Beyond Sex Roles Gilbert Bilezikian: Rethinking Gender and Ministry

beyond sex roles gilbert bilezikian is a phrase that resonates deeply within Christian circles, especially among those interested in the dynamics of gender, leadership, and the church. Gilbert Bilezikian, a prominent theologian and author, has significantly influenced contemporary conversations about the roles of men and women in ministry through his groundbreaking work titled **Beyond Sex Roles**. This book challenges traditional interpretations of Scripture concerning gender roles and advocates for a more egalitarian approach within the church and society.

If you're curious about how Bilezikian's ideas have shaped modern Christian thought or want to understand the nuances of his arguments, this article offers a comprehensive exploration of his work, its implications, and the ongoing dialogue it has sparked.

Who Is Gilbert Bilezikian?

Before diving into the core themes of **Beyond Sex Roles**, it helps to know a bit about the man behind the book. Gilbert Bilezikian is a professor, theologian, and pastor who has long been involved in teaching and writing about Christian theology and practice. His Armenian-American heritage and academic background have contributed to his unique perspective on Scripture and church life.

Bilezikian's approach is rooted in a careful study of the Bible, cultural context, and a desire to see the church embody the inclusivity and mutual respect that he believes the New Testament advocates. His work often challenges both conservative and liberal assumptions, seeking a middle ground that remains faithful to Scripture while promoting equality.

What Is **Beyond Sex Roles** About?

At its heart, **Beyond Sex Roles** is an exploration of the biblical teaching on gender roles, particularly focusing on the complementarity and equality of men and women. Bilezikian critiques the traditional "headship" model, which often places men in authoritative positions over women in both church and home settings.

Instead, he proposes a vision where men and women relate to each other as equal partners, reflecting the mutual submission and respect seen in the early Christian community. This vision is not about erasing differences but about transcending rigid roles that limit individuals based on their sex.

Key Themes in Bilezikian's Work

- ****Mutuality over Hierarchy:**** Bilezikian emphasizes that the New Testament promotes mutual submission rather than a hierarchy based solely on gender.

- **Contextual Interpretation of Scripture:** He insists that passages often cited to restrict women's roles must be understood within their historical and cultural contexts.
- **Equality in Ministry:** Women should be encouraged and permitted to serve in all areas of church leadership, including teaching and pastoral roles.
- **The Image of God:** Both men and women equally bear God's image and thus deserve equal dignity and opportunity.

Understanding the Cultural Context

One of the strengths of *Beyond Sex Roles* is Bilezikian's focus on the cultural and historical backdrop of biblical texts. For example, when examining passages like 1 Timothy 2 or 1 Corinthians 14, which are frequently interpreted as limiting women's roles, Bilezikian argues that these instructions responded to specific local issues rather than establishing universal, timeless mandates.

This approach invites readers to consider how the early church was navigating a patriarchal society and how the radical inclusion of women in ministry was itself a revolutionary act. By appreciating this context, modern Christians can better discern how to apply biblical principles today without being bound by cultural constraints of the past.

Implications for Modern Church Leadership

Bilezikian's insights challenge churches to rethink who can lead and teach. His egalitarian viewpoint encourages inclusivity, where leadership is based on gifting and calling rather than gender. This has profound implications for:

- Ordaining women as pastors or elders
- Encouraging female participation in preaching and teaching roles
- Creating church environments where men and women collaborate as equals

Such changes often require careful dialogue and openness to reexamine long-held traditions.

How *Beyond Sex Roles* Influences Christian Thought Today

Since its publication, *Beyond Sex Roles* has become a foundational text in the egalitarian movement within Christianity. It has helped shape seminaries, churches, and Christian organizations that seek to embrace gender equality while maintaining fidelity to Scripture.

Many pastors and theologians cite Bilezikian's work when advocating for women's leadership in the church, seeing it as a well-reasoned and biblically grounded resource. Additionally, it has sparked conversations that bridge divides between conservative and progressive camps, offering a framework for respectful discussion.

Critiques and Controversies

As with any influential work, *Beyond Sex Roles* has faced criticism. Some argue that Bilezikian's interpretations stretch beyond traditional orthodoxy or underestimate the authority of certain biblical texts. Others feel that his approach may not sufficiently account for the complexity of church polity and tradition.

However, even critics acknowledge the importance of his contribution in prompting churches to take seriously the biblical case for equality and the need for ongoing theological reflection.

Practical Tips for Applying Bilezikian's Ideas

If you're part of a church or community wrestling with gender roles, here are some ways to integrate insights from *Beyond Sex Roles*:

1. **Study Scripture Together:** Encourage group Bible studies that examine gender-related passages with attention to context and original audience.
2. **Promote Shared Leadership:** Create opportunities for women to lead worship, teach, or serve on decision-making boards.
3. **Foster Mutual Respect:** Emphasize the biblical call for mutual submission and respect in all relationships within the church.
4. **Educate Leaders:** Provide resources and training that challenge stereotypes and equip leaders to mentor women effectively.
5. **Encourage Dialogue:** Open honest conversations about how tradition and culture influence current practices regarding gender roles.

The Broader Impact on Gender and Society

Beyond the church walls, *Beyond Sex Roles* contributes to wider conversations about gender equality and the dismantling of stereotypes. Bilezikian's insistence on the equal dignity and capability of men and women resonates with cultural movements advocating for fairness in workplaces, families, and social institutions.

His theological framework provides a faith-based foundation for advocating women's rights and combating sexism, showing that religious belief and gender equality need not be mutually exclusive.

Exploring beyond sex roles gilbert bilezikian invites us to consider how faith communities can be places of genuine inclusion, where everyone's gifts are recognized and cultivated. It challenges longstanding assumptions and opens doors for new ways of living out Christian unity and love in a changing world.

Frequently Asked Questions

What is the main theme of 'Beyond Sex Roles' by Gilbert Bilezikian?

The main theme of 'Beyond Sex Roles' is the exploration of gender roles within Christian theology, advocating for equality and mutual submission rather than traditional hierarchical distinctions.

Who is Gilbert Bilezikian, the author of 'Beyond Sex Roles'?

Gilbert Bilezikian is a Christian theologian and author known for his works on gender roles and church leadership, emphasizing egalitarian perspectives.

How does 'Beyond Sex Roles' challenge traditional views on gender in the church?

The book challenges traditional complementarian views by arguing that the Bible supports equal partnership between men and women in all aspects of church life and ministry.

What biblical basis does Bilezikian use in 'Beyond Sex Roles' to support gender equality?

Bilezikian references scriptures such as Galatians 3:28 and the teachings of Jesus to demonstrate that gender distinctions do not determine spiritual authority or value.

Is 'Beyond Sex Roles' supportive of women in church leadership?

Yes, Bilezikian advocates for women to serve in all levels of church leadership, including pastoral roles, based on his interpretation of scripture.

How has 'Beyond Sex Roles' influenced modern Christian discussions on gender?

'Beyond Sex Roles' has contributed significantly to egalitarian debates, encouraging many churches to reconsider restrictive gender roles and embrace inclusive practices.

What are some criticisms of Gilbert Bilezikian's 'Beyond Sex Roles'?

Critics argue that Bilezikian's interpretations may overlook cultural contexts of biblical texts and that his egalitarian stance contradicts traditional doctrinal positions.

Does 'Beyond Sex Roles' engage with cultural and historical contexts of biblical gender roles?

Yes, Bilezikian examines the cultural and historical backgrounds of biblical texts to argue that restrictive gender roles were culturally conditioned rather than divinely mandated.

What practical advice does 'Beyond Sex Roles' offer to churches?

The book encourages churches to foster mutual respect, shared leadership responsibilities, and to remove barriers preventing women from full participation.

Where can one find 'Beyond Sex Roles' by Gilbert Bilezikian?

The book is available through major book retailers, Christian bookstores, and online platforms such as Amazon and Christian publishing websites.

Beyond Sex Roles Gilbert Bilezikian: A Critical Examination of Gender and Ministry

beyond sex roles gilbert bilezikian is a phrase that resonates deeply within contemporary Christian discourse, especially among those grappling with the intersection of theology, gender roles, and church leadership. Gilbert Bilezikian, a prominent theologian and author, has significantly influenced evangelical thought through his progressive stance articulated in his seminal work, **Beyond Sex Roles**. This book challenges traditionalist interpretations of gender roles in Christian ministry and family life, advocating for a more egalitarian approach rooted in biblical exegesis and cultural analysis.

Bilezikian's contributions have sparked extensive debate, positioning him as a pivotal figure in discussions about the role of women in the church and society. Understanding his arguments, the theological basis, and the broader implications of **Beyond Sex Roles** requires an analytical lens that considers historical context, scriptural interpretation, and the evolving dynamics of gender within religious communities.

The Core Thesis of Beyond Sex Roles Gilbert Bilezikian

At the heart of Bilezikian's **Beyond Sex Roles** lies a critique of rigid, hierarchical models of gender roles that have historically dominated evangelical teachings. He contends that these models are more cultural than biblical, often misrepresenting the intent of scripture. Bilezikian argues for a framework that recognizes the equal dignity and gifting of men and women, emphasizing mutual submission and partnership rather than dominance and subordination.

His thesis challenges the notion that leadership and teaching roles within the church are inherently male domains. Instead, he advocates for an interpretation of key biblical texts that supports the full participation of women in ministry, including pastoral and teaching capacities. This egalitarian stance is grounded in a holistic reading of scripture, considering the cultural context of passages traditionally cited to restrict women's roles.

Theological Foundations and Scriptural Interpretation

Gilbert Bilezikian approaches scripture with a hermeneutic that seeks to balance respect for biblical authority with an awareness of historical and cultural contexts. Passages such as 1 Timothy 2:12 and 1 Corinthians 14:34-35, frequently cited to limit women's roles, are re-examined through this lens. Bilezikian suggests these verses address specific cultural situations rather than establishing universal mandates.

Moreover, he highlights other scriptural examples where women take on leadership and prophetic roles, such as Deborah in Judges, Phoebe in Romans, and Priscilla in Acts. By juxtaposing restrictive texts with these affirming examples, Bilezikian builds a case for recognizing women as equally called and gifted for ministry.

Impact on Contemporary Evangelical Thought

Bilezikian's **Beyond Sex Roles** has had a profound influence on the evangelical community, particularly among those advocating for gender equality within the church. His work provides theological ammunition against the complementarian view, which maintains distinct, non-overlapping roles for men and women based on biblical interpretation.

The book has been embraced by many within progressive evangelical circles who seek to dismantle patriarchal structures and promote inclusivity. It has also faced criticism and resistance from conservative factions who argue that Bilezikian's interpretations undermine biblical authority and traditional church order.

Comparative Analysis: Complementarianism vs. Egalitarianism

Understanding Bilezikian's position necessitates a comparison between the two dominant frameworks in evangelical gender discourse:

- **Complementarianism:** Advocates for fixed roles based on gender, often limiting women's leadership to non-pastoral functions. It emphasizes male headship in family and church.
- **Egalitarianism:** Supports equal roles for men and women in all areas of ministry and life, emphasizing mutual submission and shared authority.

Bilezikian's **Beyond Sex Roles** is a cornerstone of the egalitarian approach, challenging complementarianism by reinterpreting biblical texts and promoting a vision of partnership rather than hierarchy.

Critiques and Controversies Surrounding Beyond Sex Roles

While widely influential, Bilezikian's work is not without its detractors. Critics argue that his hermeneutical approach selectively interprets scripture and imposes modern cultural values onto ancient texts. Some perceive his views as a departure from orthodox Christian teaching, potentially destabilizing traditional church structures.

Conversely, supporters praise his scholarship and courage in addressing a sensitive and often divisive issue. They point to the increasing acceptance of women in ministry roles as evidence that his ideas resonate with contemporary congregations seeking to align faith practice with evolving understandings of gender equality.

Pros and Cons of Bilezikian's Approach

1. Pros:

- Encourages inclusivity and equality in church leadership.
- Offers a nuanced, culturally aware interpretation of scripture.
- Empowers women to fully utilize their spiritual gifts.

2. Cons:

- May be seen as controversial or divisive within conservative communities.
- Relies heavily on contextual interpretation, which some argue weakens scriptural authority.
- Potentially challenges long-standing traditions, causing friction in established churches.

The Legacy of Beyond Sex Roles Gilbert Bilezikian in Modern Ministry

Today, the influence of *Beyond Sex Roles* extends beyond academic theology into practical ministry settings. Many churches and denominations have revisited their policies on women in leadership, often citing Bilezikian's work as a key influence. This shift reflects broader societal

changes but also highlights ongoing tensions as communities negotiate between tradition and progress.

Additionally, Bilezikian's framework has inspired a generation of theologians and church leaders to explore gender and ministry with greater openness and scholarship. The dialogue sparked by his book continues to evolve, reflecting the dynamic nature of faith communities navigating complex cultural landscapes.

Gilbert Bilezikian's **Beyond Sex Roles** remains a pivotal text in the ongoing conversation about gender roles within Christianity. By challenging entrenched interpretations and advocating for an egalitarian vision, Bilezikian has reshaped evangelical thought, encouraging a re-examination of scripture, tradition, and the lived experience of faith. This investigation into **beyond sex roles gilbert bilezikian** reveals both the transformative potential and the contentious nature of redefining gender in ministry today.

beyond sex roles gilbert bilezikian: Beyond Sex Roles Gilbert G. Bilezikian, Gilbert Bilezikian, 2006-10 This first-rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles, affirming full equality of the sexes in family and church. The third edition has been revised throughout. Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research. The aim is for nonspecialized readers to be able to follow his discussion step-by-step, evaluate arguments, consider alternative views, and arrive at independent conclusions. The study guide format of the book is designed for either individual investigation or group work. Pastors, church leaders, students, and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint.

beyond sex roles gilbert bilezikian: The Maleness of Jesus Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth--whose maleness is used by many to justify the subordination of women and to emphasize that men, rather than women, better represent Jesus. This raises a number of questions that are the subject of this book. What is the significance of Jesus' maleness? Does it reveal the character of God? Is it foundational for the gospel? Is Jesus' maleness associated with an ongoing created order of male priority? Our answers will affect Christianity's task of love, justice, and reconciliation in a world that is characterized by the global marginalization, oppression, and abuse of women.

beyond sex roles gilbert bilezikian: Beyond Sex Roles Gilbert G. Bilezikian, 1986

beyond sex roles gilbert bilezikian: Gender Roles and the Bible Jack Cottrell, 1994-12 What does the Bible teach about gender roles? Is there a difference as seen in Scripture? Understanding the debate over biblical feminism is essential to answering the questions about the role of women in the church. In this book, Dr. Cottrell stands squarely in the path of the evangelical

feminists who want to prove that the Bible agrees with their egalitarian views (Clark H. Pinock, Ph.D., McMaster Divinity College). Lightning Print On Demand Title.

beyond sex roles gilbert bilezikian: Rediscovering Scripture's Vision for Women Lucy Peppiatt, 2019-08-06 Does God call women to serve as equal partners in marriage and as leaders in the church? With careful exegetical work, Lucy Peppiatt considers relevant passages in Ephesians, Colossians, 1 Peter, 1 Timothy, and 1 Corinthians. There she finds a story of God releasing women alongside men into all forms of ministry, leadership, work, and service on the basis of character and gifting, rather than biological sex.

beyond sex roles gilbert bilezikian: *Equal* Katia Adams, 2019-09-01 In *Equal*, Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit. Blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world—and that, by restricting the roles of women, we are missing God's design for the church and for the gospel's impact on the earth.

beyond sex roles gilbert bilezikian: *The Metaphor of Gender* Katherine Abetz, 2025-01-06 "Surely, from now on all generations will call me blessed." Luke 1:48 "Trying to suppress sexual difference is to invite a genocide more radical than any destruction that has ever existed in History." Luce Irigaray Gendered identity—always a sore spot in church history—looks set to become a major thorn in the cultural flesh. Mary has played more than one part in that history, often in constricting ways. Is something missing here? Where are the generations who call her blessed? Where are those who celebrate the interactions of divinity and humanity, female and male, in the announcement of a pregnant woman—with God in utero? This book follows *The Wizard's Illusion*, revisiting the Land of Oz. Traveling companions range from Elizabeth A. Johnson to Paul Ricoeur and C. S. Lewis; from Augustine and Karl Barth to Grace M. Jantzen and Catherine Keller. The quest is the imago Dei with its interweaving motifs, in which there is room for the other, in which gender is a metaphor for something far greater. Identity, meaning . . . or postmodern ambiguity? Vive la différence or vive la différance? That is the question for our generation.

beyond sex roles gilbert bilezikian: *Upon This Rock* Jason G. Duesing, 2010 Southern Baptist leaders write about the validity of denominational distinctives and issues stemming from the article on The Church in the Southern Baptist Convention's Baptist Faith and Message.

beyond sex roles gilbert bilezikian: *Women, Leadership, and the Bible* Natalie R. Wilson Eastman, 2014-05-16 What do you believe about women's roles in church leadership? Should women lead groups that include men? Should women preach? Should women be ordained? More importantly, why do you believe what you believe? Plenty of books exist telling women what to think; precious few help women think for themselves, particularly about theological issues. *Women, Leadership, and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about women's roles in the church, along with any other issue they may face in life. In straightforward, plain language, Dr. Natalie Eastman introduces women to a five-step, easy-to-follow process for studying the Bible and interpreting what they study. [NOTE to designer: if there is not enough space on the back cover then cut the following section in italics] This book encourages women that they can think for themselves and can analyze significant theological issues, despite any hesitations they may have, any conflict surrounding an issue, or any lack of theological training. By the time readers finish this book, they will have a biblically defensible, theologically reasoned, and thoroughly discerned understanding of what they believe Scripture says about women's roles and how that understanding could play out within the church. No longer will they feel as though they have nothing to contribute when the subject of women's roles—or any other of life's theological questions—arises.

beyond sex roles gilbert bilezikian: *Ten Great Ideas from First Corinthians* George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the

Western world in the twenty-first century. The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today. This is not just another commentary (there are many very good ones) but rather we present a biblical theology of church renewal, based on solid exegesis, and our experience as teachers and pastors in both Africa and North America. This book will pull out the essential teaching of Paul on renewal in ten manageable principles, or "great ideas." Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope. When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things, the church begins to move, and the world begins to change.

beyond sex roles gilbert bilezikian: Women, Abuse, and the Bible Catherine Clark Kroeger, James R. Beck, 2019-08-08 Why are spouse and child abuse so frighteningly common in the church? According to the findings of this book's contributors, the main reason stems from misuse and misunderstanding of the Bible's teachings on headship and submission. Based on a Christians for Biblical Equality conference, Women, Abuse, and the Bible shows that many abusers see no conflict between their behavior and their Christian beliefs. Some abusers even justify their behavior by citing biblical passages and religious principles. With input from counselors, biblical scholars, an abuser, and survivors, this eye-opening book will: —Compel Christians to recognize the existence of domestic violence. —Offer practical and creative pathways to healing. —Challenge churches to honestly address the issues of domestic, verbal, and clergy abuse, emotional cruelty, sexual harassment, and rape. This book speaks frankly of the way that the Bible can be used to hurt or to heal, to disperse God's grace or to obstruct it. It serves as a sourcebook for all Christians courageous enough to address the problem.

beyond sex roles gilbert bilezikian: Jesus and the Feminists? Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home. The feminist movement has affected every aspect of political and social America, and Christians are becoming increasingly aware of how this movement has impacted the church. The feminist movement has changed the way evangelicals view not only themselves, but also the very Word of God. Jesus and the Feminists begins by offering a brief survey of the feminist movement, revealing the radical misunderstanding of Jesus that has resulted from this movement. Köstenberger then critiques the relevant works of well-known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women. This practical resource points the way to a better understanding of the biblical message regarding Jesus' stance toward women and offers both men and women a biblical view of their roles in the church and the home.

beyond sex roles gilbert bilezikian: Two Views on Women in Ministry Zondervan,, 2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates. Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities. Egalitarian - equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener) Complementarian - men and women fill distinctive ministry roles (represented by Craig L. Blomberg and Thomas R. Schreiner) This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

beyond sex roles gilbert bilezikian: *One in Christ Jesus* David Lertis Matson, K.C. Richardson, 2014-11-11 This Festschrift dedicated to S. Scott Bartchy comes on the occasion of his retirement from the Department of History at the University of California at Los Angeles. This volume contains seventeen essays contributed by Professor Bartchy's esteemed colleagues, associates, friends, and former graduate students. Beginning with his groundbreaking work on Greco-Roman slavery, Bartchy's teaching and research have been marked both by his use of social-scientific methods for studying the New Testament and by an interest in the social history of early Christianity, including the role of women in the early Christian assemblies, the Christian critique of traditional views of male honor, and the practice of table fellowship and its implications for Christian social relations. To honor Bartchy's legacy, the editors thought it appropriate to organize this collection according to the relational categories suggested by Galatians 3:28. Each essay pertains, therefore, to the social dynamics between Jews and Gentiles, slaves and freeborn, or males and females in the early church and beyond. The volume's subtitle reflects Scott's many accomplishments as a jazz musician and sounds a note of unity in diversity that characterizes the diverse perspectives and themes found in the essays of this volume.

beyond sex roles gilbert bilezikian: *The Oxford Handbook of Feminist Approaches to the Hebrew Bible* Susanne Scholz, 2020-12-31 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars, examining crucial points of analysis within the field of feminist Hebrew Bible studies. Organized into four major areas - globalization, neoliberalism, media, and intersectionality - the essays collectively provide vibrant, relevant, and innovative contributions to the field. The topics of analysis focus heavily on gender and queer identity, with essays touching on African, Korean, and European feminist hermeneutics, womanist and interreligious readings, ecofeminist and animal biblical studies, migration biblical studies, the role of gender binary voices in evangelical-egalitarian approaches, and the examination of scripture in light of trans women's voices. The volume also includes essays examining the Old Testament as recited in music, literature, film, and video games. The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally, hermeneutically, and exegetically cutting-edge path for the ongoing development of biblical studies grounded in feminist, womanist, gender, and queer perspectives.

beyond sex roles gilbert bilezikian: *In the World but Not of the World* A. Sue Russell, 2019-11-20 There has been much discussion of two dimensions of the kingdom of God in scholarship: the temporal (already/not yet) and the embodied (spirit/flesh). Russell proposes that there is a third parallel dimension, a social dimension. Using Victor Turner's concepts of structure, antistructure, and liminality, Russell explores how these concepts are consistently expressed in Jesus' teaching, in Paul's writing, and through the writers of the second and third centuries. She demonstrates how, from the very beginning of the Jesus movement, Christ followers were unique, not because their members were to live liminal lives apart from structure, but because they lived out new antistructural relationships within existing structures and thus transformed them. They lived liminally within their structure.

beyond sex roles gilbert bilezikian: *As Christ Submits to the Church* Alan G. Padgett, 2011-08-01 What does the Bible really say about gender, the ethics of submission, and male-female roles? In this book, well-regarded theologian Alan Padgett offers a fresh approach to the debate. Through his careful interpretation of Paul's letters and broader New Testament teaching, the author shows how Christ's submission to the church models an appropriate understanding of gender roles and servant leadership. As Christ submits to the church, so all Christians must submit to, serve, and care for one another. Padgett articulates a creative approach to mutual submission and explores its practical outworking in the church today, providing biblical and ethical affirmation for equality in leadership.

beyond sex roles gilbert bilezikian: *Gender Roles and the People of God* Alice Mathews, 2017-05-23 Most women in the church don't aspire to lord it over men, nor do they want to scramble for position. Instead, they want to be accepted as full participants in God's work, sharing in kingdom

tasks in ways that use their gifts appropriately. In *Gender Roles and the People of God*, author, radio host, and professor at Gordon-Conwell Theological Seminary, Alice Mathews surveys the roles women have played in the Bible and throughout church history, demonstrating both the inspiring contributions of women and the many hurdles that have been placed in their path. Along the way, she investigates the difficult passages often used to preclude women from certain areas of service, pointing to better and more faithful understandings of those verses. Encouraging and hopeful, Mathews aims for an egalitarian complementarity in which men and women use all of their gifts in the church together, in partnership, for the glory of God.

beyond sex roles gilbert bilezikian: *Women in the Maze* Ruth Tucker, 1992 Spanning the course of church history from Bible times to the present day, Ruth A. Tucker's book tackles the issues of women's roles in a question-and-answer format.

beyond sex roles gilbert bilezikian: Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions: first, sexuality is far more comprehensive and more fundamental to our existence than simply genital sex, and, second, sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality. The authors address what our sexual experience reveals about God, the ways we understand the gospel, and the ways we read scripture and tradition and attempt to live faithfully.
