Verano de 1942. Carlos Lombardi se ve obligado por la policía del Nuevo Estado a seguir el rastro de un joven desaparecido. james grippando new book 2020: The Big Lie James Grippando, 2020-02-25 As the Electoral College battle for the White House lands in a Florida courtroom, Miami attorney Jack Swyteck has never felt farther from the truth, fighting for a "faithless elector," caught between a corrupt

president and his manipulative opponent—with each revelation more explosive than the next. The country is reeling. For the sixth time in American history, the winner of the popular vote will not occupy the Oval Office. President Malcolm MacLeod, the Machiavellian incumbent, was spared from impeachment only because his political foes were certain they would oust him at the ballot box. Now, he appears to have secured a second term, thanks to a narrow victory in the Electoral College. His opponent, Florida Senator Evan Stahl, saw his campaign rocked by allegations of an extramarital affair—with another man. Despite the salacious headline-making scandal and the surrounding media frenzy, most Americans chose Stahl to lead the politically polarized nation. But Stahl is refusing to concede. Backed by millions of supporters, he looks to individual members of the Electoral College to cross party lines. Gun lobbyist Charlotte Holmes is one of Floridas twenty-nine electors who is bound by law and by oath to cast her vote for MacLeod, who won Florida by the thinnest of margins. When Charlotte announces that she intends to vote her conscience and throw the Electoral College to Stahl, the president and his Florida machine haul her into court on felony charges—which, for some, isn't nearly punishment enough. Miami attorney Jack Swytek is going to use every legal maneuver he can to keep his new client free—and alive. MacLeod's hand-picked prosecutor is determined to prove Charlotte is unfit to cast a vote. Dredging through her past, he's looking for skeletons to humiliate and discredit her, while others with far deadlier intentions have begun acting on their threats. As the pressure mounts, Charlotte and Jack must decide how far they'll go to stand their ground in the stand-your-ground state.

james grippando new book 2020: *Under the Gaze of God* G David Williams CP, 2020-11-27

The way I understand the gaze of God to have a defining influence on spiritual growth and development has, as its overarching image, the way a mother gazes at her infant at the breast: It is a gaze that is tender; all-absorbing; exclusive; filled with wonder and love; tranquil; and protective. Just as the mother's gaze engages the infant in a dialogue without words and provokes a response, so too the gaze of God evokes a response from the human heart. Just as the mutual gaze of mother and infant sets up a relationship which becomes the basis of communication, so too the mutual gaze of God and the soul become the basis for prayer. The main insight of the book is that the movement into union with God is circular rather than linear; that it is not exclusively a movement into something new, something that has not previously occurred, but is also, and more importantly, a movement towards recapturing something which has already existed, namely, that relationship we enjoyed, albeit pre-consciously, at our mother's breast when God looked upon us and saw that we were very good.
