Definition and Role of Apostles

Apostles were individuals specifically selected by Jesus to be his closest followers and to carry forward his mission after his death and resurrection. Their responsibilities included preaching, healing, and establishing Christian communities across different regions. They are often seen as the primary witnesses to Jesus' life and resurrection, which underpins Christian faith.

Selection and Number

Jesus chose twelve men to symbolize the twelve tribes of Israel, emphasizing continuity with Jewish traditions. These twelve apostles were Simon Peter, Andrew, James the Greater, John, Philip, Bartholomew, Matthew, Thomas, James the Lesser, Thaddaeus, Simon the Zealot, and Judas Iscariot. After Judas' betrayal and death, Matthias was selected to complete the group.
