it is good to praise the lord lyrics: *The Beautiful Work of Learning to Pray* Rev. James C. Howell, 2003-06-01 Prayer is not easy, yet learning to pray can be learned. *The Beautiful Work of Learning to Pray* is a brief but probing guide into the life of prayer. James Howell examines the many barriers to prayer (such as our busyness, how uncomfortable with silence we are, our doubts and fears) and invites the reader to take a fresh approach to the devotional life. Each lesson begins with a scripture passage and the author draws comfortably and appropriately from a rich array of other sources (Annie Dillard, St. Augustine, Henri Nouwen, Kathy Mattea, Madeleine L'Engle, Dietrich Bonhoeffer, St. Francis, Oscar Romero, and the movie *Good Will Hunting* are a sampling.) The author's own engaging writing style, including his ability to illumine his ideas with the shared wisdom of others, is a major strength of this book. While each "lesson" is only two book pages long, the author draws from a deep well of wisdom about prayer. Howell leads the reader through the "subjects" of prayer (e.g. praise, confession, giving thanks), and digs deeply into theological issues such as whether prayer works, prayer and suffering, and forgiveness. According to the author, "In the end, prayer draws us into community with others-- out of our "curved in" lives and into the world in service." *The Beautiful Work of Learning to Pray* will be helpful to the novice in spiritual life as well as long-time Christians who are striving for a more profound relationship with God. Includes Study Guide, List of Sources, and Scripture Index.

it is good to praise the lord lyrics: MORE THAN A PSALM Don Lowe, 2022-07-22 *More Than a Psalm* is a collection of devotions compiled over many years. The reader is encouraged to read the psalm referenced first, then the devotion. Many different styles of introductions are used to lay the groundwork for one theme from the psalm. The overarching theme of the book and of Psalms itself is praise to God in song. Each devotion is a single theme the author gleaned from reading and meditating on God's Word. The introduction to each devotion is created in such a way to capture the attention of the reader with a familiar quote, song title, or event from history. The following is a sample from the devotion entitled "Why Do the Wicked Prosper?" Open the daily newspaper and all you see is bad news, right? You read articles about how good people are afflicted with trouble and wicked people seemingly prosper in spite of their godless lifestyles. Gangs running rampant; sexual predators on the loose; corporate scandals, but the rich get richer, and the poor get poorer. How can God allow this to happen? Why do the wicked prosper? It's really very simple. If you perceive prospering as fortune, fame, and money, the natural conclusion is the wicked prosper. When you see things the way God does, it's a much different picture. It's all about your perspective. Do you have a biblical perspective or a worldly perspective? As the book is written by a layperson and not a biblical

scholar, the themes are meant to resonate with any reader. If you've ever struggled with reading the book of Psalms, this devotional is for you. The simple themes and easy-to-understand language will touch your heart and help guide you through Psalms.

it is good to praise the lord lyrics: *Calendar and Chronology, Jewish and Christian* Roger T. Beckwith, 2018-11-26 Judaism and Christianity are both religions of history and remembrance and rely on calendars and accurate chronologies to recall and reenact the signal events in their histories. The import of dividing the day and night, of knowing the moment of Sabbath and Lord's Day, of properly timing Passover and Easter cannot be overstated. Throughout the history of both religions, these issues were central to worship and practice of religion and had far-reaching effects from messianism to prophecy. But their very centrality meant they were issues of controversy and debate. Roger Beckwith looks carefully at the Jewish and Christian records concerning calendar and chronology, compares, contrasts, and challenges rival solutions to these complex questions. His breath of research — from the ancient Near East to Qumran, from Josephus and Philo to the Maccabean writings, and from the points of view of Paul and Jesus to the Fathers of the church — and his focus on the more controversial issues of dating make *Calendar and Chronology* an essential book for any serious scholar of history, liturgy, worship, and interpretation. it is good to praise the lord lyrics: *A Reading of Edward Taylor* Thomas M. Davis, 1992 A Reading of Edward Taylor is a study of Taylor's poetry in the sense that Thomas M. Davis is interested in how the nature of the poems evolves during the nearly fifty years Taylor served as minister in Westfield, Massachusetts. The first part of the book examines the long doctrinal poem, *Gods Determinations*, as the poem in which Taylor emerges as an accomplished poet. The final section of the poem, the Choral Epilogue, with its emphasis on praising God in song, leads directly to the initial poems of the Preparatory Meditations, the more than two hundred meditative poems that

Taylor wrote over the next forty years. The early poems in Series 1 exhibit only loosely organized sequences; some are directly prompted by the Lord's Supper, but many are related in only indirect ways to the Sacrament. These poems, in their range and celebration of the joys of grace, are some of Taylor's best. In Meditations 19-22, he writes four interlocked poems dealing with the relation of his poetry to his spiritual condition. Despite Taylor's disclaimers about the quality of his poetry, in these poems he also makes his most elevated claim about his ability to praise. What reservations he has about his ability to praise adequately are relatively minor in subsequent Meditations. But after the death of his wife, Elizabeth, Taylor reexamines the nature of his poetry and the relationship of grace to his ability to write in praise of Christ. And he begins to equate shoddy poetry with his own sin. In the central Meditations in this process, Meditations 39 and 40, the intense examination of his sinful state (My Sin! my Sin, My God, these Cursed Dregs. . .) leads him to beg Christ to destroy his (Taylor's) sins so that his rough Feet shall [Christ's] smooth praises sing. By the end of Series 1, he has come to accept a more limited view of the possibility of writing praise commensurate with Christ's glory. He acknowledges that until he receives the Crown of Life I cannot sing, my tongue is tide. / Accept this Lisp till I am glorified. He then turns at the beginning of Series 2 to the poems on typology. These poems are often mechanical, particularly those where he is too strictly bound by the large number of typological parallels. He also recognizes these limitations and moves increasingly to other texts, particularly those from the Canticles. In the allegory of the Song, Taylor finds the openness and sensuous imagery that allow him to express as fully as is possible his love of Christ and his passionate desire to be with the Bridegroom in the heavenly Garden. The more than forty Meditations based on Canticles texts near the end of Series 2 reveal Taylor's sense of drawing closer and closer to being in the Garden itself, and of replacing his lisp with the true voice of the glorified.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. it is good to praise the lord lyrics: Holy Ground L. Charles Jackson, 2024-02-21 Jesus did not say "take and think." He said "take and eat." This is embodied worship. It includes gestures, rites,

kneeling, raising hands, and of course eating and drinking a holy meal with God. These activities are liturgies. Liturgy is the physical, embodied activity of worship—it's what we do in worship—everyone has a liturgy! As such, worship is the church's primary means of discipleship. Instead of fearing to kneel because it's "Roman Catholic," or fearing to raise your hands because it's "Pentecostal," perhaps we should simply see what God recommends in the Scriptures—then without fear and by faith (at the appropriate time) start kneeling, raising our hands, and eating a covenant meal with God (on a weekly basis). The hope is to replace a fear-driven approach to worship with a faith-driven, embodied worship that offers deep, robust, and beautiful worship experiences combined with the hope of great blessings. In doing so, we hope for nothing less than a new reformation—a reformation in worship.

Questions & Answers Most Christians today believe in the theory of pre-tribulation rapture. Because they believe in this false doctrine teaching them that they would be lifted before the coming of the Great Tribulation of seven years, they are leading idle religious lives steeped in complacency. But the rapture of the saints will occur only after the plagues of the seven trumpets run their course until the sixth plague is all poured—that is, the rapture will happen after the Antichrist emerges amidst global chaos and the born-again saints are martyred, and when the seventh trumpet is blown. It is at this time that Jesus would descend from heaven, and the resurrection and rapture of the born-again saints would occur (1 Thessalonians 4:16-17). On this day, everyone in this world would be standing on a crossroad of his/her eternal fate. The righteous who were born again by believing in the gospel of the water and the Spirit will be resurrected and raptured, and thus become heirs to the Millennial Kingdom and the eternal Kingdom of Heaven, but the sinners who were unable to participate in this first resurrection will face the great punishment of the seven bowls poured by God and be cast into the eternal fire of hell. Therefore, you must now come out of all the false doctrines of religions and the lust and confused values of this world, and enter into the true Word of God. I hope and pray that by reading my series on the gospel of the water and the Spirit, you would all be bestowed with the blessing of having all your sins washed away, and of receiving the second coming of our Lord without fear.
