exercises - Writing exercises that offer students practice in exploring communities and investigating primary materials. Readings - Annotated readings with questions to guide analysis, pulled from a variety of rich sources, that give students inspiration for undertaking their own research projects. This text has a robust companion website that provides resources for instructors and students, with sample syllabi, chapter overviews, lecture outlines, sample assignments, and a list of class resources. *Primary Research and Writing* is an engaging textbook developed for students in the beginning stages of their academic writing careers, and prepares its readers for a lifetime of research and writing.

anne lamott on writing: *Writing Science* Joshua Schimel, 2012-01-26 This book takes an integrated approach, using the principles of story structure to discuss every aspect of successful science writing, from the overall structure of a paper or proposal to individual sections, paragraphs, sentences, and words. It begins by building core arguments, analyzing why some stories are engaging and memorable while others are quickly forgotten, and proceeds to the elements of story structure, showing how the structures scientists and researchers use in papers and proposals fit into

classical models. The book targets the internal structure of a paper, explaining how to write clear and professional sections, paragraphs, and sentences in a way that is clear and compelling.

anne lamott on writing: Writing Motherhood Lisa Garrigues, 2008-05-06 Part instruction, part inspiration, this resource shows women that just as mothering is rich in material for writing, writing is an invaluable tool for mothering.

anne lamott on writing: WRITING QUALITATIVE INQUIRY H.L. Goodall, Jr., 2012-03-15 Responding to the rapid growth of personal narrative as a method of inquiry among qualitative scholars, Bud Goodall offers a concise volume of practical advice for scholars and students seeking to work in this tradition. He provides writing tips and strategies from a well-published, successful author of creative nonfiction and concrete guidance on finding appropriate outlets for your work. For readers, he offers a set of criteria to assess the quality of creative nonfiction writing. Goodall suggests paths to success within the academy—still rife with political sinkholes for the narrative ethnographer—and ways of building a career as a public scholar. Goodall's work serves as both a writing manual and career guide for those in qualitative inquiry.
